ALBRIGHT EASY FOR VARSITY

MYERSTOWN COLLEGIANS FAIL
TO SCORE.

FINAL SCORE 37-0.
TEAM SHOWS POWER

Bloomsburg Normal Beaten in First
Game 31-0.—Better Offense Than
Last Year.—New Men Show Up
Well.

Bloomsburg Game.
The first game of the football season was played here with Bloomsburg on a soggy field. Bloomsburg put up strong resistance during the first part of the game, but their defense crumpled in the latter part. Bucknell coming out on the winning end of a 31-0 score.

In the first period Hendren made a touchdown by a good end run and several line plunges. In the third the bottom dropped out of Bloomsburg's defense and Mangan and Baldorf each got in some big runs, piling up three touchdowns. Silberstein carried the ball over for the last score in the fourth period after receiving a forward pass.

The line-up:
Bucknell Positions Bloomsburg
Dent Jones
Baker Wolfe
Herbine Platt
Cockill Moyer
White Foster
Peale (Capt.) Derr
McDermott Boyles
Mangan Smith
Hendren Jones
Waddell Kester
Hopper Brink
Umpire—Kester. Referee—Sauters. Harvard. Timekeeper—Cockill. Time of quarters—8 minutes. Substitutes: Bucknell—Lawrence for Dent, Kerth for Herbine, Gerhart for Hendren, Weishaar for Waddell, Baldorf for Hopper. Bloomsburg—Moss for Platt, Potter for Moss, Shater for Boyle, Leech for Kester.

Albright Game.
The second game of the football season turned out to be an easy victory for Bucknell. Albright was this time the victim and was trampled over for 37 points while the home squad had little trouble in keeping the enemy at a safe distance from the goal line.

A bright sun and a cool breeze made the day an ideal one for football. Both teams showed a considerable amount of life, the varsity showing a noticeable improvement over the first week's exhibition.

The forward pass was the big feature in Bucknell's scoring machine. Three of the six touchdowns made were the result of forward passes cleverly executed. Two of these were handled by Banks who seemed to have little trouble in taking care of his part of the play. Silberstein handled the other, pulling the ball out of the air just back of the goal posts. Dent also was responsible for a big gain on a forward pass, placing the ball on the two-yard line from where Hendren carried it over on the next play.

Bucknell also gained easily by line plunging. Baldorf tore thru for 30 yards for a touchdown in the third period. Mangan and Hendren found Albright's defense easy and advanced the ball frequently by line plunges.

The whole team with its abundance of new material looks better than it has for several years. The showing against Albright indicated a marked improvement since the opening game. With like improvement thru this week's training the team will be in condition to make State fight hard to win next Saturday.

The line-up:
Bucknell Positions Albright
Banks Goldhammer
left end.

Baker G. Shambaugh
left tackle.
White J. Shambaugh
left guard.
Cockill Yost
centre.
Newcomb Gambler
right guard.
Peale (Capt.) Troutman
right tackle.
Dent Roland
right end.
Mangan Silverman
quarter-back.
McDermott Smith
left half-back.
Hendren Hoffman
right half-back.
Baldorf Curry
full-back.
Umpire—Godcharles of Lafayette.
Referee—McCrea, of Pratt Institute.
Timekeepers—Cockill and Keechener.
Linesman—Brenner. Time of quarters—12 minutes. Substitutes—Bucknell—Lawrence for Banks; Salacseynski for Baker; Hall for Mangan; Herbine for White; Gilbert for Cockill; Kerth for Newcomb; Silberstein for Dent; Waddell for McDermott; Miller for Hendren. Albright—Krum for J. Shambaugh; J. Shambaugh for Yost; Schreffer for Gambler; R. Hoffman for Smith.

SIGMA CHI DANCE.
The Sigma Chi fraternity gave an informal "get-acquainted" dance at the Lewisburg Club Friday evening. Nesbit's orchestra, of Sunbury, furnished the music. All present reported a most enjoyable evening.

**AUBREY CHOSEN FOR
GENERAL SECRETARY**
WILL TAKE HIS SENIOR WORK
IN TWO YEARS AND FIN-
ISH WITH 1918 CLASS.

Edwin E. Aubrey, chosen last year for president of the College Y. M. C. A., has been elected to serve as General Secretary for the next two years. He will carry half work during the two years and finish his course with the class of 1918.

Aubrey has already shown by the way he has taken up his new duties, that he intends to put forth a wholehearted effort to make the Y. M. C. A. a successful factor in the life of every man on the "Hill." A splendid reception to new men at the opening of school gave a good start towards a successful year for Bucknell's Christian Association in its various activities.

STUDENTS NOTICE
There will be a mass meeting for Freshmen, Sophomores, Juniors and Seniors on Wednesday evening in Bucknell Hall. Come out and learn the arrangements for the trip to State College next Saturday. The biggest game of the season is scheduled for Saturday and your presence is needed. Senior President Gillette promises the best mass meeting of the year. Show your college spirit!

CAP AND DAGGER MEETING.
There will be a meeting of the Cap and Dagger on Wednesday evening at 7:30 o'clock in Miss Schillinger's studio.

HILL PATHS IMPROVED.
A layer of finely-crushed stone has been placed on the paths of the hill and adds greatly to their improvement. The rain of Friday shows that the paths can still be improved in some places.

CLASS OF 1920 ENTERS BUCKNELL

COLLEGE OPENS WITH USUAL
LIVELY SPIRIT.

FRESHMEN NUMBER 250,
TOTAL ENROLLMENT 750

Van Gundy House Added to Buildings
of Women's College.—Rooms on
Hill Nearly All Occupied.—Two
Additions to Faculty.

Bucknell, unaffected by the state infantile paralysis quarantine, opened as planned on Thursday, September 21, with the usual lively spirit. As early as Monday before opening students began to enliven the town and college halls and by Friday a Freshman Class of almost 250 students had enrolled. Last year the entering class numbered about 285, making in all about 725 students last year. At the present time the college census is approximately 750, and not since the building of East College has the capacity of the college buildings been so taxed. Barely a dozen rooms remain unoccupied and another such enrollment next year will make necessary the use of every available inch in the buildings on the hill.

Practically all available room at the Woman's College was taken last spring and this year in addition to the use of the Bower house, half a dozen young ladies are rooming in the Van Gundy house on Sixth street opposite the Seminary.

An interesting feature this year is the large number enrolling in the chemical engineering course, probably due to the war creating large demands for chemical engineers in ammunition and other manufacturing plants throughout the country.

There have been two additions to the faculty this year—Professors Rice and Campbell. Prof. John W. Rice, of Williamsport, was graduated from Bucknell in 1914 and obtained his master's degree here in 1915. Last year Prof. Rice taught at Hazleton High School where he was in charge of the Biological Science department. During the summer of 1914 he taught in the Biological Science department of Juniata College. Prof. Edgar Campbell, of last year's class of this university, has been elected to the faculty in the French department. Prof. Campbell taught in the Academy last year. Both new men assumed their duties at the opening of the term.

The second year of summer school at Bucknell which closed early in August was very successful in every way. About 70 students were enrolled and the past summer's experience shows that the summer sessions are much in favor and give promise of a still larger student body at the coming sessions next year.

**BUCKNELL STUDENTS
ON MEXICAN BORDER**
NUMBER OF UNDERGRADUATES
AND FORMER STUDENTS
IN MILITIA.

Several Bucknell students are with the National Guard on the Mexican border doing duty for Uncle Sam. Miller Johnson, '17, Heister, '19, Earle, '18, and Spotts, '18, all belonging to Troop M, 1st Pennsylvania Cavalry, Lewisburg, are among this number. Baker Spyker, '16, and Corporal Clair Groover, '15, also belong to the same division.

Homer B. Hedge, '10, who has been doing Y. M. C. A. work in Philadelphia for the last several years, is engaged in Y. M. C. A. work among the militia on the border. He has charge of the Y. M. C. A. building of the 1st Pennsylvania Cavalry.

Ohlson, '19, of Kane, is among the recruits from his section of the state.

Y. M. C. A. THURSDAY.
Professor Stewart will address the students in the Y. M. C. A. Hall in West College on Thursday evening.

**STUDENTS WILL
AUTO TO STATE**

During the past week many students have been looking forward to the Bucknell-Penn State game at State College on Saturday. It is practically sure that a special train will be chartered for the trip, but many students have already arranged to go in automobiles. Between six and twelve motor cars will leave Saturday morning and return after the game in the afternoon.

DEBATING BOARD MEETING.
There will be a meeting of the College Debating Board, Wednesday afternoon at 4:15 in Room 2 Main College. Election of officers and arrangements for intercollegiate debates will occupy the centre of attention. All new and old students interested in debating are invited to attend this meeting.

FRESHMEN! NOTICE!
A meeting of the Freshman Class will be held on Tuesday afternoon at 4:15 in Bucknell Hall. The purpose of the meeting is to organize a Freshman Athletic Association, and to elect a football manager. This is an important meeting and every member is urged to be present.

**SENIORS ELECT
GILLETTE PRESIDENT**
WINS OVER THREE OTHER CANDIDATES FOR THE POSITION.

At the annual meeting of the 1917 class on Friday, Sept. 22, the Seniors elected C. Clifford Gillette president of the class. Gillette was returned a winner over Ackerman, Felton and Bronner on the fourth ballot, the candidate receiving the lowest number of votes dropping out after each ballot. By reason of the fact that the Senior President is also Chairman of the Student Council, more importance has been attached to the election of a president in the last few years, than was the case before the inauguration of the Student Council.

C. CLIFFORD GILLETTE,
New Senior Class President.

Gillette has proved his fitness for this double responsibility by his clean-cut life as a college man and capacity for leadership. The Senior Class is to be complimented upon its selection of a man of Gillette's calibre for president of the class.

The complete results of the class elections follow:
Seniors.
President C. Clifford Gillette
Vice President Arnold L. Benton
Secretary Earle B. West
Treasurer David Mink
Junior.

President Walter L. Lees
Vice President Barton H. Mackey
Secretary Chas. J. Anchor
Treasurer Louis W. Siple
Sophomore.

President Joseph Dent
Vice President James C. Pierce
Secretary Gwendys Morgan
Treasurer Gabriel L. Adams
Historian Frances M. Hilgert
Poetess Lorence M. Dersheimer
Freshmen.

President G. Walter Lees
Vice President Emerson Miller
Secretary Helen E. Bodine
Treasurer Alfred F. Herbine
Poetess Mary H. Matthews
Historian Lucelin B. Childs

STUDENTS HOLD MASS MEETING

FRESHMEN TURN OUT IN LARGE
NUMBERS.

PROFESSORS WILCOX
AND GRIFFITH SPEAK

Students Urged to Pay Budgets.—
New Rulings of Athletic Association.—Attendance of Upperclasses Not Up to Standard.

The first mass meeting of the year was held last Thursday evening in Bucknell Hall to get up "pep" for the Albright game. Though the Freshmen turned out in full numbers, the attendance of upperclassmen was disappointing. It is to be hoped that the men will show more college spirit than to seclude themselves in their rooms when the call is issued for a student mass meeting. The object of such a meeting is obviously to discuss college questions of importance to every college man; and those who fail to attend these meetings lose a great deal of interest and "pep" and soon find themselves no longer up-to-date Bucknellians. Those who were present last Thursday evening heard the coach and the members of the team plead for staunch support as a stimulus to hard fighting on the gridiron.

The first speaker of the evening was Prof. Griffith, who spoke on "The Budget System As Related to the Athletic Association." He gave some important information concerning season and complimentary tickets. No tickets will be issued henceforth to any students who are not holders of budget receipts. Every member of a team will be expected to buy a season ticket but will have his money refunded to him for the number of games he plays. Thus a varsity football man will receive a refund of two dollars for the term's ticket price; and so with basketball and baseball players. Track men will receive a refund equal to the total amount of the track meet admissions. No complimentary tickets will be honored in the hands of students; and such tickets will be issued to players for visitors alone, the names of such visitors to be handed in at the time of application for "comps."

Registrar Wilcox next spoke on the subject of "College Spirit." He immediately reduced the term to the concrete by advocating the payment of the Budget. He showed how the Budget System was the regular American way of settling up all minor expenses by a lump payment, and explained that the payment of the Budget meant support of all college activities. Just as we shall have to pay taxes for civil privileges and protection; so in college we are now face to face with a system which seeks to divide equally the expense of those activities whose existence benefits us all. Let us be loyal students—as we hope to be loyal citizens—and do our share.

After Professor Wilcox's speech, the band made its debut before a Bucknell mass meeting with several lively numbers. The election of cheer leaders resulted in Musser, '18, being chosen head leader, and "Jimmy" Pierce, '19, as assistant. With a few rousing Bucknell-els the students went back to the "Hill" with the first demonstration of "pep" of the year.

PAY YOUR BUDGET

Lewis Eyster is looking for you if you have not paid your budget assessment. Take a trip to the Registrar's office and show him that you have Bucknell's interests at heart by handing him a ten spot!

STUDENTS AT FAIR.
The attractions of the Milton Fair drew a considerable number of students during the big days last week. Thursday's crowd was the largest of the week.

Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, OCTOBER 2, 1916.

FOREWORD.

By reason of the fact that this issue of The Bucknellian is the first of the present school year, we wish to extend a hearty welcome to both old and new students of the college, and at the same time ask for co-operation in our effort towards making this publication a typical college weekly. Our object is to give the students the news of the student body and college, but to do this we must have the proper support of the student body. This support has been forthcoming other years and we have every reason to believe that this year will be no exception. Let us know if you would like to see changes made, for we wish to give the kind of news that the students want. If you help us in this we will be able to accomplish more than if it were otherwise.

FRESHMEN PARADE.

This was the name given to the student parade at Saturday's game by an onlooker, who noticed that the green caps of the first year men topped almost two-thirds of the parade. There were quite a few Sophs, a few Juniors and several Seniors to help the Freshmen impress Albright with Bucknell spirit. It is to be hoped that the next parade will give the upperclassmen the chance to retrieve their sorrowful showing on Saturday.

FOOTBALL CANDIDATES ARE WORKING HARD COACH JOHNSTON DEVELOPING PUNCH NEEDED TO WIN GAMES.

Judging from the wealth of material that Coach Johnston has to work with this year Bucknell can be assured of a successful season. There is no doubt that the team will win a good percentage of its games, even though our schedule this season is harder than it has been for a number of years. With such colleges as State, Cornell, Muhlenberg, Princeton, New York University and Washington and Lee on the schedule it will mean some hard fighting to win fifty per cent. of the games.

The team suffers the loss of only two men—Schaffner and Spots—from last year's squad. All the other regulars are back fighting hard to hold down their positions. There seems to be some excellent material in the Freshman Class. Some of the new men have considerable ability and will render valuable service this year. There are others who will develop into good men after a little training. In the back field Waddell, of Peabody High and Weishaar, of Williamsport High, have been doing good work. Other contestants for back field positions are Hall, of Steelton

High, and Miller, who attended Bucknell Academy here last year.

On the line Short, of Lebanon High, Kerth, of Northeast High, Herbine, of Berwick High, Gurney, of Pater-son, N. J., Plinder, of Johnstown, and Schneider are keeping the regulars stepping to hold down their positions. Gilbert, of Williamsport, who was at State last year came in late but showed up well in Saturday's game. There is also good material for the end position in Silberstein, of Peabody High, Chalfonte, Lawrence, Mason and others.

There has been a hard fight for positions which keeps lots of spirit in the team. The defense is even better than it was last year and they are rapidly developing a good strong punch which seemed to be the weakness in last year's squad. Next Saturday's contest against State will test the real strength and there is every indication that it will be a lively tilt.

WILLIAMSPORT-BUCKNELL CLUB

The Williamsport-Bucknell Club, one of the thriving clubs that was founded last year at Bucknell, will have the first meeting of the term Tuesday afternoon at 4:15 o'clock in Room 2, Main Building, on the Hill. There are quite a number of new students this year from Williamsport and South Williamsport High Schools and all are invited to attend the meeting.

Last year the club began with a membership of about 25 students and among the things done by the society was the presentation of an engraving of Bucknell University to the new high school at Williamsport. During the coming year it is likely that plans will be made for a social entertainment in Williamsport for seniors at high school, with the purpose in mind of arguing upon them the necessity of continuing their education.

Last year a number of interesting meetings were held and with the increasing membership this year an enjoyable season is being looked forward to by all members. The officers elected last spring for the present year are: President, Carlisle Mason; Vice President, Chester Leiber; Secretary, Agnes Carswell; Treasurer, Howard Harer. All members and persons interested are urged to attend the meeting tomorrow.

WOMAN'S COLLEGE

PI BETA PHI INITIATION.
Pi Beta Phi held its annual initiation Saturday night. The following girls were taken in: Elizabeth Spyk-ker, Hebe Hoffa, Ruth Stein, Alice Johnson, Elizabeth Bates, Naomi Lane, Margaret Buck, Dorothy Lawrence, Helen Hyatt, Jean Flanagan, Helen Swartz.

Y. W. C. A. RECEPTION.
The annual reception of the Y. W. C. A. was held Saturday, Sept. 23rd. Every old girl escorted a Freshman to the parlors where she dutifully introduced her girl to everyone present. They then played a few games after which Madame de Silva Schoen sang a couple of pleasing songs and huge dishes of ice cream and cake were gratefully accepted by the guests.

SEMINARY'S NEW PIPE ORGAN.
A long-felt need at the Woman's College was filled during the summer when a new two-manual pipe organ was installed in the living room. The new instrument is a very fine one about the size of the organ in the Baptist Church. It is already much in service and saves students from going in town to practice as well as serving as a place for Mr. Adams to teach.

ENDEAVOR SOCIETY GIVES RECEPTION

THREE HUNDRED AND FIFTY STUDENTS SHARE IN ANNUAL EVENT.
Nearly three hundred and fifty students from the "Hill" and Women's College were present at the annual reception to new students given by the College Christian Endeavor Society on Friday evening, September 29, in the Baptist Church.

Following the torture of a long receiving line, the students assembled in groups according to cards placed on the walls bearing the names of the different college buildings. During the process of getting acquainted

a splendid program was carried out. The numbers included a reading by Miss Michael, several vocal selections by Madame de Silva Schoen, music by a string quartet composed of Miss Armstrong, Miss Reed, Mr. Edelman and Mr. Lewis, and a selection by Miss Hamler and Professor Campbell. Liberal refreshments followed the program and put the finishing touches to a "perfect day."

DR. PHILLIPS GIVES TWO FINE TALKS

LARGE ATTENDANCE AT FIRST SESSIONS OF BIBLE CLASS.

The first two sessions of the College Bible Class showed renewed interest on the part of both old and new students. Dr. Phillips, who has charge of the class this year, spoke before two large audiences, last Sunday and the preceding Sunday, on the general topic "Religion and Life." Extracts from his addresses follow:
The real measure of any person is the basis of his relation with his fellow men. A man is a man not because he is a good "mixer," but according to the reason why he is a good "mixer."
The Christian religion alone creates those relations which establish real personality. The reason is that the founder of Christianity is the greatest personality in history. He lived the life of the whole world in a small community. Leaders of society complained of His associations, but He would not surrender the things worth while. Society did not offer Him an open door, yet we call Him the greatest man in history. He is what we call Him, because He came into contact with men on the right basis—the powers that He had.
His disciples saw Him as a loyal son of a true friend and citizen of His community, and they have represented Him in this manner to us in their writings.
Dr. Phillips will speak next Sunday at 9:30 in the Baptist Church on the same general subject—Religion and Life.

TENNIS TOURNAMENT STARTS THIS WEEK

NUMBER OF STUDENTS ENTERED IN SINGLES AND DOUBLES

This week will see the start of the annual fall tennis tournament under the direction of Manager Charles Siple. A large number of candidates have entered and the competition promises to bring out some good tennis before the tournament is over. All candidates are requested to see Manager Siple at once to arrange for the courts and also to pay the dues necessary for staging the tournament.

The drawings are as follows:

Singles.
Sprout vs. Mathieson; Herman vs. Seebach; Sprout and Painter vs. Bell and Hulley; Siple and Cryder vs. Herman and Turner; Prof. Ballentine and Prof. Phillips a bye.

—Pay your budget!
RESOLUTIONS PASSED BY THE SOCIETY, SONS OF THE REVOLUTION, UPON THE DEATH OF FREEMAN G. TEED, 1873, AUGUST 11TH, 1916.

A Memorial.
Colonel Freeman Golding Teed, member of the Society, Sons of the Revolution, in the State of California, being at the time of his decease a member of the Board of Directors and second Vice President thereof, as well as actively serving on various and important committees of the organization, was born July 14th, 1851, at Wilkes-Barre, Pa., was admitted to membership in the Society, February 10, 1910, and died August 2, 1916, at Los Angeles, California.

It is desired by the undersigned

CALENDAR

Monday—Senior Council meeting 6:45 P. M. Glee Club 6:45 Bucknell Hall.
Tuesday—Freshmen meeting 4:15 in Bucknell Hall. Fraternity meetings.
Wednesday—Mass meeting in Bucknell Hall at 7:30. Debating Board meeting 4:15 Room 2 Main College.
Thursday—Prof. Stewart at Y. M. C. at 7 P. M.
Saturday—Varsity vs. Penn State at State College.
Sunday—College Bible Class at 9:30 in Baptist Church, Dr. Phillips speaker.

NEW PICTURE FOR WOMEN'S COLLEGE

The Bucknell College Women's Luncheon Club of Philadelphia, of which the Richards sisters and Miss Sue Weddell were officers, lately gave a picture to be hung in the living room of Woman's College. The picture is a copy of a painting of "Corot's Evening." Miss Hazel Galloway, Miss Anne Dreishach, Mrs. Chas. Gandy acted as the committee to select the picture. The gift was received with special appreciation because the living room has just been fitted out and pictures are not abundant.

Y. M. C. A. RECEPTION WELL ATTENDED

STUDENTS GIVE NEW MEN A HEARTY WELCOME TO BUCKNELL.

The annual reception to new men given by the College Y. M. C. A. took place in Bucknell Hall, Friday evening, Sept. 22. A large number of old students were on hand to welcome the members of the 1920 class to Bucknell and Y. M. C. A. activities.

Aubrey, the newly-elected secretary of the Christian Association took charge of the program, and after a few words of welcome called upon Professors, Phillips, Riemer and Lindemann, who responded with talks well suited to men entering upon a college course. The remainder of the evening was spent in getting acquainted; each student wearing a small tag with his name and class written upon it, as in other years. A fine spirit was shown by both old and new students; a fact which predicts a successful year for the college Y. M. C. A. in its various relations with the students.

Susquehanna's eleven, which plays here a week from Saturday was beaten by Colgate Saturday to the tune of 34-0.

THE LEWISBURG TRUST AND SAFE DEPOSIT COMPANY

As a testimonial to his sterling character and his splendid attributes, there should be preserved for him the courageous and kindly words which he spoke to Orra Eugene Monette, just a week before his death, when the latter called upon him at the California Hospital. He said, "Orra, you know I have to go, and I have been looking back over the record. It is not a bad one; I have made a few mistakes, but the record is clean. I have never stepped on anybody's toes and I have always tried to drop a piece of cheese in the poor and hungry man's pocket. Orra, I have to go, but just say for me that life has been pleasant and I go down with colors flying."

Such was characteristic of Col. Freeman Golding Teed, a man of honor, integrity, genius and ability, a true friend and loyal associate. The Society and its members will miss his wise council, genial personality and kind helpfulness.

RESOLVED: That by the recording of this memorial in the records of the Society, Sons of the Revolution in the State of California, the transmission of copies thereof, to the public press and any other appropriate recipients, and by the presentation of an engraved copy thereof to the family of the deceased, the Society does, hereby and thereby, render a sincere tribute to the manhood, character and honor of an esteemed friend, officer and comrade.

Signed,
ORRA EUGENE MONNETTE,
ARTHUR J. WATERS,
BRADNER W. LEE,
C. S. WALTON,
PIERSON W. BANNING,
Committee.

HILL GOSSIP

Heim, '20, spent Sunday at his home in Williamsport.
Litterer, '20, of Danville, journeyed to his home Saturday.
Painter, '10, visited his S. A. E. brothers on the 22nd.
Maurice Cook, '16, visited his Phi Psi brothers last week.
Masters, '20, entertained his father and mother over Sunday.
Bell, ex-'15, was a visitor at the S. A. E. House on Thursday.
Gritter, ex-'19, stopped off with his S. A. E. brothers yesterday.
Don Gray, '14, spent a few days last week with his Phi Gamm brothers.

Voris Lenker, '20, spent Sunday with his parents in Williamsport.
"Tony" Murray, '14, attended the Albright game on Saturday afternoon.
Shea, '20, had his sister from Williamsport as a guest at Saturday's game.
Hopler, '19, spent an enjoyable evening at a card party in Muncy on Thursday.
James Tyson, '10, and Helge Florin, '09, were recent visitors at the S. A. E. House.

Smith, '20, motored to Hughesville Saturday, where he spent the weekend with his parents.
Lunk, '20, who was confined to his room for a few days owing to an injury, is again able to be around.
Geary, '19, entertained Mr. and Mrs. Seeds and the Misses Seeds and Miller, of Altoona, on Sunday, 24th.

Masterson, '18, who attended Rensselaer Technical School last year, has resumed his studies at Bucknell.
Lewis, '16, has been visiting his D. T. U. brothers for the past week. He is a member of the Williamsport High School faculty this year.

Teed, '14, was here for a few days last week prior to the opening of Wilkes-Barre High School. He will teach Science at that place this winter.
Paul J. Abraham, '10, stopped off for a few hours Saturday evening with his Demosthenian brothers. He passed through Lewisburg with a party of friends on an extended auto tour of this part of the state.

Word has been received here concerning the illness of Dwight H. Schaffner, star center of last year's football team. He is at present confined to the University of Michigan at Ann Arbor with typhoid fever.

FRESHMEN WIN THE ANNUAL CLASS SCRAP

SOPHES FIGHT HARD BUT ODDS ARE TOO GREAT FOR THEM.
The annual Freshman-Sophomore Class Scrap of September 23rd resulted in a complete victory for the hopefuls of 1920. At 10:30 the two classes lined up to the tune of "Hail Hail!" and went to it. A real fight it was, but numbers counted, and after eight minutes of mortal combat each and every valiant Soph had been carried dragged or otherwise coerced across the line. President Dent, of the second year men has issued an alibi, stating that he had been able to participate other melodies would now be sung by the wearers of the green.

INTERCOLLEGIATES

Penn State had no trouble in rolling up 55 points against Westminster on Saturday while their opponents were unable to score.
Dickinson and Lebanon Valley proved the surprises in Saturday's games by holding the strong Navy and Army teams to low scores; the Dickinson-Navy score being 0-0, and Army-Lebanon Valley score 3-0 in Army's favor. Bucknell may look for a great battle when Lebanon Valley meets the Varsity on Thanksgiving Day, November 30.

PHI GAMMA DELTA DANCE.

The members of the Phi Gamma Delta fraternity gave an informal dance at their house on University Avenue, Friday evening in honor of their Freshmen. About 35 guests were present and the Phi Gamm orchestra played for about 18 dances. At intermission refreshments were served. The following were patrons and patronesses: Dr. and Mrs. G. C. L. Riemer, Prof. and Mrs. Bromley Smith, Prof. and Mrs. F. G. Ballentine, Prof. and Mrs. Mark L. Baldwin and Mrs. H. G. Dreisbach.

Varsity Fights Hard in Second Half.—Team Handicapped by Injuries to Several Stars.—Tackling of Gilbert Features.

NUMBER OF STUDENTS SEE STATE GAME

NEARLY TWO HUNDRED AND FIFTY TOOK TRIP ON SATURDAY.

A special train and several dozen automobiles took approximately 250 Bucknell students to the Penn State Bucknell game at State College Saturday. At 2 p. m. the students met at the State Gymnasium and passed out to Beaver Field with the Bucknell Band of 30 pieces at their head. Although the score was not exactly favorable to Bucknell hopes, yet the fellows remained loyal to the team and rooted hard for the team through the entire game.

After the game, the fellows paraded back to the gymnasium where they separated with a rousing Bucknell yell. All the students who took the trip were highly pleased with the fine treatment and clean sportsmanship of the Penn State students.

CAP AND DAGGER TO GIVE PLAY THIS TERM

RALEIGH FELTON, '17, CHOSEN FOR PRESIDENT OF SOCIETY.

At a meeting of the Cap and Dagger Society last Wednesday evening in Miss Schillinger's studio the members of the society voted to present the play entitled, "The Spanish Gypsy" by George Eliot on Thursday evening, November 16. The cast will be selected in a short time and work will be started under the direction of Miss Schillinger.

It was decided to give two plays this year, as was the case last year; one to be given in the spring term of a lighter nature than the one chosen for this fall.

The following officers were elected for the coming year: President, Raleigh Felton, '17; Vice President, Eugene Bertin, '17; Secretary, Robert Neal, '18; Treasurer, Chester Leaser, '19.

GOOD GAMES SECURED FOR RESERVE SQUAD

NEXT GAME TO BE PLAYED AT BLOOMSBURG ON OCTOBER 21.

A good schedule for the Reserves has been approved by the Executive Board of Athletics. The list includes four games, all away from home. Two dates remain open, but these will likely be filled in the near future.

A LINE ON BUCKNELL'S FUTURE OPPONENTS

SATURDAY'S SCORES OF TEAMS WHICH BUCKNELL WILL MEET.

Below will be found Saturday's scores of the teams which will meet Bucknell in the coming games this fall. Not all the scores of Bucknell's opponents could be found, but these will give the "dusters" an opportunity to compare the strength of the different teams at the present time.

The scores follow:
Muhlenberg, 0 Villanova, 3
Princeton, 25 North Carolina, 0
N. Y. Univ., 22 Rensselaer Poly, 9
Washington and Lee, 7 Army, 14
Georgetown, 7 Navy, 13
Lebanon Valley, 0 Dartmouth, 47

LAMBDA CHI BANQUET

On Wednesday evening the Lambda Chi held a banquet in honor of the anniversary of the founding of the chapter. About 40 members were present. Prof. Burpee was the guest of honor and gave a very amusing and interesting talk.

ROUSING MASS MEETING HELD

SECOND ONE OF YEAR ON WEDNESDAY.

BUCKNELL SPIRT VERY MUCH IN EVIDENCE

Stirring Speeches by Professors Riemer, Lindemann and Griffith—Musser and Pierce Lead Best Cheering of Year.

A mass meeting of the old-fashioned type sent the fellows away from Bucknell Hall last Wednesday evening with an over-abundant supply of real enthusiasm. Numbers, good speeches, excellent music and hearty cheering combined to make this mass meeting one to be remembered by the students who had come together to stir up "pep" for the State game.

Nine-fifteen saw the students eagerly awaiting the appearance of the College Band. And how they did yell when that band, as they marched into the hall, featuring that imitable comedian, "Skinny" Fisher, tooter of the big bass horn. The band plunged right into the spirit of the meeting. Every note they played carried an overload of enthusiasm.

This spirit was contagious. When "Muss" started the cheering all the fellows gave evidence of having been inspired. The fellows were surprised to see that the roof was still on Bucknell Hall when they went to chapel Thursday morning.

Then came the speakers of the evening. Professors' Certainly, three of the "best bets" out to stir up "pep."

Gillette first introduced Prof. Riemer, who told about the days when Bucknell used to be a Hapsteads on State's football map. The keynote of his speech was "grit." "Kindle the spirit of fight in your hearts," was his advice. The fellows were full of real Teutonic "can't be downed" spirit after Prof. Riemer's talk.

Next in order came Prof. Lindemann with one of his characteristic "epitaphs." He dwelt at some length on the "safety first" principle, and advised the boys to prepare carefully for the fray.

Prof. Griffith followed with some timely remarks with reference to the support the fellows should give their Athletic Association.

It would require a sleepless "cud" and a new typewriter ribbon to report all the utterances of the football men. Suffice it to say that their remarks were full of truth, spirit and enthusiasm.

Not to be overlooked was the wonderful cheering under the efficient leadership of Musser and Pierce. Beyond a doubt it was one of the best mass meetings of recent years.

STUDENTS HEAR FAMOUS ORGANIST

GATTY SELLARS DELIGHTS A LARGE AUDIENCE IN THE LUTHERAN CHURCH.

A large number of students were among those who attended the concert in the Lutheran Church last evening by Gatty Sellars, the renowned organist of England.

Mr. Sellars thrilled the crowded house repeatedly by his wonderful interpretation of difficult selections. Lewisburg is fortunate in being permitted to hear a musician of Mr. Sellars' ability.

BUDGET REPORT.

The report of student budget treasurer Eyster shows that the Freshmen are leading with 69.3 per cent. Below is a list of the four classes and their percentages:
Freshmen 69.3 per cent.
Seniors 64.1 per cent.
Juniors 51.7 per cent.
Sophomores 44.1 per cent.

GLEE CLUB MEETING TONIGHT.

A meeting of the Glee Club is scheduled this evening at 7 o'clock in Bucknell Hall.

MECHANICAL MEETING.

Nearly fifty mechanical engineers turned out for the first regular meeting of the year on Monday evening. Professor Burpee gave an interesting talk on the "Mechanical Engineering Course, Its Scope and Advantages." It was decided to have a talk upon some engineering subject by a student at every monthly meeting. These talks will be given mainly by students who have had personal experience in some phase of engineering work. Light refreshments were served at the close of the business meeting.

DEBATERS PLANNING FOR BUSY YEAR

STUDENTS SHOW INTEREST AT FIRST MEETING—OFFICERS CHOSEN.

Interest in debating among the students promises to be greater this year than for several years back. Nearly fifteen members of the Debating Board met together last week, elected officers for the year and began laying plans to secure debates with other Pennsylvania colleges.

According to present plans, the debates will be arranged and the question decided upon by the Christmas vacation. The try-outs will take place either before or immediately after the vacation, and the debates will be staged the latter part of the winter term or at the beginning of the spring term.

The men elected as officers of the board follow: President, Beckley, '18; Vice President, Germer, '18; Secretary, Lenox, '18; Treasurer, Boswell, '18.

The time of the next meeting will be announced later. New men are invited to be present.

FRESHMEN ORGANIZE ATHLETIC ASSOCIATION

FOOTBALL CAPTAIN PRO TEM AND MANAGER ALSO ELECTED.

The class of 1920 showed their determination to hold their own in the coming athletic contests by forming an athletic association at the meeting of the class on Wednesday afternoon. At the close of the class meeting the candidates for the football team met and elected a captain pro tem and manager.

The following men were elected: Football Manager, Hager; Football Captain, E. Miller; Cheer Leader, Matheson; President A. A. Gibbs; Vice President, Shaw; Secretary, Bair; Treasurer, Agnew.

TENNIS TOURNAMENT WELL UNDER WAY

MOST OF MATCHES IN FIRST ROUND PLAYED OFF LAST WEEK.

Nearly all of the tennis matches in the first round of singles were played off last week and two of the doubles. Those who have not already arranged to play off the second round will confer with Manager Siple at once so that he will be able to secure courts promptly.

Only one of the matches played last week went to 3 sets, but several of them were more closely contested than the scores would indicate. The scores are as follows:
Singles.
Musser defeated Painter 6-2, 6-3.
Lewis defeated Harer 6-1, 6-1.
Halley defeated Shilling 7-5, 6-0.
Seebach defeated Cryder 6-4, 6-4.
Rohrbach defeated Bell 6-2, 7-5.
Siple defeated Lees 6-1, 6-0.
Spear defeated Herman 6-0, 6-2.
Scott defeated McCormick 6-2, 6-3.
Turner defeated Prof. Ballentine 7-5, 1-6, 7-5.
Prof. Rockwell defeated Pettit 6-2, 6-2.

Doubles.
Spear and Musser defeated Shilling and Seebach 6-1, 6-3.
Sprout and Painter defeated Bell and Hulley 7-5, 7-5.

—Pay your Budget assessment this week.

STUDENTS FORM NEW ORCHESTRA

NINETEEN ATTEND THE FIRST MEETING.

PROFESSOR STOLZ TO BE DIRECTOR

Kreffer, '18, Elected Manager.—Definite Plans to be Announced Later by Prof. Stolz.—Considerable Talent Available.

Bucknell is to have another musical organization among the students. On Wednesday evening a number of students met with Prof. Paul G. Stolz in his studio and formed a Bucknell orchestra. The forming of this orchestra marks a growth in musical development at Bucknell. For several years there has been enough talent among the students to form an excellent orchestra, but no action was taken until last week. About ten years ago the University boasted of an orchestra, but interest in it lagged and the organization soon disappeared.

With the growth of the student body each year, more musicians have enrolled and the need of an orchestra has been realized for some winters. There are many social gatherings among the students when an orchestra would be appreciated, and especially one that had in its library classical and lighter music without any of the common "trash," as it is usually termed. There is no reason why this new organization can not be a success financially and it is understood that Prof. Stolz at present is contemplating several plans which he will outline in detail to the organization later in the term.

At Monday's meeting Prof. Stolz was unanimously elected director and it was decided to have him appoint a student director to assist. The other officers elected are, Manager, Kreffer, '18; Librarian, Henderson, '20; Secretary-Treasurer, Herman, '19.

This evening the members will meet for the purpose of permanent organization and first practice. The meeting is called for eight o'clock in Prof. Stolz's studio. Any persons wishing to join the organization must do so at this meeting or wait until Christmas, owing to the manner in which Prof. Stolz intends to conduct the practices. The following were present at the meeting last week: Violins, Kreffer, Moore, Herman, Godrich, Lewis, Henderson, Derby, Eschelman and Seebach; Clarinets, Rexford, Stone, Warfel; Cornets, Harry Willson, A. F. Willson; Trombone, Sprengle; Double Bass, Mower; Piccolo, Earle; Traps, McCormick; Piano, Scott.

INTER-CLASS TRACK MEET THIS FALL

SATURDAY, OCTOBER 21, IS THE DATE DECIDED UPON FOR MEET.

In the meeting of the track men last week, the members of the team decided to hold a meet this fall; Saturday, October 21, being the date chosen.

This meet will give the new men a chance to show their ability, and thus give them a better chance of getting in the early meets next spring. It will also help the manager in arranging a schedule for next spring, for he will have some idea as to the teams he should schedule in order to secure closely contested meets.

All candidates are urged to begin training at once for the coming meet.

SUSQUEHANNA SATURDAY.

Bucknell may look for a stiff battle when Susquehanna's football team lines up against the Orange and Blue here Saturday. Susquehanna always fights hard against Bucknell and this year they are confident of carrying off a victory. They have a stronger line up than last year when they defeated the Varsity to a tie score early in the season.

Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, OCTOBER 9, 1916.

THE STATE GAME.

Bucknell's adherents need not feel discouraged over the showing of the Varsity against State's powerful eleven on Saturday. It was simply a case of being outweighed and out-classed, and no matter how hard our fellows fought, they were not able to withstand State's terrific onslaught. The team showed real fighting qualities in the second half, after nearly half the regulars had been removed on account of injuries by going back and holding State to almost even terms. This fighting spirit is going to win some of the important games later on.

The most pleasing feature of the game Saturday was the fine spirit shown on the part of the students of both colleges. Rivalry there was, to be sure, but not the unfriendly spirit of old-time State-Bucknell contests. State students did their share towards establishing more friendly relations and Bucknell students were ever ready to meet them half way. State's cheering section did not attempt to monopolize the time as it might easily have done, but gave the Bucknell rooters ample time to give their yells. When Bucknell's touchdown was scored the State students showed their sportsmanship by giving a cheer for Lawrence, who scored the touchdown.

Everywhere the hospitality shown by the State men was such as to make Bucknell men forget the spirit which formerly existed between the two institutions. "Mighty fine treatment" was the verdict of all the fellows who accompanied the Varsity to State Saturday.

THE BRIDGE.

The spirit of the Freshmen Class in renouncing the painting of the bridge and in covering up the numerals is to be commended. Students who were here last year would be sorry to see the underclassmen go back to the old unsightly custom of smearing up the bridge with class numerals twice a week. Last year the students unanimously agreed to keep the bridge clean and this year's Freshmen Class has already shown by their attitude that they will stick to last year's resolution.

ALUMNAE CLUB TO MEET.

The regular meeting of the Bucknell Alumnae Club of Lewisburg will be held on Tuesday, October 10, at 7:30 p. m.

DR. PHILLIPS CONCLUDES SERIES OF THREE TALKS

BIBLE CLASS HEARS FINAL ADDRESS ON RELIGION AND LIFE.

Dr. Phillips in his address before the College Bible Class on Sunday morning concluded the series of three talks which were begun two weeks ago on the subject of the Christian religion and its relation to man. He followed the statement of a week ago—that the Christian religion alone creates the conditions that bring out the best in man because of its Founder—by the statement that Christ did not come to give life but to unfold the life which is within us. The point is illustrated by the farmer and his seed; he does not give life to the seed but he supplies the conditions which help the life within it to unfold. Christ was the realization of the perfection of the life which is within us.

Christianity seeks to unfold the life which is within us by giving us the meaning of it in Christ. This statement Dr. Phillips explained by saying that man's conduct depends upon the meaning he gives to things with which he comes in contact; the business man and the artist behave differently towards a field of waving grain. We are in contact with things and with life, and Christianity gives meaning to those things through the word "Father,"—a father is working in His universe and we are working with Him. The employer who oppresses women and children does not interpret life in terms of a "father working into the end and we working with him." Neither do nations interpret things in terms of father when they make war upon one another.

Next Sunday's topic has not yet been announced, but it will be one closely related to the one just concluded.

WYCKOFF TO SHARE IN WORLD SERIES PROFITS

FORMER BUCKNELL PITCHER WITH BOSTON RED SOX.

J. Weldon Wyckoff, pitcher on the Bucknell baseball team of 1912, will receive a share of the world series profits for the third time in his baseball career.

Upon leaving Bucknell Wyckoff went to Philadelphia Athletics, being a member of that team when it won two American League championships. This year he was sold to the Boston Red Sox, who are now playing Brooklyn for the world's championship.

GETTING PICTURES

FOR 1918 L'AGENDA
A representative from the White Photographic Studio of New York was busy Sunday and today taking pictures for the 1918 L'Agenda. Yesterday was devoted to getting views of the campus and buildings and today class pictures were taken on the library steps.

FORMER STUDENTS MARRY.

Harold C. Edwards, '15, and Kathryn B. Ellinger, ex-'18, were united in marriage on August 4, 1916, at the home of the bride at Stroudsburg, Penna. The bride was attended by Margaret B. Wallace, '16, (Domestic Science), and Nellyou Gardner, '17, S. Raymond. Mensch, '16, was the groom's attendant.

REV. BARRETT AT Y. M. C. A.

The Reverend J. W. Barrett, pastor of Peoples' Christian Church, of Lewisburg, will be the speaker at the Y. M. C. A. this week. The meeting will take place Thursday evening at 7:30 in the Y. M. C. A. Hall of West College. Students who do not come will miss a good talk.

WANTED!

A salesman to demonstrate and sell among farmers, in particular, an article appealing especially for them in adjacent county. An especially attractive offer to a student with pep for holidays and Saturdays. Good money to one with pep and reasonable amount of ability.—Address Y. c/o The Bucknellian.

DR. WOOD TO SPEAK HERE.

Harvey Wood, D. D., of New York City, will speak in Bucknell Hall, on Sunday, Oct. 15, at 3 p. m. The Rocky Mountain Herald, Denver, says: "Wood is a genius. His pathos is relieved by an irrepressible and natural humor."

BELLEFONTE ACADEMY

WINS FROM RESERVES

SECOND STRING MEN GET

SHORT END OF 20-0

SCORE.

The first game on the Bucknell Re-

serves schedule resulted in a victory

for the strong Bellefonte Academy

team by a score of 20-0.

The game was played Saturday

morning so that the team was able

to take in the Bucknell-State game

in the afternoon.

Bellefonte Academy presented a

fast and heavy team which the Re-

serves found difficulty in holding

down. All of the reserves fought

hard but the work of Gurney at left

end stood out above that of his team

mates.

The line-up follows:

Bucknell Res. Bellefonte

Gurney Carpenter

Snyder left end.

(Chalfont) J. Lochrie

left tackle.

Finder Hassler

(Snyder) left guard.

Donaldson Long

Ashman Keisch

(Piekarski) right guard.

Salachynski McMahon

right tackle.

Freebie Stitzinger

right end.

Gerhart Kelly

quarter-back.

Mackey Curley

left half-back.

Stover Farrell

right half-back.

Short Brown

full-back.

Touchdown—Curley, Farrell, Kel-

ly. Goal from touchdowns—Farrell,

2. Referee—Hartman, Umpire—

Mitchell. Time of quarters—10 min-

utes.

BUCKNELL ALUMNI

GET RAILROAD PRIZES

HURSH, '04, FRYMIRE, '07, AND

PORTER, '05, REWARDED

FOR GOOD WORK.

Three Bucknell graduates were re-

cently awarded cash prizes by the

Pennsylvania Railroad for efficient

work as trackmen.

C. M. Hursh, '04, assistant to Super-

visor C. M. Wisman, receives \$400

as his share of the famous "Klon-

dike" prize for the best track surface

on the main line of the Pennsylvania

Railroad.

B. M. Frymire, '07, and W. W. Port-

er, '05, both assistant supervisors

of their sections, received a substan-

tial share of \$800 and \$1000 prizes

Store Open Monday and Saturday Evenings.

WOMAN'S COLLEGE

Kappa Delta Initiation.
Kappa Delta held the initiation of its new members Saturday, October 7th. The following girls were initiated: Miriam Bridge, Ruth Cooper, Helen Cooper, Florence Cleary, Golda Clark, Florence Dershimer, Hilda Dinterman, Margaret Finnerty, Irene Fritz, Elvira Lewis, Edna Overfield.

Mu Phi Epsilon

Next Thursday the Mu Phi Epsilon will make its initial appearance in a benefit concert for the Evangelical Church. Selections by Madame De Sylva Schoen and Miss Charlotte Armstrong will be among the numbers presented.

Mu Phi Epsilon members are congratulating themselves on their new pledges, for Edna Brown, Jessie Cooper, Rose Mayer and Hazel Hagerman have been added recently as future members of the society.

Election Recital.

Miss Grace Good, of Williamsport, gave an election recital in the living room of the Woman's College last Thursday.

Frill and Frown.

Frill and Frown began its new year with elections. Elizabeth Redelin, '17, was elected president; Dorothy McClintock, '18, vice president; Gladys Morgan, '19, secretary; and Julia Karimowicz, '19, treasurer. This is the year of Frill and Frown's big play and they are all preparing to make it a huge success.

Personals.

Marguerite Quigley, '18, returned to her home in Williamsport over the week-end at her home in Watsonstown.

Helen Fowler, '20, visited in Watsonstown over Saturday.

Agnes Hoffman, '20, entertained guests for several days at the Woman's College.

Ruth Clark, '20, enjoyed a visit from her parents on Sunday.

Sophomore Entertainment.

The Sophomore Class in the Woman's College entertained the Freshmen girls with a little party on Friday night. It proved to be quite novel and many clever stunts were performed both by the Sophomores and Freshmen. The refreshments were tiny ice cream cones filled with green ice cream.

Y. W. C. A. Initiation.
Tuesday's meeting of the Y. W. C. A. was unusually impressive. Last year the new custom of initiating the new girls in to Y. W. C. A. by a symbolic service, was begun. Each new girl from the larger candles which the lights as she passed into the room from the large candles which the president, Margaret Mattern, '18, and the vice president, Sara Park, '17, held. The larger candles symbolized the greater light of Christ and the smaller candles the lesser lights of human beings. When the Freshmen made into the darkened room with their lighted candles, the sextette sang. Then Margaret Mattern gave them the aim and meaning of Y. W. C. A. expressing the hope that the lights from the little candles would stay with them always.

CALENDAR

Monday.—Senior Council 6:45 p. m. Operatic Society 6:45 p. m. in Bucknell Hall. Bucknell Orchestra 8:00 p. m. in Prof. Stolz's studio in Women's College. Civil Engineering Society 8:00 p. m. in Room 1. Glee Club Meeting in Bucknell Hall at 7:00 p. m.

Tuesday.—Fraternity Meetings. Wednesday.—Cap and Dagger in Eupelia. New Men at 7:00 p. m. Old Men at 7:30 p. m.

Thursday.—Rev. Barrett at Y. M. C. A. Hall of West College. Saturday.—Bucknell vs. Susquehanna University, 2:15 p. m. on Athletic Field.

Sunday.—Dr. Phillips' Bible Class at 9:30 a. m. in Baptist Church. Dr. Harvey Wood of New York, in Bucknell Hall, 3 p. m.

ORCHESTRA MEN NOTICE.
There will be a meeting of candidates for the Bucknell orchestra tonight at 8:00 o'clock in Professor Stolz's studio at Women's College.

October Autumn Needs at Seidel & Spangler's

AUTUMN'S COATS AND SUITS.

Come and see the wonderful merchandise that is being opened up every day, and you'll marvel at the variety of our assortments. Never have we received such beautiful cloaks and suits, and never were opportunities so favorable for you to buy stylish wearing apparel at such reasonable prices. Every garment has some fancy touch of its own. All garments are cut and made on special lines, easy and comfortable, yet conforming to Fashion's most exacting demands.

SPECIAL.—This season we have paid even more attention to the stout women than ever before, meaning added security and less worry for the woman who needs extra size garments, yet yearns for those pretty effects so dear to feminine hearts.

Let's show you the new styles for Fall and Winter.

DRESSES OF SILK AND SERGE, OF WHICH WE ARE VERY PROUD.

For at these prices and in these effects they are wonderfully good style. Of utmost simplicity are the one-piece frocks of fine French and storm serges, with white trimmings, and also collars and buttons. There are blues, greens, browns and blacks, the very best for this fall and winter.

Prices from \$6.98 up.
Street, afternoon and dressy silk dresses, in taffetas, crepes, poplins and combinations, that come in all sizes. Trimmed to the last minute's thought, in every new autumn shade.

THE BUCKNELLIAN

BUCKNELL UNIVERSITY.

VOLUME XX.

LEWISBURG, PENNA., MONDAY, OCTOBER 16, 1916.

NUMBER 3

BUCKNELL LOSES EXCITING GAME

SUSQUEHANNA SPRINGS SURPRISE.

SELINGROVE TEAM WINS OUT, 10-9

Susquehanna's One Ambition Fulfilled—Bucknell Misses Chance to Tie Score in Last Period—Lots of Excitement.

Time of quarters: 15 minutes. Touchdowns: Hall, Sewley. Goals from field: Henderson, Murphy. Goal from touchdown: Farrell.

NOTES OF THE GAME.

Susquehanna sent a considerable number of students here to see the game.

Hopler and Henderson were the bright lights of the offensive.

Waddell had a pretty run of 30 yards.

Unluckily for Bucknell, Dent's pretty run for a touchdown did not count. Part of his shoe left its print on the wrong edge of the side-lines.

Sewley, right half-back, was Susquehanna's best ground-gainer. His run around left end for a touchdown was a pretty piece of work.

Susquehanna seems to have taken on new life since Coach Wingard has taken charge of athletics.

Gilbert again proved his worth in bucking up the line.

Hanks had several bones in his right hand broken during the exciting part of the game.

Susquehanna presented a much better offense than last year.

Henderson's drop kicking will score more points for the Orange and Blue before the season is over.

D. T. U. ENTERTAINERS.

Friday night at their house Delta Theta Upsilon entertained a number of the college girls. After an evening of fun refreshments were served, and the girls under Miss Schillinger's chaperonage, departed for the "Sem."

REPORTS OF TYPHOID FEVER NOT TRUE

NEWS REPORTS COMING FROM HARRISBURG HAVE NO FOUNDATION.

There are no typhoid fever cases here at Bucknell. Reports which appeared in several papers through the state, stating that as a result of a typhoid epidemic, Dr. John Mulweeney, assistant medical inspector of the state department of health, had been sent here, are incorrect.

Dr. Mulweeney was here last week, but found no foundation whatever to the typhoid reports and established the fact that the reports which had reached the state health department had come from an unreliable source.

This confusion probably arose from the fact that several students had been suffering from slight attacks of pneumonia poisoning for a few days. These students are recovering rapidly and will soon resume their school work.

CIVIL ENGINEERS ELECT OFFICERS

FRESHMEN TO BE ADMITTED TO MEMBERSHIP IN THE FUTURE.

The Civil Engineering Society held its first meeting of the school year, Monday, October 9. Officers were elected for the coming year as follows: Loft, President; Fisher, Vice President; Swopes, Treasurer, and Clark, Secretary.

The meeting was addressed by Professor Lindemann, who spoke of the value of college training in fitting men to meet new problems in life, that is, by teaching them adaptability to conditions.

By an amendment to the by-laws Freshmen will hereafter be admitted to the Society. Freshmen Civils will meet one of the best phases of their work if they fail to become members.

GLEE CLUB TONIGHT.

The Glee Club will meet in Bucknell Hall at 9 o'clock tonight. It is important that all members be on hand.

"HOW ONE CAN BE A GOOD MIXER"

BIBLE CLASS HEARS PRACTICAL TALK.

DR. PHILLIPS SPEAKS ON THIS SUBJECT

A Subject of Interest to Every College Man—A Good "Mixer" Must Both Give and Receive—Large Attendance.

The University was well represented at the meeting of the College Bible Class on Sunday when Dr. Phillips delivered the fourth of his series of addresses. He chose for his topic, "How to be a Good Mixer and make his remarks very direct, giving, in fact, a formula for "mixing."

The essence of his remarks was: To establish right relations with other men is not merely an act, it is a state or condition which is a prerequisite to becoming a good mixer.

Two qualities essential to good mixing are contributing and receiving. One who receives alone, lacks reliability, while he who only contributes fails in sympathy. He is a good mixer who has a well balanced combination of both.

The question of mixing is a question of conscience. It is the small man, the sneak, who dares not ask the reason WHY. The main difference between man and animal is the power to make decisions. Anyone lacking such power, who acts immediately after the suggestion is made, is drifting back to the animal state. Conscience is you yourself deciding which is best to go.

The ex-ample of ideal mixers is a man of queer temperament. He is a man who lives too much within himself. He is Hamlet in everyday life.

MONDAY, OCTOBER 16, 1916.

BE CAREFUL!

Students must remember that their place at athletic contests is on the Hill and not the playing field as some were wont to imagine on Saturday. Just a moment's thought will be sufficient to convince you of this fact, for a dozen football victories can not make up for a single unsportsmanlike occurrence of this nature.

THE LYCEUM COURSE

Bucknell students are again fortunate in having an opportunity to hear an excellent Lyceum Course. Any student who is at all acquainted with Lyceum work knows the quality of the numbers that have been secured for this year's course.

Rogers, '18, who has charge of the work, has done his best towards arranging a course which will prove of the most interest to college students. Five numbers, including three excellent musical numbers and two lectures are sure to give the students a pleasing variety of entertainment. The Weber Male Quartette which appears as he opening number on November 14, is known throughout the Lyceum world as one of the best to be had. The students who plan to secure course tickets will have no regrets after they have listened to this high-class entertainment. Think it over the next few weeks and lay aside \$1.50 for DeWald who will pay you a visit shortly.

REV. BARRETT GIVES HELPFUL ADDRESS

Y. M. C. A. HEARS FORCEFUL TALK ON SUBJECT OF MISSIONS.

The Rev. Barrett, of the Lewisburg Christian Church, in his address before the Y. M. C. A. on Thursday evening made a strong appeal for co-operation in the work of spreading Christianity through the entire world. At the beginning of his talk he showed by statistics how little the average church members gives towards missions in comparison with the luxuries of life. At the conclusion he emphasized the need of more missionaries to carry on the work of world evangelization.

For every dollar spent in Foreign Mission work the United States gets back \$215 in imports. Every thirty days the war costs enough to evangelize the world. At present there are 9,677 Foreign Missionaries, and of this number there are 2,000 more women than men.
The hope of world peace lies in the work of missionaries. A great missionary station in the Far East would do more to keep peace than a large fleet of warships.

We need visions. When we get visions, we hear the voice and obey. The burden of lost souls rests on the American Christian, and if he does not fulfill his duty, his own salvation will be at stake. The European War throws a greater responsibility upon America and she must rise to the occasion by sending forth an army of missionaries to conquer the world for Christ.

STATE COLLEGE PRODUCES A VEGETABLE WONDER

State College, Pa.—Eleven fully-matured tomatoes and as many good-sized potatoes growing on a single plant in the vegetable gardens of the Pennsylvania State College constitute the latest wonder in the vegetable world.
If further experimentation proves its commercial value, the new creation in plant life is expected to revolutionize tomato and potato growing by combining economy of space in the trucker's garden with efficiency in plant growth.

The experiment was conceived and carried to completion by C. E. Myers, professor of experimental vegetable growing at the college. A potato was planted, and on the stalk produced a young tomato shoot was grafted. The union was protected with wax and bound with raffia, exactly as is done in the ordinary grafting of fruit trees.

A luxuriant growth of vine was produced. On the vine were many tomatoes blossoms, and these developed into normal tomatoes. Under ground, at the same time, the potatoes thrived as if they were growing under the stimulus of their own vine.

BIG UNIVERSITY IS URGED

Educational Conference Opens 150th Anniversary of Rutgers College.

A great national university, costing \$10,000,000, was advocated by United States Commissioner Claxton in opening the educational conference in connection with the 150th anniversary celebration at Rutgers College on October 13. The conference was attended by 400 delegates from colleges and universities all over the country. He declared that after the war the United States will take the lead in education, and the such an institution would give added prestige to the country. He urged that it be made a clearing house for all educational information. The university would be only for graduate work.

CALENDAR

Monday.—Senior Council 6:45. Operative Society in Miss Brown's Studio, Woman's College at 6:45. Glee Club 9 o'clock in Bucknell Hall.

Tuesday.—Sophomore Class Meeting 4:15.

Thursday.—Y. M. C. A. 7:30 p. m. Saturday.—Varsity vs. Cornell at Ithaca. Inter-class Track Meet on Athletic Field.

Sunday.—College Bible Class at 10:30 in Baptist Church.

BUDGET REPORT.

It was the intention to make a report of the percentage of each fraternity respectively but owing to the fact that the percentage of a few are very low this report will appear in the next number of The Bucknellian. Another report of the classes will also appear in the same number.

Let it be the ambition of each class and fraternity to have the highest percentage.
Do not look at the budget as a thing supporting only one function. It makes you a voting member of your class and it also makes you eligible to office. Most of all it makes you a "True Bucknellian."

DR. WOOD SPOKE.
Dr. Harvey Wood, a noted speaker of New York City, delivered a temperance lecture to the student body in Bucknell Hall Sunday afternoon.

LYCEUM COURSE

(Concluded from 1st page.)
third member of the Merry-makers is Richard McGrath, one of the best performers on the banjo in the country. C. C. Mitchell, a noted lecturer, is booked for February 23, and for the last presentation, March 14, the Old Home Singers will appear. Every number on the course is of such a nature that no student can afford to miss it. Be ready to sign up for a ticket when DeWald visits your fraternity or boarding club.

—Pay your Budget assessment this week.

WOMAN'S COLLEGE

Delta Delta Delta Initiation.

On Tuesday, October 10th, the following girls were initiated into Delta Delta Delta Fraternity: Agnes Carswell, Esther Edge, Ethel Felton, Margaret McLaughlin, Matilda McLaughlin, Gladys Morgan, Thelma Smith and Marguerite Taggart.

Tri Delta Entertain.

Tri Delta entertained Mu Phi Epsilon Thursday afternoon at cards.

Visited Prof. Colestock's Cabin.

On Friday afternoon Miss Brown, Miss Armstrong, Miss Hardesty, Miss Clayton, Miss Way and Miss Rainey went up to Professor Colestock's cabin in near Muncy for a week-end camping party. They returned with tales of wonderful times.

New Hiking Club Formed.

A new hiking club has been formed at the Woman's College. Every Saturday morning about ten you will see a dozen or more girls, carrying huge baskets filled with eats, start out together for a long hike. So far under the leadership of their president, Elizabeth Stephens, '18, they have visited Shiner's Island and Blue Hill. They have great and enthusiastic plans for the future.

Week-Enders.

Edith Moore, '20, spent the week-end in Milton.

Buelah Wirt, '20, returned to her home in Sunbury for the week-end.

Mabel Buckman, '20, went to Tur-

bottle to spend Saturday and Sunday.

Katherine Gloom, '20, and Carrie Wetzell, '20, returned to their homes in Vicksburg for a few days.

Irene Gosweller, '19, spent the week-end in Allentown.

Mary Bull, '16, spent a few days last week at her home in Dalmatia.

Elizabeth Champion, '18, went home to Mountoursville for several days.

Ruth Williams, '14, who is teaching in Parsons High School, came back to school for a few days last week.

Francis Brown, '15, has also been back for several days.

Henrietta Heinsing, '16, is enjoying a visit from her mother for a few days.

Eleanor Francis, '19, is also entertaining her mother for a short time.

Seniors on Hike.

Last Wednesday night at 8 o'clock the Senior girls all started out to walk around the four-mile. The full moon threw into relief Gundry's apple orchard—also the ominous figure of a man with a gun. Needless to say the Senior returned "appleless."

New Federation.

The woman's department of the National Civic Federation have sent 6,807,000 Surgical Dressings to Europe since the war began and are trying to keep up with the steady demand for more. Therefore a section of this Federation has been formed among the girls at Bucknell to help a little. At the last meeting the following officers were elected: President, Dorothy McClintic, '18, Vice President, Elizabeth Stephens, '18, Secretary, Helen Bodine, '20, Treasurer, Mary Besty, '19. The next meeting will be held on Thursday night from 9 to 10 in the Living Room, and if the material is on hand by that time, the girls expect to get well started in their work.

WANTED!

A salesman to demonstrate and sell among farmers, in particular, an article appealing especially for them in adjacent county. An especially attractive offer to a student with pep for holidays and Saturdays. Good money to one with pep and reasonable amount of ability.—Address Y, c/o The Bucknellian.

ALUMNUS ELECTED TO PRINCIPALSHIP

REV. GEORGE F. MITCH, '10,

HEAD OF WEST PENNA.

INSTITUTE.

Friends of Rev. George F. Mitch, '10, will be glad to hear of his appointment to the Principalship of the Western Pennsylvania Institute at Mount Pleasant, Pa. Mr. Mitch went from Bucknell to Crozer Theological Seminary, where he took his B. D. degree three years later. While at Crozer he also took graduate work at the University of Pennsylvania, receiving his A. M. degree from that

institution.

This year the Institute will open only its Music Department, but Rev. Mitch is "on the job" and hopes by next fall to have the Institution open in all its departments. While the enrollment for this year is unusually promising the prospects are very bright for still greater success; for Mr. Mitch goes to Mount Pleasant with all the ambition of young man backed by valuable experience in teaching and pastoral work. As a religious institution the Western Pennsylvania Institute is intended to play a large and important part in the moral and educational uplift of the young people of Western Pennsylvania. With this goal in view the Institute will open in all departments with an increased faculty in September, 1917. The Bucknellian wishes Rev. Mitch the best of success in his new undertaking.

FRESHMEN AND OTHERS HOLD MASS MEETING

NEW SONG INTRODUCED BY CASTLER AND "RUT" JONES.

The presence of a few upperclassmen and very many Freshmen combined to make a most successful mass meeting last Friday evening.

The lack of numbers was fully compensated by "pep."

Gillette opened the ceremonies by introducing Coach Johnston, who delivered a short, but impressive and

peppy speech.

The practice of new and old yells and the new song then took the place of speeches. "March On," the latest Jones-Castler production, proved a huge success. First sung as a duet by Tenor Musser and Bass Jones, it was taken up by the crowd with great enthusiasm. The composers are to be congratulated upon this latest addition to Bucknell spirit.

The cheering was, numbers considered, by far the best of the year, and all departed with an abundant supply of Bucknell spirit.

JEFFERSON COLLEGE GETS MONEY FOR BACTERIA FUND

A chair of bacteriology in Jefferson Medical College, Philadelphia, is provided in the will of Dr. James Y. Shaver, of Sinking Spring, after provisions of a trust fund are carried out upon the death of the widow and daughter of the deceased. The estate is valued at \$60,000, of which \$15,000 is in personal property and \$45,000 in real estate. "At this time," the will says, "the medical world seems to be running wild on the subject of bacteriology, and my object in this bequest is the development of that science in its legitimate and proper sphere." The will was made public October 4.

Muhlenberg was without the services of Captain Caskey and Gaston in Saturday's game; these two stars having been declined ineligible by the faculty previous to the game.

Smith, '20, spent Saturday and Sunday in Hughesville.
Metz, '20, was visited by his mother and sister last week.
Poust, '17, spent the week-end with his parents near Muncy.
Neff, '16, of Sunbury, was a visitor at the game Saturday.
Lenker, '20, was at his home in Williamsport over Sunday.
Stone, '18, preached in the Baptist Church of Canton yesterday.
Boswell, '18 occupied the pulpit at Pine Grove last evening.
McFarland, '16, came in for the game Saturday afternoon.
Vredenburg, '20, spent the week-end at his home at Muncy.
Germer, '18, preached at Steelton Sunday morning and evening.
Herbine, '20, entertained his parents from Berwick on Sunday.
Miller, '19, entertained John Brumbaugh from Reading over Sunday.
Derbe, '20, entertained his father of Scranton over Saturday and Sunday.
Carpenster, '19, entertained his mother and sister one day last week.
Shearer, '17, spent a few hours Sunday at his home in Northumberland.
E. E. Aubrey, Y. M. C. A. secretary, received a visit from his brother Sunday afternoon.
"Mundy" Weishaar, '20, entertained his father, the Rev. J. A. Weishaar, of Williamsport, on Saturday.
Gibbs, '20, entertained his parents from Nanticoke yesterday afternoon. They made the trip to Lewisburg by auto.
Keefer, '18, journeyed to Williamsport, where he spent a few days last week.
Paul Collins, of the 1917 class, has returned to school after a year's absence.
Ziegenfuss, '17, entertained Miss Shoemaker from Lavelle, Pa., over the weekend.
Hoskins, '20, and family, of Sharon, Pa., spent Sunday with his D. T. U. brothers.
Hopler, '17, entertained Dan Kline, of Williamsport, at the S. A. E. House for dinner Sunday.
Shen, '20, spent several days at his home in Williamsport last week, attending the funeral of his sister.
Miss Leighton and her friend, Miss Emma Kunkle, of Williamsport, visited Lester Leighton, '18, on Sunday.
The Misses Reeder and DeWitt from Muncy, and Miss Flock from Williamsport, visited at the S. A. E. House Saturday.
J. Edward Nancarrow, '16, who is teaching in Wellsboro High School, visited his Kappa Sigma brothers over the week-end.
Hayer, '19, was visited by his parents on Saturday and after the game left with them to spend Sunday at his home in Williamsport.
Wade, '19, who was one of the Bucknell rowers at the State College game, was taken sick immediately after the game and is still at State College recuperating from his illness.
"Tip" Tothman, Bucknell's famous full-back of several years ago, was an interested spectator at the Susquehanna game. He is at present employed by the U. G. I. of Philadelphia.
On Thursday night, '20, was taken sick. The doctor pronounced the case appendicitis and on Friday he was taken to his home at Great Neck, Long Island, N. Y. He was accompanied by Quinn, '19.
The first meeting of the Bucknell University Chemical Society was held in the laboratory lecture room Tuesday afternoon. The meeting was called to order by Prof. Owens and the following officers were elected for the ensuing year: Ralph B. Derr, President; Maurice A. Cryder, Vice President; Bruce D. Galbraith, Secretary-Treasurer.
Dr. Brown then spoke of his recent trip to New York where he attended the meeting of the American Chemical Society and the industrial exhibit. This exhibit had more than 250 booths displaying "Made in America" products. Particular attention was made of the displays of crude and refined dyestuffs and numerous materials which showed how this country is progressing in the chemical and industrial world.
Prof. Owens will speak at the meeting next week. It is hoped that every chemical engineer and all others interested in up-to-date scientific problems will attend. The Freshmen taking the Chemical Engineer course are urged to attend these meetings and get the practical phase of their course.

Seidel & Spangler's Twentieth Fall Announcement Sale

THE NEW FURS ARE VERY HANDSOME.
Fashion has more to do with furs this year than the weather has, for women are wearing them on every pretext, and on no pretext at all, except that every woman knows that there is nothing quite so flattering, so gracefully feminine, as soft, fine furs.
The new lots are wonderful to see. Such exquisite blendings, such rare combinations, such exquisite linings! And the coats are the great, comfortable, easy all enveloping affairs; some particularly favored by misses. And then there are the cape collars that are decidedly chic. And you'll want to see the children's furs, too. They are little dreams.
FOR AUTUMN'S CHILLY NIGHTS.
A warm blanket or comfortable is absolutely necessary for comfort. Farseeing housewives are buying now. Most of them are choosing from our stocks, because years of experience have taught them that here they will find many advantages, in the matter of price and quality, not obtainable elsewhere. For instance—Woolen blankets at \$4.95 to \$10.00. Cotton blankets at \$1.15 to \$2.95. Comfortables, wool-filled, at \$4.95 each.
UNDERWEAR AND HOSIERY FOR FALL.
It is only because we placed our orders nearly a year ago, that we are able to present this complete assortment of the most desirable kinds. To give you an idea of the varieties, the line is complete for children, misses and women.
There are vests, drawers and union suits, in all weights, sizes and styles, white or cream.
We Are Proud of Our Hosiery Line.
No matter what you want in this line, we have it, from the school stockings up to the finest silks in plain and fancy stripes.
WARM BED COVERINGS.
Do you realize that all bed coverings in the blanket lines have advanced, and will advance more yet? To those who are not well supplied for winter, we want you to take this chance and lay in a supply. Extra big and extra heavy cotton bed blankets, for double beds. They are regular \$2.00 values, our sale price \$1.50 per pair.

CORNELL FINDS BUCKNELL ALERT

VARSITY MAKES "BIG RED" TEAM WORK.
CORNELL FINALLY WINS FROM VARSITY 19-0

Score at End of First Half is 3-0—Bucknell Strong On Defense.—Whole Team Shows Improvement Over Last Week's Game.

A more praiseworthy showing could not have been expected than the showing the varsity made against the sturdy Ithacans on Saturday. It was the day of surprises on the football field, and Bucknell sprang their first victory in the Cornell game. All thru the first half of the game Cornell was badly worried and until the final period were they able to establish a comfortable lead, scoring sixteen of their nineteen points in this division of the contest. It was the hardest fight that the Red team has had to make this season.

In the first period the Ithacans scored their first three points on a wonderful drop kick by Shiverick, the Cornell quarter-back. The kick was made from the 45-yard line, being the longest kick seen on Cornell's new field.

Thruout the first half Bucknell's line and secondary defense was impenetrable, cutting down every play that the last year's champions would attempt. Bucknell's offense was also so powerful before the Cornell machine.

In the second half, Cornell, after making some effective changes in their line-up, began a more fierce attack and their offensive met with a little better success. Again Shiverick's drop proved a valuable weapon for Cornell. He opened the period with a fifty-five yard punt, which placed the varsity under their goal. Hopler attempted a punt out, but the kick was blocked and he fell on the ball back of the goal line; which gave Cornell a safety.

Cornell followed this up with two touchdowns. The first came about thru a 25-yard run by Bretz, Cornell's star half-back, and several short passes by Shiverick and Mueller. Shiverick kicked the goal, bringing the score up to 12.

The Ithacans registered another touchdown soon after this which was the final tally of the game. This score was made possible when Bucknell interfered with the catching of a punt; the penalty placing the ball on the 20-yard line. Some successful line plunges carried the ball over for the last seven points.

Considering the high quality of football that Cornell is accustomed to playing, 19 to 0 is not a big score and the team is to be highly commended on their fine showing. Gilbert and McDermott were large factors in making up the strong defense that the team presented.

The squad that Coach Johnson carried with him to Ithaca did not include the big mainstay Mangan, who is out of the game on account of injuries sustained in the State game. White, Banks and Dent were also left behind, White and Banks suffering from injuries. With these four regulars back in the game Bucknell will soon be springing some more surprises.

Saturday's line-up: Bucknell. Sullivan..... Lawrence. Left tackle..... Peale. Center..... Gilbert. Right guard..... Newcomb. Quarterback..... Cockill. Right tackle..... McDermott. Left end..... Hall. Shiverick..... Hendren. Bretz..... Left half-back. Hoffman..... Right half-back.

BUDGET REPORT MADE ON FRATERNITY BASIS

STUDENT SECRETARY EYSTER SHOWS PERCENTAGE OF EACH FRATERNITY.

Student Secretary Eyster has gone over the list of students who have paid their budget up to date, and figured out the percentage of the various fraternities. The Gamma Delta is the only fraternity that has attained 100 per cent. at present.

The percentage of the different classes are also published for the second time. The average of the classes as a whole is given as 60.5.

Below are the percentages:

Phi Gamma Delta.....	100.
Demosthenian.....	84.4.
Forum.....	68.9.
Sigma Alpha Epsilon.....	76.23.
Kappa Sigma.....	66.23.
Delta Theta Upsilon.....	59.4.
Lambda Chi Alpha.....	58.5.
Sigma Chi.....	48.5.
Phi Kappa Psi.....	27.5.

Classes.

Freshman Class.....	73.2.
Senior.....	66.2.
Junior.....	55.7.
Sophomore.....	60.5.
Average of classes.....	60.5.

NOTICE TO ENGINEERS

Calvin W. Rice, Secretary of the National Society of Mechanical Engineers, will speak to the students of all the engineering departments on Thursday evening at 7 o'clock in the Chemical Laboratory. His address will deal with some important phase of engineering work. Don't miss this chance to hear something worth while!

ALUMNUS RETURNS.

Corporal Claire Groover, '15, of Lewisburg, has returned from the Mexican border on a thirty-day furlough. Groover is a Democratic candidate for member of Assembly from Union county and was allowed to return for a short time to look after his election interests.

OPPONENT'S SCORES IN SATURDAY'S GAMES.

Muhlenberg 43—Albright 0.
Pinecon 33—Lafayette 0.
Gettysburg 27—Johns Hopkins 0.
Georgetown 10, Dartmouth 0.
Lebanon Valley 3—Lehigh 3.

DR. WOLFE SPEAKS

Dr. Mary M. Wolfe, spoke to the girls on Tuesday night. Her talk was well attended and highly appreciated by the girls who were present.

THE BUCKNELLIAN

BUCKNELL UNIVERSITY.
LEWISBURG, PENNA., MONDAY, OCTOBER 23, 1916.

STUDENTS TO AID WAR PRISONERS

MOVEMENT STARTED HERE ON WEDNESDAY

LAST WEEK'S CAMPAIGN YIELDS SUM OF \$350

Appeal Made to Students in Mass Meeting Wednesday Night.—Number of Students Will Contribute This Week.—Great Need!

Bucknell always falls in line with the big movements among American colleges. When an appeal for help towards the relief work in European prison camps was made through the Y. M. C. A. last week, the students were quick to show a desire to help share the burdens of the great world war. To date over \$350.00 has been subscribed here and another week is over. There are in the prison camps of Europe today over six million prisoners of war, a large percentage of them students of European universities. American students, engrossed in their own college work and social activities, lose interest in the background of this great world conflict as presented in the prison camps. The various governments feed first of all their own soldiers and the present lack of food in Europe casts its misery back on the prisoners of war, and those war prisoners are suffering under conditions terrible to relate.

The curtain of fire on the war front hides from view these suffering men, fed on nothing but weak coffee and thin gruel soup with two slices of bread a day, and bordering on awful insanity that attends solitude. The active soldier, just in from the extra excitement of trench warfare, is thrown into such solitude as people in America cannot know or understand.

In view of these appalling conditions human sympathy calls upon Americans to help in some way to alleviate the sufferings of these men by providing necessary nourishing food and means of occupation for these students and their comrades whose daily routine is eating—nothing to eat—and sleeping, with no work to make them tired. Until the success of Mr. Dan Hart's efforts of organized help could gain access to these suffering millions; but now the governments have given this privilege exclusively to the Y. M. C. A. workers. Accordingly forty three American Y. M. C. A. secretaries have gone over and are busy at work among these men. But forty-three men cannot hope to reach six millions and the need is urgent for more men to total at least one hundred. The opportunity of sending the required number is now in the hands of the students of America, who now confront not only a duty but a unique privilege of doing something for these fellow-students of theirs.

Not only will such help sent to them be a blessing to them; but it will bring our American student body into a closer bond with those of common interests and ambitions with ourselves. Moreover, we at Bucknell are not so closely allied as we should be with the rest of American college students, and here in this movement lies the link to connect us up with all American students.

The movement at Bucknell was begun during the visit of Miller and Ehlers, the former an international student and the latter a state secretary of the Y. M. C. A. Some of the faculty and the large part of the student body have been reached and have pledged up to the present time, over \$250. The students of the Women's College are contributing about one hundred dollars. The Y. M. C. A. plans during this week to reach the remaining body of the faculty and student body and a hearty response is looked for; one that will entail sacrifice so as to help us share with our fellow students the wonderful service they are cheerfully giving to the causes they love.

READING-BUCKNELL CLUB.

The first meeting of the Reading-Bucknell Club for this year took place on Thursday afternoon in Bucknell Hall. Plans for the coming year were discussed, including arrangements for a hike to be taken within a few weeks. Fifteen students were enrolled as members of this club. The following officers were elected: President, H. A. Gittleman, '17; Vice President, L. G. Stolz, '18; Secretary and Treasurer, Miss Katherine Hoff, '19.

STUDENT VOLUNTEERS MEET.

On Monday evening the Student Volunteers for Foreign Missions met for the second time this term at the home of Dr. Stephens. Miss Snell, traveling secretary of the Student Volunteer Movement, was present and gave a very helpful talk on the motives for entering the Mission field. The next meeting will be held tonight at 7:15 P. M. and will be led by Burgess, '17. The subject is: "The meaning and import of the Student Volunteer Declaration Card."

TENNIS RESULTS.

The unfavorable weather of last week delayed the semi-finals of the tennis tournament for a few days, but this week will undoubtedly see the completion of the tournament.

Prof. Challis defeated Geary 6-4, 6-3.
Sprout defeated Lewis 6-3, 6-1.
Musser defeated Rohrbach 6-4, 6-2.
Hulley defeated Prof. Challis 6-2, 6-0.

NINETY MEN PLEDGED TO FRATERNITIES

BELOW IS A LIST OF THE MEN WHO ARE PLEDGED TO DATE.

Phi Gamma Delta.
F. R. Reamer, R. N. Waddell, K. K. Bell, A. G. Gibbs, H. DeLong, C. H. Dietrich, E. A. Weishaar, J. Barnes, G. W. Lees, Jr., Bromley Smith, Jr.

Forum.
G. E. Gaskill, J. W. Campbell, J. E. McVain, A. F. Wilson.

Delta Theta Upsilon.
C. M. Bashore, A. R. Mathieson, J. N. Berly, B. C. Gardner, W. H. Morrison, Jr., F. A. Wierwille, J. Lewis, W. L. Lewis, H. S. Lunk, W. H. Tonkay, S. F. Emerick, A. L. Sherk, M. C. Scott.

Lambda Chi Alpha.
I. F. Durr, S. Locher, V. A. Lonker, J. A. Mason, C. W. Miller, G. P. Rickert, R. B. Smith.

Demosthenian.
Nevin Bauman, E. H. Derby, M. R. Everett, E. P. Richards, W. H. Stumm, T. J. Heim, H. R. Warfield, Earl Hertzler.

Sigma Alpha Epsilon.
Lawrence Vredenburg; A. F. Herbin, H. C. Reed, J. B. Vanderbilt, H. D. Klohs, W. D. Ross, A. E. Lutz, H. L. Shea, W. P. Day, S. C. Holter, J. N. Haviland, H. M. Weber.

Phi Kappa Psi.
T. W. Agnew, G. N. Benjamin, J. Bloom, W. W. Bryson, R. B. Faust, R. D. Hager, M. D. Haven, J. E. Hall, H. L. LaClair, A. E. Lees, G. L. Lowry, J. O. Fraker, C. C. Pinder, C. H. Pontius, E. W. Hull.

Sigma Chi.
J. T. Sellers, R. M. Hill, H. J. Wagner, H. R. Bair, C. W. Wymant, J. H. Henderson, Emerson Miller.

Kappa Sigma.
L. D. Cunningham, L. C. Lloyd, Walter White, D. A. Gearhart, and M. Carmel Minner Institute at Maysville Park on Saturday evening. The banquet was attended by four hundred people, mostly officials of the Susquehanna Coal Co. and the P. & R. C. & I. Co.

MINER'S INSTITUTE.

W. E. Payne of the College Inn, acted as chef at the sixth annual dinner of the Shamokin and Mt. Carmel Minner Institute at Maysville Park on Saturday evening. The banquet was attended by four hundred people, mostly officials of the Susquehanna Coal Co. and the P. & R. C. & I. Co.

STUDENT SECRETARY HERE

Miss Snell, secretary of the Student Volunteer branch of the Y. W. C. A. visited the Woman's College over last week-end and gave several inspiring talks on the foreign missionary work.

STUDENTS AT FAIR.

A number of students attended the Union County Fair last week-end showers.

MONDAY, OCTOBER 23, 1916

CORNELL GAME

Bucknell's football eleven "came back" Saturday and started in to redeem itself in the eyes of the football world by giving Cornell their hardest game of the season. That 10-0 score came as an agreeable surprise to the followers of the Orange and Blue awaiting the return on Saturday night. Even at that, the score would have been lower, had not Bucknell received several unfortunate penalties at critical periods in the second half.

It is going to be a mighty hard proposition for the team to get into its best stride, however, for the next six games on foreign fields are all with teams of more than ordinary ability. There is not a game on the schedule in which the varsity will be able to take things easy. The schedule is one of the hardest ever attempted by a Bucknell eleven, and the students must bear this in mind when the results come in. We believe the fellows are going to keep on fighting as they did at Ithaca on Saturday.

PRISON RELIEF MOVEMENT.

Read the article concerning this movement and learn how Bucknell has already taken up with the work of relieving conditions in the prison camps of the warring nations of Europe! Students who heard Mr. Miller's appeal in Bucknell Hall last week could not help being impressed with the fact that it is the duty of American students to do what they can towards bettering the wretched life of their fellow-students in the crowded prisons across the Atlantic.

The results of last week's campaign were very promising, as most of the fellows were glad for the opportunity of sharing in this great work. If the canvassing committee failed to find you last week, drop into the Y. M. C. A. office and hand Aubrey your contribution early this week. If this means a sacrifice, remember how little it is compared with the sacrifices of your fellow-students of Europe!

400 GIRLS ENTER COLLEGE IN CONSTANTINOPLE: IS RECORD

Four hundred girl students have enrolled this fall at Constantinople college according to a cablegram received at New York October 10 by Samuel P. Dutton, of the board of trustees, from Dr. Mary Mills Patrick, president of the college. This is the largest attendance in the history of the institution, according to Dutton, who has received word also that a larger number of students than ever before has registered at Robert College.

RESERVES LOSE OUT IN HARD-FOUGHT GAME

BLOOMSBURG NORMAL GETS LONG END OF 10-0 SCORE ON SATURDAY.

Bucknell Reserves lost to Bloomsburg Normal School in a bitterly contested game played at Bloomsburg Saturday. The Reserves played sterling football on the defense, but were unable to make any great progress when the ball was in their possession. Bloomsburg scored a field goal in the second quarter and a touchdown near the end of the third period. Bucknell was considerably handicapped in the backfield, as the fellows who played behind the line had not worked out together previous to this game. To pick out stars is impossible, for each man played a hard consistent game.

Bucknell Res.	Bloomsburg
Shearer	Left end.
Sotolongo	Left tackle.
Moss	Left guard.
Morgan	Center.
Foster	Right guard.
Deer	Right tackle.
Johnson	Right end.
Hodgson	Quarterback.
Sherman	Right half-back.
Jones	Left half-back.
Brink	Fullback.
Touchdown—Brink.	Goal from touchdown—Hodgson. Field goal—Hodgson. Substitutions. Bloomsburg: Boyce for Johns, Hobbs for Morgan, Wolfe for Hobbs, Delaney for Sherman, Leonard for Delaney, Bucknell: Shilling for Felton, Swagler for Lutz, Felton for Piekarski, Runeholm for Salazynski, Mink for Schneider, Ashman for Pierce, Referté—Brown, Empire—McCreary. Head Puckman—Griffiths. State College. Linebacker—S. H. Ritter, Bucknell; Stevens, of Bloomsburg, Tinner—Bill. Time of quarters—12 and 11 minutes.

INTERCOLLEGIATE

Berry's return to Penn's line-up had much to do with their sensational triumph over Penn State on Saturday.

"Pitt" spoiled Syracuse's chances for the championship of the east by running thru the Syracuse eleven for 33 points.

Coch Foster Sanford, of Rutgers, who is constantly inventing new plays now has another one known as the multiple kick. The ball is passed to two men, who hold it in their hands, the third man kicking the ball without it touching the ground.

In an effort to keep Harvard football team on the highest plane, the followers of the Crimson have gone the limit. This was proven when Percy Haughton, the man who made the team formidable in football during his eight-year reign at Cambridge was handed a contract calling for \$15,000. This is the largest amount ever paid a football tutor and it is reported that it required a sum reaching those figures to induce the noted coach, now president of the Boston National League baseball team, to return.

A Chinese graduate of the University of Pennsylvania has written that 154 American-educated Chinese in Peking, 100 are in the service of the Chinese government. A census of all Chinese in Peking educated abroad shows 806 in the various governmental departments. The return by the United States of the Boxer indemnity fund is said by the writer to be responsible for the sending of increasing large numbers of students to America, most of whom return home strong advocates of American methods and American-made goods.

SENIOR PARTY

Sara Thompson, '17, entertained the Senior girls last Saturday by a dinner. It was served in the dining room of the Woman's College at 8 o'clock. Many impromptu speeches enlivened the occasion and after many veils and songs the Senior girls came away happy, to say the least.

CAP AND DAGGER PRACTICE

Acts I, II and III of the "Spanish Gypsy," which will be given by the Cap and Dagger Dramatic Society will be rehearsed on Wednesday evening at 6:30 o'clock. All persons taking part in these acts are asked to report promptly at that time.

BIBLE CLASS HEARS PRES. HARRIS SPEAK

POINTED REMARKS MADE ON "RELIGIOUS OR MORAL UNITY"

Dr. Harris addressed the College Bible Class in the Baptist Church on Sunday in place of Dr. Phillips, who had asked to be relieved. No subject was announced for the talk, but the remarks might have been aptly termed "Religious or Moral Unity," or simply "Morality." The text chosen was from John 17:22—"And the glory which thou gavest me, I have given them; that they may be one even as we are one." Dr. Harris then elaborated on this thought and delivered a very forceful address, of which the most important statements were:

Man is at the head of creation. There is nothing between God and man. This, however, applies to all mankind and not one particular race, color or nation. He has made as one all men on the face of the earth and has no pretensions, that and that God is good, just, infinite in power, all merciful and true is religion. Religion is the faith which causes man as the chief of the universe to lift up his face to God.

Morality differs from religion. It is the stretching out one's hands to help our equals, our fellow-men. Anything we despise a man for doing is not God's wish. If a man is normal, he will reverence God to the full power of his being. God must be the supreme object of man's affection. Love is natural to man and is not foreign element grafted on him.

Man may have religion and morality without relation to one another. His morality may not be a religious morality. Wherein does religious morality differ from common morality? Common morality grows out of natural affection of the parents for the children, one friend for another, a brother for a brother, sister for sister, or brother for sister.

Religious morality is the transmission of power—the doctrine of the indwelling spirit of God in the spirit of man. It is glorious to have power and character, but the completion of glory is the imparting it to others. It must be helpful to your fellowmen. Man receives courage to do this thru those by-words of the victory of Christianity, "I am the spirit of power and I am with you." It is religious morality which makes this world your home, makes it your Father's country and brings about that state of affairs when "all things have passed away, all things are new." It is this feeling which gives the Christian the new appreciation of the aesthetic and makes him grateful for his gifts.

SUNDAY NIGHT "SINGS"

Every Sunday evening at 5:30 in the Woman's College parlors there is held a "sing." The girls who have come have thoroughly enjoyed the half hour spent in the parlors. It is hoped that every girl in the college will attend these "sings" and make them an established thing, for every girl ought to know the songs of her Alma Mater.

SIGMA CHI DANCE

Sigma Chi gave an informal dance at the Lewisburg Club Friday evening. The affair proved no less successful than those held earlier in the year. The patronesses were Mrs. W. E. Gerhart, Mrs. H. E. Spyker, Mrs. W. O. Shaffer and Mrs. C. J. Wolfe. Nesbit's Orchestra, of Sunbury, furnished the music, and acquitted themselves in their usual excellent style.

GLEE CLUB REHEARSAL

All members of the Glee Club are requested to meet in the Chapel this evening at nine o'clock for rehearsal.

CALENDAR

Monday.—Senior Council 6:45 P. M.—Operatic Society 6:45 P. M.—Glee Club 9:00 P. M. in Bucknell Hall.—Student Volunteer meeting 7:15 P. M.

Tuesday.—Fraternity meetings.

Wednesday.—Operatic Society at 6:45 P. M.

Thursday.—Meeting of All Engineers at 7:00 o'clock in Chemical Laboratory.

Saturday.—Varsity vs. Muhlenberg at Allentown—Reserves vs. Lebanon Valley Reserves at Allentown.

Sunday.—College Bible Class in Baptist Church at 10:30 A. M.

PRIZE OF \$100 OFFERED FOR BEST ESSAY

OFFER OPEN TO UNDERGRADUATES OF COLLEGES AND UNIVERSITIES.

The Lake Mohawk Conference on International Arbitration offers a prize of \$100 for the best essay on "International Arbitration" by an undergraduate man student of any college or university in the United States or Canada.

Chester Dewitt Pugsley of New York City a graduate of the Harvard, 1915, class, is the donor of the prize. The judges are: Hon. W. H. Taft, Kent, Professor of Law, Yale University; Rear Admiral Austin M. Knight, U. S. N., President of Naval War College, Newport, R. I., and Arthur K. Kuhn, Ph. D., Lecturer in Private International Law, Columbia University.

The contest closes on March 15th, 1917. Last year's prize was won by George R. Fairbank, Jr., a sophomore in the United States Naval Academy at Annapolis. For the conditions of the contest see the college bulletin boards in Main College.

PRISON RELIEF FUND

Mr. Miller spoke in the Woman's College on Wednesday and in consequence, several hundred dollars are being raised among the girls for the prisoners in European prison camps.

WOMAN'S COLLEGE

The following girls spent the week-end at their respective homes:
Florence Shuler, '18, in Reading; Helen Fowler, '20, in Middleburg; Faye Romberger, '20, in Elizabethville; Beatrice Petterman, '20, in Hazleton; Agnes Carswell, '19, in Williamsport; Dorothy Velling, '20, in Williamsport; Helen Walton, '20, in Williamsport; Elizabeth Down, '20, in Williamsport; Martha Wettlaufer, '18, in Williamsport; Helene Diefenderfer, '18, in Nanticoke; Irene Fritz, '18, in Nanticoke; Ethel Grant, '19, in Trevorton.

Margaret Buck, '19, and Helen Bodine, '20, spent a few days last week in State College.

Helen Ruggles and Mildred Jordan were in Milton over the week-end. Rebecca Scouton, '20, returned to Wilkes-Barre for a visit of several days.

Helen VanDine, '19, spent a few days in Bloomsburg last week.

Catherine Thompson, '19, visited in Northumberland last Sunday.

Last week was a banner week for alumnae at the Woman's College. Marie Haver, '16, Helen Jenkins, '16, and Ramona Lemington, '15, returned for a few days. Charlotte Welliver and Alice Keltner and Charlotte Lansing were also here.

Edith Gardner, '20, entertained her aunt and mother last week.

Lena Kanter, '20, was visited by her sister and cousin for a few days. Dr. and Mrs. Harris took dinner at the Woman's College last Friday.

HILL GOSSIP

Clark, '18, spent the week end at his home in Canton.

Vredenburg, '20, visited at his home in Muncy over Sunday.

Shen, '20, was at his home in Williamsport over the week end.

William Murdock, '04, of Milton, visited his S. A. E. brothers on Sunday.

Day, '20, visited friends in Williamsport on Sunday.

Hopler, '17, stopped at Muncy over Sunday on his way back from the Cornell game.

Harry Wilson, '17, and Alan Wilson, '20, were at their home in Williamsport over Saturday and Sunday.

M. L. Benn, '07, spent Thursday evening with his D. T. U. brothers.

Holmes, '20, journeyed to his home in Erie to spend Saturday and Sunday.

Leaher, '19, and Person, '19, enjoyed a trip to their homes in Williamsport last week.

Littler, '20, was called to his home in Danville by the sudden death of his mother last Saturday.

Murray Kiess, of Williamsport, was the guest of George Champion, '17, at the Phi Gamma Delta House on Friday of last week.

Puff, '18, rendered a solo in the First Presbyterian church in Sunbury last evening.

Puff, '18, Rickart, '20, and Mason, '20, hiked to Williamsport and saved car fare on Friday.

Harm, '19, spent Sunday in Williamsport.

MR. THEISS, '02, WRITES NEW BOOK FOR BOYS "LUMBERJACK BOB" IS TITLE OF HIS LATEST WORK.

The W. A. Wilde Company, of Boston, has just published a new book for boys, written by Lewis E. Theiss, Bucknell, '02. Mr. Theiss has again chosen our own locality for the setting of his story, "Lumberjack Bob," which depicts the struggle of an independent holder, Colonel Gray, against a powerful and unscrupulous lumber corporation.

The Colonel's chief lieutenant is his son Bob, the hero of the story. Bob plays the part of a husky, red-blooded lad, and proves his worth by winning a motor car race against a railroad train, by discovering a plot to blow up the dam, and is "Johnny-on-the-spot" in all critical situations. The struggle in throughout typical of the many that have been fought in this country between the small independent and the big corporation.

"Lumberjack Bob," features Al Jordan, the genial camp cook, who figured in Mr. Theiss' former production, "In Camp at Fort Brady." This volume is Mr. Theiss' third book and will no doubt prove as absorbing to the younger generation as his earlier stories.

Seidel & Spangler's Twentieth Fall Announcement Sale

WE PROMISE SOME WONDERFUL SAVINGS IN FLOOR COVERINGS.

And we promise to show you the largest stock, the richest patterns, in rugs and carpets, that there is to be found anywhere.

HIGH GRADE WILTON RUGS.

Royal Kashan, Royal Soudan and other Wilton rugs we are selling at wholesale prices. \$55.00 9x12 rugs we are selling at \$45.00. \$75.00 9x12 rugs we are selling at \$60.00. \$60.00 9x12 rugs we are selling at \$45.00.

Cheaper grades of Wilton rugs at \$35.00 each. 9x12 Axminster rugs now selling at \$20.00 and up. 10x12, 11x12, 10x13, 11x13, 11x14 Axminsters are all moderately priced.

8x10.6 and 9x12 Body Brussel rugs, special at \$25.00 to \$32.50 each.

9x12 wool tapestry rugs at \$15.00 and up. Wool and fiber rugs, in all sizes from 3x6 up to 12x15. An ideal rug for bedrooms and dining rooms.

GLEE CLUB PLANS FOR LONG TRIPS

TRYING TO GET DATES FOR TWO-WEEKS' TRIP

ORCHESTRA WILL ACCOMPANY CLUB

Freshman Class Contributes Good Material.—Competition Keener Than Ever Before.—Best Glee Club Music Secured.

The prospect of a big trip through the western part of the state has served to give the Bucknell Glee Club the impetus necessary to make this year's club the most efficient in recent years. Thirty men on an average have been reporting for the weekly practices on Monday evenings and this number is growing larger with each practice.

Manager Sprenkle, Leader Pedigo and Director Stolz are doing their best to give Bucknell the best glee club in her history and they have already made a successful beginning.

Competition is keener than ever this year, as the Freshman class has contributed at least a dozen candidates of more than usual ability. Each candidate will be given a fair chance to prove his worth before the selection of members is made. Regularity in attendance at rehearsals will have a bearing on this selection.

While the candidates for the best glee club music to be had, Manager Sprenkle and Professor Stolz are busy arranging trips for the coming year. Complete arrangements for the trips have not been made as yet, but plans are on foot to have a two-weeks' trip through the western part of the state, probably at the close of the winter term. This trip, if secured, will include the following towns in the order named: Williamsport, Renovo, Warren, Corry, Kane, Bedford, Erie, Franklin, Pittsburgh, Oil City, Sharon, Greenville, Altoona, Tyrone, Lewistown and Bellefonte. The manager does not expect to date at all of these towns, but hopes to arrange enough concerts to make the trip certain.

Local trips will be taken to nearby towns, including a three-day trip between here and Harrisburg. It is aimed to secure Millersburg, Duncannon and Lewistown for this trip.

A new feature of the club this year will be a 10 or 12 piece orchestra. These men will be selected from the members of the college orchestra, now being trained by Professor Stolz. The orchestra will take the place of a Mandolin and Guitar Club, unless enough students can be found in the Glee Club to form such an organization.

Several of the officers elected at the close of last year were unable to return to school and others have had to act in their place. Pedigo, '17, last year's leader, is again leading the club in the absence of Miller Johnson, '17, who is with the National Guard on the Mexican border.

The officers not already mentioned are, Fairbairn, '18, assistant manager, and Martin, '19, secretary. Eshelman, '18, will again be the violinist, and Adams, '18, will officiate at the piano. A reader will be chosen after.

Before long, rehearsals will take place twice or three times a week in order to get in shape for concerts the latter part of the term. The next rehearsal will be to-night at 8 o'clock in Bucknell Hall. Every candidate is urged to be there promptly at this time.

SOPHS vs. PHI GAMMA

The Sophomore and Phi Gamma Delta football teams will meet Wednesday afternoon for a contest on the Lewisburg playground along Buffalo Creek. The Sophs are trying to arrange a game with Sunbury High School at Sunbury for next Saturday, Nov. 4. Other games are to be arranged for later.

GEOLOGISTS ON TRIP

Professors Davis and Rice, accompanied by a dozen members of the class in geology journeyed to Picture Rocks Saturday morning to work over the surrounding hills in search of specimens for geological work.

BOIOLOGY DEPARTMENT GETS SNAKE SKINS

Two monster rattlesnake skins were presented to the Biological Department of the University last week, the one measuring 7 feet 4 inches and the other between 6 and 7 feet. The skins are now on exhibition in the Biological quarters on the second floor of the Academy.

The skins were secured thru the efforts of "Bob" Donaldson, '17, who received them from a brother living in Florida. They were both killed near South Mere in the Indian River district. Both hides are in good condition and well worth going to the Biological Laboratory to see on account of their great size and beauty.

ENGINEERS HEAR PROF. RICE SPEAK

NAT. SEC. OF MECHANICAL ENGINEERS HERE.

Speaks to Combined Engineering Societies.

Emphasizes "Get Together" Policy of the Engineer.—The Present Engineering Must Know How to Speak.—Praises Bucknell Spirit.

Prof. Calvin W. Rice, secretary National Society, A. S. M. Engineers, made an address before a joint meeting of the three student engineering societies Thursday evening in the Chemical Laboratory. The society with which Prof. Rice is affiliated is located in New York City. President Charles Maurer, of the Student Mechanical Engineering Society, had charge of the meeting and introduced the speaker.

Prof. Rice's address was very interesting and he told in a simple, direct way what position the engineer is attaining in the eyes of the world as the result of engineering accomplishments in the past few years. The speaker opened his address by stating that the engineering profession is the one which has brought the greatest changes to the world in the past few years. He stated that the engineer is the one who has made the world what it is today. He stated that the engineer is the one who has made the world what it is today. He stated that the engineer is the one who has made the world what it is today.

STUDENTS SPEAK AT LAST WEEK'S Y. M. C. A.

TAKE SUBJECTS DIRECTLY CONCERNED WITH COLLEGE MAN'S LIFE.

The first student meeting of the Y. M. C. A. took place on Thursday evening when Potter, '17, Garner, '18, and Sprout, '17, gave short talks on subjects closely related to the life of every college man. The attendance was smaller than usual, owing to several other meetings scheduled for the same time, but those who were on hand entered into the spirit of the meeting with a zeal that was encouraging.

Potter, '17, spoke on the subject, "What the Y. M. C. A. Means to the College Man." His remarks centered about the fact that the Y. M. C. A. helps the students to readjust his religious ideas in accordance with the new conditions that he meets at college.

Garner, '18, spoke on "Christianity in Athletics." Garner's speech held a straightforward appeal for clean sportsmanship; for the man who can carry his Christianity into athletics is the "real man."

Sprout, '17, gave a talk on "The Relation Between the College Man and the Boys of His Home Community." He emphasized the fact that the college man must serve as an example of the clean-lived young man before the boys of his home and college towns.

Notice of this week's meeting will be posted later by Secretary Aubrey.

GRADUATE OF 1914 MARRIES

Miss Stella K. Hartman, daughter of Mr. and Mrs. Chester Hartman, of Milton, and Dayton T. Corson, of Paulsboro, New Jersey, were united in marriage last Wednesday at Sunbury. Mr. Corson graduated from Bucknell in 1914. He was a member of the Sigma Chi Fraternity.

Mr. and Mrs. Corson left on a wedding tour to Buffalo and Niagara Falls, from where they will go to Philadelphia, where Mr. Corson is employed as a civil engineer.

D. T. U. DANCE

On Friday evening Delta Theta Upsilon gave a Halloween dance to the pledges, at their home on Walker street. The house was decorated in a novel manner with pumpkins, autumn leaves, etc. The Phi Gamma Delta orchestra furnished the dancers with music and acquitted themselves in a commendable manner.

Girls from Northumberland, Milton, Watonsota and Lewisburg made up the company. Prof. and Mrs. Carl Millward, of Milton, acted as patrons.

BUCKNELL'S OPPONENTS

Princeton 7, Dartmouth 3. New York University 13, Union 9. Wash. & Lee 7, Georgia Tech. 8. Gettysburg 2, Penn State 48. Georgetown 80, Albright 6. Lebanon Valley 14, Lafayette 27.

PHI GAMMA WIN.

The football team of the Phi Gamma Delta fraternity proved too strong for the Lewisburg High School eleven and defeated them by a score of 12-0 last week. The playing of Mat-jack and Sipley featured the game.

VARSIITY BOWS TO MUHLENBERG

HARD GAME GOES TO ALLEN-TOWN COLLEGIANS

MUHLBERG SCORES 17 POINTS TO VARSITY'S 0

Varsity Weak at First.—Outclass Opponents in Last Half.—Hendren Injured.—Bucknell Tries Three Quarterbacks in Game.

The Orange and Blue team was defeated by Muhlenberg on Saturday by a score of 17-0. The Muhlenberg lads were fast and aggressive and were aided much by the brilliant playing of Russell Gaston, their right guard. His kicking and all-round playing was a big factor in dealing out defeat to the Varsity.

The game was a desperate struggle from beginning to end. Bleeding faces and numerous injuries on both sides gave clear evidence of the acuteness with which the battle was waged. Muhlenberg students consider the game the most hard-fought contest ever played on their field.

Muhlenberg obtained nearly all of their points at the very out-set of the game, scoring two touchdowns in the first period. Muhlenberg employed chiefly a play that started out as an off-tackle play but turned abruptly and shot straight through the center of the line. With this weapon of offense they carried the ball to the 10-yard line twice during the first quarter. From here it was carried over by brilliant end runs; one being made by Huer and the other by Dudack. Both goals were kicked, which placed Muhlenberg in the lead by 14 points at the end of the first period.

After the first quarter Bucknell took a brace and permitted no more scoring during the remaining part of the first half, although the ball was kept continually in Bucknell's territory. In the third period Muhlenberg secured their final tally, which was a field goal from the forty-yard line. The goal was kicked by Gaston from place kicking.

In the last period the Orange and Blue team took a new lease of life and made several lively spurts down the field. When they arrived near the enemy's goal line, however, their opponent's defense suddenly transformed itself into a stone wall and score was impossible.

Hendren, Bucknell's plucky half-back, was put out of the game in the second half when fiercely tackled. He was carried from the field unconscious but fortunately his injuries did not turn out to be very serious, and it is likely that he will be seen in the next week's line-up. Also Mangan is expected to be back in the game this week, which will strengthen the team fifty per cent. The loss of his work at quarterback has been seriously felt by the team. After this week's practice the team should be stronger than ever, and it will need all the strength that it can muster for next Saturday it goes up against the Princeton Tigers.

The line-up follows:

Muhlenberg	Bucknell
Daly	left end
Dudack	left tackle
De Lozier	left guard
Schwenek	center
Gaston	right guard
Landis	right tackle
Wilson	right end
Fitzgerald	quarterback
McGovern	right half back
Huer	left half back
Caskey (capt.)	full back

Substitutions: Muhlenberg: McGovern for Huer, Huer for McGovern, Herron for Caskey, Caskey for Herron, Deveau for DeLozier, Bucknell: White for Korb, Miller for Hendren, Capt. Peale for Newcomb.

MONDAY, OCTOBER 30, 1916

THINK IT OVER!

A number of students and alumni have been asking why Bucknell does not get any daily press notices on football in the Philadelphia North American along with the other colleges. The only possible answer appears to be, that somebody is not on the job; for this year is the first in a number of years that Bucknell reports can not be found at least three or four times a week on the football page.

This fact again brings us to the conclusion that the only satisfactory way to give out Bucknell news is thru the hands of a Press Club, organized for this purpose. Only last week Gettysburg organized such a club and most of the other colleges have long since done so. It has proved to be the only efficient method, and when Bucknell wakes up to this fact, the Alumni will have a chance to read of the football practices as well as of other college activities.

COMMUNICATION

During the course of last year several visitors to Bucknell remarked upon the good fellowship which seemed to exist among the students. And, indeed, it has been one of our boasts as a college that there is manifested here a spirit of democracy such as few other universities can rival. This spirit of comradeship has been revealed to the visitors within our gates by the long-standing custom in vogue here of speaking to all fellow students when we meet them on the street.

It is in the interests of this spirit of good fellowship and democracy that I write this appeal that the new men especially should fall in line with this excellent custom.

Of course, it is the power of the Senior Council to punish those breaking this rule as prescribed by them; but, surely, our interest in the welfare of the good reputation we hold as a student body, and in the promotion of college spirit should be a sufficient motive for halting all of the fellows when we meet them on the street or campus. Freshmen, do your share. The upperclassmen find time to speak. Follow their example, and be sociable.

E. E. A.

NOTICE TO BUDGET PAYERS
All students who have paid their budgets and wish Y. M. C. A. handbooks will please call at the Y. M. C. A. office in West College before the end of this week. Bring your budget receipt with you.

CAP & DAGGER NOTICE
All members of the cast of "The Spanish Gypsy" are to report for rehearsal at 6:30 o'clock Wednesday evening.

SCRUBS LOSE OUT AT

LEBANON VALLEY

ANNVILLE RESERVES SCORE 21 POINTS IN FIRST HALF OF GAME.

Bucknell's second string squad journeyed to Annapolis Saturday and came back with the short end of a 21-0 score, after a hard fought battle with the Lebanon Valley scrubs. The local scrubs presented a stronger back field than against Bloomsburg last week, but the team as a whole did not show the same "fight" that was evidenced in the Bloomsburg game. Lebanon Valley scored all of their 21 points in the first half of the game. In the second half Bucknell came back and played them on even terms for the rest of the game. Inability to stop Costello practically lost the game for the Scrubs. He is a new man at the down-river college, and was not taken with the Varsity because he was not well acquainted with their signals.

The bright lights for Bucknell were Herbine, at full back and Swagler, who took Reed's place at tackle in the second period.

The score:
Bucknell Res. Leb. Val. Res.
Freeble Shetter
Reed right end
Lutz right tackle
Donaldson right guard
Picksarski left guard
Pindar left tackle
Gurney left end
Gerhart Zeigler
Stover Spader
Shilling right halfback
Herbine left halfback
Costello fullback

Touchdowns—Snader, Zeigler, Haines. Goal from touchdowns—Zeigler, 2. Substitutions—Lebanon Valley: Pfeffer for Snader, Hummel for Haines, Spielman for Forsburg, Horn for Isaacs, Kichline for Pfeffer, Haines for Wine, Bucknell: Lewis for Stover, Swagler for Reed, Korth for Shilling, Referee Hollinger, Umpire Murphy. Head linesman, Foltz. Time keeper, Seltzer. Time of periods 12 minutes.

SHAMOKIN BEATEN

A pick-up team of Bucknell students went to Shamokin Saturday and defeated the strong team of that place 7-0, despite the fact that the crowd on the playing field greatly hindered Bucknell's playing. Beckley and Smith were stellar performers in the line, while Kohler proved to be the best ground-gainer in the backfield. Gaezelle scored the touchdown.

VARSITY BOWS TO MUHLENBERG

(concluded from first page.)
Fisher for White, Miller for Bauldauf, Bauldauf for White, Miller for Bauldauf, Hendren for Hall. Touchdowns—Gaston, Caskey. Goal from place—Gaston. Referee, Dr. O'Brien, of Philadelphia Central High. Umpire Jack Holtenbeck. U. of P. Head linesman, Palmer. Haverford; for Bucknell, Weishar, for Muhlenberg, Hartman.

NOTES OF THE GAME

Hopler and Hendren did some clever work on the offensive in the last half of the game.

Hendren's injuries are not so bad as reported and he will soon be back in the game.

Gilbert's splendid defensive work prevented two touchdowns; once by a clever tackle from the rear and another time by forcing a runner out of bounds.

Muhlenberg was completely outplayed in the last quarter. Bucknell successfully executed 8 forward passes in this period, but unfortunately lost the ball each time near the goal line.

Waddell, Hall and Hendren filled the quarterback position in the order named.

Mangan will probably be back in the game this week. The team has missed him at the quarterback position.

Cockill showed up well at end when he was shifted from tackle late in the game. "Tom" has an ideal build for an end position.

Sophomore class meeting Wednesday night, Chapel, 7.30.

RIFLE CLUB HOLDS FIRST PRACTICE

OUTDOOR MATCHES TO BE HELD DURING REST OF TERM.

The Rifle Club made its first appearance of the year Saturday morning, when a small squad hiked across the fields and held a preliminary practice on the three-hundred yard range. Some of the men were new to the game, and no one made any wonderful scores, yet all agreed that it was good sport.

This particular college activity was organized in November, 1915, and at once affiliated with the National Rifle Association, from which it has a charter. Its officers are C. A. Soars, '17, president; G. Barnhart, '17, treasurer; P. C. Moser, '18, captain and G. W. Davis, '15, secretary.

The object of the organization is to train the students in the use of the military rifle, and for this purpose the government furnishes rifles and ammunition. The rifles are the Krag-Jorgenson type, similar to the Springfield model, now used by the A. C. and the militia. With its present membership the club is allowed the use of fourteen rifles and is entitled to eight thousand rounds of ammunition a year. This furnishes target practice for all who care to take part.

Last year the club held indoor matches during the winter term and practiced outdoors during the spring term. This year it is intended to continue the outdoor practice as long as weather conditions permit and then hold a series of indoor matches in the Armory.

Everyone is invited to take part in these practices. It is a novel experience for one who has never tried it to shoot a rifle, and to be in the target pit and hear real bullets fly overhead. Everyone who has tried it agrees that it is good sport, and the beginner has as much fun as one of the "would be" experts who tell others how it should be done. Practices are usually held on Saturday mornings, provided that weather conditions permit. Notices of all practices will be posted on the bulletin board at least one day in advance.

"LATE COMERS HAVE THE ADVANTAGE"

DR. HARRIS SPOKE ON THIS SUBJECT TO COLLEGE BIBLE CLASS.

A large number of young men and women, heard Dr. Harris at the College Bible Class on Sunday give a very interesting talk on "Advantages That Late Comers Have." Dr. Harris chose for his text the twelfth chapter of Matthew. Among other things Dr. Harris emphasized the following:

Late comers are the ones that get the most. Early comers get the least. Those that come after us get all that we will and have had in the world. The Romans came after the Greeks; they received all the Greek had left in the way of art, literature and the sciences.

The Italians came next and received the benefits of the Romans. The English inherited that, and the writings of Chaucer, Spenser and Shakespeare are full of the early ideas of the Greeks, Romans and Italians. The Germans coming still later are fed by Shakespeare. All these received the benefit of those who have born the heat and the burden of the day before them.

We here in college have advantages of being late comers. Those who come after us will receive all the spiritual wealth that we have had. The heathen says: "I will keep that to myself." The Christian says: "I will communicate to my neighbor what I know." It has taken five thousand years for us to get where we are, and it required what was done in England, Germany, Greece and Rome before us. There is no nation which has grown into civilization without outside help.

Our responsibility to late comers is to help them; give them missionaries, doctors, inventors and all of our advantages. Dr. Harris cited the Philippine Islands as an example of what a stronger nation should do for a less fortunate nation, which has added to advance subject help from external sources.

Nov. 11—Soph. vs. Freshman game.

WOMAN'S COLLEGE

Y. W. C. A.

Last Tuesday's meeting was led by Dagmar James, '18. Her subject was "The Give and Take of Life." The discussion was very interesting and many girls took part in the meeting. The sextet sang with their usual excellency.

Y. W. C. A. is going to give its "Evening of Fun" on December 8th, and the plans for a very fine performance are now being made.

VISITORS AND "WEEK-ENDERS."
Ruth Mattern, '16, returned for a short stay.

Margaret Gretzinger, '16, dined at the Woman's College Friday night.

Mildred Jordan, '19, went home to Athens for a couple of days last week.

Katharine Puddicombe, '20, returned to New Haven, Conn., this week-end.

Miss Hardesty entertained her sister and two nieces for a few days last week.

Miss Hoff, '19, was surprised by an unexpected visit from her mother last Thursday.

Elizabeth Bowler, '20, was called home on account of the illness of her father.

Louise Lamb, '20, visited some friends in Dickinson Seminary last week.

Mrs. Brown and Mrs. Schenck are visiting their daughters. Helen Brown, '17, Miss Etta Brown and Pauline Schenck, '20, this week.

WESTERN RESERVE UNIVERSITY

School of Medicine
ONLY MEDICAL SCHOOL IN THE CITY OF CLEVELAND
Admits only college degree men and seniors in absentia.
Excellent laboratories and facilities for research and advanced work.
Large clinical material. Sole medical control of Lakeside, City and Charity Hospitals. Clinical Clerk Services with individual instruction. Wide choice of hospital appointments for all graduates.
Fifth optional year leading to A. M. in Medicine.
Vacation courses facilitating transfer of advanced students.
Session opens Sept. 26, 1915; closes June 15, 1916. Tuition, \$150.00.
For catalogue, information and application blanks, address, **THE REGISTRAR, 1353 East 9th St., Cleveland.**

Cornell University Medical College

IN THE CITY OF NEW YORK.
Admits graduates of Bucknell University presenting the required Physics, Chemistry and Biology.
Instruction by laboratory methods throughout the course. Small sections facilitate personal contact of student and instructor.
Graduate Courses leading to A. M. and Ph. D. also offered under direction of the Graduate School of Cornell University.
Applications for admission are preferably made not later than June. Next Session opens September 17, 1916.
For information and catalogue address,
THE DEAN,
Cornell University Medical College,
Box 428,
First Ave. and 28th Street,
New York City.

THEOLOGICAL SEMINARY OF COLGATE UNIVERSITY

ELMER BURRITT BRYAN, LL.D., President.
Gives a thorough preparation for the work of the gospel ministry. It offers with other advantages a term of residence and study in New York City. Degrees of B. D. and A. M. for special work.
For Catalogue or information, address
DEAN JOHN F. VICHERT,
Hamilton, New York.

Are You Fond of Good Clothes?

MOST COLLEGE MEN like to be well dressed and to wear good clothes in the best sense of the word—clothes that fit well, look well and hold their shape well.

We sell only that kind! We give the best service only, high class in every way, stylish and tailored beautifully.

All our suits and overcoats are made up exclusively to your measurements, thus assuring perfection in every detail.

We charge \$15.00, \$18.00, \$20.00 for our high quality, popular priced clothes, but the values we give must not be measured by the price, nor could you duplicate the superior fabrics we show in our suits, ranging in price from \$25.00 to \$35.00.

If you want the best tailoring service in town get your clothes made-to-measure by one who knows how.

HILL GOSSIP

Lewis, '16, was a visitor in town Saturday.
Lutz, '20, spent Sunday at his home near Reading.
Lenker, '20, spent the week-end in Williamsport.
Potter, '17, was in Bloomsburg the latter part of last week.
Kietner, '19, spent a few hours in Wilkes-Barre on Saturday.
Sears, '17, visited his uncle in Muncy over Saturday and Sunday.
Moyer, '20, journeyed to his home in Pottsville for the week-end.
Rummer, '18, visited his parents in Lock Haven over the week-end.
E. A. Weishaar, '20, spent Sunday and Monday at the Sigma Chi house at Lehigh.
Shearer, '17, took a flying trip to Northumberland and Sunbury over the week-end.
Durst, '20, who was taken sick with appendicitis, has been operated on and is getting along nicely.
Bauman, '18, entertained third floor East College with the contents of a "box from home" Saturday night.
Geary, '18, spent several days last week at his home in Lock Haven, at which place he attended the wedding of his sister.
A bulletin board for posting Physics experiments was placed outside Prof. Simpson's class room in East Wing last week.
Beckley, '18, who was kicked in the head while playing football at Shamokin with a picked Bucknell team, is recovering from his injury.
Rosenberger, '18, spent the week-end at his home in Schuylkill. He attended the Bucknell-Muhlenberg game at Allentown on Saturday.
On Saturday a number of D. T. U.'s enjoyed a hike to Montour Mountain with girls from the Women's College. Dr. and Mrs. Phillips acted as chaperons.
Raines, '20, enjoyed three separate rides on the river on Saturday. His companions were told not to "squeak" so their names will not be published. It was the fault of the canoe, anyhow.
Bender, '17, Eschelman, '18, Rohrbach, '19, Vredenburg, '20, Champion, '17, Pierce, '19, Day, '20, Lewisburg, '18, Leishensberger, '17 and Vanderbilt, '20, attended a Halloween dance at Muncy last Friday night.
Elliott, '18, Squibb, '20, Hurley, '18, Mink, '17, Chalfant, '19, Beers, '17, Post, '17, Collins, '18, Wagner, '18, Hollinger, '18, Lewis, '20, Pangburn, '19, and Scott, '17, motored to Selinsgrove Saturday afternoon where they witnessed the Susquehanna-Indian game.

CALENDAR

Monday.—Senior Council 6.45. Operative Society 6.45. Student Volunteer 7.00. Glee Club at 9 o'clock.
Tuesday.—Fraternity meetings.
Wednesday.—Operative Society 6.45 in Bucknell Hall. Cap & Dagger, 6.30 practice for entire cast.
Thursday.—Y. M. C. A. at 7.30 in West College.
Friday.—Varsity leaves for Princeton at 1.05, Pennsy station.
Saturday.—Varsity vs. Princeton at Princeton.
Sunday.—College Bible Class at 10.30 in the Baptist church.

HIKING CLUB.
The Hiking Club, an organization under Y. M. C. A., took a long hike to Montour on Saturday. The girls were afraid of being shot for rabbits, etc., by the hunters, so they didn't get over the mountain. However, they went part of the way up and enjoyed it every inch of the way.

LAMBDA CHI PARTY
On Friday evening, Delta Zeta, of Lambda Chi Alpha gave their annual fall reception to Seminary girls. Various games were indulged in including the regulation five hundred. The halls were tastefully decorated with fraternity as well as school colors. Light refreshments were served during the course of the evening.

Dickinson is trying to make the football world forget last year's poor season. They kept up their good work by trouncing Franklin & Marshall, Saturday, 13-7. Prior to Saturday the Indian, Welch, had scored all of Dickinson's points. Swope, the former Susquehanna star, helped him out by scoring a touchdown against F. & M.

PRINCETON EASILY TROUNCES VARSITY

SATURDAY'S GAME BRINGS 42-0 DEFEAT.

TIGERS' BACKS TOO FAST FOR BUCKNELL

Waddell Plays Good All-around Game.
—Hopper Runs 98 Yards For a Touchdown, But Score Is Not Allowed.—Players Injured.

On Saturday the varsity encountered the Princeton team and found it to be the most formidable eleven that they have met this season. Bucknell was unable to resist the enormous driving power of the Tiger backfield and Princeton had easy sailing from the start, finding little trouble in registering six touchdowns for a total of 42 points, while Bucknell was powerless before the Orange and Black squad.

Bucknell came very near being credited with a touchdown when Hopper got hold of a fumble on Bucknell's 2-yard line and ran the entire length of the field. "Hops" run, however, was all in vain, the ruling of the referee being that he had called Brown down before the ball was fumbled.

Princeton distributed their tallies regularly throughout the game. They scored one touchdown in the first quarter and two in the second. In the second half they repeated this process in the same order. Eddy, Driggs, and Tibbott were responsible for the Tiger's first score, Eddy making the final run.

In the second quarter the Eddy-Tibbott combination again proved their worth by collecting two more touchdowns. Eddy carried the ball over from the 10-yard line, while Tibbott made his run from the 28-yard mark.

The first half ended with the score standing 21-0. Before the final whistle blew Princeton had just doubled this score. Moore was the big man in the last half, getting away with two long runs for scores; in one he covered 40 yards and in the other 65 yards. The other touchdown was made by Funk.

From this it is seen that Princeton has strength. Strength enough to defeat Bucknell with the most sportsmanlike tactics. This, however, was not the case. As the result of the rough tactics Princeton employed McDermott, Hall, Herline and Short have returned to Bucknell with injuries. MacDermott's leg is either badly wrenched or possibly broken, in the same place that it was broken last year in the New York University game. Hall has a broken hand, Herline's nose was literally crushed and Short's elbow was splintered.

The rest of the team, in its crippled condition, will journey to New York where they will meet New York University on Tuesday. Coach Johnson has been saving Mangan and it is likely that he will take part in the game Tuesday. Last year's score was a 3-3 tie and a close game is expected.

The line-up follows:
Princeton Positions Bucknell
Hogge Left End McDermott
Latrobe Left End (capt.)
Nourse Left Tackle Cockill
Gennert Left Guard Gilbert
Hogg (capt.) Right Guard
McGraw Right Tackle Baker
Wilson Right End Short
Eddy Quarter-back Waddell
Brown Left Half Back Hendren
Tibbott Right Half Back Baldor
Driggs Full Back Hopper

Score by periods:
Princeton 7 14 7 14—42
Bucknell 0 0 0 0—0
Referee—Cosgrove, Cornell, Umpire—Barkart, Dartmouth, Linesman—Schwartz, Brown, Field Judge—Plumer, Cornell. Substitutions: Princeton—Halsey for Latrobe, Kaufman for McGraw, Moore for Tibbott, Funk for Wilson, Winn for Hopley, Bryan for Hogg, Latrobe for Halsey, Foster for Nourse, Kaufman for Foster, Moore for Tibbott, Haaren for Brown, Gillespie for Winn, Rappell for Funk, Funk for Driggs, Gowan for Schmalz, Charles for Bryan, Mathison for Funk, Ames for Eddy, Bucknell—Fisher for Cockill, Banks for Short, Newcomb for McDermott, Miller for Hopper, Herline for Hendren, Hall for Newcomb, Hopley for Miller, Cockill for Fisher, Hendren for Herline, Herline for Hendren, Fisher for White, Miller for Herline, Newcomb for Hall, Kirth for Banks, Touchdowns—Eddy, 2; Conney, Moore, 2; Tibbott, Goals from touchdown—Tibbott, 3; Moore, 2; Funk, Time of periods—12 minutes.

NOTES OF THE GAME

Bucknell's only effective means of offense was the forward pass, gaining a total of 115 yards by this method.

Waddell did some good work throwing the forward pass.

It is to be noted that the Princeton team kicked goals on each one of its six touchdowns.

At the beginning of the second quarter Tibbott attempted a field goal from the 51-yard line. The ball fell short of going over the crossbar by only several feet.

That the team was leaving for the hardest trip on the schedule could not have been detected by the number of students present at the Pennsylvania station on Friday. Those that did gather to give the team a "send-off" were largely underclassmen.

When a team is losing is no time for the student body to give up and not support it. A half-hour of your time is the least that you can give. Don't be a quitter.

BUCKNELL STUDENTS FAVOR WOODROW WILSON

WILSON RECEIVES 190 VOTES AND HUGHES 155 IN STRAW VOTE

If the nation votes to-morrow as Bucknell did last Thursday, Woodrow Wilson will win the presidential election for another four years. Bucknell students gave Wilson 190 votes and Hughes 155, in the election held in the Main College Reading Room last week.

Interest in the election, hitherto somewhat lax, was suddenly brought to life when the notice of a straw ballot was posted. Since that time everything has been politics. If you see a group of fellows in front of "Doc" Baker's, it's a "two-to-one" bet that they're talking politics.

A number of students have already gone home to cast their ballot, and others will leave to-night and to-morrow. Those who stay in Lewisburg will alternate in watching election returns and reports from the Bucknell-New York University football game.

FRESHMEN-SOPH. GAME NOV. 25.

The date for the Freshmen-Sophomore football game has been changed to the 25th of November for various reasons. The late date will enable the teams to perfect team work and get into first-class condition for the strenuous battle.

FRESHMEN STIR UP LITTLE EXCITEMENT

SOPHS PERSUADE BANNER TO CLIMB DOWN THE FLAG POLE.

Bucknell students were surprised to see a so-called banner, with 1920 numerals, sticking near the top of the flag pole, when they went down the Hill Wednesday morning. Several Sophs—Pres. Dent, Chalfont, Gall, Swagler and Potts—were not exactly pleased with the figures and quickly persuaded a Freshman to climb the pole and bring down the banner.

This was about 9.30. In the meantime a few Juniors had chased fifty or more Freshmen down to the scene of excitement and things began to point towards the Susquehanna. Here is where the fun stopped, however. The Sophs already had the banner in their possession and the Juniors were unable to induce the Freshmen to "start anything." After a short count of war the crowd broke up, the banner still in the possession of the Sophs.

THE BUCKNELLIAN

BUCKNELL UNIVERSITY.

VOLUME XX. LEWISBURG, PENNA., MONDAY, NOVEMBER 6, 1916. NUMBER 6

COLLEGE HEADS FOR CLEAN SPORTS

PRESIDENTS HOLD CONFERENCE AT STATE COLLEGE.

PROPOSE NEW RULES FOR COLLEGE ATHLETICS

Favor Adoption of One-Year Rule.—Aim to Stop Buying Up High School and Prep Stars.—Revolution in Athletics Likely to Result.

"Athletics in the colleges of Pennsylvania are likely to be overhauled," says a dispatch from State College to the Philadelphia North American. This action will be the result of a committee meeting of the Pennsylvania College Presidents' Association at State College last Saturday, when several measures, intended to eliminate undesirable practices in Pennsylvania college athletics, were strongly endorsed.

The action of this committee concerns every college man whether an athlete or not and for this reason the contents of the committee's report is given below:

A rigid enforcement of the one-year resident rule, commonly known as the college migratory rule was deemed necessary to stop the migration of an athlete from one college to another after "bunking out" or by reason of a stronger financial inducement. This rule requires the student from another college to remain at a college for one whole year before he can take part in athletics.

The paying of board and room rent for the athlete was considered equivalent to paying him money. In the eyes of the committee, this custom should be stopped at once.

Inducements to young high school athletes should not be tolerated. It has come to the point where the high school star waits for the "right college representative" to come around and then offers his service to the highest bidder. The elimination of this practice would be an important step toward the betterment of college athletics.

Look these plans over and ask yourself whether they are practical or not, and what they will do if enforced. Below are the names of the men who attended the conference: Dr. J. A. Haas, president Muhlenberg college; Dr. A. W. Granville, president Gettysburg college; Dr. Isaac Sharpless, president Haverford college; Prof. S. B. Linhart, of the University of Pittsburgh; and Dr. E. E. Sparks, president of State College.

STUDENT DROPS FROM MARKET STREET BRIDGE

GANDY, '19, NARROWLY ESCAPES SERIOUS INJURY WHEN HIS HOLD SLIPS.

A. B. Gandy, '19, had a narrow escape from serious injury last week when he fell from the rail of the Market St. bridge to a pile of rocks at the foot of one of the piers. As it is, Gandy is suffering from severe bruises about the limbs and several teeth are missing.

Several companions were endeavoring to lower Gandy from the bridge by means of a rope and tackle. This method worked all right until a spike in the rope became stuck in the pulley. Unable to make the rope go thru the pulley, Gandy's companions tried to hoist him back to the bridge. With in a few feet of the bridge his strength gave out and he was forced to let go the rope, dropping 25 or 30 feet to the ground below.

Gandy does not remember what part of his body hit the ground first, but feels fortunate in that he escaped with his life. He is able to be out now, but bears the marks of his exciting experience.

NO GAME HERE SATURDAY.

Too much rain put the Athletic Field in such a condition Saturday, that the powers decided to cancel the game between the Freshmen and the Lewisburg High School team. The Soph who wanted to get a line on the Freshmen signals will have to wait for another chance.

CLASS IN GEOLOGY VISITS PENN'S CAVE

FOURTEEN MEMBERS TAKE INTERESTING TRIP

SATURDAY.

Fourteen members of the geology class accompanied by Professor Rice took a trip to Penn's Cave on Saturday, leaving Lewisburg at 6.30 A. M. They went by train to Rising Springs and from there travelled the remaining four miles on foot.

Penn's Cave is recognized as one of the wonders of the state and is especially interesting to the student of geology. The wonderful formations of rock in its underground passages present an attractive sight to the geologist and to anyone who appreciates a nature.

After going through Penn's Cave the party was allowed to visit Dry Cave, nearby, thru the courtesy of the owner. The trip as a whole was the best of the year. That every Bucknell student should visit Penn's Cave before leaving college, was the verdict of those who made the trip Saturday.

SCRUBS TIE LOCK HAVEN NORMAL SCHOOL

WEISHAAR SCORES TOUCHDOWN FOR SCRUBS IN 7-7 TIE.

On a rain-soaked field the Scrubs played Lock Haven Normal to a 7-7 tie at the latter place on Saturday. Even at that the Scrubs should have won according to the verdict of the players; Lock Haven's score resulting from a forward pass caught on the ground, which escaped the notice of the referee.

The playing of the Scrubs throughout the game was an improvement over previous games. Had the field been dry a large score would probably have resulted. Weishaar's playing was a feature of the Scrubs' attack, one of his runs giving Bucknell their only score of the game.

DATE OF "THE SPANISH GYPSY" SET FOR NOV. 17

The Strongest Cap and Dagger Play in Years.—Thirty Members in Cast.—Budget Receipts Will Attain the Holder.—Orchestra to Play.

Bucknell lovers of dramatics will have an opportunity to witness one of the strongest plays that Cap and Dagger has ever presented when "The Spanish Gypsy" is staged, Friday evening, November 17, in Bucknell Hall. Those who have been asking for a classic will be pleased with the power and emotion displayed in this presentation of George Eliot's famous production. A cast of thirty members under Miss Schillinger's direction is rehearsing four and five times a week in order to give the students something beyond the ordinary.

"The Spanish Gypsy" goes back to the days of the Inquisition in Spain. The scene is laid near a town named Badmar. At this time Spain is endeavoring to drive out the Moors and most of all to capture the last Moorish stronghold, Granada. Don Silva and Fidelma are forced to choose between love of country and love for each other. The keynote of the play may then be called "loves strength," about the characters of Don Silva and Fidelma, a story of love and devotion is built with that wonderful power characteristic of George Eliot's works.

The three principal characters, Don Silva, Fidelma and Zarea, are taken by Eugene Bertin, '17, Professor Campbell, '16, and Grace Good, of Williamsport, respectively. A tambo-rellied by the Gypsy Girls promises to be an attractive feature of the evening. Between the acts and during different scenes the Phi Gamma Delta orchestra will play.

The play itself is in five acts, but can be presented in less than an hour and a half. A steady action serves to hold the interest throughout the entire presentation, and to give the play a "snap" so often lacking in productions of a classic nature.

In answer to those who wonder where the proceeds of the Cap and Dagger plays go, let it be said that the purpose of the society is not to take money. All money taken in at the door or received through the Budget System goes to pay for costumes and additional stage fixings.

The aim of Cap and Dagger is to catch college men how to appreciate dramatics and to enable them to coach plays after leaving college. The members of the society are always willing to take part in plays for their own good; for they realize that time spent in this manner is by no means wasted.

Don't forget the time—Friday evening, November 17, in Bucknell Hall. Come prepared to hear a strong classical production. Budget receipts will admit holder.

CALENDAR

Monday.—Orchestra. Practice 6.45 in chapel. Operative Society 6.45 in Miss Brown's Studio. Mechanical Meeting 7 o'clock. Glee Club 9 o'clock in chapel. Student Volunteers 7 p. m.

Tuesday.—Operative Rehearsal 8.30 a. m. Bucknell vs. New York University at New York, Y. M. C. A. at the Women's College.

Wednesday.—Cap and Dagger Rehearsal 6.30 in Eupelia. Operative Society at 6.45 in chapel.

Thursday.—Y. M. C. A. at 7.30 in West College. Elocution Recital 4.30 in Women's College. Cap and Dagger Student Body at 11.55 A. M. on the Athletic Field.

Friday.—Cap and Dagger Rehearsal at 6.45 in Eupelia.

Saturday.—Varsity vs. Washington and Lee at Lehigh, Pa.

Sunday.—College Bible Class at 9.30 in the Baptist church.

CAP AND DAGGER IS WORKING HARD

Penn's Cave is recognized as one of the wonders of the state and is especially interesting to the student of geology. The wonderful formations of rock in its underground passages present an attractive sight to the geologist and to anyone who appreciates a nature.

After going through Penn's Cave the party was allowed to visit Dry Cave, nearby, thru the courtesy of the owner. The trip as a whole was the best of the year. That every Bucknell student should visit Penn's Cave before leaving college, was the verdict of those who made the trip Saturday.

SCRUBS TIE LOCK HAVEN NORMAL SCHOOL

WEISHAAR SCORES TOUCHDOWN FOR SCRUBS IN 7-7 TIE.

On a rain-soaked field the Scrubs played Lock Haven Normal to a 7-7 tie at the latter place on Saturday. Even at that the Scrubs should have won according to the verdict of the players; Lock Haven's score resulting from a forward pass caught on the ground, which escaped the notice of the referee.

The playing of the Scrubs throughout the game was an improvement over previous games. Had the field been dry a large score would probably have resulted. Weishaar's playing was a feature of the Scrubs' attack, one of his runs giving Bucknell their only score of the game.

CLEAN ATHLETICS.

Read the plans for a clean-up in college athletics on the front page of this issue and think them over. If you do, you are sure to realize the importance of that conference of the Pennsylvania College President's Association held at State College Saturday. The movement is started; it is the duty of the college students of Pennsylvania to help carry it thru. The practice of offering inducements to high school athletes is one thing that is tending to put college athletics on the same basis as professionalism. The college athletic scout is looked at in the same light as the professional scout of the big league baseball teams. The prospective student forgets the college of his choice and sells his services to the highest bidder.

"What is there in it for me?" is the entire vocabulary of the high school athlete who knows that some of his former class-mates at college are receiving pay either directly or indirectly for playing on athletic teams.

Not only is this practice degrading to the colleges, but it often induces the "prep" student to go to a college where he had no intention of going, and to arrange a course entirely different from that he had wished to follow.

Perhaps this movement will come to a certain point and then stop. Like the proposal for inter-national disarmament, the question will arise, Who is going to start this thing? The plans are good beyond a doubt, and we hope that the colleges will take up the problem with equal fairness. To make it a success, however, something more than mere words are necessary.

COMMUNICATION.

School activities have always had the support of the student body at Bucknell when it has come to a "show down." This was clearly proven by the support given the Band on its trip to State. The Band has always been and is to-day an important branch of college activities and has always brought credit to Bucknell. School life is just what the students make it. The degree of "prep" is just as high or just as low as the student body desires to have it and we can proudly say that Bucknell "prep" and Bucknell "fight or die" spirit is known throughout all college circles as of a high standard.

The Band has always had a hard road to travel, but nevertheless has always "got there." Suits had to be paid for and almost one hundred dollars was needed to get to State. How

did the Band finally arrange matters? The Band appreciates, but cannot express this appreciation in words, the kindness and "pep" shown by "Coxy" for his personal check for ten dollars; the check for eleven dollars, given by Prof. Griffiths in behalf of the Athletic Association and the liberal collection given by the loyal Bucknellians who accompanied the team, on the "special" to State. The band men also desired to do their part by each man contributing one dollar. Such has been the spirit exhibited by the students and faculty of Bucknell.

Another call has come for the support of the student body. Every man is asked to contribute ten cents. The amount is low but the combined support of each individual will mean a big help and means of taking the Band to Maryland.

The Senior Council has given this appeal their ratification and support. Will every man do his little but nevertheless important part in this movement?

Our band is increasing in size which necessitates the purchasing of a few more uniforms and instruments. These suits and instruments cost money. Will you help the Band? The success of the Band, the showing the Band makes is up to each individual student as much as it is to each member of the band.

The Band desires to express its appreciation for all support previously offered and asks the student body to still keep "pushing on"—Will the student body be "The Power Behind the Throne?"

COLLEGE ORCHESTRA WILL TAKE TRIPS

CONCERT LIKELY TO BE GIVEN HERE IN WINTER OR SPRING TERM.

The College Orchestra is steadily assuming a firmer basis although its organization is by no means complete. Some parts will have to be dropped and others added to secure a well balanced unit. All fellows playing instruments, who have not yet appeared at practice are urged to come out this evening at 6.45. There is surely some talent on the hill that the orchestra could use to good effect.

In selecting the members for the full orchestra as well as for the smaller one to accompany the glee club on its proposed western trip, regularity in attending practices will be taken into consideration. Eshelman has been appointed student director and will take charge of the rehearsals in the absence of Prof. Paul Stolz.

Manager Keefe is making arrangements for several week end trips to nearby towns. These trips with possibly a concert to be given here in the winter or spring term, should round out a full year for the orchestra.

SOPHS. GET TOGETHER.

The members of the Sophomore class met in the chapel Thursday evening and had a "Pep" meeting in preparation for the Freshman-Sophomore football game. President Dent took charge of the meeting and after stating the purpose of the meeting called on, Captain Heinrich, of the Sophomore team and McDermott who gave their classmates an idea of what must be done to win. The class will have another similar meeting a day or two before the game.

STUDENTS AT FIRE.

Bucknell students were much in evidence at the fire which destroyed several barns on West Market St. on Thursday afternoon. It looked for a time as tho the fire would spread to several dwelling houses, but timely work on the part of firemen and students kept the flames from catching. A large quantity of straw and hay, several wagons and a horse were burned before the fire was checked. The origin of the fire is unknown.

CAP AND DAGGER MEN NOTICE.

There will be rehearsals for the entire cast of "The Spanish Gypsy" on the following dates: Wednesday 6.30 p. m., Thursday 6.45 p. m., Friday 6.30-Saturday 8.15 a. m. Rehearsals for dialogues and of all small groups will take place Wednesday afternoon. Watch the bulletin board for definite notice. The date for the play November 17, is only a few weeks off, and it is important that every member of the cast attend all of these practices.

Sophomore class meeting Wednesday night, Chapel, 7.30.

COLLEGE BIBLE CLASS.

Dr. Harris, at the College Bible Class on Sunday used as his text the seventeenth chapter of Acts, and emphasized the well known Christian saying, "Thou shalt love thy neighbor as thyself," bringing out the question, "who is my neighbor?" with a great many it is their own family.

Among other things Dr. Harris said: If the man who loves America first and makes America first in his opinion, wishes to cultivate good will, he will have to help the other nations and aid them in every way possible.

Dr. Harris used as an example Mexico and for comparison Lewisburg, saying that our first duty in recognizing the Mexicans is to know. Our ignorance of the Mexicans is immense; in fact our ignorance of many things is immense. If we here in Lewisburg were situated as Mexico, we would have 88 per cent. of 114,000 population negroes. In Mexico 38 per cent of the population is Indians. We would have 570 white people and the rest of the population would be a mixed race, neither white nor black, but ready to follow the leadership of anyone who will share the lot with them.

The cause of the trouble in Mexico was that the Spaniards were not used to self-government. The Americans or English are organizers, and no matter where they go, the first thing they do is to organize.

Do not think the Mexicans are capable of governing, because they are not. About 75 per cent. of them can neither read nor write. In a hundred years Texas will have a population as large as Germany; they will then be going into Mexico buying up mines, railroads, etc., as even they have begun to do to-day. They will finally have control of the government, but will not displace the Mexicans, they will give them employment and keep order.

What we can do then is to get acquainted and send our missionaries to Mexico and uplift them morally and intellectually. In America all organizations everywhere are little democracies, and become schools of self-government.

The people north of the Isthmus of Panama are more closely related to us, and to all of these people we hold a special interest. The essential thing is that they are human beings, the only difference being in race.

Prof. Hillard here AGAIN THIS YEAR GAVE DEMONSTRATION IN THE CHEMICAL LABORATORY ON THURSDAY.

Prof. Charles E. Hillard, M. D., who has visited Bucknell for a number of years for an annual lecture, visited this place Thursday for probably his last lecture here. He gave his demonstration in the lecture room of the chemical laboratory before a mixed audience.

The lecture dealt with simple and compound dislocation of bones and joints, stoppage of pulse, exposing of pulse and muscles of the body. The Professor showed a triple dislocation of the arm joints as well as others and similar control of other parts of his body.

The demonstration was very instructive, especially to Pre-medical, Osteology and Physiology students who attended. Prof. Hillard is 74 years old and is a graduate of the Class of '76 of the University of Pennsylvania. He is noted in college circles, having lectured and demonstrated at the University of Wisconsin, Western Reserve, Johns Hopkins and many others, including several trips to European colleges.

WOMAN'S COLLEGE
Hazel Gay, '18 is visiting with her brother in Philadelphia.
Mary Humphrey, '17, is in Nanticoke for several days.
Catherine Thompson, '20, is visiting in Northumberland.
Helen Winner, '20, is spending the week end with Grace Good, '20, in Williamsport.

Mary Speece, '18, and Mary Downer, '19, returned to the former's home in Pittston.
The following girls went home for the week end: Florine Michael, '18, to Laceyville; Carrie Wetzel, '20, to Beaverstown; Bertha Cantor, '18, to Lehigh; Margaret Matern, '18, to Reading; Elizabeth Champlin, '18, to Montoursville; Mabel Rinkman, '20, to Turbotville; Evelyn Powell, '20, to Edwardsville; Helen Fowler, '20, to Middleburg; and Helen Nutt, '20, to

Penn Yan, Margaret Buck, '19, returned home with her father for an indefinite period.
Celia Lynch, '20, met with an accident on her trip to Penn's Cave on last Saturday, turning her ankle very badly.

Phi Beta Phi entertained their patronesses on Thursday afternoon in the Woman's College Parlors.
Mu Phi Epsilon gave a recital at Prof. Stolz' house last Wednesday evening.
Miss Curry was suddenly called to her home Friday morning on account of the death of her mother. All of the girls extend to Miss Curry their greatest sympathy, in this her great sorrow.

Woman's College Journal.
The Woman's College Journals are now "out." This is the first edition of the second year and is a success, financially and otherwise. Marie Volkmar, '17, is Editor-in-chief and Helen Krouse, '17, is Literary Editor. They are both helping to make our venture a success. Copies are now on sale at the Book-store for 15 cents.

FRILL AND FROWN.
Interest in dramas at Women's College runs high this year. More candidates than ever are out for membership in Frill and Frown. Try-outs will be held on November 25th, when all new candidates will present themselves. The Frill and Frown play will be given next term on the 16th of March.

Opheum Theatre

Tuesday (Paramount.)
Wallace Reid and Cleo Ridgely in "The Selish Woman." A gripping drama in which the caprices of a spoiled society favorite nearly wreck her own life, and that of the man she loves.
Burton Holmes Travelogue. Climbing the Austrian Alps.
Returns from the N. Y. University-Bucknell Football game.

Wednesday (Metro.)
Mabel Taliferro in "Her Great Price." This picture is unusual in plot, extremely clever in development and admirably acted.
Picture Progress magazines given away on this day.
Sydney Drew Comedy.
Thursday (World.)
Kitty Gordon in "Her Maternal Right." A society drama of startling sensationalism. In this picture we have Miss Gordon, Miss Gordon's back and Miss Gordon's gown.
Added "World" Baseball Comedy.
Friday (Paramount.)
Dustin Farnum in "Davy Crockett." The thousands who have become admirers of the celebrated "Davy Crockett," of fiction, will find a wonderful realism in the screen's version of the look.

Paramount Photograph.
Saturday (Pathe Gold Rooster.)
Lina Cavalieri, the most beautiful woman in the world, in "The Shadow of Her Past." Miss Cavalieri is supported by L. Muratori.
Added Pathe Comedy.
Returns from the Washington and Lee-Bucknell Football game.

HILL GOSSIP

R. C. DeWitt, of Muncy, spent several days with friends at the S. A. E. House.

Stone, '18, preached at Northumberland yesterday.

"Joe" Main, '16, was a visitor on the "Hill" last evening for a short time.

Bauman, '20, entertained Shilling, '18, and Hertzler, '19, at his home in Danville over Saturday and Sunday.

Aubrey, '17, entertained his mother and brother Sunday. He accompanied them by auto to Kingston on Sunday evening.

Mechanical Engineers meeting tonight at 7 o'clock sharp. All members are urged to be present.

Prof. Davis, of Nanticoke made an unexpected and short visit with his son "Soup" Davis, '19.

Houser, '18, was a week-end at this week.

Shaffer, '18, spent the week-end at Milroy.

Sherk, '20, spent the week-end at his home in Camden.

Rosenberger, '18, and Holter, '20, returned home to spend the week-end and cast their ballots for Hughes.

Vredenberg, '20, spent the week-end with his parents and others in Muncy.

Clarke, '18, and Umhaff, '18, according to reports, bagged various kinds of game in season while hunting near Muncy over the week-end.

Shea, '20, was in Williamsport on Saturday and Sunday in response to a phone call.

Reed, '20, enjoyed the week-end at his home in Lock Haven.

REV. EVERITT AT LAST
WEEK'S Y. M. C. A.

GAVE AN INTERESTING ADDRESS BEFORE CHRISTIAN ASSOCIATION.

The speaker at Y. M. C. A. last Tuesday evening was Rev. Everitt of the Lewisburg Presbyterian church.

Taking as the basis of his remarks the message of God through Michael to Israel "Prove Me Now," Mr. Everitt spoke on the waiting God.

God asks for a chance in this world where business and pleasure tend to crowd Him out. He says, "Give me a chance to be heard in the busy street of life." God wants to be heard through His Book, and if we are to measure up to His expectations of us and thus to attain success, we must give time to devotional study.

God wants to be known in the first stages of his personality. First as all power, then as all power with an eternal plan and finally as all power with an eternal plan conceived and executed in this world. He wants to be known as our Father; even as Jesus revealed Him to us.

God wants to be loved. The best way to glorify God is by loving Him. The life worth living is that which gives God its love and service, and which is fired with the passion to give God a chance.

ELECTRICAL MEETING.

The regular monthly meeting of the electrical engineers took place in the Chemical Laboratory on Friday evening.

During the course of the meeting, Professor Rhodes of the faculty gave a talk concerning the history and benefits of the A. I. E. E.

He also read extracts from the leading magazines on electrical engineering. His entire talk proved of great interest to those who were present.

STUDENT VOLUNTEERS MEET.

At the meeting on last Monday evening the Student Volunteer Band had as its leader, Rev. Huntington of the American Baptist Foreign Mission Society of Boston. Besides giving a very instructive talk at that time he remained a large portion of the following day at Bucknell and met personally a number of students.

The Band feels it has received a new impetus from his visit. The next meeting is to-night at 7 o'clock. Dr. Edgar Shields will be the leader.

Harvard University is to extend its instruction to policemen. Plans for a course in their duties will be instituted within a month. Raymond B. Fosdick, of New York, an expert in police methods, has been invited to become the first instructor. His teaching will deal with keeping of records, identification systems and psychology. The police of Cambridge will form the first class.

It pays to buy at SEIDEL & SPANGLER'S. Quality the Best. Prices the Lowest.

STYLISH TOP COATS AND TAILORED SUITS

You'll wait till the weather gets cold, and then you will never be able to get values such as these. If you have the least appreciation of economy, you will buy at once and buy from our stock, because reorders are hard to get, and higher in price. At present we have a fine collection of top coats and tailored suits, in all the new styles, new materials and touched with the latest trimmings.

Top coats trimmed in furs, velvets and plushes, also self-trimmed, with the extra wide collars flared to match the flare of the coats.

Suits trimmed in black and brown fur and velvet and self-trimmed suits, cut in the new length coats; all extra long. A fine assortment of exclusive styles to choose from, at from \$15.00 up.

THE LATEST BLOUSES ARE LOVELY CREATIONS

They deserve more than we can say about them. They are prettier and better values than are seen in the average store.

"Wellworth" blouses at \$1.98, well worth \$2.50 at to-day's prices.

"Withmor" waists at \$1.00. There are four styles, and each a perfect beauty. If you want the best \$1.00 waist you ever bought, buy it from this lot.

Large Number of Star Players Are Injured List—Mangan Out For Season—Weishaar Scores Against Washington and Lee.

N. Y. U. GAME.

Going from Princeton to New York the varsity met defeat at the hands of New York University on election day by a score of 13 to 0. Owing to the fact that four men had been put out of the game at Princeton little better was expected at New York.

Last year in the New York game two regulars were put upon the injured list for the balance of the season. This year a blow came, equally as severe, when Mangan, making his first appearance since the State game, was taken from the field with a broken shoulder. In addition to this, several other players received injuries which kept them out of the Lee and Washington game.

New York games held scores in the first half of the game. They came back in the second half and scored their 13 points by making two touchdowns in the third period. These were made by Carroll and Weinheimer.

The latter gave the spectators a thrill by intercepting a forward pass and running 55 yards for a touchdown.

Again the forward pass seemed to be Bucknell's chief weapon of offense. Waddell was a big factor in making this play successful by accurate hurling.

The line-up: Bucknell, Carroll, Left end. Silberstein, Left tackle. Peale, Left guard. White, Center. Fisher, Right guard. Gilber, Right tackle. Baker, Right end. Den, Quarter-back. Mangan, Left half-back. Hendren, Right half-back. Hopler, Full back. Baldorf, Touchdown—Carroll, Weinheimer, Goal from Carroll, Bernstein, Substitutions—N. Y. U. Brin for Elias, Bernstein for Weinheimer, Bashbaum for Hoffman, Savage for House, McCulloch for Carroll, Bucknell, Waddell for Mangan, Miller for Hendren, Kerth for White, Gearhart for Miller, Referee—Thorne, Columbus. Umpire—Farrier, Dartmouth. Linesman—A. Way, Swarthmore. Time of periods—Two of 11 minutes, and two of 12 minutes.

Washington and Lee Game.

On Saturday the varsity battled with Washington and Lee and was handed a 55-7 defeat. The southern eleven was strong and in top form, while the squad that represented Bucknell has been badly battered in the last two contests, so that the big score came as no great surprise.

Bucknell registered its lone tally in the first quarter when a half-back of the home eleven dropped a punt after being tackled near Bucknell's goal. Weishaar recovered the ball and scored a touchdown, after a fifteen yard run.

This was the Lexington lads tore up and down the field with the ball, and when the dust had cleared away they had gathered, in all, eight touchdowns. Washington and Lee made their gains mostly thru the line, now and then mixing in an end run.

The next game will be with the Gettysburg eleven, Bucknell's greatest football rival. In former years this game has always turned out an easy victory for Bucknell, but with the team in its present crippled condition, and with Gettysburg stronger this year than it has been in years, it is likely that this game will be the most spirited contest that the capital city has ever seen.

FRATERNITIES PLAN BASKET-BALL LEAGUE

LEWISBURG BUSINESS MAN OFFERS A CUP TO THE WINNER.

Although nothing definite has been decided upon, it looks pretty certain that Bucknell will have an inter-fraternity basketball league this winter. Practically all the fraternities favor the scheme if satisfactory arrangements can be made. A prominent business man of Lewisburg has offered to furnish a loving cup for the winning team. This fact will arouse interest and insure keener competition in the games.

The main difficulty lies in the arrangement of a suitable schedule, as the league will be composed of ten teams, including one made up of "bon-frat" men. For this reason, it is hardly likely that every team will meet every five in the league owing to the great number of games required for a schedule of this sort.

Talk it over with your fraternity men and be ready to offer suggestions when definite action is taken in a few days.

FRESHMEN LOSE TO SUSQUEHANNA SCRUBS

FAIL TO SCORE WHILE THEIR OPPONENTS ROLL UP 24 POINTS.

The crippled condition of the Varsity made it necessary to draw heavily on the reserve squad for the Washington and Lee trip, and as a result the Freshmen substituted for the Scrubs at Selinsgrove Saturday. The game resulted in a 24-0 victory for the Susquehanna eleven.

The score does not show how hard the game was fought, for the breaks of the game were against the Freshmen at critical points during the contest. The playing of Kittowski, Wyman and Wilson for the first year men featured. The Freshmen predict a different result when they line up against the Sophs on November 25.

GETTYSBURG'S RECORD

Cornell..... 0-26

George Washington..... 20-0

Johns Hopkins..... 27-0

West Virginia..... 6-12

Villanova..... 27-3

Totals..... 82-89

THE BUCKNELLIAN

BUCKNELL UNIVERSITY.

LEWISBURG, PENNA., MONDAY, NOVEMBER 13, 1916.

NUMBER 2

HARRISBURG TRIP IS NEXT IN ORDER

ANNUAL EVENT COMES OFF SATURDAY.

BIG MASS MEETING TO BE HELD TONIGHT

Gettysburg Has Good Record—Varsity Needs Students With Good Lungs—Plans For Trip to Be Discussed at Mass Meeting.

Yale has its Harvard, W. and J., its Pitt; Gettysburg will meet its Bucknell next Saturday. Flushed with a creditable string of victories, the down-state eleven confidently expects a hearty meal at the expense of the rival wearers of the Orange and Blue.

This expectation is to receive a severe shock. Through all the cruel battles, the disastrous defeats of the year, every Bucknell man has held firmly to the conviction that "We will beat Gettysburg." No other game means so much to us, against no other team will the varsity fight so hard.

Last year we sent to Harrisburg a team of mediocre ability, and behold, from the first note of the whistle the mediocre team became brilliant. Gettysburg was out-fought, and out-played, as well as out-classed.

Putting aside the question of defeat or victory, we are at least going to show Gettysburg and Harrisburg that Bucknell is never beaten, that the spirit which won the admiration of all State College still lives and stands by our team, let it win or lose.

The Band is going down to show up Gettysburg's tooters. Let us be there to a man to make Gettysburg's parade look like a demonstration for Josephus Daniels.

To-night at the big Mass Meeting in Bucknell Hall plans for the special train will be discussed. Let every man on the "Hill" come out and add every ounce of his enthusiasm to the general wave. Come down and yell a little, sing a little and thoroughly digest and assimilate the self-evident and universal truth that GETTYSBURG CANNOT BEAT US.

HOW ABOUT THIS?

GETTYSBURG, Pa., Oct. 28.—Johns Hopkins, the first of Gettysburg's big three, was captured last Saturday by a decisive score of 27-0, and now all thoughts here are turned to the battle of November 18, when the battle-field boys tackle Bucknell in the second important engagement of the year. No 3 coming on Thanksgiving Day at Lancaster with F. & M.

Not since the bygone Dickinson games has a single victory so stirred the student body as that over Hopkins. Wonderful spirit, increasing every moment, is being displayed toward the coming contest with Bucknell, and it is certain that at least 350 rosters with the band will board the train for the Pennsylvania capital on November 18. Of course, there are three other games between Hopkins and Bucknell, but from a Gettysburg standpoint, a victory over any one of these teams is not nearly so desired as a defeat to the Lewisburg lads.

The above is a clipping taken from a recent North American, which shows the emphasis that Gettysburg places on the coming game at Harrisburg.

Plan now to take the trip and help the Varsity repeat last year's dose! The band is working on a number of popular "hits" and is sure to make a better impression than ever. As to Bucknell's chances for victory, take a look at the State-Gettysburg score before you make your calculations.

EVERYBODY OUT!

Mass Meeting tonight in Bucknell Hall. Watch for notice in Main College! Plans for Gettysburg trip to be arranged.

CHEMICALS

The members of the Chemical Engineering Society met in regular session Thursday and Paul Sander, '17, was elected treasurer. The pin committee reported that samples will be exhibited at the next meeting which is scheduled for Nov. 23. Two addresses were made at the meeting. Barnhart spoke on "By-Products of the Coke Oven," and Bruce Ranch told of the "Use of Nitric Acid in Explosives." Soars will have charge of the next meeting and will tell of "The Blast Furnace."

100 COLLEGE MEN OFFER TO JOIN RED CROSS IN FRANCE.

One hundred Stanford University men, undergraduates for the most part, volunteered today for service in France with the American Ambulance Corps. Forty-eight signed up definitely for service; the other fifty-two have yet to obtain the consent of their parents.

Expenses are to be paid by a group of wealthy San Franciscans. The terms of service will be six months or more.

YOUR LUCKY GUESS!

During the last few days Russell, '16, who is in charge of selling the Panoramic views of the student body taken on Thursday by the Swanger studio, of Milton, has been exhibiting a vest pocket kodak which is to be given to the student guessing nearest the number of people on the picture. If you're interested in the contest hand your name and guess to Russell. To be eligible one must purchase a photograph.

NEW WOMEN'S COLLEGE JOURNAL IS SUCCESS

FIRST NUMBER OF YEAR IS IMPROVEMENT OVER LAST YEAR.

The first number of the second year's issue of the Bucknell Women's College Journal made its appearance recently and shows advancement and new ideas over those of last year. The issue which is published quarterly by the women of Bucknell, is in the form of a booklet of about 30 pages. The publication shows care and work in the manner in which the contents are classified and the variety of the material. The contents are graded into departments which are cleverly written including school notes, alumni news, editorials and an excellent article on "The Teaching of Spanish as a Vocation," by Prof. G. C. L. Riemer.

In addition several pages devoted to literary societies, societies and their activities for the past quarter, several pages are devoted to advertisements, illustrating that the young ladies have neglected no phase in the publishing of their periodical. It is in charge of Miss Marie Volkmar, '17, editor-in-chief, and Miss Elizabeth Champion, '18, business manager.

BUCKNELL ALUMNUS HIGHLY HONORED

DR. WAITE, '11, HAS POSITION WITH THE INTERNATIONAL HEALTH BOARD.

Dr. J. Herbert Waite, Sc. B., in Biology, Bucknell 1911 and M. D., Harvard, 1915, has secured a position with the International Health Board, an organ of the Rockefeller Foundation.

The aim of the Board is to help to eradicate preventable diseases from the world. At present the efforts are directed against the hookworm disease, which has a distribution in a zone around the earth between the latitudes of 36 degrees north and 30 degrees south. The Board has men in almost every country within this zone applying modern treatment and trying to induce the installation of hygienic measures to prevent soil contamination.

MONDAY, NOV. 13, 1916.

THAT HARRISBURG TRIP!

"On to Harrisburg." This has always been the slogan of every loyal Bucknellian. This has always been the "Big Bug" in athletics. This has always been the big game of the year. More than all this it has always meant a victory for our team. Every year Bucknell has had her big trip. We have "talked the matter up" going and coming from classes and from the Hill to the streets of Lewisburg. The many loyal Bucknell supporters in town have time and again shown a spirit of loyalty to old Bucknell by leading her and exerting all their influence in making the Harrisburg trip a success.

Previous to this time some one has taken the initiative in "booming things" for the trip, but it now seems as if no one has really taken on such steps. The school at large more and more feels the loss of the late "Bob" Darlington. It was he who took the responsibility upon his shoulders as to the securing of the "Special" and urging all loyal Bucknellians to join together and go to Harrisburg as a representation for the team that has always "brought home the bacon" from Harrisburg for the Orange and Blue. We have lost a loyal Bucknellian and the problem to be solved now is who will take his place?

Four more days before we shall again make our annual trip to Harrisburg. The only chance left is to have a big "mass meeting" to-night. Through the efforts of the Senior Council, and by the aid of every student, we can make this meeting a success. We shall be able to organize and complete the plans for the trip.

Will every man on the "Hill" show the "old time pep" and come down to Bucknell Hall, filled with enthusiasm.

It is sometimes said that one of the greatest duties in life is to put in motion a wave of influence for good. The question whether this trip is good to the school no one can now deny. Will every student perform this important duty to his school? It is a simple, but nevertheless a far-reaching and wide-spreading duty.

Just come out to-night, with the fixed purpose in view of making the meeting the best mass meeting the school has had this year.

In order that this meeting may be a success two requisites are necessary: First, come out to the meet-

ing; second, go with the team to Harrisburg.

Emerson has said that "everything has its price." By staying in Lewisburg next Saturday instead of going on the "Special" will save you train fare, but you'll pay the price just the same. How? By missing one of the biggest and best times in your life. You will fall to get out of scholastic life for athletics is an important branch—what there is in it to give you and by failing to broaden one's self in seeing how other colleges show their "pep" and spirit, such as Gettysburg students will show to their team. Don't forget the Mass Meeting to-night. Everyone out and "fall in" line for a ticket on the "Bucknell Special."

The appeal made in the last issue of the Bucknellian in regards to the 10 cent subscription, fulfilled its purpose. The reports from the Senior Council are of the best. Everyone in "lining up" for his share in this effort to take the band to Harrisburg. This will be the last appeal. Will every fraternity man give his ten cents to his representative on the Senior Council, so that he may hand it in Monday night?

It is harder to see the non-fraternity men, as they are more scattered. However, the majority of the men have "come across." Will the rest do the same by seeking their representatives? This means a great deal to the school to have the band along. Will all the students join in this appeal and help take the band to Harrisburg?

SPRIT RUNS HIGH AT ELECTION TIME

Concluded from first page.
Wilson, staged and managed a boxing bout to prove the relative strength of the political parties somewhat on the same principle as a straw vote. In the third round Williams who represented the Wilson faction forgot his candidate due to the convincing manner of Steek's bluffs argument. Later in the day he admitted less interest in the campaign. "The most excitement in ten years," say the professors who witnessed the doings, about the "Hill," during the past week.

PANORAMIC PICTURES ON SALE
A Panoramic view of the student body, taken last Thursday will be up for inspection in Main College today and to-morrow. The pictures in charge of Hugh Russell, '17, are being sold for \$1.

HARD TRIP RESULTS IN TWO DEFEATS

(Concluded from first page.)
NOTES OF THE GAME.
Dent intercepted one of W. and L.'s forward passes and sprinted fifty yards before he was downed.

The last ten miles of the Varsity's trip was made in a hack-wagon. "Mighty fine treatment," say the fellows who made the trip. The officials were the fairest they have met this year.

The game was hard fought, but it was clean throat.

Washington and Lee had four eleven yards practicing on the field before the game.

Gilbert, Bucknell's star on the defensive, was reprimanded from the line-up in Tuesday's game on account of an injured leg.

The New York game also put Fisher out with an injured shoulder.

Bucknell's forward passing game has dropped down a little. Only 65 yards were gained by this method in the last game.

Larkin, Washington and Lee's left end, made a run of 55 yards on a forward pass in the third period.

Nineteen men composed the team on the trip to Lexington. Hopler, Hendren, Newcomb, McDermott and Banks were left behind, so that the team will be in top form for Gettysburg.

Washington and Lee is as strong as any eleven encountered during the season according to the Orange and Blue players.

COLLEGE BIBLE CLASS

Dr. Harris observed Temperance Sunday by an address portraying the decline of the liquor traffic. The talk was based on the fact, that while religion furnishes the dynamic of life, the principle of living, science affords the means of the application of that principle.

The religious belief was expressed in the organization of Prohibition and Total Abstinence societies. On the other hand it was believed scientifically that the so-called elixir of life in moderate use was actually beneficial to the mentality of the human race. Its moderate use was admitted to be harmful and when, in the latter part of the eighteenth century, chemical processes cheapened the cost of liquor production thereby increasing drunkenness, legal restrictions were placed on its use.

However, it was not until the middle of the nineteenth century that the scientific and religious beliefs corresponded. Then German scientists determined to ascertain the limit of beneficial drinking and found that liquor is not a stimulant, but a narcotic; that its injurious effect increases with the amount used. The majority of the physicians and the U. S. government no longer consider it a medicine. In the light of this investigation together with industrial, economic and financial pressure, brought to bear against it, the sale of liquor is now prohibited in twenty-three out of the forty-eight states. Just as Russia threw off the yoke of vodka, it is quite possible that liquor will be abolished throughout the entire nation in the near future.

WEBER QUARTET HERE ON TUESDAY NIGHT

SEVERAL HUNDRED TICKETS ALREADY SOLD BY THE MANAGER.

The first number of the Bucknell Y. M. C. A. Lyceum Course, the Weber Quartet, will be given in the Lewisburg Methodist Episcopal church Tuesday evening at 8.15 p. m.

Manager Rogers, '18, and his assistants, DeWalt, have sold several hundred tickets to the students and a hundred or more to town people, showing the increased interest since last year. It is expected that the place will be filled to-morrow evening.

Several students and residents of Lewisburg who have heard the Weber Quartet, verify the high standard and given this organization.

The quartet is composed of four well-known concert and church soloists of New York City. The quartet has appeared to a widely-varied audience and is one of the best numbers of the Redpath Lyceum Bureau. Last year it was impossible to secure this number for Bucknell and it is only after much trouble that it has been obtained this season. The four following numbers of the course will be staged in the four succeeding months, one each month.

DR. HAMBLIN IN HOSPITAL
Dr. T. F. Hamblin, professor of Greek and Literature, who has been ill for a number of weeks, was taken to the Williamsport Hospital on Friday where he is receiving electrical treatments. He is under the personal care of Dr. George Ritter, a Bucknell man who was formerly a student in Dr. Hamblin's classes. Relatives who have visited Dr. Hamblin at Williamsport report that he is very cheerful and feels that the treatments are of benefit to him. Both students and faculty miss Dr. Hamblin very much and expectantly await his return.

HILL GOSSIP

Stetler, '17, autoed to Mifflinburg on Friday.

Guenzle, '19, entertained his father yesterday.

Hopler, '17, was a Williamsport visitor over Sunday.

Vredenberg, '20, spent the week-end in Muncy and Williamsport.

Stover, '18, and Lees, '18, were in Baltimore over the week-end.

Lewisson, '18, recently installed an electric cow bell on his Cadillac car.

Ziegenfuss, '18, returned to his home at LaVelle Friday for the week-end.

Heberling, '17, enjoyed a visit at his home in Shickshinny over the week-end.

Ackerman, '17, journeyed to his home in Turbotville last Tuesday to cast his vote.

Downing, '17, and Seiber, '19, spent part of last week at their homes in Milford, N. Y.

Mellinger, '17, shot a young rabbit last week. Newberry, '17, went him one better.

Harry Wilson, '18, spent Saturday and Sunday visiting. It is rumored he was at Catawissa.

Boswell, '18, has been leading the singing at the revivals held in the Christian church of Lewisburg.

J. P. May, a student at Lock Haven Normal School, was the guest of Kissell, '18, and Robbins, '18, over the week-end.

Heinrich, '19, Hindman, '18, Walter, '18, and Gaenzle, '19, took in the Bucknell-N. Y. U. football game at New York Tuesday.

Eshelman, '18, Rorabach, '19, and Holter, '20, left Saturday night on an out-of-town excursion which lasted over Sunday.

Rosenberger, '18, and Clarke, '18, went on a hunting trip on Saturday.

No information is at hand concerning the success of their expedition, except that they got back.

"Buck" Fasset, '07, was the guest of his S. A. E. Brothers Saturday.

Mr. Fasset returned to his home in Canton from the West, where he had been for the past nine years.

The University was well represented at the Lewisburg High School dance held Saturday evening in the gymnasium.

So well, in fact, that the members of the masculine persuasion outnumbered the fair sex by about three to one.

Mr. and Mrs. A. M. Stetler, of Rochester, N. Y., whose recent nuptials were chronicled in these columns, spent several days last week in Lewisburg, where Mr. Stetler renewed many former acquaintances and reviewed scenes of past college days. During their visit the newlyweds called on Mr. Stetler's S. A. E. brothers.

Week-enders.

Mrs. J. F. Long, of Lennington, who formerly resided at McComick, '15, had as her guests Frances Silberstein, '17, and Camilla Reed, '18, last week.

Helen Fowler, '20, entertained Gladys Morgan, '19, and Esther Edger, '19, at her home in Middleburg.

Jane Cook, '17, is spending several days in Newport.

Marguerite Quigley, '18, returned to her home in Williamsport for the week-end.

Elizabeth Bowler, '20, and her mother returned to school for several days. She will not attend the school this term.

Miss Carey returned last night to re-assume her duties at the Woman's College.

Kappa Delta Entertainers.

ROTE'S RUNS GIVE GETTYSBURG GAME

VARSITY BEATEN IN ANNUAL CONTEST.

ROTE SCORES ALL OF GETTYSBURG'S 17 POINTS

Gettysburg's First Victory Since the Game Has Been Played at Harrisburg—Big Crowd at Game—200 Students Accompany Team.

Bucknell went down to defeat before Gettysburg at Harrisburg on Saturday for the first time since the two teams have opposed each other at that place. In the four former contests Bucknell came out an easy winner, but this time the battlefield boys dealt out a clean-cut defeat. The score 17-0.

The day was an ideal one for football and the game was played before a crowd of more than five thousand people. This included about 200 students from the Hill, who accompanied the team. The delegation from Gettysburg was about equal in size, and each team was accompanied by the college band.

The Bucknellians left Lewisburg about 8.30 A. M., arriving in Harrisburg at 10 o'clock. The first thing to be done was to let Harrisburg know that Bucknell had arrived. This was accomplished by means of a parade led by the band. After marching thru the main part of the city and around the capitol the parade went up before the Columbus hotel, where the team made its headquarters.

At 1.15 the Bucknellians assembled and continued the parade to Island Park, where the game was played. Here a section of the stands was taken possession of and cheers rang out until the final whistle blew. Between the halves the bands played and the students of each college gave a snake dance.

Gettysburg's victory was attributed principally to Rote, their plucky little quarter-back. He scored all of their points and made a majority of their gains. At the beginning of the game Gettysburg kicked off and the ball was downed on Bucknell's 25-yard line. Waddell punted and Rote ran the ball back to Bucknell's 40-yard line. Three consecutive cut runs gave Gettysburg a first down and placed the ball on the 25-yard line. Rote, by tearing thru the line, carried it to the 15-yard line and on the next play, placed it on the 10-yard line. From here a pretty run around the ball on Rote carried the ball over for a touchdown. Rote kicked the goal.

In the second quarter Rote squirmed thru the whole Bucknell team, avoiding three tacklers, and recorded his second touchdown. He kicked the goal, bringing up Gettysburg's total to 17 points. When the end of the first half came Gettysburg was fighting for another touchdown on the 9-yard line.

In the final period Gettysburg scored three points on a field goal. The quarter opened with the ball in Gettysburg's possession on their 35-yard line. Meyer soon carried the ball thru for a first down and shortly afterward Hall ran Rote out of bounds on the 15-yard line. From here Rote booted a field goal. Near the close of the game Gettysburg threatened again, but when they arrived at the 15-yard line Rote was removed from the game on account of injury, and after this they were unable to advance.

The line-up: Bucknell: Dent, Left end; Gilliland, Left tackle; Fisher, Left guard; Richards, Center; White, Right guard; Loudenslager, Right tackle; Craig, Right half; Emmanuel, Left half; Meyer, Left half-back; Stratton, Right half-back.

Gettysburg: Waddell, Quarter-back; Rote, Substitutions—Gettysburg: Houtz, Bucknell-Kerth for White, Newcomb for Baker, Lewis for Dent, Pinder for Kerth, Miller for Baldau, Lawrence for Banks, Banks for Lewis, Snyder for Cockill, Gerhart for Waddell, Touchdowns—Rote 2, Goals kicked from touchdowns—Rote 2, Field goal—Rote. Referee—Dr. John Kough, Univ. of Penn. Umpire Thomas Crooks, Univ. of Penn. Field Judge—A. K. Brumbaugh, Lehigh. Head linesman—"Tod" Eberle, Swarthmore. Time of periods—15 minutes.

NOTES OF GAME.

Gilbert's open field tackling was again in evidence.

Hopler made a nice return of a kick-off in the second half.

Rote's first attempt at a field goal went wide of the goal posts.

Newcomb made several fine tackles, once throwing Rote for a loss.

Coach Johnson carried two teams with him on the trip.

In the first quarter a forward pass thrown by Waddell just touched the tips of Bank's fingers, who was sprinting toward the goal with no one near him.

Each team had one successful forward pass.

Hendren made a pretty tackle on Rote in the second period.

Penalties were frequent on both sides.

GRADUATE SECURES A RESPONSIBLE POSITION

CLIVER, '14, WITH THE ENGINEERING CORPS OF THE REGULAR ARMY.

Mr. Clarence B. Cliver, who graduated from Bucknell in 1914, in the Civil Engineering course, recently succeeded in passing the civilian examination for a lieutenancy in the Engineer Corps of the Regular Army. This examination was taken by graduates from quite a number of the technical schools, as well as by civil engineers of considerable experience, and yet only two applicants passed.

These examinations are well known for their severity, but in the technical part of the test Cliver made a grade of 91. What this achievement signifies can perhaps be better understood when it is remembered that even among the West Point graduates only those who have attained the highest standing during their course are chosen for the Engineer Corps.

Members of the 1917 class remember Cliver as a student here. Besides being a good student, "Nick," took an active part in other college activities during his college career. He is a member of the Kappa Sigma fraternity.

CHICAGO MEDICAL SCHOOL.

The general education board, in cooperation with the Rockefeller Foundation, has appropriated \$200,000 to the University of Chicago to establish a high-grade medical school. The university will appropriate at least the same amount, will give a site valued at \$500,000 and raise an additional \$3,300,000. The school will start with an initial endowment of almost \$8,000,000.

"THE LITTLE TYCOON" TO BE GIVEN FRIDAY

OPERATIC SOCIETY WILL PRESENT THEIR ANNUAL OPERETTA.

Students who saw and heard "The Mikado" last fall will not fail to be present when the Operatic Society presents the comic opera "The Little Tycoon" on Friday night. "The Little Tycoon" is an original American and Japanese production in two acts, composed by Willard Spencer.

The operatic society under the direction of Miss Rita Brown has been working on the opera since the beginning of the term and promises something better than last year's "Mikado." Attractive scenes and good music together with plenty of action combine to make the opera one of the best of its kind. Be at Bucknell Hall at 8 o'clock on Friday night and see if this is not true.

MEETING OF THE SOCIETY OF WOMEN.

The meeting of the Society of Women will be held at 8 o'clock on Friday night at the Woman's College.

Friday—The Sophomore-Freshmen football game at 3.15 on Athletic Field. Operatic Society presents the "Little Tycoon." 8 o'clock in Bucknell Hall.

Saturday—Varsity vs Georgetown at Washington, D. C.

Sunday—College Bible class 10.30 in the Baptist church.

A GRAVE MISTAKE

Charles E. Elison, of Middletown, Ohio, says that this epitaph actually exists on a tombstone in Ozark County, Missouri:

"Here lies our wife Samantha Proctor, who ketchel a cold and wouldn't doctor. She couldn't stay, she had to go. Praise God from whom all blessings flow." —Cincinnati Enquirer

At 1.15 the Bucknellians assembled and continued the parade to Island Park, where the game was played. Here a section of the stands was taken possession of and cheers rang out until the final whistle blew. Between the halves the bands played and the students of each college gave a snake dance.

Gettysburg's victory was attributed principally to Rote, their plucky little quarter-back. He scored all of their points and made a majority of their gains. At the beginning of the game Gettysburg kicked off and the ball was downed on Bucknell's 25-yard line. Waddell punted and Rote ran the ball back to Bucknell's 40-yard line. Three consecutive cut runs gave Gettysburg a first down and placed the ball on the 25-yard line. Rote, by tearing thru the line, carried it to the 15-yard line and on the next play, placed it on the 10-yard line. From here a pretty run around the ball on Rote carried the ball over for a touchdown. Rote kicked the goal.

In the second quarter Rote squirmed thru the whole Bucknell team, avoiding three tacklers, and recorded his second touchdown. He kicked the goal, bringing up Gettysburg's total to 17 points. When the end of the first half came Gettysburg was fighting for another touchdown on the 9-yard line.

In the final period Gettysburg scored three points on a field goal. The quarter opened with the ball in Gettysburg's possession on their 35-yard line. Meyer soon carried the ball thru for a first down and shortly afterward Hall ran Rote out of bounds on the 15-yard line. From here Rote booted a field goal. Near the close of the game Gettysburg threatened again, but when they arrived at the 15-yard line Rote was removed from the game on account of injury, and after this they were unable to advance.

The line-up: Bucknell: Dent, Left end; Gilliland, Left tackle; Fisher, Left guard; Richards, Center; White, Right guard; Loudenslager, Right tackle; Craig, Right half; Emmanuel, Left half; Meyer, Left half-back; Stratton, Right half-back.

Gettysburg: Waddell, Quarter-back; Rote, Substitutions—Gettysburg: Houtz, Bucknell-Kerth for White, Newcomb for Baker, Lewis for Dent, Pinder for Kerth, Miller for Baldau, Lawrence for Banks, Banks for Lewis, Snyder for Cockill, Gerhart for Waddell, Touchdowns—Rote 2, Goals kicked from touchdowns—Rote 2, Field goal—Rote. Referee—Dr. John Kough, Univ. of Penn. Umpire Thomas Crooks, Univ. of Penn. Field Judge—A. K. Brumbaugh, Lehigh. Head linesman—"Tod" Eberle, Swarthmore. Time of periods—15 minutes.

NOTES OF GAME.

Gilbert's open field tackling was again in evidence.

Hopler made a nice return of a kick-off in the second half.

Rote's first attempt at a field goal went wide of the goal posts.

Newcomb made several fine tackles, once throwing Rote for a loss.

Coach Johnson carried two teams with him on the trip.

In the first quarter a forward pass thrown by Waddell just touched the tips of Bank's fingers, who was sprinting toward the goal with no one near him.

Each team had one successful forward pass.

Hendren made a pretty tackle on Rote in the second period.

Penalties were frequent on both sides.

GRADUATE SECURES A RESPONSIBLE POSITION

CLIVER, '14, WITH THE ENGINEERING CORPS OF THE REGULAR ARMY.

Mr. Clarence B. Cliver, who graduated from Bucknell in 1914, in the Civil Engineering course, recently succeeded in passing the civilian examination for a lieutenancy in the Engineer Corps of the Regular Army. This examination was taken by graduates from quite a number of the technical schools, as well as by civil engineers of considerable experience, and yet only two applicants passed.

These examinations are well known for their severity, but in the technical part of the test Cliver made a grade of 91. What this achievement signifies can perhaps be better understood when it is remembered that even among the West Point graduates only those who have attained the highest standing during their course are chosen for the Engineer Corps.

Members of the 1917 class remember Cliver as a student here. Besides being a good student, "Nick," took an active part in other college activities during his college career. He is a member of the Kappa Sigma fraternity.

CHICAGO MEDICAL SCHOOL.

The general education board, in cooperation with the Rockefeller Foundation, has appropriated \$200,000 to the University of Chicago to establish a high-grade medical school. The university will appropriate at least the same amount, will give a site valued at \$500,000 and raise an additional \$3,300,000. The school will start with an initial endowment of almost \$8,000,000.

"THE LITTLE TYCOON" TO BE GIVEN FRIDAY

OPERATIC SOCIETY WILL PRESENT THEIR ANNUAL OPERETTA.

Students who saw and heard "The Mikado" last fall will not fail to be present when the Operatic Society presents the comic opera "The Little Tycoon" on Friday night. "The Little Tycoon" is an original American and Japanese production in two acts, composed by Willard Spencer.

The operatic society under the direction of Miss Rita Brown has been working on the opera since the beginning of the term and promises something better than last year's "Mikado." Attractive scenes and good music together with plenty of action combine to make the opera one of the best of its kind. Be at Bucknell Hall at 8 o'clock on Friday night and see if this is not true.

SPIRIT THAT COUNTS.

"Gettysburg seems to be quite
happy over her football victory," a
Harrisburgian was heard to remark
as a number of college students head-
ed by their band paraded thru the
streets of Harrisburg after the game
Saturday. A rousing Bucknell-lel-
wagon told the bystanders that these
were Bucknell and not Gettysburg
students. Bucknell was beaten, but
not "licked," as the spirit of the
students during the game and after
plainly showed.

That's the kind of spirit that
counts, and that's the kind of spirit
that made Bucknell alumni feel proud
of the student-body at Harrisburg.
Aside from one or two "rumb-
skulls" who let their mouths get
the better of their brains, when Rote was
injured in the last quarter, the spir-
it of the men who accompanied the
team to Harrisburg is to be highly
commended. When you can make the
people of the town believe you've won
you are showing the spirit that never
admits defeat. The Band, cheer
leaders, Musser and Pierce, and Sen-
ior President Gillette can be given a
large share of the credit for keep-
ing up "pep" in the face of defeat.
And the Band certainly made Har-
risburg open her eyes. It is safe to
say that Bucknell made the best
showing yet in this respect.

Are we glad we went to Har-
risburg? We certainly are, and if we
had it to do over we would again
give the team the best we have, even
the victory should go to our oppo-
nents.

COMMUNICATION.

What's the matter with the col-
lege clock? The old "reliable" has
not been working for several weeks
now, and as a result something seems
lacking in the life on the "Hill." No-
body knows the correct time of its own
fellows' watch has a time of its own.
Last year at one time the old clock
failed to perform its duties and Mr.
Oesterle wrote an editorial advocat-
ing a remedy. Soon after the clock
was put in running order and proved
faithful the rest of the year. We
don't know whether this was due to
the editorial or not, but thought it
might be well to send in a commu-
cation and see whether it would have
the same effect as Mr. Oesterle's edi-
torial.

Here's hoping that the 1907 mem-
orial gets lack on the job, for we
sure do miss it when we are about
the campus. We don't have any rem-
edy to offer, except that we would

like very much to see it working
order again.

TWO MASS MEETINGS AND PARADE LAST WEEK

STUDENTS SHOW SPIRIT IN
PREPARATION FOR HAR-
RISBURG TRIP.

Bucknell "pep" did not allow mat-
ters to rest with the first mass
meeting of Monday evening, but
spirit which grew gradually for the
next few days, as has always been
the case before the Gettysburg
game culminated Thursday with
getting the band out and parading
about the town before a final mass
meeting to complete plans for the
"Bucknell Special."

Signs with slogans "On to Har-
risburg," and "Get Some Pep!" dec-
orated the line at frequent intervals.
The line, too, which was headed by
the Senior class to make a short ad-
dress and introduce Al Jordan, the
famous end on the Bucknell team
in 1912-13, when Bucknell was known
and feared throughout the east. Jordan
told what real Bucknell spirit is,
but he would not have had to fear
for he exemplified it himself by leav-
ing his work and hastening to Lew-
isburg to assist Coach Johnston
and Cockill in preparing the vari-
ety for the contest.

The parade which reached single
file from the Methodist church down
Third to the S. A. E. house, marched
to the seminary and there cheered
and played for the girls who con-
tributed to defraying the expenses of
the student band. The next stop was
the gymnasium floor which has not
seen such a crowd of jolly students
since the Freshman-Sophomore bas-
ketball game last winter. Here Judge
Johnson, a man esteemed by every
Bucknell student spoke, the appreci-
ation of which is expressed by the
rousing cheer that followed it. Players
Gilbert, Dent and McDermott, whom
every man has seen fight for the Or-
ange and Blue, had to take their part
at speech making and in return re-
ceived a just commendation from the
lusty throng for their simple, direct
talks. A few more such mass meet-
ings as this one would arouse a spir-
it that would last through the base-
ball season in the spring.

All the members of the band who
took part in the parade and en-
thusiastically played after the meet-
ing for a "little hop," are to be com-
mended for their kindness and true spirit.

PUCKNETT SPEAKERS AT CHRISTIAN CHURCH MEMBERS OF FACULTY WILL SPEAK AT REVIVAL SERVICES

The evening services at the Chris-
tian church this week will be fea-
tured in somewhat the form of "Buck-
nell week." Several members of the
university faculty will speak, making
the services of unusual interest to
the students. The week's program
follows:

Monday, 7:30 P. M., Prof. Perrine,
subject: "George Washington—Pa-
triot."
Tuesday, 7:30 P. M., Congressman
B. K. Focht, subject: "How to Make
America Christian."
Wednesday, 7:30 P. M., President
Harris, subject: "Ignorance."
Thursday, 7:30 P. M., Prof. N. F.
Davis, subject: "Moral Reform."
Friday, 7:30 P. M., Dr. Gerhart,
subject: "The Country Church." Mr.
David Bevel, "Immigration." Prof.
Bromley Smith, "The Frontier."

More than 2,000 of the students at-
tending the Pennsylvania State Col-
lege live in this state. They are
recruited largely from the public
schools, private institutions and nor-
mal schools. Few of them were pre-
pared for college by private tutors.
The counties of Pennsylvania having
the largest representation at the col-
lege are: Allegheny, 301; Philadel-
phia, 221; Center, 208; Luzerne, 143;
Montgomery, 105; Schuylkill, 91;
Dauphin, 89; Blair, 89; Berks, 85.

COLLEGE BIBLE CLASS.

"The New Message of the Bible
for the Nation."
Nations, said Dr. Phillips, are cre-
ations of a book. Greece was an out-
growth of Homer, Rome of Lycurgus
and Europe and America of the Bible.
All our legal codes and legal pro-
cesses that have been effected were
directly created by laws of the Old
Testament, in this respect we have
for example the Justinian code, the
Laws of Charlemagne and the He-
brew codes.

It is true however, that the most of
the legal aspect of the Bible is con-
fined to the Old Testament. In the
New Testament we find Christ the
predominant factor, the Christ who
came to bring us a social justice,
Love, and International Morality. We
must learn that the Bible also car-
ries with it a message for our day,
it is not merely a book of rules, not
merely a legal document as may seem
evident in Old Testament but it also
carries a great and glorious spiritual
message.

Christ's mission to earth was not
to teach that "an eye for an eye"
or that "a tooth for a tooth," was the
proper attitude to take toward our
fellow men but rather as He himself
put it "I am come that ye might have
life and it more abundantly."

Prior to this time capital had had
much to say in the making of our
laws, at present it is in the future the
laborer is to do this, to a large de-
gree, but we still need social jus-
tice for some of our laboring classes
are still imbued with this legislative
conception of the Old Testament.

President Wilson has said, "it will
be impossible for the United States
to keep out of another world war."
How then are we going to mingle
with other nations of the world? We
will either have to meet them partly
on their own grounds, we must see
their conception as well as our own,
deal with them in a fraternal spirit
or the best of our American blood
will have to go to the trenches and
hospitals. For Brotherhood is more
than Nationality.

THREE BIG STARS

The football eleven representing
Cornell, Dartmouth and Princeton
owe much of their success the pre-
sent season to the stars, Driggs, Shi-
verick and Gerrish. In Driggs, old
Princeton has a kicker second to none
in the business. He is also a de-
pendable line backer and can be relied
upon for steady work at all times.
The right foot of Fritz Shiverick,
Cornell's quarterback, worded disaster
for Michigan in last Saturday's game
and was a prominent factor in Cor-
nell's defeat of the Wolverines, drop-
ping three goals from the field. Shi-
verick is an all-round performer of
high calibre and has been a star since
the opening of the season. Gerrish
is a tower of strength to Dartmouth.
He is captain of the team and plays
at right halfback. Gerrish distin-
guished himself in the recent game
with the University of Pennsylvania,
picking up a fumbled ball on Penn-
sylvania's 35-yard line and carrying it
to the five-yard line, Dartmouth scor-
ing in two plays.

Wagner Is Only 1909 Survivor
Honus Wagner, the veteran short-
stop of the Pittsburgh National League
team, who was shifted to first
base in the closing days of the sea-
son, is the only remaining member
of the 1909 Pittsburgh machine who
competed in the Pittsburgh-Detroit
world's championship series of that
year.

CONCRETE TENNIS COURTS
Lawn tennis clubs throughout the
west and on the Pacific coast are
rapidly adopting the use of concrete
courts, as they are permanent and
withstand the stress of the rainy sea-
son.

HAWAIIANS LIKE FOOTBALL
Football has crept into the Hawa-
ian Islands and is becoming very
popular there.

INTERCOLLEGIATES

"It was the judgment of the com-
mittee," the letter states, "that per-
manent friendly relations between
the United States and Mexico would
be fostered if a number of well-pre-
pared Mexican students were admit-
ted year by year to American col-
leges and universities by means of
scholarship aid.

—Freshmen-Sophomore game on
Athletic Field Friday afternoon.

ELOCUTION RECITAL.

Last week's folk-lore recital de-
lighted a number of guests in the
Woman's College on Thursday after-
noon. Below is a program:
Louise Hahn—The Lamberton
Worm, The Hadley Kow.
Elizabeth Stephens—The Corn-
smut Girl.
Lora McQuay—Conal, Donal and
Taig.
Marie Kostenader—The Sworded
Fallen.
Hilda Dinterman—The Frog-wife.
Sara Thompson—The Half-chick.
Edith Gabel—The Tar-baby.
Little White Rabbit with Red Wings.
Annetta Stahl—The Ginger-bread
Man.
The Dramatic Trio—The Wood-
ticks.
Misses McLaughlin—As Mollie
Told It.

Hannes Kolchmainen, formerly a
member of the Irish American Ath-
letic Club, of New York City, but run-
ning unattached in that city on Oct-
ober 29, won the National Amateur
Athletic union ten-mile championship
strug from a field of 18 starters. He
cleverly defended his title, although
the finish was pretty close. His time
was 52:50 4-5, 42 seconds faster than
he made a year ago when he won the
event.

Harvard uncovered a new star in
halfback Cusey, who ripped thru
Cornell's line at will on Saturday.
Dec. 1st—Wallace Reid and Cleo
Ridgely in "House of Golden Win-
dows."

YOUR HELP NEEDED.

A number of requests have been received by the editor asking that care be taken to include all the coming events of each week in the college calendar published in the Bucknellian every week. Persons in town not in touch with the college bulletin board must rely upon other sources for securing information concerning college activities in Bucknell Hall.

It has been the aim of the staff to recognize all coming events in the weekly calendar, but it is impossible to schedule everything without the aid of the students. Mistakes too, are likely to occur when notices do not come directly from the students who are responsible for the different organizations.

Many of the students have been co-operating with the staff since the beginning of the year, and as a result the calendar has been correct as far as the organizations which these students represent are concerned.

We want to thank these students for their co-operation, and at the same time ask of the student body in general that all notices of organization meetings and other college activities be handed to some member of the staff before Monday noon of each week. We want to make the calendar a reliable source of student information; and it is impossible to do this without help from the student body.

CHEAP LIVING.
Roy R. Mumma, a student of the Carnegie Institute of Technology, after keeping accurate account of his living expenses for three years, announced today that he had lived on 23.1 cents per day during that period.

"The food wizard," as he has been termed by his fellow-students, has made out a scientific diet for himself. It consists of breakfast, fruits, eggs, little meat, milk, coffee, cocoa, oleomargarine, potatoes, rice, sugar, macaroni spaghetti, noodles, pancakes, peanut butter, wheat biscuits and "snacks" at night.

Mumma has been doing his own cooking on an electric stove, goes to market and keeps in touch with provision prices.

A NEW ONE.
The high school will open their athletic season in basketball Thanksgiving evening in the Star Theatre. They will play the Capti Delta fraternity of Bucknell University. A fast game is expected and a large audience is invited to attend. Everybody is welcome.—Hugheville Mail.

The chances are bright for a Capti Delta victory when the two teams meet.

SOPHS. AND FRESHMEN BATTLE TO A TIE

THE INTER-CLASS CONTEST RESULTS IN A 0-0 SCORE.

Battling back and forth in the middle of the field, the Sophomores and Freshmen fought to a draw in the annual inter-class game last Friday. Both teams failed to score.

Rain and snow combined to produce a layer of mud two inches deep all over the field. As a result the offense of both teams suffered; neither team being able to gain much ground. Two or three line plays an attempt to forward pass or an end run generally resulted in a few yards gain, but each team was invariably forced to punt before gaining first down.

Fumbles were frequent but they occurred in mid-field and did little damage. A high wind made the handling of punts and forward passes somewhat difficult, yet the fumbled punts were generally recovered before the opposing ends were upon the receiver.

Morrison at halfback, Wilson at center and Kitowski at end played stellar games for the first year men. Mason's work at end for the Sophs was the bright spot in the team's work. Time and again he threw the Freshmen backs before they had passed the line of scrimmage.

Both teams played hard consistent football and had the field been in a better condition a much faster game would have resulted. A little excitement between halves and at the close of the game came as a result of the efforts of the spectators to keep from freezing. A Freshman hand appeared on the scene before the game and helped keep up the spirit of the 1920 warriors.

The line-up:—
Sophomores: Freshmen: Guernsey Left End. Gerhart Left Tackle. Swagler Left Guard. Wilson Center. Kline Right Guard. Lutz Chalfant Right Tackle. Pecharshi Mason Right End. Kitowski Boyles Quarterback. LaClair Withington Quarterback. Weishaar Holleran Left Half Back. Morrison Smith Right Half Back. Wyant Full Back.

COLLEGE BIBLE CLASS.
Dr. Perrine of the college faculty addressed the Bible Class yesterday morning on the subject "Thy Kingdom Come."

"Thy Kingdom Come," is the one prayer of the Christian, for it comprehends all that the Christian can pray for. Yet it doesn't seem to be coming very rapidly, when one looks at war-scarred Europe at the present time. This prayer was long familiar to the Hebrews, but in a different sense than that in which Christ used it. The Hebrews wanted a Roman defeat; Christ meant a defeat for the powers of darkness. The Hebrews wanted the establishment of a worldly theocracy; Christ wanted a universal dominion of spiritual freedom.

How, then, is the kingdom to come? A prior question, where is it to be? comes first. Christ said, "So the kingdom of God is within you." The Scribes and Pharisees wanted a condition of outward affairs, more consistent with their own comfort. How will it get there? By being born anew. "It will come to each person, as though there was no one else in the world. Nobody can expect to be swept into the kingdom with the crowd, but must be responsible for himself."

We are dealing with a timeless Being and an age-long problem. If the kingdom is to come to each soul, the fight of years will seem but a day to Him. If we believe in God we will wait.

The Kingdom of God has come, is coming and will continue to come in always greater measure. It will come in greater measure as men become more intelligent and more like Christ. The answer will be seen in the biographies of men. If we want a new earth, we must pray for the coming of the kingdom and follow Him in our lives.

Phi Gamma Delta WINS LOVING CUP
THE CHENEY EFFICIENCY CUP AWARDED TO THE LOCAL CHAPTER.
The Cheney Efficiency Cup has been awarded, for the first time, to Delta chapter of Bucknell University. Delta chapter will hold the cup during 1916-17, for her all-round excellence during the past college year.
The Cheney Cup was presented to Phi Gamma Delta in 1913 by O. H. Cheney, the president of the fraternity, for the purpose of stimulating the efficiency of the active chapters. It is awarded each summer, to be held the following college year, by that chapter which has excelled in efficiency during the preceding college year. The successive holders of the cup, have their names, and the dates of possession inscribed upon the cup. The Cheney Efficiency Cup was held during 1914-15 by the Allegheny chapter, and during 1915-16 by the Illinois chapter. During both these years, Bucknell chapter ranked high, having won second place last time, and attaining the highest scholarship grades in the fraternity both this year and last year, attaining 90.2 per cent, this year.
The cup is awarded on a three-fold basis: scholarship is counted 50 per cent, relations of the chapter to college activities 25 per cent, and the relations of the chapter to fraternity activities 25 per cent.
Scholarship is counted 50 per cent, because the actual college work is of paramount importance. Greatest emphasis is placed on this, because it is believed that no "Fiji" can be a good student. "Fiji," who is a poor student. The individual grades of the members of the chapter are averaged and extra credit is allowed for scholastic honors.
The cup is a handsome impressive Tiffany silver loving cup. The following inscription encircles the top: "Awarded each year to the chapter of Phi Gamma Delta attaining the highest efficiency in the conduct of its affairs. Presented by O. H. Cheney 1913."

DEATH OF '72 STUDENT.
Dr. Adrian Mathews, ex-'72, for forty years a practicing physician at Providence, R. I., passed away at his home in that place Sunday, November 19, following an illness of several months. Dr. Mathews was born in this state and received his education at Frontenot Seminary, Norristown, Bucknell and Jefferson Medical College. He was unusually well known in New England, travelled much in United States and also made several trips abroad.
Dr. Mathews left a widow also two daughters, a brother, Dr. George S. Mathews, of Providence, and also two brothers in Philadelphia who are physicians.

College over the week-end.
Agnes Carwell, '19, spent the week-end at Williamsport, her home. Miss Schillinger was called home early this morning on account of the illness of her mother.
About fifty girls will remain at school during the Thanksgiving holidays.

Frill and Frown.
Frill and Frown held its annual try-out plays on Saturday. Seven plays were given so successfully that some of them will be used in the "Comedy Evening" and "The Evening of Fun." The following girls gained membership to the Frill and Frown: Annetta Stahl, '20, Agnes Gilmore, '19, Jane Kerr, '20, Pauline Schenk, '20, Elthera Corson, '20, Edith Farley, '18, and Helen Ruggles.

ELUCUTION RECITAL.

Are You Fond of Good Clothes?

MOST COLLEGE MEN like to be well dressed and to wear good clothes in the best sense of the word—clothes that fit well, look well and hold their shape well.

We sell only that kind! We give the best service only, high class in every way, stylish and tailored beautifully.

All our suits and overcoats are made up exclusively to your measurements, thus assuring perfection in every detail.

We charge \$15.00, \$18.00 \$20.00 for our high quality, popular priced clothes, but the values we give must not be measured by the price, nor could you duplicate the superior fabrics we show in our suits, ranging in price from \$25.00 to \$35.00.

If you want the best tailoring service in town get your clothes made-to-measure by one who knows how.

HILL GOSSIP

Spear, '15, was a visitor in town today.

Helm, '20, spent Saturday and Sunday in Sunbury.

Moon, ex-'19, visited at the Sigma house over Sunday.

Don Gray, '14, was back visiting friends over Sunday.

Houser, '18, spent the week-end at his home in Milroy.

Hickering, '17, was a Northumberland visitor over the week-end.

Weber, '19, entertained Mr. Schoch, of Williamsport, Saturday.

"Red" Hawkins, '13, visited his D. T. U. brothers last week.

Grace, '17, was a visitor in Williamsport over the week-end.

Anderson, '16, stopped off in town Friday evening on his way to Porto Rico.

Ackerman, '17, journey to his home in Turbotville to spend Saturday and Sunday.

A. Hamlin, '15, and sister, of Philadelphia, visited friends here on Saturday and Sunday.

Frank Hartman, '20, saw the Susquehanna-Lebanon Valley game at Sunbury on Saturday.

Squibb, '17, and Beers, '17, journeyed to Sunbury on Saturday where they saw Lebanon Valley defeat Susquehanna.

Shen, '20, entertained his father and his brother-in-law, A. Smith, '98, Saturday, the visitors returning to their home in Williamsport the same evening.

Rev. R. M. Hunsicker, '82, editor of the Baptist Commonwealth at Philadelphia, attended the funeral of his father-in-law, Mr. A. E. Bower, of Lewisburg, last week.

Steele, '18, Lees, '18, Robbins, '18, Heinrich, '19, Mangum, '19, Seaman, '17, Downing, '17 and Stover, '18, attended the Lebanon Valley-Susquehanna game at Sunbury.

Wade, '19, who has been out of school since he was taken ill on the trip to the State-Bucknell Football game returned for a few days last week. He is much improved in health but will not resume his studies this term.

CLOSE GAME ON CAMPUS.

A number of students witnessed the game on the campus between Lewisburg High School and Picture Rocks Saturday afternoon. The final score was 15-6 in the High School's favor. Each team scored in the first half, but failed to kick the goals. In the last quarter Irvin scored on a pretty forward pass over the line for four points. As in the game against Dickinson Seminary a week ago, the High School eleven ran off their plays very smoothly and showed considerable ability with the forward pass. Collins quarterback for the visitors suffered a broken shoulder soon after scoring a touchdown for his team in the first quarter.

INTER-COLLEGIATE

Coach Foster Stanford, always seeking radical formations, has come to the front with a new play at Rutgers known as the multiple kick. It is indeed radical. Rutgers uses this play instead of a punt because the ball can be kicked in this way farther or than by punting, yet the kick is not a placement kick. It has an addition merit, if it crosses the goals, and it may from any distance up to 60 yards, of counting three points.

In making the play the Rutgers eleven lines up as though to make a kick from placement. Two backs lie down some yards back of the line of scrimmage with their hands extended so their hands meet. They form a pocket with their hands to hold the ball. The kicker stands slightly back of them. The quarterback receives the ball from center, runs back places it in the hands of the two backs and they hold it well above the ground, while the kicker runs forward and drives it down the field.

It is a kick that is not defined in the rules, for it is neither punt, place or drop kick. It scores a goal from the field because in the rules a goal from the field is described as "made by kicking the ball from the field to play across the cross-bar of the opponents' goal in any way except by a punt or kickoff." Pennsylvania is said to have adopted the play.

Seidel & Spangler's store is now ready for holiday shoppers

OUR SALE ON FINE TAILORED SUITS IS OUT OF THE ORDINARY

Finer and better tailored suits were never sold by any one. Suits with better materials, better linings, and newer and better styles cannot be found in larger cities. The complete assortment of colorings make your choosing a suit very easy in this store.

Just a word about our low prices!

This is the first and final cut, and by Thanksgiving our suit cases will be occupied by other fine garments for winter wear. All these fine suits will have found a place of usefulness.

\$30.00 suits now selling at \$19.50.
\$25.00 suits now selling at \$17.50.
\$22.50 and \$28.00 suits now selling at \$15.00.
\$22.50 suits now selling at \$15.00.
\$18.00 suits now selling at \$10.00 and \$12.00.

WITH THANKSGIVING RIGHT AT YOUR NOSE

Have you made your preparations complete? Have you all the fine linens you want? All the cut glass, the fine china, etc., that will put the extra touches on your Thanksgiving dinner table?

We can show you a fine collection of pure flax linens, in fancy and damasks, and napkins.

We can show you the greatest line of cut glass you have seen in many a day.

We can show you open stock dinner sets in fine chinas and porcelains.

NUMBER 10

TEAM SHOWS POWER IN FINAL CONTEST

HARD FOUGHT VICTORY GOES TO BUCKNELL.

VARSITY JARS LEBANON VALLEY WITH 8-0 SCORE

Hendren's Work Sensational.—Scores Touchdown After 10 Yard Run.—Waddell's Passes Accurate.—Hall Tackles Visitors' Fullback for Safety.

In the best exhibition of football that has been witnessed on the Athletic Field this season, and in a game that was featured by thrilling plays, Bucknell overpowered Lebanon Valley on Thanksgiving day by a score of 8-0. The game was played on a muddy field but this gave no advantage to either squad, for in weight they were about equally matched.

Much credit is due to Hendren for his excellent line plunging and open field running. Time after time he carried the ball thru for five or ten yards when a gain was needed. Waddell also did good work throwing the forward pass. The accuracy with which he hurled the ball was responsible for some big gains and made Bucknell's forward passing game a valuable weapon. But Bucknell's victory cannot be attributed to the work of any few players. It was the flawless playing and hard fighting of each man on the team that made victory possible.

Lebanon Valley was completely outclassed from start to finish. They seldom had the ball in the danger zone, and only once did they threaten to score. In the second quarter, after a long pass to Morrison and a plunge thru the line had placed the ball on Bucknell's 25-yard line, Mackert dropped back and attempted a field goal, but the ball went wide of the mark. Earlier in this period Bucknell had missed a slightly harder chance at a field goal.

In the second half Lebanon Valley was unable to withstand the varsity's vicious attack. The first part of the third quarter was taken up largely by the exchanging of punts, as a result of which Lebanon Valley lost about yards. Near the close of this division, when Lebanon Valley was in possession of the ball on Bucknell's 29-yard line the center passed the ball wide and it bounded over the yard line before being recovered. Here it was gathered up by Haynes, who made the attempt to run it back, but he was tackled behind the goal line by Hall, giving Bucknell their first 2 points. The quarter ended soon after this play.

In the last quarter the visitors were swept completely off their feet. To start off the attack, Hendren jumped into the air and grabbed a long forward pass in the middle of the field and ran 20 yards before he was downed. Then a long pass to Lawrence received the ball and punted. The next instant a long forward pass to Hall netted 30 yards. A five yard penalty placed the ball on the 10 yard line. From here Hendren dashed thru the line for a touchdown. He failed to kick the goal. After this Lebanon Valley attempted pass after pass in a fruitless effort to score a touchdown, but all the attempts failed.

Waddell's punting was a big factor in causing Lebanon Valley's defeat. Punts were very numerous throughout the game and he outshouted the opposing team at least 10 yards on every kick.

The line-up:—

Bucknell	Lebanon Valley
Waddell	Right End
Waddell	Right Half Back
Hendren	Left Half Back
Baldwin	Full Back
Waddell	Left End
Waddell	Right Tackle
Hendren	Right Guard
Gilbert	Center
Fisher	Left Guard
Cockill	Left Tackle

ENGINEERS ENJOY VACATION TRIP

175 MILES COVERED ON 5 DAY TRIP.

ALUMNI AID STUDENTS IN VISITING PLANTS

Visit Navy Yards in Philadelphia.—Stops Made at York, Trenton and Stroudsburg.—Professors Burpee and Taylor Accompany Students.

While most of the students were enjoying their Thanksgiving vacation at home, eight mechanical engineering students were combining knowledge with pleasure under the supervision of Professors Burpee and Taylor. As mentioned in the last issue of the Bucknellian, the mechanicals left in automobiles for a five-day trip through Pennsylvania and New Jersey to see the operating and making of automobile engines and turbines.

The party left Wednesday morning at 1 o'clock after enjoying an appetizing breakfast cooked by Mrs. Burpee. By 10 a. m. the cars reached York and without losing time the Bucknell men went through the Pullman Motor Car company works, seeing the complete making of the Pullman car.

In the afternoon the Bell Motor plant was inspected, which place, unlike the Pullman company, instead of making the parts which are assembled at different western plants, at this first stop Wright, '16, and Harris, '14, greeted the Bucknell aggregation and in the evening when the party reached Philadelphia, after having traveled 156 miles as a starter for the first day, Hamlin, '15, met the boys with plans for an instructive trip through the city.

Thursday morning through Harris' influence a tour was made to the Earle Gear and Machine plant, with which firm he is connected. Here was viewed the making of special cut gears of all sizes, lathes and cold cut saws.

Friday was a full day, the largest on the schedule, and began with a trip to the League Island Navy yard. On this tour the Bucknell men were conducted by a special high official of the United States Marine Corps and it was by far the most instructive of the entire trip. The officer began with a stroll through machinery shops in which were ship machinery being manufactured and ended by pointing out the first ship, a transport, to be built under the supervision of the United States Government. This ship was launched only a few months ago.

The chief mechanic of the U. S. Drivendahl North Dakota then took charge of the party and conducted them through the engine and boiler rooms of the battleship, explaining in detail the working of the turbine engines and other machinery along with the control of the vessel. This was the only ship visited at the yards although 42 ships of the United States reserve fleet of the Atlantic were in dock. In the afternoon the Southwark Machine plant, one of the largest in Philadelphia was inspected and the process of making hydraulic presses, steam turbines and Diesel oil engines for submarines was learned. The day was ended by a trip to Electrical Station A in West Philadelphia. This is the generating station which controls the greater part of the city's power and one man has charge of all the switches. The plant has a capacity of 145,000 kilowatts and contains among its engines the largest steam turbine in the world. This engine has a generating power of 35,000 kilowatts.

The Delavan Steam Turbine Works at Trenton were inspected on Saturday morning. This plant is similar to the Southwark plant only is much smaller. The making of the Mercer Motor car in this city came next. This plant was the most thorough and exacting in the making of cars that was inspected on the entire trip. It is this make of car which BuPauma drove in many of his races. Coleman, '14, who is employed by the Mercer company, was guide and took care

of the party.

REQUEST FOR COPIES OF THE ALUMNI MONTHLY.

There is a demand for some extra copies of the October and November issues of the Alumni Monthly, especially the latter. If those who do not care to keep them on file would kindly mail them to Registrar Wilcox they would be made to double their service. Thank you.

REV. J. W. BARRETT TO LECTURE

The Rev. J. W. Barrett of the Christian Church will deliver a humorous lecture on Tuesday evening at 7.30. His subject will be "The South Negro." What he does and what he says. Admission 15 cents.

BASKET-BALL TEAM HAS FINE CHANCES

PROSPECTS OF ANOTHER GOOD COMBINATION.

VARITY HAS BEST SCHEDULE IN YEARS

Only One Man Gone From Last Year's Star Aggregation.—10 of the 18 Games on Home Floor.—Freshmen Expect to Make Veterans Work.

If hope counts for anything, Bucknell should be represented on the basketball floor this winter by one of the best fives that ever wore the Orange and Blue. With only one man gone from last year's star combination, which won 12 out of 15 games, chances are fine for developing a team that will better even the wonderful record of last year.

Captain Garner, Murray and Brenner, forwards, and Musser at center and Boyles at guard form a nucleus around which a fast-working combination can easily be built. The fine team work that was so conspicuous last year should not be seriously hampered by the loss of one regular from the line-up.

The contest for Schaffner's position at guard promises to be a warm one. Sipley, who saw service in several games last year is out for the team and will likely have the call for the early games at least. His passing ability is a big aid to team work. Hendron's work in the Sophomore-Freshman game last year stamped him as a player of more than ordinary ability. He has an ideal build for a guard position and is in the game every minute.

Martin and Gamble are again out for center and will be ready to step in should Musser fail to produce. Musser's work last year, however, improved with every game, his shooting in the Allright game at Myerstown being sensational. All three of the men are good jumpers and able to handle the duties of the center position in variety.

"Don't forget the new men. Every year we hear the old proverb, 'What comes around goes around.' That is true. The new men certainly have some mighty fine material," and it really seems to be true. Whether they will stand the test of a few weeks' observation is only guess work, but they seem to have the goods. Here they are: Agnew from Brookville, Dorris from Nanticoke High, Waddell, of Peabody High, Pittsburgh, LaClair of Easttown and many other lesser lights. These men handle themselves like basketball players and will undoubtedly make strong reserve men if they cannot find a place on the team their first year.

With Captain Garner in his old-time foul shooting form, Bucknell need have no fear on this point. Boyles also has demonstrated his ability to toss them in from the foul line when called upon.

If the fellows can get the smooth team play of last year started at the beginning of the season, you may look for Bucknell on the long end of the score in a large majority of the contests. Captain Garner has already instilled a fighting spirit into the squad and every fellow seems to be filled with the idea of trouncing everything in sight during the coming season.

Manager Collins has arranged a schedule that will give the Varsity a chance to meet some of the best teams in the country. The list includes 18 games, 10 of which are on the home floor. Swarthmore, Carle Indians, Juniata and Franklin and Marshall are newcomers on the home schedule. The schedule as a whole perhaps is the best in years from the student's standpoint. Some of the games pending are certain, but the exact dates are undecided.

Look it over—

Jan. 5, Bloomsburg Normal at Lewisburg.

Jan. 12, Carlisle Indians at Lewisburg.

Jan. 19, Gettysburg at Lewisburg.

Jan. 26, Juniata at Lewisburg.

Continued on second page.

EXAMINATION SCHEDULE

8.15 Saturday, Dec. 16, classes reciting at 10.15.

8.15 Monday, Dec. 18, Lecture Courses.

10.15 Monday, Dec. 18, classes reciting at 11.15.

2.15 Monday, Dec. 18, classes reciting at 1.15.

8.15 Tuesday, Dec. 19, classes reciting at 9.15.

1.15 Tuesday, Dec. 19, classes reciting at 2.15.

8.15 Wednesday, Dec. 20, classes reciting at 9.15.

1.15 Wednesday, Dec. 20, classes reciting at 2.15.

NOTICE TO STUDENTS.

All students who expect to teach will please register at the Registrar's Office this week.

OU J. BEAUCHAMP WILL LECTURE FRIDAY

SECOND NUMBER OF THE LYCEUM COURSE SCHEDULED FOR THIS WEEK.

Mr. Lou J. Beauchamp, the original humorous philosopher will lecture Friday night of this week in the M. E. Church of Lewisburg. He will appear as the second number on the Lyceum course and according to the Lyceum committee will prove to be one of the best lecturers that ever came before an audience in Lewisburg.

He is known as the thinker who makes you laugh, and the humorist who makes you think. Having spent the early years of his life among the Cherokee and other Indian tribes, he will use many of their customs as illustrations in his lecture. Since then he has traveled one million miles in the old world and new, investigating the lives of the world's greatest cities. His love for humanity has given him a message to bring before the people.

Mr. Beauchamp is one of the most widely-sought lecturers in the Lyceum world to-day and it was only after considerable effort that Manager Rogers was able to book him for the Bucknell course. Persons in town who have heard him are sure that his lecture is going to make a decided impression on his hearers. The time of the lecture is 8.15.

DEMOTHEAN PARTY.

The Demosthean fraternity entertained a number of girls from Lewisburg and vicinity at their halls on Market street, last Friday evening. The rooms were tastefully decorated with white trimmings so as to represent a snow scene. Professor and Mrs. Drum and Professor and Mrs. Pries of the college faculty acted as chaperons.

STUDENT VOLUNTEER MEETING TONIGHT.

The Student Volunteers who interested in the movement for Foreign Missions will meet this evening at 7 o'clock in the home of Dr. Stephens. Reports from the Eastern Conference held Dec. 1-3 in Princeton, N. J., will be heard and discussed.

DR. HARRIS GAVE ADDRESS.

President Harris gave an address before the Shikellimo Chapter, D. A. R. of Lewisburg, last Monday evening, Dec. 4th. The subject of his address was, "Preparedness."

MONDAY, DECEMBER 11, 1916.

A REVIEW.

Bucknell's 1916 football season can hardly be called a success. Three victories and nine defeats constitute one of the poorest records in Bucknell's football history, but to one who has followed the team closely the reasons for the poor showing are at least partially evident.

With practically all the members of last year's strong defensive eleven back in school, Bucknell followers hoped for a development of offensive strength that would carry the team to victory in at least half of the games. The Albright victory strengthened these hopes, but at State College the team received a setback which it seemed unable to recover from. Injuries to several stars probably accounted for this.

It is doubtful if a Bucknell team has ever gone through a season in such a crippled condition. Manager's injuries made necessary a number of experiments at the quarter-back position in the biggest games on the schedule. The absence of an experienced quarter seemed to paralyze the team's offensive power, the Wadell did good work towards the close of the season. On the Georgetown and Washington and Lee trips, a full team or more of the Varsity squad had to be left home on account of injuries. A team composed of different men in every game cannot be expected to produce smooth team play. Such was the case in the majority of games.

Perhaps enough has been said about the schedule being too hard. That it was, is only too evident, but even at that there seemed to be a "jinx" following the team about. So many injuries should not have resulted from the hard schedule alone. The final game with Lebanon Valley helps a little, but one game cannot redeem a disastrous season's work. Several regulars were missing from the line-up in this game, but the team seemed filled with new life and put up the best game of the season. Here's hoping that this new life continues next fall where it left off on Thanksgiving Day.

CALENDAR

Monday—Civil Engineers 6.45 p. m. Mechanicals 7 o'clock. Student Volunteers 7 o'clock. Glee Club at 9 o'clock in chapel.
Tuesday—Debating Board 4.15 p. m. in Room 2, Y. W. C. A. at the Women's College.
Wednesday—Senior Council 6.45.
Thursday—Y. M. C. A. at 7.30 in West College.
Friday—Lou J. Beauchamp lecture in Methodist church at 8.15.
Saturday—Exams begin at 8.15.
Sunday—Christmas Message at Bible Class at 10.30 in Baptist church.

CHRISTMAS MESSAGE.
The College Bible Class will hear a Christmas Message next Sunday morning. Dr. Phillips will speak.

EVENING OF COMEDY PROVES A SUCCESS

Y. W. C. A. PROVIDES ENTERTAINMENT ON FRIDAY EVENING.

"An Evening of Comedy," was a fitting title for the entertainment which the Y. W. C. A. provided for the students on Friday night. The audience evinced a keen appreciation of the talent shown in each of the six divisions of the program. The program and casts consisted of:

1. A Castle In Spain.—A short dramatic sketch.
Ethel Farley and Ethel Hewett.
2. "Her Oak Udd Der Vine."—Recitation by R. P. Griffith.
3. "How The Vote Was Won."—A one-act farce comedy.
Arnold Benton, Florine Michael, Elizabeth Chumpton, Dorothy McClintic, Hazel Gay, Annetta Stahl, Jessie Potts, Gladys Morgan, Grace Good and Eugene Bertin.

Weight.—Recitation by Chester Beaver.
5. "The Birthday Cake."—A short farce.
Annetta Stahl, Margaret McLaughlin, Margaret Quigley, Agnes Gilmore, and Hazel Florine.

6. "The Merry Old Maids."—A chorus recitation.
The Merry Old Maids:—Florine Michael, Marguerite Taggart, Margaret Mattern, and Jessie Potts.

Each feature was exceptionally well executed. An air of thorough preparation characterized the entire program. Much comment on the program was heard, but it was only of a favorable nature and complimentary to the participants. Adverse criticism seemed foreign to the minds of all, as the audience left Bucknell Hall with smiling faces.

COLLEGIATE FIVE.
A team of Bucknell students playing under the name of the Collegiate Five defeated the F. G. F. club of Milton in the Lewisburg Army on Friday night by a score of 31-30. On Saturday they met defeat at the hands of the fast Tamaqua aggregation at that place 35-27. "Mike" Pullmer one of the best forwards that ever represented Bucknell is playing on the Tamaqua team. Not being used in 12 inch baskets, the Collegiate Five was at a great disadvantage.

POST, '17, GETS KODAK.

The pocket kodak offered to the student guessing nearest the correct number of persons on the panoramic picture goes to Post, '17. The correct number is 536.

DEBATING BOARD.
Members of the debating board interested in students interested in debating will come to Room 2 Main College at 4.15 Tuesday afternoon. Do not fail to have a part in the preparation for some big debates next term.

S. A. E. VICTORS.
The S. A. E. basketball team in its first game of the season Friday evening scored a victory over the Tau Phi Sigma five of Sunbury, the final score standing 25-13 in favor of the "cats." The contest was played in the Casino at Sunbury.

PROF. FRIES AT BIBLE CLASS

The substance of his talk follows: The French Revolution and Mathematical formulae are of importance and interest to us to-day in so far as we are able to interpret them for our very lives. Likewise by the lives of Moses and Christ are we benefited according to the manner in which we interpret them.

In Bible times the Jews were emphatically religious; religion was foremost and fundamental. In that religion the vital hope of the masses was the looking forward to the coming Messiah. They looked to God apparently as a first class bookkeeper with a set number of moral codes and religious ideas on the debit side with each one's good deeds and actions on the credit. Their loyalty stiffed their real religion.

In the light of such conditions came Jesus, teaching that the realization of God is Love. But to accomplish such a mission at such a time meant no home, poverty and a few friends at times. Three avenues were opened to Him, to stop teaching, to withdraw from the country or to continue to oppose the religious system of the time. He chose the latter and made it His fundamental purpose to save men.

Faith is not the mere intellectual acceptance of religious principles, but a growing love for those things which continually call forth our best selves and likewise a hate for the evil. A faith that wills to do things that are God-like. If we fail in this we lose sight of the best, we fail to live successfully.

On Friday night, Dec. 1st, the D. T. U. basketball five defeated the F. G. F. Club at Milton, by a score of 40 to 17.

ALUMNUS MARRIED.

The marriage of Miss Margaret Louise Duncan and Mr. Elmer Kaiser Bolton took place Wednesday evening, Dec. 6th in the Overbrook Presbyterian church. Mr. Bolton graduated from Bucknell with the class of 1905 and since that time has made his home in Philadelphia. A number of Bucknell friends were present at the wedding ceremony.

D. T. U.'S WIN.

On Friday night, Dec. 1st, the D. T. U. basketball five defeated the F. G. F. Club at Milton, by a score of 40 to 17.

CHEMICALS.

The regular meeting of the Chemical Engineering society took place on Thursday evening and the chief item of interest was the choosing of a society pin. The pin is a small gold retort with a raised gold "B." The pin is quite small and unusually attractive. A decision was made at this time to have the bi-monthly meeting at 7 o'clock. Two talks were given by members of the club. Rippehl told "Refrigeration" and took as his subject, "Evaporators." Both of the talks were well given and were very interesting to chemical engineers. The date of the next meeting will be announced later.

STUDENTS WELCOME.

General Secretary Aubrey received a letter last week from Mr. Crawford of the Central Y. M. C. A. of Philadelphia, inviting Bucknell students to visit the Y. M. C. A. headquarters while enroute to their homes. Free use of the social and physical privileges will be granted the students. Be sure to get your Y. M. C. A. membership card this week at the Y. M. C. A. office. Bring your budget receipt along.

ENGAGEMENT ANNOUNCED.

Mrs. H. Grant Dreishach, of Lewisburg, recently announced the engagement of her daughter, Miss Anne Kaler Dreishach to Mr. Joseph W. Henderson, of Philadelphia. Miss Dreishach is a graduate of Bucknell Institute 1910 and later of Bedford College, London. Mr. Henderson was graduated from Bucknell in 1908. He is at present a member of Rawle and Henderson law firm of Philadelphia. His parents reside at Montgomery.

DRAMATIC TRIO.

Miss Eudora Hamler and Mr. Edgar Campbell of the Dramatic Trio spent the Thanksgiving recess on a trip to the West Branch country. Two performances were given, one at Clearfield and the other at Osceola Mills on Nov. 30 and Dec. 2 respectively. Each performance proved a success. It was gratifying to note that several Bucknell people were present in the audiences on the trip. Miss Hamler and Mr. Campbell were royally entertained at a Thanksgiving party by Miss Mabel Brown, '15, at her home in Clearfield.

PROF. SMITH SPEAKS.

During the Thanksgiving vacation Prof. Bromley Smith addressed the national convention of Academic Teachers of Public Speaking at their annual conference in New York.

CIVILS TO-NIGHT.

All Civil Engineers are asked to attend the regular monthly meeting at 6.45 to-night. The bulletin board says "cats" are expected. Take a chance and find out. Bring your dues along.

FORUM BANQUET.

The annual Founders' Day Banquet of the Forum Fraternity took place at the Buffalo Valley Inn Friday evening. The affair was its usual huge success and after a bounteous repast the following talks were given under the supervision of Prof. G. Wade Earle:

Success—Earle, '15.
That Reminds Me—Emerick, '19.
The Occasion—Kissell, '18.
Prospects—Campbell, '20.
Address—Prof. Leo Rockwell.
Address—Dr. Enoch Ferrine.

IMPORTANT NOTICE.

Thru a ruling passed at a recent meeting of the Senior Council, the names of Freshmen to appear before the council will be published each week in The Bucknellian. The time of meeting has been changed to Wednesday night of each week at 6.45. All names will be handed to the editor before Monday noon. Look for your name! Ignorance will excuse no one.

ALUMNUS MARRIED.

The marriage of Miss Margaret Louise Duncan and Mr. Elmer Kaiser Bolton took place Wednesday evening, Dec. 6th in the Overbrook Presbyterian church. Mr. Bolton graduated from Bucknell with the class of 1905 and since that time has made his home in Philadelphia. A number of Bucknell friends were present at the wedding ceremony.

D. T. U.'S WIN.

On Friday night, Dec. 1st, the D. T. U. basketball five defeated the F. G. F. Club at Milton, by a score of 40 to 17.

Are You Fond of Good Clothes?

MOST COLLEGE MEN like to be well dressed and to wear good clothes in the best sense of the word—clothes that fit well, look well and hold their shape well.

We sell only that kind! We give the best service only, high class in every way, stylish and tailored beautifully.

All our suits and overcoats are made up exclusively to your measurements, thus assuring perfection in every detail.

We charge \$5.00, \$18.00 to \$20.00 for our high quality, popular priced clothes, but the values we give must not be measured by the price, nor could you duplicate the superb fabrics we show in our suits, ranging in price from \$25.00 to \$35.00.

If you want the best tailoring service in town get your clothes made-to-measure by one who knows how.

HILL GOSSIP

Hopler, '17, was a Muncy visitor on Friday.

Hopler, '17, and Painter, '17, visited in Shamokin Sunday afternoon.

Davis, '16, spent Saturday and Sunday visiting friends about the school.

Lewis, '16, was a visitor with his D. T. U. brothers over Saturday and Sunday.

Weigand, '20, entertained his father, of Philadelphia, over the weekend.

McNeal, '12, returned to visit his Alma Mater for a few days last week.

Bennett, '18, was the guest of Kissell, '18, of Lock Haven, during the Thanksgiving vacation.

Richard Slocom and Alan Haus, of Reading, were guests during Thanksgiving holidays of Slocom, '20, and Roos, '20.

Miss Mary Hill and her mother, Mrs. Hill, of South Boston; Va., and Miss Snyder, of Lewisburg, were S. A. E. guests Sunday.

Tilton, '16, and Osterlie, '16, students at Crozer Theological Seminary at Chester, stopped on the Hill for a short time during the Thanksgiving vacation.

The following Bucknell students took in the Lock Haven Bellefonte High game on Thanksgiving Day: Reed, '20, Emerick, '19, Rummel, '18, Robbins, '18, Bennett, '18, Kissel, '18, and Geary, '18.

Monkney, ex-'18, spent a few hours in town Monday.

WOMEN'S COLLEGE

Tri Delta entertained about twenty Freshmen at a dinner party on Saturday evening at the home of one of their patronesses.

Edith Gabel, '18, spent the end of the week with Mary Hyler.

Y. W. C. A.

On Tuesday, Dec. 5th, Elizabeth Stephens, '18, led the Y. W. C. A. meeting. Reports were given from the Princeton Student Volunteer Conference.

New Chairs.

The living room at the Woman's College is progressing rapidly. We are fast acquiring green chairs and rockers to replace the old yellow ones. There are now over a dozen new chairs and many more coming.

A unique club has been formed at the Woman's College called the Up-to-date club for the purpose of keeping informed in the current events of the day. Ariel Kromer, '18, was elected president. Laura McQuay, '17, vice president and Dorothy McClintic, '18, secretary and treasurer.

Y. M. C. A.

A new style of meeting was held in the Y. M. C. A. last Thursday evening. It was a regular, sincere, inspiring prayer meeting. Although but few fellows turned out, the meeting was an unqualified success; and the spirit which the fellows manifested made one feel that much good was being received from this close, confidential communion with God.

On account of the success of last Thursday meeting, another prayer meeting will be held next Thursday night. Come out fellows, and taste of the uplifting, encouraging influences of prayer and confidential experience telling.

NOTED SPEAKER NEXT TERM.
On January 25, 1917, Professor J. A. Lomax, of the University of Texas, will give his famous lecture on "Cosmos and Songs," in Bucknell Hall under the auspices of the University Club. Dr. Lomax has already delivered this lecture on these American folk-songs at Harvard, John Hopkins and many other American colleges. By all who have heard Prof. Lomax, he has been highly praised for this distinctively American production.

FRESHMEN FIVE WINS.
A basketball team composed of Bucknell Freshmen won a close game from the Lewisburg High School five in the Army last Friday night by a score of 33-27. LaClair led in the individual scoring for the Freshmen.

MECHANICALS.
The regular monthly meeting of the Mechanical Engineering society will take place to-night at 7 o'clock. It is desired that this last meeting of the term be well attended.

Seidel & Spangler's store is now ready for holiday shoppers

THOUSANDS OF FINE HANDKERCHIEFS IN READINESS FOR THE CHRISTMAS RUSH

Yes, a regular mountain of them were they all to be piled up in one big heap. We selected and ordered them more than a year ago, not only securing the greatest number of styles, but also profiting for you and us by the lower prices that prevailed at that time. We invite you to compare them with what you find in other stores.

The assortment includes values from 5c each up to \$3.00 each. Many are done up in fine Christmas boxes.

SILKS ARE ACCEPTABLE GIFTS

Especially when they are selected from our stock, and have every hallmark of our highest quality. All on display. All the new evening silks and tub silks for 1917, in prettiest colors and stripes you ever saw. Special \$1.00 a yard, 32 inches wide.

Creme de Chine, crepe meteors and crepe Georgette—all are very appropriate for holiday gift giving.

SPECIAL LOT OF CHRISTMAS WAISTS AT \$1 AND \$1.98

"Witchmore" and "Wellworth" waists have no equal for Christmas gift giving.

Here are two lines of waists bought direct from big manufacturers, cutting out two or three mid/dlers who generally get their share, and it all comes from the consumer or the wearer.

BUCKNELL UNIVERSITY.
LEWISBURG, PENNA., MONDAY, DECEMBER 18, 1916.
NUMBER 11

STUDENTS WANT WRESTLING TEAM

NEW WINTER SPORT LIKELY TO BE ADOPTED.

SEVERAL EXPERIENCED WRESTLERS IN SCHOOL

Call for Candidates Stir Up Interest.—Class Teams to be Organized.—Meets With Other Colleges to be Arranged Next Term.

Bucknell is likely to have wrestling as a new winter sport. During the past few days much interest has been manifested among students since the announcements were made calling out men for the team. Each year with the closing of football season only the few skilled men in basketball have any real athletic practice. Thus the proposed introduction of wrestling comes as a welcome announcement to nearly every student for there will be various classes to include every man in the school who wishes to take part in this branch of athletics.

"Bob" Donaldson has taken charge of the arrangements and before the close of this term will have a meeting for all who are interested and an outline of what is expected to be done will be given. It is probable that several fellows will speak of what other colleges are doing and what Bucknell can do. At present there is much good material for a college wrestling team. Balbach, Donaldson and Hewitt all have fair reputations on the mat, especially Balbach who held the State College interclass heavyweight championship for two years.

Many fellows have already signified their intention to take part in the sport so that it is likely that the team will be organized into classes and class teams chosen. Interclass matches will follow from these teams and will be chosen of seven men with substitutes. The team will be divided into the following classes: 115, 125, 135, 145, 158, 175 and heavyweight, the latter including all men over 175 pounds. There will be several men in each division of the team and before each meet these men will compete for a part in the successive contests. According to the present conditions matches will be arranged with Muhlenberg and Lebanon Valley. The former college is also just taking up this sport this season and will likely be anxious to contest with the Orange and Blue.

The sport will run through the winter term. If possible dual meets will be arranged with other colleges in Bucknell's class and prospects are bright for a winter term of other sport in addition to basketball. Nearly all football men besides a large majority of other students have already signified their willingness to take part. The time of the meeting for those interested will be announced on the bulletin board before the Christmas vacation.

STUDENTS CHOSEN FOR JUNIOR DEBATE

SIX MEN TO COMPETE IN THE ANNUAL DEBATING CONTEST.

The following students have been chosen to represent the Junior Class in the annual debate to be held next term: Beaver, Beckley, Germer, Lenox, Beard and Willson. These men were chosen from those taking the course in debating given this term under the direction of Professor Fries. The final try-outs took place Friday afternoon.

Interest in the debating course has been exceptional this year, the large number in the class making the selection of successful candidates more difficult than in other years. Several students the ineligible for Junior Debate, took the course because of its practical value to all students interested in public speaking.

The University of Pennsylvania has in prospect a variety crew that will average six feet four inches in height and 200 pounds in weight.

TERM ENDS WEDNESDAY.

The fall term will end Wednesday afternoon of this week with the completion of examinations for classes meeting at 3.15. The winter term will begin Wednesday noon, January 3. On the first Friday night, January 5th, the Varsity will meet Bloomsburg Normal on the home floor in the opening game of the basketball season.

PHI GAMMA DANCE.

Last Friday evening, Dec. 15 an informal dance was held at the Phi Gamma Delta House. The orchestra commenced to play at 8 o'clock and dancing was continued until 12 o'clock. Music was furnished by Neala's orchestra from Sunbury.

The patrons and patronesses were: Mr. and Mrs. Miller, Mrs. Edwards, and Prof. and Mrs. Ballentine.

FIRE IN KAPPA SIGMA HOUSE ON SUNDAY

QUICK WORK OF STUDENTS PREVENTS SERIOUS RESULTS.

A serious fire was narrowly averted Sunday afternoon when a front room on the second floor of the Kappa Sigma house took fire and for a time threatened to spread to adjoining rooms and the floor below. Quick work on the part of the Kappa Sigma and Phi Gamma students prevented the flames from doing any serious damage, the a large portion of the floor in one room had to be torn up to extinguish the fire. Water and chemicals also did some damage to the furniture. The origin of the fire is attributed to defective wiring.

A number of Kappa Sigma students were sitting in a front room on the first floor, when smoke was noticed coming from a crack in the ceiling. Upon investigation the students found a lively blaze in the room above. An alarm was sent in to the fire department, but a large quantity of snow and several fire extinguishers brought from the Phi Gamma Delta House next door were sufficient to get the flames under control before the fire department arrived on the scene.

Besides the damage to the furniture and floor of one room, the clothing of the fellows was somewhat damaged in fighting the flames. This is the second time within a year that the Kappa Sigma house has been visited by fire, a part of the rear end of the building being destroyed last spring. This part was immediately replaced by a new construction. The recent damage will also be repaired at once.

COLLEGIATE FIVE.

The Collegiate Five lost a hard-fought game to Shamokin at the down river town Friday night by the score of 41-32. Before returning they witnessed the great fire which raged in the heart of the city during the early morning hours.

EXAMINATION SCHEDULE.

8.15 Tuesday, Dec. 19, classes meeting at 8.15.

1.15 Tuesday, Dec. 19, classes meeting at 2.15.

8.15 Wednesday, Dec. 20, classes meeting at 8.15.

1.15 Wednesday, Dec. 20, classes meeting at 3.15.

SECOND NUMBER OF WOMEN'S JOURNAL ISSUED

The second issue of the Bucknell Women's Journal is printed and is scheduled to make its appearance today or Tuesday. The issue is in the nature of a Christmas number and contains appropriate stories with a holly decorated cover. The articles are again classified into departments and several new cuts add to the appearance of the booklet.

The University of Pennsylvania, Cornell and Brown will send chess teams to the annual tournament in which various New York City colleges will also compete in New York during Christmas week. The prize, the Rice chess trophy, was won last year by the University of Pennsylvania and will go to the college winning it three times.

HOME FOR THE HOLIDAYS

HENDREN ELECTED FOOTBALL CAPTAIN

TWENTY-ONE MEN AWARDED THE VARSITY INSIGNIA.

At a meeting of the letter men of the football squad yesterday afternoon John Hendren, of Philadelphia, was chosen for next year's captain. Hendren showed up particularly well at half-back in the last game of the year and by reason of his consistent work during the past two seasons should prove a capable leader. It is reasonable to believe that next year's team will be a powerful combination, for only three men are going to be lost by graduation. Hopler, Baker, and Fisher are the three seniors in the squad of twenty-one men who received the varsity "B" this season.

The men who received the Varsity insignia are: Peale, Hendren, Newcomb, Gilbert, White, MacDermott, Hopler, Cockill, Mangum, Hall, Baker, Banks, Waddell, Kerth, Dent, Lawrence, Pinder, Baldauf, Silberstein, Fisher and Miller.

ATHLETIC ASSOCIATION ELECTS NEW OFFICERS

ELECTION HELD SATURDAY IN MAIN COLLEGE READING ROOM.

The annual fall election of athletic association officers and assistant football manager took place last Saturday morning in the Reading Room of Main College. The following men were elected: President Shilling, Vice President Eaton, Secretary Chase, Assistant Football Manager Chalfont.

Following a rule adopted last year, no proxies were allowed each student presenting his ballot in person. This method has proved successful; the confusion formerly caused by one person bringing in votes for other students, being entirely done away with. As only students who had paid their budgets were eligible to vote, Student Secretary Eyster was present at the election and checked off the names as the ballots were cast.

Below is the official count: President, Shilling 184—Jones 97. Vice President, Eaton 235. Secretary Chase 235. Assistant Football Manager Chalfont 122, Laher 85 and Holsing 35.

KAPPA SIGMA DANCE.

The members of the Kappa Sigma fraternity entertained at a House Dance for town girls Friday evening, December 8. The Campbell Orchestra, of Sunbury, played for the program of dances. The party was chaperoned by Prof. and Mrs. Lindemann. Refreshments were served.

STUDENTS WILL ATTEND PROHIBITION CONVENTION

COOPER, '18, AND NEAL, '18, TO REPRESENT BUCKNELL AT LEXINGTON, KY.

Two men from Bucknell, Raymond Cooper, '18, and Robert M. Neal will represent the local Prohibition League at the National Collegiate convention to be held at Lexington, Ky., from December 28 to 31. The college of the United States are coming to be an important factor in the movement for national prohibition and the coming conference is expected to be the greatest in the history of the collegiate organization.

Many noted speakers among whom is Wm. Jennings Bryan will address the students. Mr. Bryan has recently declared that prohibition is to be the great national issue four years hence and by reason of this fact his address will undoubtedly contain the causes for the fast growing sentiment in favor of nation-wide prohibition.

NEXT YEAR'S FOOT-BALL CAPTAINS.

Here are a few captains who will lead their respective college eleven next year's football season: University of Pittsburgh—H. Clifford Carlson, end.

Penn State—Robert A. Higgins, end.

West Point—Lawrence M. Jones, tackle.

Yale—A. L. Gates, tackle.

Michigan—C. C. Smith, full-back.

Washington and Jefferson—William Stubbs, quarter-back.

Ursinus—Eugene Crossman, tackle.

Albright—Peter Gamber, tackle.

Lebanon Valley—S. F. Morrison, end.

Dickinson—Maurice Palm, half-back.

Washington and Lee—Albert Pierotti, center.

Syracuse—Joseph DuMoe, end.

Harvard—Walter H. Wheeler, tackle.

Carleton—George Tibbets, end.

Gettysburg—Walter Marle, tackle.

Pennsylvania Military College—Lou Sigel, quarter-back.

University of Pennsylvania—Heinie Miller, end.

Susquehanna—Henry Kirk, half-back.

Lafayette—John A. Weldon, full-back.

Princeton—M. O. Wilson, end.

Colgate—D. B. West, tackle.

Ohio State—Harold Courtney, Vermont—Harry H. Denning, tackle.

DR. HAMBLIN COMING HOME.

Dr. Hamblin, of the faculty, will return to his home in this place on Thursday from the Williamsport hospital where he has been taking electrical treatments for some time. Dr. Hamblin is quite improved and has been up and about the hospital for several days. He will be accompanied home by Prof. Lindemann and plans have been completed for a family Christmas reunion of the Hamblin family. It is with pleasure that the students and faculty hear of Dr. Hamblin's recovery.

DEBATERS PREPARE FOR NEXT TERM

MEETING OF BOARD LAST WEEK.

PLAN DUAL DEBATES WITH OTHER COLLEGES

Three Men Left from Last Year's Team.—All Students Eligible to Compete.—Try-outs Scheduled for January 10.

With the approach of the Winter term Prof. Fries and students interested in Bucknell Intercollegiate Debating team are making plans with the expectation of another season even more successful than last year. Owing to the fact that only three old men remain on the team of last year there is an excellent chance for new men interested in debating to get a place on the team.

Last year there were three main teams and six men were chosen from these to represent the college. This year there will be three or possibly four teams chosen and before each debate the men on these teams will have a chance to try-out for the principal team. All men interested are urged to come out for the try-outs which are not limited to any classes or to students who are taking the debating course. Every man in the four classes is eligible. The first try-out will occur Wednesday evening, Jan. 10, at 7.30 o'clock. The men will be asked to talk for five minutes on the following question: Resolved, "That Congress should enact legislation providing for compulsory arbitration of disputes between organized labor and capital."

While no positive plans have been completed, the program this year will begin about February with a single debate with Susquehanna at this place. It is quite sure that the negotiations now under way for a dual debate with State College and Lafayette will also be successful. An interesting fact telling of last year's success of the team is shown by a letter offer from a North Carolina college for a series of three debates. Owing to the great expense, the challenge could not be accepted. Negotiations are also under way for a western debating trip and every member will have a chance to try out for this trip which may possibly include several debates throughout western Pennsylvania. Prof. Fries will again take charge of the teams as was the case last year.

FRESHMEN ATHLETIC ASSOCIATION CONVENES

SHERK CHOSEN BASKETBALL MANAGER AND HOVEN CAPTAIN PRO TEM.

The Freshmen Athletic Association met last week on Tuesday and elected students to lead the positions of class basketball manager and captain pro tem. Sherk was the successful candidate for manager and Hoven received the majority of votes for captain pro tem. Reports indicated that the class would be represented by a strong combination in the interclass contests next term. The first game with Lewisburg High School was held last week. The team was a fast team.

Presidents Gibbs of the Athletic Association also appointed a committee to arrange for a picture of the class football team to be placed in the 1918 L'Agenda. Wagner and Morrison compose the committee.

DR. HAMBLIN COMING HOME.

Dr. Hamblin, of the faculty, will return to his home in this place on Thursday from the Williamsport hospital where he has been taking electrical treatments for some time. Dr. Hamblin is quite improved and has been up and about the hospital for several days. He will be accompanied home by Prof. Lindemann and plans have been completed for a family Christmas reunion of the Hamblin family. It is with pleasure that the students and faculty hear of Dr. Hamblin's recovery.

Entered at the Lewisburg post-office as second class matter.
Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, DECEMBER 18, 1916.

A LAST WORD.

In view of the fact that this issue of the Bucknellian is the last of the present term, we wish to extend to the students and readers our best wishes for an enjoyable Christmas season. At the same time we desire to remind the students of the fact, that they are Bucknell students no matter where they may spend their vacation. Remember your school during the holidays, and if the chance offers itself don't hesitate to put forth an effort to enlarge the range of Bucknell's influence in your home community.

COMMUNICATION.

It is not the purpose of this communication to offer personal criticism, and to make this fact more credible, I am writing before the election of the next L'Agenda editor is held. I write as a Bucknell man interested in the welfare of the college, and with her reputation very dear to me, believing in the slogan, "College first."

Consequently in writing about the L'Agenda, I write it not as a class book alone, but also as a publication representative of the literary tone of the university. The outsider, reading this book, the only literary production of its kind at Bucknell—naturally judges Bucknell by the quality of the class book. Is it not essential, then, that the L'Agenda should be of superlative quality, second to none? Every Bucknellian will readily concede this much.

But I would not be misunderstood as a "knocker." There has been nothing in our past issues to warrant any complaint, but I am offering suggestions for the change of a system which has one principle underlying its aim and another distinct principle underlying the method of attaining the end in view. If a football team should elect a captain on account of his physique, without any knowledge of his ability to lead a team to victory; we would naturally condemn the basis of his election. And yet our method of electing a L'Agenda editor on grounds of popularity without any knowledge of his ability to edit a class book is considered satisfactory. It would not be the fault of any class if perchance it should fail to realize its hopes in its editor-elect, for it could not be expected to know his literary ability intimately. Luckily we have thus far been fortunate in selecting good,

capable editors; but does that assure us that in the future the college may not at some time suffer because of the incompetency of the editor of its year book?

But I have read in the Y. M. C. A. Handbook "If you can't boost, don't knock." So having knocked it is up to me to do my share of boosting, and here is the plan I propose. When you read it, you will see that it satisfies both essentials of successful editorship: literary ability and popularity.

First of all, the faculty of the English department shall submit to the Sophomore class the names of three men (or two men and one woman) who have impressed the faculty of the department as being competent to handle the editorship of the L'Agenda.

Then, these names, shall be considered as the report of the "nominating committee" and voted upon at a regular meeting of the Sophomore class held for that purpose.
By this means, we see that the competency of the man for the job will be assured on the basis of literary ability and popularity thus satisfying all conditions.

I hope that the suggestions will not be overlooked; but will be considered by the class of 1919 as a basis for their coming election. If this idea is adopted I think that the representative quality of the L'Agenda as a standard of Bucknell literary work will be secured for future generations.

NATIONAL FRATERNITIES ARRANGE FOR LEAGUE

BASKETBALL SCHEDULE BEGINS NEXT TERM ON THE 11TH OF JANUARY.

In order to promote interest in basketball the national fraternities have organized a league, the plans of which have just been completed by representatives of the six chapters. A constitution has been drawn up and accepted. Dr. Brown has been chosen to act as president and faculty representative. The games will be held under the auspices of the Athletic Association, admission will be charged, but season tickets will admit the holder. The proceeds will go to the Association.

Basketball letter men and men on the varsity squad will be ineligible to play in these games. The schedule is as follows:

National Fraternity Basketball Schedule.
Jan. 11.—Sigma Chi vs. Sigma Alpha Epsilon.
Jan. 15.—Phi Gamma Delta vs. Kappa Sigma.
Jan. 18.—Lambda Chi Alpha vs. Sigma Chi.
Jan. 22.—Phi Kappa Psi vs. Phi Gamma Delta.
Jan. 25.—Sigma Alpha Epsilon vs. Kappa Sigma.
Jan. 29.—Phi Gamma Delta vs. Lambda Chi Alpha.
Feb. 1.—Phi Kappa Psi vs. Kappa Sigma.
Feb. 5.—Sigma Alpha Epsilon vs. Lambda Chi Alpha.
Feb. 8.—Phi Gamma Delta vs. Sigma Chi.

BEAUCHAMP ILL; NO LECTURE.
A phone message from Pittsburgh on Thursday morning notified Bucknell that Mr. Beauchamp had been stricken with pneumonia and would not be present to lecture Friday night. Several attempts were made by the Lyceum bureau to get a substitute number but without success. Manager Rogers stated that the same number by Dr. Beauchamp will be given in January, the exact date to be announced later.

DR. PHILLIPS DELIVERS CHRISTMAS MESSAGE

BIBLE CLASS HEARS FORCEFUL ADDRESS ON SUNDAY MORNING.

Dr. Phillips addressed the College Bible Class Sunday morning, taking as his subject "A Christmas Message." His address dealt with the problem of viewing the coming Christmas in the right light, in view of the conditions brought about by the great world war.

Milton in his "Hymn of the Nativity," conveys the idea that universal peace and its attending influences were necessary attributes at the time of the birth of Christ. What are the conditions today?

The great war and its consequences go beyond our imaginations. In the last two years of the conflict 5,600,000 of Europe's manhood have met death on the battlefield. Over 13 millions have been wounded. One-fifth of the University of Cambridge student body has been wiped out. The same is true of the University of London and other universities in the warring nations.

These facts are deplorable, but yet they are facts and must be faced, even at Christmas time, when we try to look on the brighter side. With these-fifths of the world's population and three-fifths of all the land in the universe engaged in war, we try to find what consolation there may be in the midst of these deplorable conditions.

The picture is dark but we can find a few consolations. Russia has abolished the liquor traffic—England has limited the sale of liquors and awakened from her indifference—France has become a religious nation—Germany is awake to the need of preservation of life. In view of the enormous waste of life and property these are great consolations. They suggest great possible results, but isn't it sad that in the twentieth century we have to make progress in the same method as the men in the cave?—that is by substituting on vice for another in the hope of progress.

We in the United States have something to think about. War, strikes and labor troubles all arise from the same spirit—the spirit which prompts one group to have their own way no matter what may come.
We are preparing and there seems nothing else to do, but we should bear in mind the words of Herbert Spencer that every defensive army in the world has ultimately become an offensive one. We should keep these facts before us, even the we are celebrating Christmas.

What can we do then? The only thing for the Christian to do is to have faith in the possibilities revealed in the incarnation of Jesus Christ. The Christian must live by faith, not by sight. Faith is the ground on which man believes that the things he wants will come to pass. We can't put confidence in mere invention or science for they have been put to use in the destruction of human life. The Christian has confidence that all will ultimately come out right.

Christ came at birth in this old rocking ship of a world and the storm is still on, but faith that he's here, is enough to tell us that the ship will not sink. That's the Christmas message. Don't forget you're in a storm, but the Master is with us and we will land in safety on the other side.

ENGINEERS MEET IN MONTHLY SESSIONS

SOCIETIES HEAR TALKS ON VARIOUS ENGINEERING SUBJECTS

The accounts given below of the different meetings of the engineering societies give evidence of the fact that these organizations are among the most active of the student organizations at Bucknell.

Mechanics.

Monday night's meeting was featured with a talk by Maurice Cryder, '17, on "The Design and Use of Gigs." Mr. Cryder has had considerable experience in this line of work, having served in the capacity of jig designer for the Landis Grinder Co. His talk was illustrated by blue prints and blackboard drawings.
During the course of the meeting it was decided to have several lantern lectures next term, the slides and lectures to be furnished by the A. S.

M. E. Interest in the last meeting of the term was all that could be desired.

Civils.
Shoffstall, '18, Harley Shipman, '17, and Fisher, '17, addressed the Civil Engineers at their meeting on Monday night. After a short business meeting the crowd adjourned to the Reading Room where "Danny" Stude as chairman of the social committee had charge of the commissary department. Ice cream, cake, coffee and sandwiches all went to satisfy the hungry engineers.

Where were the Freshmen civils? Newly adopted by-laws give the new men entrance to these meetings, but for some reason they failed to appear. Get in line 1920, and learn what is going on in the Engineering world.

Electricals.
Thirty or forty electrical engineers attended the meeting of the society on Wednesday night. Slides loaned by the General Electric Co., concerning the Panama Canal, on construction work, operation of locks, etc., gave an added interest to the meeting. Haman, '17, operated the machine in an effective manner. An interesting paper on the same subject was read by Wayne Hatfield, '17.

Chemicals.
Friday afternoon Dr. Brown gave a lecture on "Liquid Air and performed several experiments with the liquid during his discussion. The lecture was given primarily for the members of the Chemical Engineering society, but the lecture room was filled to overflowing with other interested students. The talk and the

experiments in freezing various articles were exceptionally interesting, especially to the fellows who picked up as souvenirs broken pieces of the frozen hollow rubber ball and later found them to have returned to their original state.

HILL GOSSIP

Miss Ruth Embrey, '16, was a recent visitor in Lewisburg.

Durst, a Freshman who left early in the term on account of appendicitis has been visiting Quinn during the past several days.

Bryant, '16, visited Galbraith, '17, and Bostian, '18, last week.

William Geating, '17, officiated as best man at a recent wedding in Milton.

A thin coating of ice on the Buffalo Creek Saturday brought out the first skates of the season.

Harold Reynolds a student at the University of Michigan is visiting at the home of Prof. Bromley Smith this week.

John Harris, '12, is spending the Christmas vacation at the home of his parents, Dr. and Mrs. Harris.

Hopler, '17, Lewistown, '18, Rorach, '19, and Day, '20, were among those present at the dance at Milton Friday evening.

F. H. Painter, '10, of Jersey Shore, E. R. Parke, '12, of Altoona, and C. L. Lockard, ex-'18, of Muncy, were guests of their S. A. E. brothers on Saturday.

Rummer, '18, entertained Miss Reba Diefenderfer, of Wilkes-Barre, Friday evening.

Geary, '18, entertained L. Spangle, of Williamsport, at the S. A. E. House Sunday evening. Mr. Spangle is a S. A. E. pledge at the University of Pittsburgh.

State Assemblyman Bideleph, 92, of Williamsport, visited his S. A. E. brothers on Thursday between trains.

WOMEN'S COLLEGE

Christmas is most certainly coming—at least at the Women's College. Thats of exams were dispelled when the last bell for dinner rang on Thursday night. While the girls filed in the quiet sang Christmas carols. Each table was individually and artistically decorated. The dinner lived up to the decorations, extending thru "domestic-science" mince-pie and ice cream. After dinner Louis Hahn, '18, gave a Christmas recitation. Madam De Silva Schoen then sang "Hellige Nacht," our Christmas favorite.

Christmas Party.
On Saturday night a big Christmas party was held in the Parlor and the Living Room of the Woman's College. There were about sixty girls present and all seemed to enjoy themselves thoroughly.

Kappa Delta.
Kappa Delta entertained a number of Freshmen girls by a party in the gymnasium of the Women's College on Friday inst.

Pi Beta Phi.
Pi Beta Phi also entertained on Saturday night with a party to which fourteen freshmen were invited.

Music Students.
Almost all the music students in the Woman's College went to Williamsport to hear Fritz Kreisler last week.

L'AGENDA NOTICE.
All contributions to the literary and humorous departments of the 1918 year book, must be handed to Julius Seebach or Marie Volkmar before January 15. It is important that this date be kept in mind by prospective contributors.

INTERCOLLEGIATE NEWS

The University of Pittsburgh football team, which completed the season without a single defeat, winning victories over Westminster, Annapolis, Syracuse, University of Pennsylvania, Allegheny, Washington and Jefferson, Carnegie Technical and State college, was made up almost entirely of Western Pennsylvania preparatory school boys, the majority of whom showed little class before entering the university. Of the 11 men who formed the Pitt varsity, only one man played college football before entering the university.

The Carlisle Indians will take on a schedule for the 1917 football season which will be much more pretentious than that carried out during the past year, with such moderation, however, as befits the institution. In effect the new Carlisle Indian schedule will not pretend to carry anything like the tremendous burden the Indians have maintained for a little over a decade past, with the exception of the present season, but will revert to the policy so successfully maintained for many years up to about 1906.

NUMBER 12

VARSITY FIVE OFF TO FLYING START

WIN EASY VICTORIES IN OPENING CONTESTS

CARLISLE INDIANS GO DOWN TO 70-21 DEFEAT

Bloomsburg Normal Beaten 55-25.—Fine Team-work Displayed.—Substitutes Show Up Well.—Gettysburg Here Friday.

Bloomsburg Game
The Varsity opened up the basketball schedule on Friday evening, Jan. 5th by defeating Bloomsburg by a score of 55-25. The season was ushered in by a large crowd, and the University Band was also present, furnishing music before the game and between the halves.

The game was not of the kind that will be seen a little later in the season, for the team has not yet hit its stride. With the exception of Murray, who scored eight field goals in the first half, the players had considerable trouble in finding the basket. Young, who played only in the second half, made sixteen of the visitors' twenty-five points.

Captain Garner, Murray, Musser and Boyles are regulars from last year's squad. Siple, who did a little Varsity work last season, is filling the other position at guard and has been showing up well. Others out working for Varsity positions are Gaenzel, Hendren, Silberstein, Waddell, Agnew, Morris and Martin.

Bucknell Bloomsburg
Garner Sontolongo forward
Murray Morgan forward
Musser Holder center
Boyles Jones guard
Siple Hodgson guard

Substitutions: Bucknell, Gaenzel, Hendren, Agnew, Martin, Silberstein, Waddell and Morris. Bloomsburg, Young and Bavalack. Field goals: Murray 10, Garner 1, Musser 6, Boyles 2, Martin 2, Jones 3, Young 6. Referee: Jackson.

Carlisle Game
The Carlisle Indians made their first appearance in Bucknell territory last Friday evening and suffered a defeat at the hands of the Varsity by a score of 70 to 21. The Varsity was going in top form and kept caging baskets at all angles from start to finish.

The playing of the "Redskins" was not of the finest calibre yet they were hard fighters and kept the contest fast and exciting till the finish. Metoxen, forward, was the one bright light on their team, scoring sixteen of their twenty-one points. The small of stature and but sixteen years old, he was the most formidable opponent on the Indian quintet. Murray's work at forward was again one of the features of the game. He was taken out early in the second half and in the time that he played caged nine baskets. Musser and Garner also showed a decided improvement over last week's exhibition, each contributing seven field goals. Boyles and Siple played an unusually good game at guard, keeping the opponent's forwards well under control.

The Varsity will go thru a hard practice this week for the game on Friday night, when it will meet Gettysburg, Bucknell's greatest rival. This game will put the Varsity to a real test and a good game is assured.

Bucknell	Indians
Garner	Metoxen
Murray	Smith
Musser	forward
Boyle	center
Siple	Herman
Goals—Garner, 7; Murray, 9; Musser, 7; Boyles, 2; Siple, Metoxen, 6; Smith, Condon, Waddell, 2; Gaenzel, 2; Agnew. Goals from fouls—Garner 4 out of 12; Boyles, 3 out of 6; Metoxen, 4 out of 7; Herman, 1 out	

STUDENTS SELECTED FOR DEBATING TEAM

MEMBERS WERE PICKED LAST WEEK.

THREE OF LAST YEAR'S TEAM WIN PLACES

Squad Includes Nine Men.—First Debate With Swarthmore Feb. 15.—Western Trip Proposed.—Dual Meets With State and Lafayette.

During the past week students who will compose Bucknell's intercollegiate debating team have been chosen and plans and preparations are under way for a very active season. Nine men have been chosen and these the first three are members of last year's team. The men retained are Beard, '18, Potter, '17, Lenox, '18, Earle, '17, Gormer, '18, Beckley, '18, Reamer '20 and Duffee, '19. The last three named are alternates.

The schedule, while still incomplete is shaping in fine order and in every way equals last season's program. Negotiations are also under way for a trip through western Pennsylvania during the winter term, a new feature in this line of activity at Bucknell. The first debate, a single one with Swarthmore, will take place here February 15. The negative side of the question which follows will be taken by the visiting debaters.

"Should Congress enact legislation to compel arbitration of disputes between organized labor and capital?" Two dual debates will follow the Swarthmore date, one with State College and the other with Lafayette. The exact time for these contests is not yet decided, but will be late next month and early in March. Similar dual meets took place with these colleges last year and with a live question of the day, promise is given of exceeding former interesting debates. Nothing definite has developed relative to the negotiations for the proposed western trip but plans are being formed as rapidly as possible.

A meeting of the members on the team took place in the week under the supervision of Professor Fries and a definite plan of preparation for the first debate will be followed in weekly meetings in addition to individual work by the members.

SOLDIER STUDENTS SOON TO ARRIVE FROM BORDER

LEWISBURG LAYING PLANS FOR A ROUSING BIG RECEPTION.

Bucknell's soldier-students will soon be back on the "Hill." Tuesday of Wednesday of this week will see the home-coming of Troop M, 1st Penna. Cavalry with a number of students and graduates of the University. Here they are: Corporal Dale Spotts, '18, Corporal Oliver A. Heiter, '19, Corporal M. M. Earle, '18, Trumpeter '1. A. Johnson, '18, First Lieutenant Cloyd N. Steininger, '03, Corporal Chas. Groover, '15, Baker W. Spyker, '16, William A. Cavley, '15, and Derb Bartholomew, ex-'16. The people of Lewisburg are planning a gala week in honor of the returning boys. Friday night there will be a big parade followed by a banquet at the Baker House. The Bucknell Band will participate in the parade and a section composed of Bucknell students will also be formed. Come to South Third street at 7:30 Friday night and join in the demonstration.

CARVER, '14, AT FORT LEAVENWORTH

Lieutenant C. B. Carver, '14, U. S. A., who was recently appointed to the Engineer Corps, is now in attendance at the Army Service School at Fort Leavenworth, taking the prescribed courses in Engineering, Military Art, Sanitation and Law. Lieutenant Carver, better known as "Nick" while at Bucknell, graduated from the civil engineering course in 1914.

GETTYSBURG FRIDAY

Bucknell will meet Gettysburg on Friday afternoon at 4:15.

WILLIAMSPORT CLUB

A meeting of the Williamsport Bucknell Club is called for Tuesday afternoon at 4:15 in Room 11. All students from South Williamsport or Williamsport are asked to attend whether or not they are members of the club. Arrangements will be made at this time for taking the picture for the L'Agenda.

SIGS WIN FIRST GAME

The first game of the inter-fraternity league resulted in a victory for the Sigma Chi over the S. A. E.'s by a score of 23-18. The game was hard fought all the way through and the outcome was in doubt till the final whistle blew. Boyles, of the Varsity, refereed the game.

DR. HAMBLIN IMPROVED

Dr. T. F. Hamblin, of the college faculty, is greatly improved in health since his return from the Williamsport Hospital. He is again able to be about, but is still in a rather weakened condition as a result of his long illness.

GLEE CLUB WILL SING

The Bucknell Glee Club will sing tonight at the Lewisburg Lutheran church preceding the lecture by Mrs. Ella M. George, president of the W. C. T. U. in the state.

LOCALS AND NON-FRATS IN BASKETBALL LEAGUE

SCHEDULE OF SIX GAMES WILL BE PLAYED DURING TERM.

The local fraternities and the non-fraternity men of the University have organized a basketball league. The plans of this league are now complete and a constitution has been drawn up and accepted by the board of directors. Professor Earle has been selected to act as president and as faculty representative.

These games will be held under the auspices of the Athletic Association on Monday evening of each week. Admission will be charged but a season ticket will admit the holder. The proceeds are to go to the Athletic Association.

The object of the league is to promote interest in basketball and further good fellowship about the college. A schedule has been arranged which is as follows:
an. 22.—Forum vs. Demosthenian.
an. 29.—D. T. U. vs. Demosthenian.
Feb. 5.—Forum vs. Non-Frats.
Feb. 12.—Demosthenian vs. Non-Frats.

Feb. 19.—D. T. U. vs. Forum.
Feb. 26.—D. T. U. vs. Non-Frats.

REVISED BASKETBALL SCHEDULE

The Varsity basketball schedule published last term contained a number of games which were pending. The ratified schedule contains two games less; the Jan. 26 and Feb. 2 games having been dropped. Seventeen games in all will be played.

The following is the revised schedule:

Jan. 5.—Bloomsburg at Lewisburg.
Jan. 12.—Carlisle at Lewisburg.
Jan. 19.—Gettysburg at Lewisburg.
Feb. 9.—Lebanon Valley at Lewisburg.
Feb. 16.—Muhlenburg at Lewisburg.
Feb. 19.—Georgetown Univ. at Washington, D. C.
Feb. 20.—Mt. St. Marys at Emmetsburg, Md.
Feb. 21.—Gettysburg at Gettysburg.
Feb. 22.—Albright at Myerstown.
Feb. 24.—Franklin and Marshall at Lewisburg.
Mar. 2.—Susquehanna at Lewisburg.
Mar. 9.—Albright at Lewisburg.
Mar. 10.—Rochester Univ. at Rochester.
Mar. 12.—Niagara Univ. at Buffalo.
Mar. 13.—Canisius at Buffalo.
Mar. 14.—Susquehanna at Selinsgrove (pending).
Mar. 16.—Bucknell Alumni at Lewisburg.

SKATING SPOILED.

Saturday's snow put a crimp in skating in Buffalo creek. A number of students enjoyed the sport while it lasted.

FOOTBALL SCHEDULE SHOWS CHANGES

1917 SCHEDULE RATIFIED BY ADVISORY BOARD.

LIST INCLUDES FIVE GAMES AT HOME

Swarthmore, Indians and Susquehanna to Play Here.—Play Penn Oct. 20.—Gettysburg at Harrisburg.—Eleven Games in All.

Bucknell's 1917 football schedule as ratified by the Athletic Board contains eleven games, five of which will be played on the home field. The list bears only a slight resemblance to the 1916 schedule, seven out of the eleven teams being newcomers. Albright, Penn State, Muhlenburg, New York U., Princeton, Washington and Lee, Georgetown and Lebanon Valley, opponents of last year, will not be met.

Bloomsburg Normal, as usual, will be the opening attraction on September 22, the first Saturday after the opening of school. This game together with the Mansfield Normal game on the following Saturday will give the Varsity a good chance to get a shape for the harder games to follow.

The big home attractions are Swarthmore, Oct. 13, Indians Nov. 10, and Susquehanna on Thanksgiving Day, Nov. 29. The annual game with Gettysburg at Harrisburg will be played Nov. 17.

The schedule as a whole is not an easy one, but a considerable "let down" from the one of last fall. The games in which the Varsity met with serious injuries will not be repeated. The election-day game with New York University has also been dropped; three games in seven days proving too much of a strain on the players. Four of the teams may be said to be out of Bucknell's class, but the games occur before the important contests of the opponents and should not put the varsity in the poor physical condition of last fall.

Baker, tackle and Hopler, fullback, will be lost by graduation. The rest of the 1916 team, with the exception of next year's class, will endeavor to put Bucknell back on the football map. "Johnny" Hendren will captain the team and play fullback. Trimble, '18, will be manager.

Below is the complete schedule:

FOOTBALL SCHEDULE.

Sept. 22.—Bloomsburg Normal at Lewisburg.
Sept. 29.—Mansfield Normal at Lewisburg.
Oct. 6.—Swarthmore at Lewisburg.
Oct. 13.—Colgate at Hamilton, N. Y.
Oct. 20.—University of Pennsylvania at Philadelphia.
Oct. 27.—Cornell at Ithaca.
Nov. 3.—Carlisle Indians at Lewisburg.
Nov. 10.—Syracuse at Syracuse, N. Y.
Nov. 17.—Gettysburg at Harrisburg.
Nov. 24.—Dickinson at Carlisle.
Nov. 29.—Susquehanna at Lewisburg.

FRESHMAN DEPARTMENT.

Perhaps you've forgotten it, but a ruling was recently passed in Senior Council to publish all names of Freshmen who are to appear before the council at the next meeting. Expecting at least a dozen names, the editor reserved half a column for this department. Imagine the disappointment when only one name was handed in. Stick has the honor of occupying the reserved section in this issue by himself. Senior Council meets Wednesday night at 6:45 in the Y. M. C. A. Room, West College. All names must be handed to the editor before Monday noon of each week. Don't laugh! Your turn may be next.

UPPER CLASSMAN'S JOKE

A woodpecker sat on a freshman's head. And settled down to drill. He bored away for half a day And finally broke his bill. —Exchange.

Entered at the Lewisburg post office as second class matter. Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, JANUARY 15, 1917.

THINK IT OVER!

There has been some misunderstanding of late among the students in regard to athletic teams other than the Varsity playing games out of town. If the students had known the ruling concerning this practice, it is more than likely that the mix-up of last week would have been avoided. The ruling prohibits any group of students from playing athletic contests with out-of-town teams except by permission of the Advisory Board of Athletics.

The purpose of this ruling is evident. Any team that leaves Bucknell, no matter what name the men are playing under, is likely to be represented in the newspapers as the Bucknell Varsity. This invariably happens, for it is impossible for the university to place any restrictions on the teams in the nearby towns. The only manner by which these mistakes can be eliminated is to place restrictions upon those over whom the university has control, and prohibit teams other than the Varsity from leaving the college without permission.

We know there are students here who believe that student teams should be free to come and go as they please, but the result of such a policy would soon give all the "one-horse" teams in the country the satisfaction of having beaten Bucknell.

This article is not written for the purpose of knocking any particular group of players, but to explain the ultimate results of the practice in general. Some of the teams have had excellent players in their line-ups, and as far as playing ability goes, have done credit to themselves and college, but a rule must cover all cases or it is useless. In view of this fact the students should cooperate with the Athletic Committee in its endeavor to stop the above-mentioned practice.

Practically all colleges have a similar rule; a fact which shows that the same viewpoint is held by college authorities in general. We hope that Bucknell students will not hesitate to observe the ruling on this matter hereafter.

COMMUNICATION

Generally speaking complaints and criticisms offered in these columns by students and friends of Bucknell, are given careful consideration and attention by those in authority; but as yet no lights have been in-

stalled in the University Library, although this matter has been the subject of much discussion and dissatisfaction among students for over a year. How much longer must such an obvious inconvenience go unremedied?

During the short winter days most of us find our time for library reading limited to the late afternoon. At his time of year daylight begins to fade shortly after four o'clock, and soon after that hour it becomes practically impossible to do any kind of reading in the library. The chemical and biological laboratories, being well lighted, are open to all times to students of those departments and it is difficult to see just why students in other departments should not have an equal right opportunity to do their reference and research work in a well-lighted library. To ask for this in a library, a place in which good lighting is such an important factor, is a request, neither unreasonable nor expensive; but it is a practical and an exceedingly important improvement, of which Bucknell is sorely in need.

1917 COMMUNICATION

There is lots of cold weather coming and there are numbers of students who enjoy skating, but will not be able to indulge in the sport on account of the lack of a convenient place to skate. Why not flood the University Athletic Field, which is at present lying useless and provide a safe and handy skating pond? The field can easily be flooded. All that is needed is some skating fan who will take the initiative and start the movement. Who will do it?

ENGINEERING NOTES.

The first meeting of the term for the Mechanical Engineering society took place on Monday evening of last week. Case, '17, gave an interesting talk on "The Jersey City Water Supply Station at Bontonn." It was decided by a unanimous vote of the members to secure several prominent men in the engineering world to address the society at some time during the term. President Hollis of the A. S. M. E., will probably be one of the speakers. Further announcements will be made as the present plans are further developed.

CIVILS.

An effort is being made to increase the membership of the Bucknell Civil Engineering society and the cooperation of every civil in school is desired. By an amendment passed early in the year first year men are eligible and their presence at the meeting is desired. Freshmen who are not taking advantage of this opportunity to meet the other Civils, and to hear interesting papers on engineering developments are missing something, and should not wait longer before becoming members.

The next meeting will be held on Monday, January 15, at 7 o'clock in Room I Main Building. Papers will be presented by Swope and Matlack. It's every Civil's duty to be there.

CHEMICALS

The members of the Chemical Engineering Society met Thursday evening and enjoyed an instructive talk by E. S. Pedigo, '17, who told of "From Hide to Sole Leather," dealing with the chrome process of tanning leather. The secretary of this society requests that all chemical engineers watch the bulletin board for the announcement of the date for taking the L'Agenda picture.

A number of Harvard students will enlist in the ambulance corps in France early in the spring. Carter, the captain of the tennis team, has resigned his position as captain, to become a member of the corps. Oregon's victory in football over Penn on New Year's day has opened the eyes of eastern critics. The western farmers know more about the game than the east gave them credit for and won out in a clean-cut 14-0 victory.

"WHAT IS A CHRISTIAN?" DR. PHILLIPS' SUBJECT PRACTICAL QUESTION DEALT WITH IN COLLEGE BIBLE CLASS

Yesterday morning Dr. Phillips in the College Bible Class gave the first of a series of addresses designed to answer the questions that arise in the mind of the thinking college student with regard to religion and life. In his experience in Christian work at Bucknell Professor Phillips has found that in every generation of students there arises an urgent cry for light on these problems which the college men and women are discussing in their private conversation. "It is the growing soul in the midst of an important intellectual world trying to get light." These questions must be answered in consideration of the depth of meaning back of them.

In one of the discussion groups the question was raised, "What does a fellow have to do to be considered a Christian? What dare he do and dare not do?" It was in answer to these questions that Dr. Phillips spoke on "Who is a Christian?" Such a question must be answered, not by quotation from the Bible on which the questioner may be shaky, but by reasoning from his point of view. If we answer the question by saying that a Christian is one who follows Christ, we simply transfer the question to one of "What is it to follow Christ?"

To this latter question there is a double method of answer. First of all we may answer in terms of the local and temporary and we find ourselves coming down through Christian history from the definition of a Christian as a pioneer missionary like Paul, to a learned teacher of Christian doctrine in the Greek period, to an unreserved crusader in the time of the Crusades, a reader of a certain church in Reformation times. But in modern times, when the world is more universal and people think in terms of the universal and the eternal rather than of the local and temporary, this second aspect of the universal and eternal must be more emphasized. We now ask, "What is it to follow Christ, essentially?" The answer to this question is a double one; for following Christ now demands a recognition of the presence of evil in the world and a dependence on God to remove the evil.

The Christian depends upon the power of God as revealed in Jesus Christ for removing the evil. Now the principle of Christ's life was love. As John said, "He that loveth is begotten of God and knoweth God." Human love is not perfect or absolute but it is essential. Love is present in all human life and association from that of the most primitive native of South Africa. Love marks the distinction of man from the brute. A Christian, then, is one who accepts love as revealed in Christ as the means of overcoming the evil that is in the world. Jesus revealed to us that the fundamental and eternal power to overcome evil is man's love; by the development of Christianity the realization of that love is made possible.

PROF. LOMAX AND THE AMERICAN BALLAD "SONGS OF THE COWBOY" ON THURSDAY OF THIS WEEK.

While attending the meetings of the Modern Language Association at Princeton during the holidays, Prof. Lomax had an opportunity of hearing Prof. Lomax talk on the "Songs of the Cowboy." He was greatly pleased with what he heard and is glad that we are to be favored with a similar lecture on January 25.

Prof. Lomax is now making a tour of the colleges and universities of the East and we congratulate the University Club on having secured him for our town and college. A few comments from men who have heard him will make this evident. "I want to tell you how much pleased we all were with your talk on Cowboy Ballads. Few lectures delivered at our university have been so successful." The students, as you must have seen, were delighted, and the members of the Faculty who were present were equally interested. I hope we shall have a chance to hear you again next year.—Professor G. L. Kittredge, Harvard University.

WOMEN'S COLLEGE

Miss Schilling is back at school again and has resumed her duties after a short absence.

Everyone in the Woman's College was surprised to find new lights in the living room upon returning. Compared with the old room of a year ago, the living room of today is luxurious.

Mrs. Corson, of Bridgeton, N. J., a former student of Bucknell, visited during the past week.
Miss Hazel Florin had as her guest over the week-end, Miss Isabelle Bates and Miss Beryl Wisinger, of Williamsport.

Dr. and Mrs. Judd were at the Women's College for dinner Friday evening.

Mary Reese, '17, had as her guest for dinner Friday night Miss Klose of Milton.

Aileen Johnston, '17, was re-elected president of the Student Executive Association.

HILL GOSSIP

Painter, '17, was a Williamsport visitor on Saturday.
Kneuse, '17, has returned to school after a term's absence.

Clark, '18, and Eshelman, '18 spent Sunday at Montgomery.

Herman, '19, visited relatives in Sunbury over Saturday and Sunday.
Davis, '16, was a visitor at the Kappa Sigma House at the opening of the term.

George Ireland, '15, of Sparrows Point, Md., was back in Lewisburg at Christmas time.

Dr. M. R. Haag, of Lock Haven, was a guest of Rommer, '18, on Friday and attended the Carlisle game.

Joe Weber, '17, registered recently for the winter term, after being absent from the university since last spring.

Russell Hamblin, '14, who is an instructor in Milligan College, Tennessee, spent the Christmas holidays with his parents, Dr. and Mrs. T. F. Hamblin.

McLernout, '19, has brought a collared Boston Bull dog back to Bucknell with him this term which he received as a Christmas present. The dog is reported to have "(6)2" colored ancestors.

Mr. Van Horn, a student in the dental department at the University of Pennsylvania, who was an S. A. E. pledge at Bucknell last year, spent a few days at the S. A. E. house last week.

DELTA THETA UPSILON CHRISTMAS DANCE

On Wednesday evening, December 20 Delta Theta Upsilon gave its formal Christmas dance in the Lewisburg Club. The hall room was tastefully decorated for the occasion with Christmas and Christmas colors. A huge bell suspended in the center of the floor added much to the novelty of the decorations.

The patrons were as follows:
Mrs. Carl Millward, Mrs. Frank M. Simpson, Mrs. Nelson P. Davis, Mrs. William Leiser, Mrs. W. Frank Noyes, Mrs. H. Grant Dreishach, Mrs. A. W. Johnson, Mrs. H. Eyer Spyker, Mrs. Llewellyn Phillips, Mrs. Norman H. Stewart and Mrs. Lee Ranck.
Out of town guests were: Miss Ruth Winton, Erie; Miss Alice Barnhart, Bellefonte; Miss Genevieve Farmer, Syracuse; Miss Mary Hill, South Benton, Va.; Miss Helen Metz, Northumberland; Miss Florence Gots, Eldorado; Miss Sara Hilbish, Northumberland; Miss Aline F. Holloper, Syracuse; Miss Kathryn Matthews, Sunbury; and Miss Margaret Francis, Shamokin.

Guests of the fraternity were: H. H. Difenderfer, Frank Rohrbach, W. R. Heckendorn, Clifford C. Deck, Dale Crawford, Chester Koefler, Meredith L. Abbott, David C. Shilling, Lewis A. Eaton and Van Kirk Stansbury.
Among the alumni attending were: "Sal" Fisher, '13; "Abe" Smith, '16; T. B. Williams, '15, and P. B. Lewis, '16.

GAME TO-NIGHT.

The second inter-fraternity basketball game will be played to-night between the Phi Gammas and Kappa Sigas. Both fraternities have strong teams.

LEWISBURG, PENNA., MONDAY, JANUARY 22, 1917.

NUMBER 13

Varsity Victor In Thrilling Contest

THIRD VICTORY ANNEXED ON FRIDAY.

GETTYSBURG GOES DOWN BY ONE POINT, 31-30

Game Hard-fought All the Way—Rough Playing at Times—Musser and Boyles Score Most Points—Varsity Weak in Foul Shooting

In the most furious contest that has been staged on the gym floor for a long time Gettysburg went down to defeat at the hands of the Varsity last Friday afternoon. The scrappy margin of one point decided the game; the final score being 31 to 30.

The game started out with a dash which lasted throughout the entire contest. This together with the closeness of the score kept the crowd in a feverish state until the final whistle.

Most of the credit for the victory must be given to Boyles whose brilliant floor work featured the game. Besides this he contributed four field goals, two of them coming in the second half at a critical moment. It was necessary for Capt. Garner, who had an off day in foul shooting, to call on Boyles and the latter made fifty per cent. of his tosses count for points. Had Bucknell's foul tossing been of a better quality victory would have been much easier, for as the tally sheet shows, only nine out of the twenty-eight chances were made good.

The score saw-sawed in the first division and at half-time stood 15 to 11 in the Varsity's favor. In the second half the Varsity obtained a fairly comfortable lead but a spurt by the Battlefield Boys in the last five minutes of play made the game close.

Most of Gettysburg's points came as the result of long shots, several of them being made from the center of the floor. Campbell, their fast center, was well covered by Musser and got only two field goals to his credit. Musser found the basket five times, making several pretty shots; but Murray and Garner were not in their usual good form and missed a number of chances.

This game was a real test for the team and it was clearly demonstrated that they have the goods, so that it is a certainty that a large proportion of the games will result in victories for the Orange and Blue.

The Band was out in force and kept things moving between the halves by playing several much appreciated selections.

Positions Gettysburg
Murray forward Williams
Garner forward Scheffer
Musser center Campbell
Boyles guard Hatch
Sibley guard Baker
Substitutions: Bucknell: Brenner, Gettysburg, Richards, Field goals: Murray 1, Garner 1, Musser 5, Boyles 4, Williams 2, Scheffer 5, Campbell

NOTES OF THE GAME.

Long shots seemed to be Gettysburg's big card. All but two of their goals were made at fairly long distances and Scheffer caught one at a distance of more than one-half the length of the floor.

White, of Steelton, refereed the game and it was a difficult matter to get anything past him.

Musser kept Campbell, Gettysburg's best bet, well under control.

Boyles was injured twice, but fortunately neither time badly enough to keep him from finishing the game.

MUSICAL MERRY MAKERS TO APPEAR TUESDAY

SECOND NUMBER OF LYCEUM COURSE WILL APPEAR HERE THIS WEEK.

The Musical Merry Makers will appear Tuesday night as the second number of the Y. M. C. A. Lyceum Course. Lou J. Beauchamp's lecture was to have been the second number, but his illness last term caused an indefinite postponement and as a result the Musical Merry Makers come second in the course. The entertainment will take place in the Methodist church at 8:15 p. m.

The members of the company are—Richard McGrath, Frederick West and Elsie Luker. Each one is a musician of wide reputation and experience in Lyceum and Chautauqua work. Mr. McGrath is one of the best banjo performers in the country and is sure to make a hit with his clever selections. As a writer and singer of comic songs he is in the "first rank."

Frederick West plays nearly every musical instrument and plays them well. He is equally at home with the fife, cornet, banjo, bugle, saxophone, bag-pipe or piccolo. Miss Luker, a third member is a pianist and reader of exceptional talent. Pianologues are also a feature of her numbers. The company as a whole presents a well balanced program, sure to please all those who attend the entertainment.

THE SPIRIT OF THE WEST.
It's the spirit of the big West that the "Songs of the Cowboy" reflect. They are imbued with action and frequently full of power. While in "The Cow Camp and on the Cattle Trail" the cowboy loves to recite or sing verses of poetry. Many of them are anonymous, in verse or melody, and form ballads that are far more distinctively American than the songs of the Negro.

No student of Bucknell, anxious to learn the various elements of American civilization can, therefore, afford to miss Professor Lomas's lecture on the "Songs of the Cowboy" on Thursday at 8 p. m.

STUDENTS MARCH IN BIG PARADE

AID IN WELCOMING HOME THE SOLDIERS.

COLLEGE BAND OUT IN FULL FORCE

Number of Students March Behind Band—Do Snake Dance on Market Street—Citizens Band and West Milton Band in Line.

Practically the entire student body turned out for the parade of last Friday night in honor of the returned soldiers, among whom are a number students and alumni of the University. Led by the University Band, Bucknell students kept things lively in their section of the parade by their spirited cheering and on Market Square the fellows zig-zagged back and forth across the street in a well-executed snake dance.

The parade as a whole was highly successful. Besides the Bucknell Band there were the Citizens Band, of Lewisburg and the West Milton Band, each at the head of a division. Pancho Villa and Uncle Sam also found their way into the line-up and caused much comment by their resemblance to the originals. After the parade the soldiers were given a royal banquet at the Baker House by the citizens of Lewisburg.

The following students and alumni are with the returned soldiers: Corporal Dale Spatter, '18, Corporal Oliver A. Heiter, '19, Corporal M. M. Earle, '18, Trumpeter M. A. Johnson, '18, First Lieutenant Cloyd N. Steininger, '03, Corporal Clair Groover, '15, Baker W. Spyker, '16, William A. Cawley, '15, and Derb Bartholomew, ex-'16.

GLEE CLUB WILL TAKE WEEK TRIP

LEAVE FIRST WEEK IN FEBRUARY.

TRIP WILL TAKE IN THE WESTERN PART OF STATE

Orchestra of Twelve Pieces to be Taken—Twenty-seven Men in all—Alumni Aid in Securing Dates—Another Big Trip Later in Term.

The Bucknell Glee Club is well on its way toward making a name for itself and also for the University, judging from facts disclosed in connection with the week trip of the Glee Club and Orchestra which will take place the first week in February. For the first time in the history of the club and after two years of preparation, the first big trip is scheduled and will take in the western part of the state.

So exceptionally successful have been arrangements with western cities that it is decided to make the trip an annual one. Ward from Greenville states that the tickets are going rapidly and an overflowing house is assured and news from other towns belated gives similar satisfaction. The fellows, about 25 in number and Prof. Stoiz who is daily directing both the club and orchestra, will leave Tuesday, Jan. 30 and return about Thursday of the following week. On Sunday the club will split into two double quartets which will give sacred concerts at Corry and Greenville.

The schedule arranged gives the first number at Hollidaysburg, Jan. 30. The other numbers are as follows: Corapolis, Jan. 31; Greensville, Feb. 1; Linville, Feb. 2; Erie, Feb. 3; Bradford, Feb. 5; and Port Alleghe, Feb. 6.

The Glee Club will carry about 16 men and the Orchestra will be a 12-piece one. The quartet will consist of Pedigo, first tenor; Puff, second tenor; Botts, baritone and Prof. Stoiz, bass.

The other members chosen for the trip are: First tenor: Pedigo, '17; Thomas, '19; Gandy, '19; and Puff, '18. Second tenor: Fairheller, '18; Lunk, '20; Warner, '20; and Sprengle, '17. First Bass: Lutz, '20; Dowdy, '20; Seelbach, '18; and Sherk, '20. Second Bass: Dotts, '19; Mower, '18; Calkin, '17; and Mackey, '18. Orchestra: First Violin, Eshelman, '18; Lowry, '19; Herman, '19; Derry, '20; and Negro, '20. Cornets: Cassler, '18 and Willis, '20. Trombone: Sprengle, '17

MONDAY, JANUARY 22, 1917

DON'T MISS THIS

Bucknell is fortunate in securing Professor Lomax's lecture on the "Songs of the Cowboy" for Thursday night of this week. Professor Lomax's lecture contains something new on the American Ballad and is of special interest to college students. Other colleges throughout the country have given him an enthusiastic reception and Bucknell will undoubtedly give him a crowded hall when he appears this week.

HAVE A CARE!

Some students seem to forget the purpose of the referee at a basketball game. At the first instance of rough play, some one starts that old melody "Take him out," and in a very short time the song is taken up in the four corners of the Gymnasium. This song has become so popular of late that a recent visitor asked if Bucknell had not adopted it as her college song.

Whether you think so or not, the referee does not need your help. The men who have had charge of the home games this year have proved their ability to keep the games under control without outside help. What's more the home players don't want that kind of aid. If an opposing player gets too rough for the good of the game let the referee be the judge, for it is impossible for the students to judge from an impartial standpoint.

Don't think just because some one yells "Take him out," that this is the only thing to be done. Instead of following the leader like sheep, take a good look at the fellow who started it and perhaps you won't care to follow his example.

If you don't have any respect for yourself, at least remember your college and let the referee manage the remaining home games on the schedule.

WATCH THE TIME!

If the Varsity schedules a game for Friday night, the time of the Junior Debate will be changed to 8:30 instead of 8 P. M. The game will then be played early—7 or 7:30—in order to enable the students to attend both the game and the debate.

1919 L'AGENDA ELECTION

An important meeting of the Sophomore class is called for Wednesday afternoon at 4 o'clock in the chapel. The chief item of business will be the election of Editor, Manager, and committees for the 1919 L'Agenda.

RESERVES WIN EVERY CONTEST ON THE TRIP

PHILIPSBURG, CLEARFIELD AND DUBOIS BEATEN BY BIG SCORES.

The reserve basketball quintet completed a very successful trip last week, meeting three hard teams and carrying away a victory in each contest. The team, which was composed of Dorris, Gearhart, Hurley, Hendren and Martin, left Lewisburg on the 1.05 train Thursday noon and met Phillipsburg Thursday evening. Here the "Scrubs" came out on the big end of a 49-21 score.

On Friday they journeyed to Clearfield where they met the Y. M. C. A. team Friday evening. This was the easiest game of the trip Clearfield getting a 58-24 whipping.

The last game was played at Dubois on Saturday evening. The Dubois five proved to be a more formidable team than either of the other two and at half-time the reserves were on the bad end of a 13-11 score. But in the second half the Bucknell boys came back strong and scored 19 points winning the game by a score of 30 to 22.

Dorris was the all-around star of the team. He caged 22 baskets in the three games. Only five men were carried on the trip. They lined up as follows: Dorris, forward; Gearhart, forward; Martin, center; Hurley, guard; and Hendren, guard.

PRIZES OFFERED TO COLLEGE MEN

SUBSTANTIAL AWARDS FOR THE BEST ESSAYS ON MILITARY TRAINING.

Prizes of \$100, \$50, \$25, and \$10 each are offered by the Maryland League for National Defense for the best essay of not more than 1,000 words on "Universal Obligatory Military Training and Service." Because of the very important part which college men must have in the system of defense, an especial effort is made to have collegians familiar with the vital principles underlying any sane system of Military Training. The contest is intercollegiate, and coming at this time, when the chief topic of discussion is the homecoming of the "Johnnies," a large amount of material on the assigned subject should be available.

The judges of the contest will be representatives of five Baltimore papers: S. L. Davidson, of the Sun; Joseph Y. Brattin, of the Baltimore American; James Locke, of the Baltimore Evening Star; and Walter R. Hough, of the Star.

The rules governing the contest are: Essays must not exceed 1,000 words. Only one side of the paper is to be used. All essays are to be typewritten. The name and address of the author must appear on the upper left-hand corner of the first page of each essay.

All essays must be received at the office of the league, 810 Garrett Bldg., Baltimore, Md., before February 15th, 1917.

All essays received are subject to use by the league. Articles and information on the subject will gladly be furnished by the league. It is desirable to compete for the essay by writing from one viewpoint rather than to present a general discussion of the subject.

PHI GAM FRESHIES HOSTS

The pledge members of the Phi Gamma Delta fraternity entertained the members of the fraternity at the house on University avenue Saturday evening at an informal dance. The fraternity orchestra played. Chapmans were Prof. and Mrs. Bromley Smith, Merle Edwards and Mrs. Gearhart.

MINISTERIALS NOTICE.

Dr. and Mrs. Leroy Stephens will entertain the Ministerial students of the University at their home on South Sixth street at 7:30 p. m., tonight. Every ministerial is urged to be present.

ORCHESTRA WILL PLAY

The Bucknell orchestra will be an added attraction at the Junior Debate next Friday evening.

DR. PHILLIPS SPOKE ON "SCIENCE AND BIBLE"

SUBJECT FOR BIBLE CLASS DEALS WITH ANOTHER PRACTICAL PROBLEM.

There are two parts of the Bible which, on the surface, conflict seriously with science: the beginning of the world as described in Genesis and the end of the world as foretold in Revelations.

Most difficult, however, is manifested in the account of the beginning of the world. The Bible represents the development of the world up to its present state as occupying six days, science as occupying aeons. The Bible tells us that the human race originated in one place from a fully developed pair of human beings; science reveals man as a gradual development, not from a single pair.

The attempt to reconcile the two accounts Dr. Phillips said he was tempted to describe as almost childish. The first attempt is that of asserting that the "day" of Genesis is meant to be an aeon or indefinitely long period of time, the second explains to us that the Bible is not science but religion and that since these two fields of knowledge are entirely different there can be no conflict. This is not time for the two fields are not isolated, they overlap each other.

The conflict comes from misunderstanding—the cause of most controversies. This misunderstanding centers around the idea that the Bible is final in everything and a fixed, closed book; with the corresponding idea of science; that the Bible is not to be disputed in fact or principle and neither is scientific theory. First, the Bible is not a closed book, because it does not claim to be. Let us treat the Bible as Jesus did, who corrected it frequently as in the discussion of the cleanness of meats. Secondly, science is not closed or final because, since science is the formulation of the explanation of facts and since the human mind is not yet perfect, the formulation it makes cannot be final.

If, then, neither science nor the Bible is final or closed, is a reflection cast on the Bible? Science is modern reason explaining the world. Therefore, if we follow Christ we take these conclusions arrived at by modern reason and apply them to the Bible. We find that the writer is in error and this is Paul's view, who said, "Whereunto ye have attained, therein walk." Naturally, the objection arises "If we do this, where will the Bible go?" It will be stronger than ever, because if the Book has stood these attacks, and still is recognized as the best book on how to live, it can still stand; because reason is inherently good and the unhampered use of reason will bring man to the light; because the moral principle the fundamentals in the Bible and in science are the same. It is the Golden Rule whereon "hang all the laws and the prophets."

In conclusion Dr. Phillips quoted from Thomson and Colles two eminent scientists: "The ideal of evolution is no gladiator's show, but an Eden; and though competition cannot be wholly eliminated, it is much for our pure nature history to see no longer struggle but love as 'creation's final law.'"

CALENDAR

Monday—Glee Club rehearsal 8 P. M. in Bucknell Hall. Phi Kappa Psi vs. Phi Gamma Delta. Forum vs. Demosthenian in gym.

Tuesday—Musical Merry Makers 8. 15 in Methodist church. Y. W. C. A. at Women's College.

Wednesday—Senior Council 6:45. Organ recital Dr. J. Fred Wolfe, Women's College 8 P. M.—Junior committee 9:30 in Y. M. C. A.—Sophomore meeting 4:15 in chapel.

Thursday—Prof. Lomax on "Cowboy Songs" 8 P. M. in Bucknell Hall.—Sigma Alpha Epsilon vs. Kappa Sigma in gym.—Deutsche Verein 7 o'clock in Women's College.

Friday—Junior debate in Bucknell Hall.

Sunday—College Bible Class 9:30 in Baptist church.

GAME LIKELY

Arrangements are under way for a Varsity basketball game Friday night either with the Harrisburg Independents or the Williamsport Big Five. Further notice will be given later in the week.

DR. PHILLIPS SPOKE ON "SCIENCE AND BIBLE"

SUBJECT FOR BIBLE CLASS DEALS WITH ANOTHER PRACTICAL PROBLEM.

There are two parts of the Bible which, on the surface, conflict seriously with science: the beginning of the world as described in Genesis and the end of the world as foretold in Revelations.

Most difficult, however, is manifested in the account of the beginning of the world. The Bible represents the development of the world up to its present state as occupying six days, science as occupying aeons. The Bible tells us that the human race originated in one place from a fully developed pair of human beings; science reveals man as a gradual development, not from a single pair.

The attempt to reconcile the two accounts Dr. Phillips said he was tempted to describe as almost childish. The first attempt is that of asserting that the "day" of Genesis is meant to be an aeon or indefinitely long period of time, the second explains to us that the Bible is not science but religion and that since these two fields of knowledge are entirely different there can be no conflict. This is not time for the two fields are not isolated, they overlap each other.

The conflict comes from misunderstanding—the cause of most controversies. This misunderstanding centers around the idea that the Bible is final in everything and a fixed, closed book; with the corresponding idea of science; that the Bible is not to be disputed in fact or principle and neither is scientific theory. First, the Bible is not a closed book, because it does not claim to be. Let us treat the Bible as Jesus did, who corrected it frequently as in the discussion of the cleanness of meats. Secondly, science is not closed or final because, since science is the formulation of the explanation of facts and since the human mind is not yet perfect, the formulation it makes cannot be final.

Lewis, '16, spent Sunday at the D. T. U. House.
Mitterling, '15, took in the parade Friday night.

Clark, '18, spent the week-end at his home in Canton.

Hassrick, '18, journeyed to his home in Muncy Saturday.

Umlauf, '18, entertained his brother, Norman, over the weekend.

Herbert Arnold, '18, of Houtzdale, spent a few days here last week as a guest at the S. A. E. house.

Mr. and Mrs. Jesse Bell and Mrs. Dorris, of Nanticoke, autored to this place on Sunday, where they visited at the Phi Gamma house.

S. A. E. basketball five played the Stag Club, of Lock Haven Monday evening, losing by the score of 41-26. The local line-up consisted of Miller and Ziegenfuss, forwards; Peale, center; and Geary and Hopler, guards.

WOMEN'S COLLEGE

Two different bunches of girls from the Woman's College started gaily forth in big "sleigh-wagons" in opposite directions last Saturday afternoon. One bunch had to get out and walk part way back home but it was lots of fun anyway they say.

Helen Walton, '20, Elizabeth Downs, '20, Ethel Mitchell, '20 and Agnes Curwell, '19, entertained Elizabeth Walton, Martha Downs, Martha Shen, Dolores Ward, Anne McCue—Katharine Johnson, '20, and Dorothy Villinger, '20, had Bernice Cowdick and Katherine Sallada, all of Williamsport, over the week-end.

Y. W. C. A. NOTES

At the meeting of the Y. W. C. A. last Tuesday a most enjoyable program was given by the teachers of the Music Department. Jane Cooke conducted the program of the evening.

Miss Hardesty, Festival Offertorium; Madeline de Sylva Schoen, Abide With Me; Miss Stear, Gavotte in A flat minor; Miss Brown, O Divine Redeemer; Miss Armstrong, Solo in G chord; Miss Kramer and Mr. Adams, Kammerli Ostrow.

STUDENTS ORGANIZE DEUTSCHE VEREIN SOCIETY REVIVED AFTER A LAPSE OF SEVERAL YEARS.

Members of the advanced German classes in the college, met and re-organized a Deutsche Verein at the Women's College, Thursday evening of last week. In former years this society was a thriving organization but in the last two years interest lagged somewhat and as a result the society ceased to exist for a short time. A revived interest demanded the re-organization of the society and Thursday night's meeting came as a result. Over thirty students were present to help with the re-organization. Professor Riemer of the faculty was present and outlined the work of the former society. A program committee and committee on by-laws and constitution were appointed during the course of the meeting. It was also decided to order German Song Books for use in the meetings. The next meeting will take place Thursday evening of this week at 7 o'clock. The place of meeting is the Schoolroom of Women's College.

The following officers were chosen to serve for this term: President—Donner Ackerman, '17. Vice President—Marie Volkmar. Secretary—Mary Bubb, '17. Treasurer—Mary DeWoes, '18. Critic—Harry Wilson, '17.

NEW COURSE AT PENN STATE TEACHERS TO BE INSTRUCTED IN CONTINUATION SCHOOL WORK.

Demand for teachers in the continuation school has led to the establishment of a training school at State College. The new courses will be operated in connection with the regular summer session.

Instruction will begin the last week in June. Any teacher holding a state certificate, who has taught one year in Pennsylvania, or who has graduated from a normal school, will be entitled to attend without paying additional tuition charges.

L'AGENDA TO MAKE EARLY APPEARANCE

WORK ON 1918 YEAR BOOK IS
PROGRESSING.

WORK TO BE IN HANDS
OF EDITOR FEB. 15

Grit Publishing Co., Will Do Printing.—Cuts of Student Life on the Mexican Border.—Issue Ready Early Next Term.

Along with the rapid passing of the Winter term another number of the year book, the L'Agenda, is progressing and gives promise of an excellent edition. The book is scheduled to appear from the printers on or about April 15. Editor Bower and Manager Hindman with their L'Agenda board are working industriously and material and pictures are already well assembled.

It is the intention of the editor to have write-ups for each department of the book in his hands not later than February 15 at which date he expects to turn the material over to Grit Publishing company, of Williamsport, which is getting the publication out for the third year. Manager Hindman, who has charge of the pictures for the volume, has them nearly all assembled and the cuts are being made so that no hold-up will cause delay in rushing through the printing in systematic order.

Editor Bower states that all who are preparing write-ups or desire to offer material for the book, must hand it to himself or one of his assistants not later than February 5 so that the book will be able to go to press on schedule time, February 15.

In the book itself there will be no radical changes made, although several new features are being introduced in some of the departments. The Junior class is much larger this year and the individual write-ups and photos will take up considerable more space but the size of the volume will remain about the same as last year's issue. Among the new features to be introduced will be some pictures of Bucknell students on the Mexican border. The cover decided upon is an attractive, deep shade of green and will as usual be bound in both cloth and leather. To whom this number is dedicated has been decided upon, but will not be made public until a later date.

All indications point to an unusually fine volume. The reports from both Manager Hindman and Editor Bower show that the work is advancing well and the students may expect the 1918 L'Agenda to appear soon after the opening of the Spring term.

JOHN C. HENDREN, '19
Captain-elect Next Year's
Football Team

FRATERNITY GAMES TONIGHT.
Phi Gamma Delta will play Lambda Chi Alpha and Delta Theta Upsilon will meet the Demosthenians five in the gymnasium tonight. The inter-fraternity games are stirring up a great deal of interest and a big crowd is expected at to-night's game. The first game will begin promptly at 7:30.

THE BUCKNELLIAN

BUCKNELL UNIVERSITY.

LEWISBURG, PENNA., MONDAY, JANUARY 29, 1917.

NUMBER 14

JUNIOR DEBATERS IN ANNUAL CLASH

PRESENT ARGUMENTS IN THE
CHAPEL FRIDAY.

ARGUMENTS CENTER
AROUND FOOTBALL

"Should Intercollegiate Contests in Football Be Abolished at Bucknell?"—Six Men Take Part in the Contest.

Bucknell life was moved back for several months last Friday night, in the realm of thought at least, when the Junior debaters thrashed out the question, "Resolved, that intercollegiate contests in football should be abolished at Bucknell." The average person would think perhaps, that since football is here to stay, the question is unfair but it was quite evident to those attending the debate that there are two sides to the question.

In former years only four have participated in this debate, but this year, on account of the wealth of material and marked interest in debating, two additional speakers were added. The representatives of the affirmative side of the argument were W. C. Beaver, H. G. Wilson and R. B. Beard while H. D. Gerner, T. J. Beckley and S. D. Lemois upheld the negative.

The affirmative maintained that since the function of a college is educational, all that is not in accord with that function should be abolished. Intercollegiate contests, not only do not help the true college spirit but are directly antagonistic to it. Only a winning team can make a reputation for a school and it is impossible to produce a winning team every year. The negative speakers based their argument upon the effect of these contests upon the school. They emphasized and intensify school spirit. The students both players and on-lookers are recreated and benefited by football as they are by no other game. Football gives a school a reputation, which is valuable and in fact an indispensable asset.

These arguments were presented strongly and forcibly on both sides, making the decision of the winners very difficult. In accordance with the annual custom, no decision will be given but two prizes for individual merit will be awarded on Commencement Day.

SCRUBS LOSE.

The Scrub quintet lost a hard-fought game to the strong Tau Phi Sigma team of Sunbury on Friday night by a score of 25-23. Two of the members of the team failed to put in appearance at the station and as a result the team was in a crippled condition. Hall took the place of a missing regular and played a good game, the team work suffered as a result. Agnew and Martin played stellar games for the scrubs.

GLEE CLUB LEAVES TUESDAY AT NOON CLUB WELL PREPARED FOR THE FIRST LONG TRIP.

The Bucknell Glee Club will leave Lewisburg to-morrow, Tuesday noon, for the week's tour in the western part of the State. Persons in close touch with the club feel confident the program is the best balanced of any in the Glee Club's history. Under the careful supervision of Professor Stoiz the club has reached a higher standard than ever before. Thirty-three men will be taken on the trip.

Here is the schedule:
January 30—Holidaysburg.
January 31—Coronopolis.
February 1—Greenville.
February 2—Conneaut, Ohio.
February 3—Erie.
February 4—Corry.
February 5—Bradford.
February 6—Port Alleghey.
February 7—Return to Lewisburg.

FRESHMEN DEPARTMENT After a week's vacation, the Freshmen Department again takes its place on the front page of this issue. The following Freshmen are summoned before Senior Council on Wednesday night of this week: Beach, Sherk, Clark and Browning. Senior council meets at 6:45 in the Y. M. C. A. room of West College.

JUNIOR WEEK

At a meeting of the committees in charge of Junior week it was decided to postpone the Junior activities until early next term. It was thought inadvisable by members of the committees to crowd in Junior Week at the end of the term on account of the great number of events already scheduled for this time.

INTER-FRATERNITY GAMES

Phi Gamma Delta—Phi Psi 25.
The Phi Gamma Delta basketball five won its second game of the national fraternity series last Monday night when the Phi Psi went down to defeat by a score of 29-25. The first half of the game was all Phi Psi, the fast floor work of "Brick" Von and accurate shooting of Agnew at center giving them a comfortable lead. The Phi Gammas came back, however, in the second half and with several timely shots clinched the game. Waddell and Harris were the big factors in this winning sport. The game was fast and exciting from the start to finish.

Demosthenians 36—Forum 20.
The first game in the other league resulted in a victory for the Demosthenians over the Forum, 36-20. Both teams were badly handicapped by lack of practice, and as a result very little was shown on the court. Shilling and Stewart were the main point getters for the Demos, while Reed and Williamson did the most effective work for the losers. A spectacular shot by Harry Wilson gave the end of the game was the feature of the evening.

S. A. E. 22—Kappa Sigma 16.
Thursday night's contest went to the S. A. E. five, when they conquered Kappa Sigma in a fast and rough game by the score of 22-16. Geary played a good game for the winners showing up especially well in floor work. Unnecessary roughness made good basketball impossible and resulted in low scores for both sides.

National Fraternity League.
Winners Lost.
Phi Gamma Delta, 2 0
Lambda Chi Alpha, 1 0
Sigma Alpha Epsilon, 1 1
Sigma Chi, 1 1
Kappa Psi, 1 1
Kappa Sigma, 0 2

1919 ELECTS L'AGENDA EDITOR AND MANAGER

**PRESIDENT DENT APPOINTS
SOPHOMORE BANQUET COM-
MITTEE.**

The members of the Sophomore class met in an important session on Wednesday afternoon and elected an editor and manager for the 1919 L'Agenda. Harry V. Thomas won over Stewart for the editorship and Charles Davies defeated Emerick for the managership. President Dent also appointed the Sophomore banquet committee at this meeting. The committee follows: Chairman MelDermott, Leaber, Heinrich, Gall, Oakley, Markovitz, Chaffant, Potts, Lowry, Beattie, and C. A. Davis.
The question of hazing was also discussed at this meeting and a report made by the committee which interviewed Senior council last term. The Sophomore Cotillion committee was not appointed at this time as some expected, owing to the fact that the affair does not take place until the Spring term.

SENIOR PLAY COMMITTEE.
President Gillette of the Senior class recently appointed a committee to have charge of the annual Senior Class Play next term. The following members of the class were chosen: Chairman, Raleigh Felton, Eugene P. Bertin, Arnold Benton and Clinton I. Sprout.

VARSITY HANGS UP FOURTH VICTORY

TEAM UNBEATEN UP TO THE
PRESENT TIME.

**STRONG WILLIAMSPORT
FIVE BEATEN 32-26**

Game Fast and Clean.—Musser Leads In Scoring Five Goals.—Silverstein at Guard.—Garner Lands Four Field Goals and Eight Fouls.
Bucknell's fast basketball quintet won its fourth consecutive victory of the season by defeating the Williamsport Big Five here on Friday evening by a score of 32 to 26.

The game was fast and clean, but because of the inability of the Williamsport tossers to find the basket, the Varsity had little trouble in coming out ahead. Only once did the Big Five threaten to take the lead. In the first half with the score standing 13-7 against them the up-river Boys took a sport and three baskets coming in quick order evened things up. The Varsity then livened up and kept a good lead for the rest of the game. Williamsport had a good passing game which was hard to break up, but they fell short when it came to shooting the goals. Their chances at the basket were numerous but they succeeded in caging only eight. Forey, forward, was the main offender, he succeeded in getting six out of the eight.

The absence of Boyles, who is out of the game with an injured leg, dropped the team work of the Orange and Blue five a little below the standard. Silverstein filled Boyles' place at guard and did good work. It was fortunate for the Varsity that they had obtained a good lead in the first half of the game. The first half ended with Varsity in the lead by a score of 25-15. The Williamsporters came back strong in the second half and scored 11 points and they held the Varsity to 9.

Musser played in his usual good fashion, making most of his chances count for baskets. With the team work slightly improved and a more efficient passing game developed the team will be in good shape to meet some of the strong teams that are scheduled for the near future.

Line-up:
Bucknell Position Williamsport
Garner forward Forey
Murray forward Earnest
Musser center Cornwell
Sipley guard Speaker
Silverstein guard Frymire
Goals from field: Musser, 5; Garner, 4; Murray, 2; Sipley, Forey, 6; Earnest, Cornwell. Goals from fouls: Cornwell, 9 out of 17; Garner, 8 out of 18. Referee, Jackson.

NOTES OF THE GAME.

The Big Five put up a firmer resistance than was expected and made the Varsity hustle to come thru with a victory.

Sipley made a fine shot from the middle of the floor during the first half.

Speaker was a fast floor worker and played a star game for Williamsport.

The absence of Boyles was much in evidence.

Besides getting away with most of the tip-offs, Cornwell, Williamsport's big center, shot over 50 per cent. of the fouls. Musser gathered 5 baskets to his one.
Silverstein is a hard worker and should make a valuable man with a little more experience.
Garner's foul shooting showed improvement. "Sew" will get going before long and make up for lost time.
The Big Five held the strong Lancaster five to a close score on the night following the game with the Varsity.

PHI GAMMS ENTERTAIN

On Saturday evening about forty of the college girls were entertained with a "Sem" party at the Phi Gamma Delta house. Cards were the main topic of the evening, followed by a slight "Sight of Hand," exhibition by Sipley, '18, and Cryder, '17. The Phi Gamma Delta Orchestra furnished music for the occasion.

Published weekly during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription \$1.25 per year. \$1.00 if paid before January 1st. Make all checks payable to Manager.

Entered at the Lewisburg post office as second class matter.
Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, JANUARY 29, 1917

WHY NOT?

Someone recently suggested the placing of a college bulletin board in town. The idea seems to be worthy of a little consideration and we wonder why it has not been advocated before.

A bulletin board somewhere near the center of town where all college activities and notices of interest to students could be posted would undoubtedly be an added convenience to student life. Notices posted both on the Hill and in town would reach the student body in a much shorter time than is now the case.

Not only would a bulletin board in town be of advantage to students, but would also be of benefit to town-people who like to know what is going on up the Hill. In a case where the time of some event is changed, a notice on the town bulletin board might save considerable disappointment.

Talk it over with your fellow students and see if you don't think the project is a practical one.

THE GLEE CLUB

Bucknell students in general are interested in the success of the Glee Club as it begins its first trip tomorrow. The students have confidence in the ability of the club and feel assured that the trip will widen the range of Bucknell's influence to a considerable extent.

To the alumni who have aided in securing dates for the trip, the members of the club and student body owe a debt of gratitude. We believe these alumni will be repaid for their efforts when they hear the quality of music that the Glee Club can produce. Here's wishing the club the best of success in its first big undertaking.

CALENDAR

Monday.—Student Volunteer Meeting 7:00 o'clock. Phi Gamma vs. Lambda Chi Alpha. D. T. U. vs. Demos 7:30 in gym. Meeting of Teachers 7 o'clock in Bucknell Hall.
Tuesday.—Fraternity meetings. Y. W. C. A. Women's College.
Wednesday.—Senior Council 6:45. Thursday.—L'Agenda Board meeting 4:15 in Library. Phi Kappa Psi vs. Kappa Sigma in gym. Y. M. C. A. in West College. Deutsche Verein 7 o'clock in Women's College.
Friday.—College Girls Reception. Ministerial meeting 4:15 in Eusep.
Saturday.—College Bible Class 9:30 A. M. in Baptist church.

OPERATIC SOCIETY TAKES SLEIGH RIDE

BANQUET AT MILLFILLBURG HOTEL ON SATURDAY AFTERNOON.

The Bucknell Operatic Society held its annual banquet at the Buffalo Valley Inn at Millfillburg last Saturday. About thirty-five members of the society chaperoned by Miss Brown and Madame de Sylva Schoen, made the trip in bob sleds.

The Buffalo Valley Inn lived up to its reputation for hospitality and produced a sumptuous repast upon the arrival of the students at the noon hour. "Dave" Martin, '19, acted as toast-master at the conclusion of the "oats" and called upon the following members of the society for toasts:

Program.
"Why We Are Here"—Jessie Cooper.
"What Takes the Joy Out of Life"—Horbert Grice.
"Benefits of the Operatic Society for a Freshman"—Mark Everett.
"Prospects for Next Year"—Miss Brown.

PROF. RIEMER SPEAKS TO DICKINSON STUDENTS

ADDRESSES STUDENTS IN THE CHAPEL ON "SIMPLIFIED SPELLING."

Professor Riemer of the college faculty addressed the student body of Dickinson College a short time ago on the subject of "Simplified Spelling." The college weekly, "The Dickinsonian," printed a lengthy article on the address in a recent issue, setting forth the main arguments in favor of the movement. In addition to this, the editor of the Dickinsonian commented upon the speech in an editorial and strongly advocated the introduction of Simplified Spelling at Dickinson.

Professor Riemer has been actively engaged in furthering this movement for some time, and judging by the report from Dickinson, his efforts are meeting with a large measure of success.

STUDENTS AT OPERETTA

Many of the students attended the operetta, "Bulbul" at the Lewisburg High school last Thursday and Friday evenings. The opera was given by students of the high school and made quite a hit with the students and people of town who were present.

LICENSE GRANTED

In spite of the strong protest by Lewisburg citizens and Bucknell students, the license of Harvey Wenzel, proprietor of the Montandon hotel, was granted last week. The case came under the jurisdiction of Northumberland county, the judge being H. W. Cummings, of Sunbury.

BUCKNELL ARCHITECT DEAD

Joseph C. Nesbit, formerly of Lewisburg, who was the architect for East and West College, died in Rancho, Va., last week. Besides his work in connection with Bucknell, he designed a number of prominent public buildings in Lewisburg and in nearby towns.

PANORAMIC VIEWS

Hugh Russell still has a number of panoramic views of the student body on hand. If you care to purchase one see Russell at once. The lowest price possible has been set on the pictures and they are disappearing rapidly.

DR. HARRIS SPEAKS

Dr. Harris was among the number of speakers at the recent banquet for Troop M, at the Baker House. Judge Johnson and ex-Judge McClure also gave addresses.

NOTICE TO FUSSERS

Fellows are allowed to take Seminary girls to inter-Fraternity games provided thirty or more couples attend. This number has already been secured for to-night's contests.

NO GAME FRIDAY

There will be no varsity basketball game in the gymnasium Friday night of this week on account of the College Girls' Reception taking place on that night.

WOMEN'S COLLEGE

Registrar and Mrs. Wilcox dined at the Women's College on Sunday. Elizabeth Redelin, '17, visited Mrs. Davis in West Chester, over the week-end.

Miss Carey has decided to allow the girls to go to the inter-Fraternity games if thirty or more girls go, much to the joy of the "fussers."

Julia Karmilowicz, '19, returned to school after a short visit home last week. She was called home on account of the sickness of her brother.

Y. W. C. A.

Professor Riemer gave a short talk in Y. W. C. A. meeting last Tuesday on "The Adopted Fatherland." It was a most interesting address of the hypenated American with Germany as the adopted Fatherland.

KAPPA DELTA ENTERTAINS

The Kappa Delta Sorority gave a tea at the house of Ray Spore, '17 last Saturday from three to five. Ten Freshmen girls were the guests of the sorority.

NEW LAMP

The Living Room in the Women's College received the gift of a new

"WHAT SHALL WE THINK OF CHRIST?"

DR. PHILLIPS' SUBJECT AT YESTERDAY'S BIBLE CLASS.

"The direct answer to this question of what we should think of Jesus," said Dr. Phillips, "is that we should think of Jesus as he was, as he has been and as he is in history." Not as he has been defined should we think of him; for our judgement should be based on facts and not statements.

What was he to the first disciples? To them he was the Messiah. They did not define their conception of him in terms of God. What was he to the later disciples in the time of Paul's experience and of the gospel of John? A new atmosphere surrounded the early church, for new questions and ideas arose. Men were thinking of God more than of a Jewish ruler; they were thinking in terms of abstract philosophy rather than of history. There was a deep craving for the bodily presence of God among men. When Jesus came into the atmosphere the leaders of the Christian movement had to meet these questions, and John wrote "In the beginning was the Word and the Word was with God and the Word was God," whilst Paul wrote to the Colossians that Christ was God bodily. These writers were not defining Jesus; they were meeting an experience of craving for God.

Then came the period of philosophical thought. There was a demand for exact terms in the definition of "Messiah." "God bodily." Men asked, "Is he God, or is he God in Man?" It is from these early church ideas of the Greek philosophy that we got our idea of Christ, and not from the Bible. Jesus was originally a fact of human experience, now he was an abstract conception. Most of us have this "classroom conception" of Christ as an abstraction.

But what should we think of Jesus? Jesus has always had in history the value of God. Theism really raises more questions than it answers; but when people with cravings for God come into contact with Jesus as the value of God in history, that has always satisfied the craving. This is why John's gospel is studied so extensively by the Hindoo students today. They crave for God. Just think what you would have God be in human form, and then apply your ideals to Jesus Christ and see if it is not satisfied.

You will ask: "Is Jesus divine?" What do you mean when you ask that question? If by "divine" you mean that Jesus is what God would be in human form—yes. What is the exact character of the nature of his divinity we do not know. We do not know the best things in this world; we just experience them. Who can define a mother's love? Jesus, satisfying the human cravings for God and having the value of God in history is divine. We cannot define it, we can just experience it, and if we attempt to make definitions the value is lost.

We do not want definitions of God, but are satisfied with the word of the gospel, "Lo! I am with you always, unto the end of the world."

HILL GOSSIP

Miller, '18, spent the week-end in Reading.

Shipman, '17, is suffering from a badly sprained ankle.

Lighton, '18, journeyed to Williamsport for the week-end.

Geuting, '18, was at his home in Ashland over Sunday.

Hartman, '17, again returned to Elysburg for the week-end.

Hierimo, '20, spent a few days last week at his home in Berwick.

Sweitzer, '20, spent Saturday and Sunday at his home in Plymouth.

Kissel, '18, and Eaton, '18, were Sunbury visitors over the week-end.

Lose, '19, was recently called to South Bethlehem by the illness of his brother.

Stolz, '20, entertained his father, John C. Stolz, of Reading, a week ago Sunday.

Heberling, '17, Hopler, '17, and Liebenschlager, '17, were recent Williamsport visitors.

Ziegenfuss, '17, returned yesterday from his home in La Velle, where he spent the week-end.

Coper, '18, has returned to school after a few weeks' absence at the beginning of the term.

Copeland, '18, is spending a few days with Walther, ex-'17, of Ashland.

Champion, '17, spent a few days last week at his home in Montoursville.

C. A. Soars, '88, visited his Phi Gamma Delta brothers during the early part of the week.

Greenland and George, of State College spent the week-end with Elliott, '18, at the Phi Gamma Delta House.

McKay, '19, and Rowland, '17, of State College visited last week with their Phi Gamma Delta brothers at Bucknell.

A number of students accompanied town friends to a sleigh ride and dance at Northumberland last Friday night.

Sebach, '18, left Friday for his home in Hollidaysburg. He will join the Glee Club when the fellows arrive there Tuesday night.

Ohlson, ex-'19, who recently returned from the Mexican border was back on the hill for a few days last week. He will not resume his studies until the beginning of the next school year.

Joseph M. Wolfe, '89, Registrar of Bucknell during the years 1909-12, spent Sunday with his fraternity brothers at the Phi Kappa Psi house, Mr. Wolfe is now credit agent for the Fisk Rubber Company.

Members of the Lock Haven High School basketball team and their coach, Paul F. Neff, were entertained at the S. A. E. house Saturday. The Lock Haven five defeated the local high school boys in the Tustin gymnasium Saturday evening by the score of 26-20.

LARGE CROWD HEARS MUSICAL MERRY MAKERS

WORK OF MISS SAXE, READER, IS ESPECIALLY PLEAS-ING.

The Methodist church of town was well filled on the occasion of the second Lyceum number, Tuesday evening of last week. The Musical Merry Makers—Mr. McGrath, Mr. West and Miss Saxe—were the attractions. Mr. McGrath proved to be a handy player of talent and Mr. West demonstrated his skill on a number of musical instruments. The selections of Miss Saxe, reader, however, made the most favorable impression on the students, especially by her clever imitation of the department clerk.

Before the program, General Secretary Aubrey made the announcement that the lecture by Lou J. Beauchamp will probably take place some time in April. It was thought advisable by the committee to secure this number for next term rather than put on two numbers during any month this term.

Albright sprang a surprise in the collegiate basketball when they defeated the strong Gettysburg five Saturday by a comfortable margin. Bucknell can look for a game similar to those of "Haps" Benfor's days, when Albright appears here. Last year's home game with Albright was somewhat of a walk-over for the Varsity.

THE BUCKNELLIAN

BUCKNELL UNIVERSITY.

VOLUME XX.

LEWISBURG, PENNA., MONDAY, FEBRUARY 5, 1917.

NUMBER 15

BUCKNELL LOSES BY ONE POINT

FIRST DEFEAT OF SEASON ON SATURDAY.

HASSETT SCHOOL VICTOR IN HARD BATTLE 21-20

Varsity Under Many Disadvantages. Game Played in Dance Hall—Eastern League Rules Used—Referee an Acrobat.

The Varsity met with its first defeat of the season last Friday evening at Harrisburg when it went up against the Hassett School five. The game was hard fought and was decided by one point, the final score being 21 to 20.

The game was played in Cathedral Hall which is also used as a dance hall. A smooth floor was a new one on the Orange and Blue boys and as a consequence they did considerable slipping and sliding about. One of the features of the game was the acrobatic referee who could slide three-fourths of the length of the floor and still retain his equilibrium.

The score saw-sawed through the whole game. Four points was the largest lead that either team had at any time in the game. At the end of the first half the Varsity led by one point, score 14-13.

Toward the end of the second period with the score 17 to 17 the Hassett five took a sport and scored two field goals in quick order, bringing their total up to 21. A field goal and a foul brought Bucknell's total to 20. After this Ganner had a chance for a foul but missed and Musser had four hard-luck shots at the basket. The first after hesitating a moment on the edge, was lost on the outside; the three following ones circled the inside of the ring and landed out.

The Hassett five was a strong defensive combination as the tabulation shows. Only six baskets were made by the Varsity; three of these being made by Murray. Sourbier did the best work for the Hassett team; he scored five out of their nine baskets. Before the contest a kink got into the heating system of the Hall and as consequence the game was played in the cold.

The line-up:
Bucknell Positions Hassett
Ganner forward Gough
Murray forward Gordes
Musser center Sourbier
Boyle guard Reagen
Sinker guard Reagen
Goals from field: Murray 2; Musser 1; Boyle 2; Gough 1; Gordes 3; Sourbier 5. Goals from foul: Gordes 3 out of 9; Ganner 8 out of 16. Referee, Arthur.

NOTES OF THE GAME.
The game at Harrisburg was played under Eastern League rules. The Varsity being used to intercollegiate rules were at a great disadvantage.

Friday night's game with Lebanon Valley should be a hummer. The Annville boys are coming strong and expect to give the Varsity a stiff battle. Their latest victory put Susquehanna under by a score of 29-27. Sourbier their star forward will bear watching. Against Susquehanna he scored six field goals.

Ganner cased 50 per cent. of the fouls against Hassett, scoring 8 out of the 16.

CALENDAR

Monday—Civil Engineering Society

7 P. M. Mechanical Engineering Society

7 P. M. Student Volunteers

7 P. M. Sigma Alpha Epsilon vs. Lambda Chi Alpha. Forum vs. non-Fraternity in gym.

Tuesday—Fraternity meetings. Y. W. C. A. at Woman's College.

Wednesday—Rifle Club 7.30 in Y. M. C. A. Meeting of Junior prom committee 9.30 in Y. M. C. A. room.

Thursday—Y. M. C. A. 7.30 in West College. Mr. Poter, speaker. Phi Gamma Delta vs. Sigma Chi 8 P. M.

Friday—Ministerial meeting 4.15 in Euclid. Lebanon Valley vs. Bucknell in gymnasium.

Sunday—College Bible Class 9.30 in Baptist church. Dr. Phillips on "The Student and the Church."

SIGMA CHI PARTY.

Members of the Sigma Chi fraternity entertained a number of girls from the Women's College at a dinner party on Saturday night. Music by Nesbit's Orchestra, of Sunbury, aided in making the occasion a success. Miss Brown and Miss Way acted as chaperones.

FRESHMAN ORATORY.

Preliminary trials for the Freshman contest in declamation will be held this week. Students not in the oratory classes who may wish to enter the contest are requested to consult this week with Prof. Smith.

STUDENTS ORGANIZE TEACHERS' ASSOCIATION

C. W. POTTER, '17, CHOSEN TO SERVE AS VICE PRESIDENT.

Bucknell is to have a Teachers' Association. In fact its organization has already been effected and plans are being formulated whereby this year organization is to play an important part in Bucknell life. In response to a call issued last week over a dozen prospective teachers met and elected the following officers to serve for the remainder of the school year: President C. H. Fisher, '17, and Secretary Lora McQuay, '17.

Dr. Phillips was present at the meeting and gave an idea of the work of educational associations in other schools, together with suggestions for the future of Bucknell's new organization. Meetings are to be held once a month and it is the aim of the association to keep its members alive to modern educational ideas through discussions and talks by capable speakers.

No definite time has yet been set for the next meeting as yet. Watch the bulletin board and get in line with this movement for the mutual benefit of the students. If you desire further information on the plans of the association, see one of the officers mentioned above.

CHEMICALS.

The meeting of the Chemical engineers took place Thursday evening in the Chemical Laboratory. The meeting was well attended and "Scone" Ganner, '18, added to the interest by telling of the "Manufacture of Picric Acid." The next meeting of the society will take place February 15.

SKATING SATURDAY.

Despite the zero weather on Saturday a number of students journeyed to Buffalo Creek to take advantage of a few hundred yards of smooth ice. Hopes for good skating the early part of the week were dispelled by last night's fall of snow.

LEBANON VALLEY FRIDAY.

The next home game for the Varsity will be played in the Gymnasium Friday night. The team will practice hard this week with the hope of wiping out last year's defeat.

MAKING GOOD

Coraopolis, Penna.
February 2, 1917.

Editor Bucknellian:—

It gives me great pleasure to say that the Bucknell Glee Club and Orchestra appeared in Sharon Church, Coraopolis, Pa., of which I am pastor, on Wednesday evening, Jan. 31st, and gave us one of the very finest concerts ever heard in this end of the state. Every man was on the job. There wasn't a weak spot anywhere. The large audience was delighted and very responsive from the opening number to the end. These young men do Bucknell University honor not only by their excellent program but by their gentlemanly demeanor. They are a splendid bunch and we could pack our large auditorium to the doors if they were to return.

Prof. Stolz directed the Club with great grace and ability.

Sincerely,
Rev. J. M. Mercer, D. D., Pastor.

WRESTLERS WORK OUT IN GYMNASIUM

INTEREST IN SPORT GROWING DAILY.

CORNELL WANTS MATCH ON FEBRUARY 17

Donaldson, '17, Superintendent Try-outs—Need Men for 175 and 115 Pound Classes—Definite Action to be Taken Soon.

Bucknell's chances to come to the front in wrestling for the first time are now at hand with a generous offer from Cornell to meet this team at Cornell on February 17. No final acceptance of the offer has been made by the Athletic Association but the guarantee is favorable it is understood and recent developments in Bucknell's wrestling team favor accepting the offer. Should the Orange and Blue accept and make a good showing, a lively season is bound to follow and next year's team would stand a fair chance of receiving an invitation to take part in the Intercollegiate meet.

Through the impetus given by Donaldson, '17, last term the wrestling spirit has been well launched on its way and a strong team has been developed with the exception of men in the 175 and 115 pound classes. There is available material at present to try out for these two classes but stronger material is hoped for. Almost daily superintending the try-outs in the gymnasium and Bucknell is in a fair condition to start a season in this sport. There is but one feature that is to be avoided the interest of the entire student body and that is to arrange a meet at home if possible.

Although Cornell's team is considered a little heavier and less favorable as a starter than some of the smaller colleges the acceptance of the Cornell offer would mean a great deal of college activity, with a chance for Bucknell to be classed along with other colleges of the east. Muhlenberg, Princeton, Lafayette and a few others have teams that are better than the Orange and Blue could make a good showing against and the result of the expected season will depend upon the outcome of Cornell's offer.

Definite action one way or the other will be taken by the Athletic Association within a few days. Meanwhile the candidates will be taking daily work-outs in the gym in preparation for any match that may be scheduled. There is no getting beyond the fact that interest in wrestling is growing among the students. The efforts of Donaldson and a few others have been highly successful in this respect. A lively meet at home would stimulate a still greater interest and bring intercollegiate wrestling here to stay. Watch for further developments.

GLEE CLUB.

The Glee Club will return on Wednesday from its western trip.

 Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, FEBRUARY 5, 1917.

WRESTLING.

Agitation among the students for a wrestling team was started toward the close of last term. To the students who have not been daily visitors to the Gymnasium it may have seemed that the agitation was only short lived, but the fact is, that a number of students have been working out in the Gymnasium and much available material has been unearthed since the opening of the term.

Now comes an offer from Cornell for a match at Ithaca on February 17. Whether it is advisable to take on a team of Cornell's calibre at the start is a question, but the students in general would be glad to see wrestling put on a solid basis and matches with other colleges secured. Inter-fraternity basketball has given the use of the Gymnasium to a larger number of students than formerly, but inter-class and inter-collegiate wrestling would open up a new line of activity for those who do not care to take part in basketball.

An inter-class wrestling meet would show the worth of the material and give an idea as to the advisability of taking on Cornell for the first meet. See the article on wrestling on another page of this issue.

MINISTERIAL MEETING.

A short meeting of the Ministerial Association took place in Euclid last Friday afternoon. A general discussion concerning plans for the association took place. The officers are anxious that every member take advantage of these meetings. Come out and show some spirit. Rev. Barrett, pastor of the Christian church will speak next Friday.

FRATERNITY GAMES.

Two inter-fraternity games will be played to-night in the Gym. Sigma Alpha Epsilon will meet Lambda Chi Alpha and the Forum will line up against the Non-Frat aggregation. On Thursday night Phi Gamma Delta will play Sigma Chi. The first game to-night will begin promptly at 7.30. Thursday night's contest will start at 8.

SOPHOMORE ORATORY.

Volunteers for the Sophomore oratorical contest may hand in their names this week. As usual the men will be confined to oratorical selections, the women being allowed freedom of choice.

RIFLE CLUB MEETING.

There will be an important meeting of the Rifle Club on Wednesday evening at 7.30 in the Y. M. C. A. Room of West College.

Lebanon Valley vs. Varsity Friday evening in the Gymnasium.

BUCKNELL RIFLE CLUB RESUMES ACTIVITY

MEETING CALLED FOR WEDNESDAY NIGHT OF THIS WEEK.

The Bucknell University Rifle Club has now been in existence for a little over a year. The movement which resulted in the organizing of this club was started late in the fall term of 1916 when a number of students came together and discussed the advantages of rifle practice, both as a sport and in view of the military training it afforded. Negotiations were started with the National Rifle Association, a federation of rifle clubs supported by the War Department, with the result that a charter was secured. This charter now hangs in the Y. M. C. A. office in West College.

The purpose of the club is essentially to train students in the use of the military rifle and to this end the government has furnished fourteen Krag-Jorgensen rifles, all of them new and in splendid condition. The club is also entitled to draw on the government arsenals for ammunition to the extent of seven thousand rounds per year, which furnishes abundant facilities for everyone who wishes to take part in the target practice.

Last winter indoor matches were held in the armory and in the spring outdoor practice was held at least once a week. At the beginning of the last fall term the club issued a general invitation to everyone interested to take part in the practice and a large number of students availed themselves of the opportunity and took in new members. For his purpose a meeting will be held in the Y. M. C. A. hall on Wednesday evening at 7.30. Membership and its privileges are open to all who care to join and the expense is merely nominal—fifty cents per year dues. Members of the club who desire to do so, will have an opportunity to drill and to learn the manual of arms. It is requested that all members of the club and all who intend to join be in any way interested in presenting at this meeting on Wednesday evening.

COLLEGE BIBLE CLASS.
 Only a short session of the College Bible Class was held yesterday owing to the cold condition of the Baptist church auditorium. Dr. Phillips will continue his address on "The Student and the Church" next Sunday morning. The next issue of the Bucknellian will contain a summary of both addresses.

ALUMNUS ON STATE FACULTY.
 Walter S. Elomengier, '12, has recently been added to the list of instructors in chemistry at State College. He assumed his new position with the opening of the second semester.

The Junior Prom committee will meet Wednesday at 9.30 p. m. in West College.

PROF. STEWART SPOKE TO MEDICAL SOCIETY.

"TENDENCIES IN THE MEDICAL PROFESSION" IS HIS SUBJECT.

The meeting of the Medical Society held last Wednesday, in the Chemical Laboratory turned out to be the most successful meeting held so far this year. The new interest displayed by the members, which was so clearly shown in the large attendance was duly appreciated by all of the officers.

During the meeting there were two important factors which added greatly to the success of the meeting. The one was the interesting talk given by Prof. Stewart, who took as his subject, "Tendencies in the Medical Profession." In the course of the lecture Prof. Stewart offered for consideration the requirements for entrance to the various medical schools of standing. The requirements of each school was discussed thoroughly and advice was given to those present. After the discussion a light lunch was served and every one present left refreshed both mentally and physically.

COLLEGE GIRLS GIVE ANNUAL RECEPTION

HIG EVENT LAST FRIDAY EVENING.

RECEPTION A SUCCESS IN EVERY RESPECT

Students, Faculty and Guests Unite in Spending Enjoyable Evening—Phi Gamma Delta Orchestra Furnishes Music.

The girls of the Women's College maintained their usual high standard of entertainment at the Annual College Girls' Reception which was held in the parlors of the Woman's College on the evening of Friday, February second. Excellent music, combined with a spirit of unalloyed cordiality lent to the affair an atmosphere which is always attendant upon Bucknell's social functions.

Despite the wintry breezes outside, a warm breeze of genial merry-making was born aloft on the cheery voices of the numerous college girls and their guests.

The reception was attended by two hundred and fifty students, together with a score of faculty members and their wives. Other invited guests were present and entered into the spirit of the occasion. The success of the affair was in proportion to the numbers, and every Bucknellian fortunate enough to have been among the guests will agree that there was never before such a gala night in his college experience.

The memory of which will last long in his mind. Too much credit cannot be given to the Reception Committee who surely spared no effort to make the reception of 1917 the most successful in years.

At eight o'clock the guests began to make their appearance at the old "Sen" gate, and after checking their hats and overcoats at the office were shown up to the parlors, where they were cordially received by the representatives of the Woman's College, and members of the faculty. From the parlors the stream of men poured over to the study hall where they met their partners for the evening. This room was tastefully decorated to represent a large living room in one of our modern palaces. Neat drapery hung down over the windows, and here and there about the room were palms arranged in artistic fashion. Subdued light from above added effect to the already pleasing picture.

In one corner was the Phi Gamma Delta orchestra which was to furnish the music for the evening.

Each guest was then provided with a program, tastefully decorated with hand paintings, which designated his partners for the twelve promenades of the evening. Shortly after eight the opening strains from the orchestra announced the beginning of the promenades. At this sign the partners for the first "prom" slowly made their way through the reception room and parlors or chatted here and there with friends in the numerous cozy seats about the edge of the rooms.

The promenades continued throughout the evening, accompanied by appropriate music from the orchestra.

At times groups of promenaders would make their way to the dining room below where, seated in groups about the room, they were served with dainty refreshments. After partaking of the refreshments they returned to the reception room, and continued their promenading.

The stroke of twelve announced the hour of parting, and came upon the guests as a surprise for the evening entertainment seemed only well begun. After expressions of appreciation all departed feeling that the mutual desire for a good time had been gratified to the satisfaction of all.

Y. M. C. A. WILL HEAR TALENTED SPEAKERS

SECRETARY AUBREY EXPECTS NUMBER OF OUTSIDE MEN THIS TERM.

Secretary Aubrey of the Y. M. C. A. has succeeded in securing a number of talented speakers and men of prominence to address the students at the weekly Y. M. C. A. meetings for the remainder of the term. While the schedule is not complete, the majority of the dates are sure and definite notice will be given later as further plans are developed.

At this week's meeting on Thursday night, Mr. Potat, of New York,

HILL GOSSIP

Greenland, ex-'19, spent Saturday on the Hill.

Painter, '17, is spending a few days in Philadelphia.

Helm, '20, was home in Williamsport over the week-end.

Hopler, '17, was a visitor in Williamsport over Sunday.

"Jimmie" Tyson, '11, spent a day with his S. A. E. brothers last week.

P. C. Andrews, '07, of New Bethlehem, was a visitor in Lewisburg on Sunday.

Waldner, ex-'17, of Ashland, was a visitor on the "Hill" Friday of last week.

"Vic" Luchsinger, ex-'08, is spending a few days with his Phi Gamma Delta brothers.

Baldout, '19, was slightly injured while working at the Milton Shell Plant last Friday.

Ziegenfuss, '17, returned to his home in La Velle Thursday to attend the funeral of his uncle.

Armstrong, '14, and Walt Lodge, ex-'17, visited their Sigma Chi brothers during the latter part of the last week.

Geary, '18, spent the latter part of last week at his home in Lock Haven, recuperating from an attack of his grippe.

"Bo" Downing, '17, who has been confined to his room with a slight attack of tonsillitis is again able to attend classes.

WOMEN'S COLLEGE

Katherine Hoff, '19, returned to her home in Reading for the week-end.

Edith Moore, '20, was called to her home in Bradford this last week.

Jean Kerr, '20, and Carrie Wetzel, '20 also entertained friends over the week-end.

Miriam Bridge, '19, entertained a friend from her home at Jersey Shore Saturday and Sunday.

Martin Kien, ex-'18, came back for a short visit with Martha Wettlaufer, '18, and Marie Volkmar, '17.

Helen Bodines, '20, entertained her father, mother and a friend, Miss Esther Carey over the week-end.

Jean Flannigan, '19, who has not been here this term, returned for a few days on a visit to Eleanor Hyatt, '19.

Y. W. C. A. NOTES.

Last Tuesday's meeting was led by Elthera Corson, '20. Her topic was "Sincerity" upon which the Freshman girls seemed to have very definite ideas, for an unusual number took part in the meeting.

INTERCOLLEGIATE

Pitt—The University of Pittsburgh added a new fraternity to its list of national fraternities last week when Phi Zeta Phi became Phi Gamma Delta. Representatives from colleges all over this section attended the ceremonies. E. B. Hulley a graduate of Bucknell in 1907 and who is national editor of the Phi Gamma Delta publication was among the number present at the installation.

W. and J.—Three star W. and J. athletes will leave Tuesday for New York from where they will sail for France to enlist for six months in the American Ambulance Corps. They are: Volney Wilson, captain of the track team, Philip Fisher, forward on the basketball five, and C. H. Guy, center on the football eleven.

Princeton—Coach "Bill" Roger who coached a winning football team at Swarthmore last fall will return to Princeton next fall to assist Speedy Rush in coaching his Alma Mater. Roy Mercer, former Penn star full-back may take his place as head coach at Swarthmore.

Penn—Strong protests from students and alumni will likely result in reappointment of "Bo" Folwell as head football coach next year, after the faculty athletic committee had refused to consider his name as a candidate.

Albright—The sensational foul shooting of Hoffmann was outstanding feature of Albright's 47-40 victory over the Indians last week. Hoffmann succeeded in engineering 21 of 22 tries from the foul line.

IMPORTANT.

A meeting of the Junior Prom committee will be held Wednesday evening at 9.30 p. m., in the Y. M. C. A. room, West College. All members are urged to be present for business of importance is to be transacted.

Decisive Saving at Seidel & Spangler's January Sale

EARLY SALE OF NEW SPRING SILKS

Full yard-wide silk and cotton poplins, in every new Spring shade, and black. \$1.00 values, our early price per yard..... 85c.

Forty-inch silk and dwool poplins, in all the very newest Spring shades, and black. One of the best wearing silks known today at the prices. Our \$1.50 qualities will be for these two weeks, per yard..... \$1.15.

Extra good quality taffetas, in every new shade for Spring, and black. All one-yard wide, in plain and fancy, stripes and plaids. These are actually worth \$2 a yard and up. Our special two weeks' price..... \$1.35.

TUB SILKS

These are 32-inch tub silks, in the new stripes, for shirt-making and waists. They are \$1.25 qualities, special per yd. \$1.00. Forty-inch crepe de Chines and fluer de sois, in every shade that is desirable for Spring, will be on display per yd. at..... \$1.35.

OUR FINEST SILKS TO GO AT \$1.75

These are plain satins, plain taffetas, fancies in plaids and stripes, and the new paisley effects. Every yard guaranteed. These were worth up to \$2.50 a yard.

VERY SPECIAL

An ideal gem of a carpet sweeper, that will do the work as well as a \$5.00 one. It may not last quite so long, but we are selling it special for 95c. Think of it.

VOLUME XX.

BUCKNELL WINS BY BIG SCORE

FRIDAY'S GAME GOES TO THE VARSITY.

LEBANON VALLEY GOES DOWN TO 61-30 DEFEAT

Visitors Play Clever Passing Game. Long Shots Feature.—Waddell Substituting for Capt. Garner Landed 10 Baskets.

Lebanon Valley threw a scare into the Varsity's backers during the early stages of Friday night's game, but a rally toward the close of the first period put the home team in the lead and this lead gradually increased until the score stood 60-31 in Bucknell's favor at the end of the game.

The visitors presented a clever passing combination, but were unable to locate the basket persistently. Several long shots from the middle of the floor during the first half made their guards look like wonders but these kind of shots were noticeably absent in the second period. Many of their passes went back and forth in the middle of the floor due to the close guarding of the Bucknell guards, as a result the visitors were compelled to resort to useless long shots.

The Varsity had many chances to obtain a good lead at the start but their shots went wild. "Tony" Murray, however, kept the locals in the running by landing several timely goals. The absence of Captain Garner seemed to take away the player's confidence, but as soon as Waddell began to get in his stride the other players pulled together and ran up a commanding lead. The score at half time stood 36-23.

There was nothing to the second half but Bucknell. The visitors did not play with the same spirit and caged only four field goals during the entire period. Waddell scored five goals in this period, several of his shots being exceptionally clever.

Toward the close of the game, Gerhart, Gaenzle and Silberstein went for the regulars and demonstrated the fact that Bucknell has dependable substitutes when needed. Gerhart, succeeding in caging a basket during his stay in the game.

The game, although not as fast and exciting as some of the earlier ones, was an interesting one to see. The line-up:

Bucknell Position
Waddell forward..... Keating forward.....
Murray center..... Swartz center.....
Boyles guard..... Atticks guard.....
Sipley guard..... Loomis guard.....
Keating 8; Swartz 3; Selzer 1; Atticks 2; Loomis 1; Laddler 1. Goals from foul: Boyles 10 out of 18; Selzer 5 out of 12. Substitutions: Bucknell: Gaenzle, Gerhart and Silberstein; Lebanon Valley: Laddler. Referee Jackson, of Williamsport.

NOTES OF THE GAME
Captain Garner is out of the game with a broken rib. Waddell proved to be a capable substitute, leading in the scoring with 10 goals.

A new phase of college life opened at Bucknell last week when about 200 students organized a Student Volunteer company and held their first practice on Saturday in the gymnasium. The movement was taken up by the Bucknell University Rifle Club at numerous requests of students and already bids fair to develop into one of the big student movements at this place.

At the drill Saturday morning Lieutenant Ralph Bechtel, a retired U. S. G. P. officer who has had 17 years of experience, took charge of the work and for two hours put the men through a heavy practice. At the close of the drill he stated that the Bucknell list of rookies had learned more in two hours than any other body of raw recruits he had ever drilled.

The men were divided into squads and squad leaders appointed. In the large group of volunteers there was a good number of men with former training, among them three Plattsburgh men, Dunkle, Tonkay and Reider; four Troop M. men, Corporals Spotts, Earle and Snyder and Trumpet Johnson; Wilson, a graduate of Wrentham Military Academy and Campbell, a man who was First Lieutenant in a High School organization. All these men with the exception of Corporal Snyder, who assisted Lieut. Bechtel, were made squad leaders and soon had their divisions putting their hands in line order. The Rifle club had enough guns to supply two squads and they aided much in the preliminary work.

There are fully enough men now in the voluntary movement to form two companies and plans are already being formed for the purchase of uniforms and the securing of guns for all the squads. The drill has aroused more enthusiasm than any other movement for some time at Bucknell and the success of the rookies is well expressed by a Spanish-American war veteran who witnessed the first Saturday morning drill.

Master the rudiments of drilling and accomplish so much in the first two hours, and he closed his words with "They have done more in one hour than an ordinary troop would do in three hours."

Registrar Walter S. Wilcox was present and gave a talk which was much appreciated by the boys. He told of the trend of the colleges toward military training, of its general benefits and what the voluntary movement may mean to Bucknell. An interesting note in the list of volunteers is the appearance of three professors' names and that of Coach Cockill, showing that the desire for the training is not merely a passing fad, but one that is receiving deserved recognition. The military training movement is becoming general throughout eastern colleges and with the past few months has been taken up by Lebanon Valley, Gettysburg, Princeton, Mansfield Normal school and many other well known educational institutions.

The latest plan of the local volunteers is to meet for regular drill on next Saturday morning and afternoon according to the convenience of the men. However, there will be about two practices during the week and later it is hoped to have about four regular drills each week.

MILITARY TRAINING

The movement started among the students last week for military training shows plainly the attitude of the student body on this question. Without any special campaign nearly 200 students expressed a desire to take part in military drill and others are expected to follow this week. This step in no way binds the fellows in case of war, but is merely the expression of students who feel that they should be prepared to defend their country in a crisis.

The physical benefits of military training need not be mentioned, for it is a foregone conclusion that drill work is an efficient means of developing a strong body. Many of the fellows are glad of the chance for this physical development regardless of what future events may bring.

A desire for military training seems to have gripped the students of the colleges in general and Bucknell students have awakened to the meaning of the movement and wish to have their part in its development. This first move may lead to something more definite within a short time.

Now don't go about trying to stir up a lot of excitement and acting as tho a fleet of Zeppelins were about to attack Lewisburg, for when you do you only make yourself ridiculous in the eyes of the average student. The students know a serious situation when they are confronted with one and do not need a lot of "high-sounding guff" to make them see their duty to the nation.

Think it over, fellows, and get in line with the movement if you think you should be ready if called upon to defend the principles of your "fathers."

MINISTERIALS
Rev. J. W. Barrett, of the Christian church, gave a very interesting talk to the Ministerial students last Friday in Eupeia. Mr. Barrett's theme was taken from Job II, verses 7 and 8 and centered around the thought "How we can best know God." The meetings are growing more and more interesting and every fellow is urged to come out. Friday 4:15 Eupeia.

DR. HANBLIN IMPROVED
Dr. T. F. Hamlin, of the college faculty, who was taken to the Johns Hopkins University Hospital, Baltimore, several weeks ago, underwent an operation Wednesday of last week and is getting along as well as can be expected. It will likely be three or four weeks however before he will be able to return home.

GLEE CLUB RETURNS FROM BIG TOUR

FELLOWS WERE WELL PLEASED WITH GENEROUS TREATMENT

The Bucknell University Combined Glee Club and Orchestra completed their successful western tour of the State Wednesday afternoon, arriving in Lewisburg at 4:30 o'clock by trolley from Milton.

Looking at it from all sides the trip has been a rousing success, even financially. Prof. Paul G. Stolz, who personally escorted the combined organization received only praise of the highest kind from the musical talent of the towns in which the club gave concerts; and at every place he was asked in an urgent manner to be sure to bring the club back next year.

The boys were entertained by the best people of the cities, in their own homes; and at no time was the conduct of any of the attempts anything but that which is becoming to gentlemen, and truly representative of Bucknell University men.

Extra appearances of the club were made at Greenville and Port Alleghe. High school where a few selections. At every city the fellows found an appreciative audience and for the most part the applause was spontaneous. The individual numbers: Thos. Eschelman's, '18, violin solo, the quartet composed of Pedigo, '17, Puff, '18, Botts, '18 and Mower, '18, the readings of Harry Thomas, '19, the solos by Mr. Pedigo and Mr. Puff, the cornet solo by Mr. Cassler, '18 and the reading by Mr. Sherk, '20, followed by his famous "certain" speech were given extra applause and brought the gentlemen to the footlights for the second and third encores.

The success of this large tour was due to the persistent efforts of R. E. Sprengle, '17, manager, assisted by Prof. Stolz and aided greatly by alumni. To Prof. Stolz thanks should be given for his time and efforts spent in preparing the club for their appearance on the stage.

Much favorable comment was given the club all along the route by the Pittsburgh and local papers, which should aid considerably in bringing many students to the university.

PROGRESS

By a new ruling of the powers at Women's College, Senior girls are allowed male escorts to Sunday morning church services and all except the Freshmen girls may go to the inter-fraternity basketball games. A number of "fussers" put the new ruling to test yesterday morning.

SOPHS WILL MEET TUESDAY
President Dent of the Sophomore class has scheduled a meeting for the class in Bucknell Hall Tuesday at 4:15. The meeting is important and a full attendance is desired.

FRESHMEN DEPARTMENT
The Freshmen Department is with us again. Rinebold, Lloyd, Kitowski and Waddell will appear before the Senior Council Wednesday evening at 7 o'clock.

"DOLL HOUSE" MARCH 8
Cap and Dagger will present Gibbons' "Doll House" March 8 in the Orpheum Theatre.

HIGH PRAISE FOR THE GLEE CLUB

"The concert given last night at the High School auditorium by the musical clubs of Bucknell University was largely attended by the music loving people of Hollidaysburg and was unanimously declared one of the best musicals in every respect that was ever held in Hollidaysburg. The high class program was carried out in faultless style, each number being perfectly rendered. The orchestra played beautifully; the violin solo by Mr. Thomas Eschelman, the quartet and the solo work of the glee club calling forth great applause from the delighted audience. The finale, shown by the glee club and orchestra was especially fine."—Altoona Tribune.

L. W. Robey, '04, of Philadelphia, was a visitor on Friday and Saturday with friends in the town and on the "Hill."

"THE STUDENT AND RELATION TO CHURCH"

A PRACTICAL ADDRESS FOR EVERY BUCKNELL STUDENT.

The following is the gist of two address by Dr. Phillips on "The Student and the Church." Many comments were made on the effectiveness of the address and the general sentiment placed the analysis of the question as excellent and intensely practical.

Dr. Phillips said in substance: The church is the social expression of the Christian life which in this social institution reaches its fullness. Though there are Christians and movements for the betterment of mankind which are outside of the church, it is interesting to note that all such movements have been begun in the church. Such is the moral value of the church in society that where there are no churches real estate is not so valuable and that the railroads building out west are taking care to build churches in the communities they settle with their workmen for a workman who attends church is a better servant of the railroad, they assert.

The value of the church as a social unit is due to two elements of religion. Of these the first is that of worship; for a study of comparative religion shows us that all true worshippers ultimately come to worship with their fellowmen. So Jesus prayed the Lord's Prayer in the plural number of worshippers gathered together before God. The second element of the church is the co-operative activity it implies, for Christianity has been spread by the church whose failures do not overbalance her successes. No movement or organization should be judged by one or two failures but by its whole history.

Some urge as one of the weaknesses of the church today her denominationalism which is a sign of internal division. In reality, however, denominationalism is an expression of Christian individualism. This is why in United States, with individual freedom there are so many denominations. Individualism is dangerous to a certain extent. "When a young man comes to college it is serious for the college, serious for the home and serious for the young man, because he is free." Denominationalism is detrimental only when it sets up local ends, temporary creeds and organizations above the greater interests of men local and temporary. Just because the stand of the Baptists for the separation of Church and State at the time of the quarrel, we are not justified in taking sides today with those Baptists in India who refuse to receive government aid for their schools because it breaks down the separation of Church and State.

If we insist, as we certainly do, on joining the church and if we insist on denominationalism; question arises "What denomination shall I join?" This question must be answered in view of our present social relations in the family and friends; by our intellectual disposition, by our estheticism and by our conception of present Christian needs. That is to say, can you do best by leaving family and friends and breaking your social relations for a new one? Can you continue to think and still remain a member of that denomination or does it not satisfy your thought? In which denomination can you get the reality of worship without the form of the service grating on your feelings? Where can you by affiliation with the church fulfill what you consider to be the world's greatest need from the Christian standpoint in thinking, work and all lines of progress?

The student as an educated man should have a different way of looking at questions practical and theoretical; his education should enable him to see the real and the essential in all questions. He should, then from a sense of duty, join the Church to eliminate the unessential and point out the essential and practical.

To be of use to society a student should learn social co-operation by forming the habit of worship and work while in the formative period of college life. Most peculiar men have been shown not to have played as children, and those men who have broken with the church have not been the best "mixers."

The danger of American religious life at the present time is that the educated man will live outside the church. We are coming rapidly to the place of German educated men who verily believe that "the church is for the masses." The question for the

HILL GOSSIP

Shen, '20, spent Sunday in Williamsport.

Umlauf, '18, and Hopler, '18, were recent Muncy visitors.

Ritchie, '16, of New York City, visited his Forum brothers Sunday.

Hendrix, of State College, spent the week-end at the Phi Gamma house.

Bartlett, '16, witnessed the Bucknell-Lebanon Valley game last Friday night.

"Al" Jordan, '13, former assistant football coach spent a few days last week with his Phi Psi brothers.

Albert Hamlin, '15, and LeRoy Stolz, ex-'18, visited friends on the "Hill" the latter part of last week.

Geiger, '15, former editor of the Bucknellian saw the game Friday evening.

L. A. Switzer, '16, now of Harrisburg, spent part of Sunday renewing acquaintances among the students.

C. W. Lotte, '14, of Patterson, N. J., visited his Demosthenian brothers over the week-end.

Hatfield, Beckley, Champion, Davis and Berlin spent the week-end with friends at Beavertown.

Rowland, Unger and Downing, of Penn State, spent Sunday with their Phi Gamma brothers.

Hayes, ex-'18, now a student at the University of Pennsylvania, visited his Phi Gamma Delta brothers over the week-end.

J. Russell Snyder, '16, who is now teaching in Bedford High School this year renewed old acquaintances Friday and Saturday.

"Cy" Follmer, '16, of Emporium, and "Cotton" Reher, '16, former basketball star spent Sunday with their Kappa Sigma brothers.

Hunt Cook, a platform superintendent of the Swarthmore Chautauqua Association was a guest at the Phi Gamma Delta House last Friday.

Sears, Keeler, Ashman and McCormick spent the week-end at Gettysburg, where the annual section convention of Phule V of Phi Gamma Delta was held. On Friday they witnessed the game between Ursinus and Gettysburg.

The visiting brothers were entertained by an informal dance enjoyed by all. The business meeting was held on Saturday and in the evening a game of basketball was played between the Phi Chapter of Gettysburg and the other two chapters combined, Bucknell and State.

The game was won by the former by a score of 35 to 28.

WOMEN'S COLLEGE

Helen Nutt, '20, entertained her father and mother over the week-end.

Edith Jordan received a short visit from her father last week.

Gertrude Wertz, '20, had as a week-end guest her sister from Union.

Mabel Ruckman, '20, also entertained two guests last week.

Nellylou Gaudier, '17, returned to school after a short absence, bringing with her Katherine Eilenberger-Edwards, ex-'18, who stayed a short time.

John Flanagan, '19, who has been visiting at the Women's College for the past week, has returned home.

Ruth Clark, '20, spent the week-end at her home at Collingswood, N. J.

Frances Silberstein, '17, returned to her home in Philadelphia for a visit with relatives and friends over Sunday.

Julia Karmilowicz, '19, went home for a short time on account of the illness of her brother.

Margaret Mattern, '18, went home with Martha Wettlaufer, '18, for a short visit.

Y. W. C. A. NOTES

Professor Stewart led the Y. W. C. A. meeting last Tuesday. His subject "The Islands of Life" was presented in such a way that it became personal to each girl. The music was provided by Professor Stewart's viola.

When he closed the meeting with "Still, Still With Thee."

Mr. Poteat, traveling secretary of the Student Volunteer Band led chapel at the Women's College last Friday night.

STUDENTS BAR BOOZE
To prove that they're sincere in their fight to bar John Barleycorn from fraternities in the nation's capital, members of the Georgetown University chapter of Delta Chi fraternity smashed the flowing bowl and climbed aboard the waterwagon publicly in that city recently.

LEWISBURG, PENNA., MONDAY, FEBRUARY 19, 1917.

NUMBER 17

BUCKNELL SURPRISES NANTICOKE FIVE

STATE LEAGUE'S TAKE MUR-
LENNBURG'S PLACE.

**FINAL SCORE BUCKNELL 43.
NANTICOKE 37 POINTS**

Best Game of Season—Whole Team
Plays Whirlwind Ball—Murray and
Musser Thrill Students by Sensa-
tional Shots.

The Varsity added another victory to its list of triumphs on Friday evening by defeating the Nanticoke team of the Pennsylvania State League. The game was one of the fastest seen here this season and the closeness of the score kept the crowd in a feverish excitement from beginning to the end. The Orange and Blue boys nosed out ahead by caging three baskets in quick succession in the last few minutes of play. The final score was 43-37.

The Nanticoke team had a wonderful passing game which was hard to break up as well as some fine basket tossers. Bucknell took the lead at the beginning of the game and held it through the greater part of the first half, but when the first half ended the teams were again on an equal basis at 19-19.

In the second half Murray started a rally with several pretty shots and placed Bucknell slightly in the lead. Nanticoke also took a spurt and before the Varsity could get them stopped were in the lead by four points, as big a lead as either team had at any time until Bucknell's final try.

Musser came to the rescue with two fine shots from difficult angles and after the score had been saved for a while the teams were again tie at 37. Right here Bucknell got busy and swept Nanticoke off their feet by raining three baskets in quick succession. A lead of six points this late in the game left victory assured.

Waddell played the first half at forward and did good work. Captain Garner got back in the game in the second half after an absence of two weeks on account of injury.

The Varsity has won six of the seven games played this season and there is little doubt but that they will carry off the honors on their first big trip which they are taking this week. They left today for Washington, D. C., where they will meet Georgetown.

On the three following days they will meet Mt. St. Mary's, Gettysburg and Albright. Returning home on Friday they will meet Franklin and Marshall here on Saturday evening. The latter team is a strong one and undoubtedly the game will be worth seeing.

Line-up:
Bucknell Position Nanticoke
Waddell forward Evers
Murray forward Sembrick
Murray center Leary
Sisley guard Moeller
Boyles guard Walker
Field goals: Waddell 1; Murray 2; Musser 4; Garner 2; Evers 3; Sembrick 5; Leary 4; Moeller 5. Foul fouls: Boyles, 9 out of 15; Moeller, 3 out of 6. Substitutions: Garner for Waddell. Referee, Jackson.

NOTES OF THE GAME.
The Nanticoke team was at a slight disadvantage having to play intercollegiate rules as they are accustomed to Eastern League rules.

The game was the cleanest of any seen here this season.

Evers, a forward of the Nanticoke team, is a brother of the famous baseball star.

Some students of another college who were present at the game noticed the fact that some of the fusers crossed the gym floor without first removing their hats.

IMPORTANT NOTICE.
If the women of the Sophomore class fail to volunteer this week for the annual speaking contest, their places will be assigned to the men, an extra number of whom have signified their desire to obtain platform experience. The women are allowed entire freedom in the choice of selections, while the men are confined to oratorical types.

FRESHMEN ORATORS CHOSEN LAST WEEK.

As a result of two preliminary trials, the judgments being made by the students and teachers, the following were chosen to represent the men of the Freshman class in the annual declamation contest: Bell, Delong, E. W. Ingram, Gibbs, G. W. Lees, Lutz, F. W. Lewis, McIlvain, Waddell, and Weishaar. The speakers will report their selections as soon as possible and be ready to begin rehearsing early in the Spring term.

B. U. ALUMNUS ADVANCES.
J. Harry Schuch, '07, was recently made chief engineer of the Butte Anaconda and Pacific Railroad, succeeding C. A. Lemmon, also a Bucknell man, who resigned to accept an executive position with a large smelting concern. Immediately upon his graduation from the civil engineering course at Bucknell, Mr. Schuch accepted an engineering position with the Bessemer and Lake Erie Railroad, leaving this road he went with the Chicago, Burlington and Quincy, from which road he went to the one of whose engineering department he is now the head.

SOPHS GATHER AROUND BANQUET TABLE

EIGHTY MEMBERS OF CLASS TAKE PART IN BANNER BANQUET.

The largest Sophomore banquet on record took place Friday evening at Hotel Grauman in Shamokin and it was attended by about 80 Sophomores and upperclassmen. Departing from the usual custom, the class extended an invitation to all upperclassmen and the new feature proved well in keeping with Bucknell spirit.

The banqueters left Lewisburg at 6 o'clock and were through with the bounteous lunch and program of toasts before midnight. President Dent was toastmaster and called upon the following for speeches: Francis P. McDermott, chairman of the banquet committee, George F. Jacob, Charles Davies, Alex. Chaffant, Benjamin Markowitz, Chester R. Leiber, Lester K. Aile, Thomas J. Mangum, J. M. Kiviat, Walter S. White, David C. Gall, Jr., Hobart Biehn, Harry V. Thomas and C. Malcom Emerick.

A feature of the annual affair was the large number attending as well as the praise-worthy manner in which everything was managed. Both the people of the town and the Grauman managers commented upon the gentlemanly manner in which the Bucknell men conducted themselves. A train leaving Shamokin about 4 a. m. brought the fellows to Lewisburg in time for breakfast.

VARSIITY ON FOUR-GAME TRIP THIS WEEK

OPENS WITH THE GEORGETOWN TEAM AT WASHINGTON TO-NIGHT.

The Varsity left this week for the hardest trip of the whole schedule. Four games will be played with the team of first-class calibre, and the team will do well to win two out of the four contests. On Friday the Varsity will return and meet the strong Franklin and Marshall five in the gymnasium on Saturday night.

The week's schedule follows:
Feb. 19—Georgetown University at Washington.
Feb. 20—Mt. St. Marys at Emmetsburg, Md.
Feb. 21—Gettysburg at Gettysburg.
Feb. 22—Albright at Myerstown.
Feb. 24—Franklin and Marshall at Lewisburg.

MINISTERIALS.
Rev. Everett, of the Presbyterian church addressed the Ministerial Association in Ensign last Friday at 4.15. Mr. Everett gave some very interesting and useful suggestions to follow out during preparatory days. It is to be regretted that so few were present, owing to several other college functions and it is sincerely urged that in the future all the ministerial students and their interested friends save Friday at 4.15 for the meeting.

CAP AND DAGGER WORKING ON PLAY

SECOND PLAY OF YEAR THIS TERM.

IBSEN'S "DOLL HOUSE"

MARCH 8, IN ORPHEUM

Production Sure to Please—Six Characters in Cast—Members of Cast Working Under Direction of Miss Schilling.

"The Doll's House," by Henry Ibsen, will be presented in the Orpheum Theatre March 8, under the auspices of the Bucknell Cap and Dagger Dramatic Society. Each term this society presents a play and owing to the high standard developed by the organization, their productions are always looked upon as being among the chief social attractions of Bucknell student life.

The practice for the coming drama is rapidly reaching perfection under the supervision of Miss Edith Schilling, of the Education department, and all indications point to another high class play. The three acts of the drama abound with such true-to-life home scenes that interest in the characters is intense during the entire play. There are numerous scenes in the play which hold one by their directness and simplicity and the theme of the production is one that is bound to please.

The Cap and Dagger Society usually presents one play each term and has made a name for itself in every one of its varied productions. During the fall term the "Spanish Gypsy" was well received and last year the farce-comedy "The Dutch Detective" and "Katharine and Petruchio" gave Bucknell students an idea of what the members of Cap and Dagger were able to accomplish in dramatics.

The play will be given only one evening, Thursday, March 8, in the Orpheum Theatre and will begin at 8.15. Owing to the fact that the play will be staged in the Orpheum an admission will be charged in order to meet expenses. Budget receipts admitted the holders to last term's production and will be good for admission to the Cap and Dagger play early next term. This time an admission will be charged. The following is the cast which will represent the Dramatic society in this term's play: Torvald Helmer.....Eugene Bertin.
Mrs. Helmer.....Grace Good.
Dr. Rank.....Chester R. Leiber.
Nils Krugstad.....George Bender.
Anna.....Ethel Farley.
Mrs. Linden.....Annette Stahl.

MECHANICALS BANQUET AT FOREST HOUSE

FOURTEEN MILE TRIP MADE IN TWO LARGE BOB SLEDS.

Nineteen couples including Professor and Mrs. Burpee made up the sleighing party and banquet of the Mechanical Engineers on Wednesday evening of last week. The fourteen mile trip to the Forest House was made in bob sleds, the mild weather of Wednesday evening having a share in making the trip an enjoyable one.

Upon their arrival at the Forest House the Mechanicals and their friends sat down to a bounteous repast, the like of which has made the Forest House famous in this section of the country. After a few hours of dancing and merriment the banqueters returned to Lewisburg a few hours in advance of the chapel bell. "It's sure to be an annual event," say the fellows who made the trip.

NOTICE.
All interfraternity basketball games (national league) will be moved forward one date. The game this evening will be Phi Gamma Delta versus Sigma Alpha Epsilon.

HOLIDAY ON THURSDAY.
According to the annual custom, the students will have no classes on Thursday, Washington's birthday.

BASKETBALL RECORD.

That Bucknell's basketball quintet is making a record that will equal last year's is shown by the following results:

B. U. 55; Bloomsburg 24.
B. U. 70; Carlisle 21.
B. U. 31; Gettysburg 30.
B. U. 32; Williamsport Big Five 26.
B. U. 20; Hasset Club 21.
B. U. 60; Lebanon Valley 31.
B. U. 45; Nanticoke 37.

GLEE CLUB CONCERT.
Bucknell students and townspeople will have an opportunity to hear the Bucknell Glee Club and Orchestra on Thursday evening of this week when a concert will be given in the Lewisburg Lutheran church. Favorable reports from the recent western tour have stirred up considerable interest and a banner crowd is expected at the first home concert of the year. The concert will begin at 8 o'clock. Budget receipts will be honored. Other admissions 35 cents.

A GENTLE HINT.
With living expenses soaring on every side, the trustees of the Pennsylvania State College have cut graduation fees from \$15.50 to \$4 for each student. The reduction will go into effect next June.

INTER-FRATERNITY GAMES

Sigma Chi 40—Kappa Sigma 24.
The victory of the Sigma Chi over the Kappa Sigs last Thursday makes a triple tie for the lead in the national fraternity league, the Phi Gamma, Lambda Chi and Sigma Chi each having won 3 and lost 1. As each team stands a good chance of winning its last game on the schedule, this triple tie will likely be the same at the completion of the series.

The Kappa Sigs fought hard again in the game Thursday night but the strong Sigma Chi combination with its clever passing and team play kept a commanding lead except for the first few minutes of the game.

Lambda Chi Alpha 24—Phi Kappa Psi 22.
The Lambda Chis brought their record of victories up to three by trouncing the Phi Psi five in a close contest 24-22. The Phi Psi team was composed almost entirely of new players and as a result very little team work was in evidence, but Agnew's clever floor work and shooting kept them in the running. Lewis, center for the Lambda Chis suffered an injury to his ankle near the close of the first half and his absence greatly weakened the team.

The Phi Psi did the best work in the second half but were unable to overcome their opponents lead.

Non Frats 32—Demosthenians 28.
The Non-Frats won their second victory of the season when they defeated the Demos 32-28. The victors got off to a commanding lead early in the game and were never headed, altho a late rally by the Demos did threaten to even matters up. Deland and Kittowski forwards for the winners did some clever goal shooting especially during the first half of the game. Shilling was the heaviest scorer for the losers.

LYCEUM LECTURE FRIDAY.
Dr. C. C. Mitchell will lecture in the Lewisburg Methodist church, Friday evening at 8.15. He will appear as the third number of the Y. M. C. A. Lyceum course, and according to advance notices he is regarded as one of the best lecturers on the Lyceum platform.

Franklin and Marshall vs. Varsity Saturday night.

DAY OF PRAYER NEXT SUNDAY

BUCKNELL TO SHARE IN UNIVERSAL OCCASION.

PROF. RAWLINSON, '99, OF CHINA TO BE HERE

One of Christian Statesmen of China—Will Make Three Addresses on Sunday—Treats Subject From World-wide View-point.

Sunday, February 25, will be the "Day of Prayer for Schools and Colleges," all over the world. This year as never before the young men and women of the American colleges should realize that there is a world crisis on, a crisis that does not wholly depend upon military victories or defeats but upon the conservation of the moral and religious forces in our institutions of learning. Bucknell must be in sympathy with the world-wide spirit.

To have our share in such a universal occasion the University has invited to address the students and faculty, Professor Frank Rawlinson, of Shanghai College, Shanghai, China. Professor Rawlinson graduated from Bucknell in 1890. Later he graduated from Rochester Theological Seminary. Since 1902 he has been engaged chiefly in educational work in China. At present while on leave of absence he is pursuing graduate work at Columbia University. He has been described as one of the Christian statesmen of China.

Naturally he will emphasize our relations to China and the Chinese. But all who heard him when he was here more than five years ago can testify that he always looks at his subject from a world-wide point of view. He will have something to say on International Relations. Note the subjects, the time, the place of meetings:

"Are We Better Than the Chinese?" Bible Class, Baptist Church, Sunday, at 9.30.
"Some Changes in China," Baptist Church, 10.30.

"How We Do Mission Work." Christian Endeavor, Baptist Church, 6.30 P. M.

"International Vocations," Bucknell Hall, Monday evening.

Entered at the Lewisburg post office as second class matter.

Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, FEBRUARY 19, 1917.

A GOOD STEP.

The movement started in December by the College Presidents' Association of Pennsylvania toward cleaning up college athletics of Pennsylvania deserves the support of every college in the State. At a recent meeting of the association, nine colleges expressed their approval of the proposed changes in the rules governing athletics.

Muhlenberg was the first college to put theory into practice when the faculty of that college recently suspended a number of their best athletes for failure in mid-year examinations.

Other colleges are expected to follow Muhlenberg's example in the near future, but the success of the movement is as yet uncertain. No one denies the need of a clean-up, but the majority of the colleges hesitate to fall in line or seem indifferent to the entire matter. Only by combined action of the Pennsylvania colleges can the movement bring about the desired changes.

What is Bucknell going to do? Look over the rules recommended by the association in another part of this issue and see whether you think them worthy of adoption. We would like to see Bucknell's name included in the next list of colleges supporting this movement for cleaner athletics.

COMMUNICATION.

Who is Bucknell's correspondent for the Philadelphia North American? Won't the North American print Bucknell news or hasn't any been sent in during the last two weeks? Is the correspondent sick or just naturally lazy?

We might ask a few more questions, but we fear the editor will not have space for them, so we'll continue our "howl" in another direction.

For two weeks straight I have been unable to find any account of Bucknell's games, either in the Saturday or Sunday issues of the North American. Other students have looked in vain also, and as the North American is read more than any other newspaper on the Hill, it seems only right that the students want to see the name of Bucknell in its columns occasionally.

Other colleges get special articles besides the weekly games, but Bucknell does not get a game in once a month, and with one of the best basketball fives in our history at that.

If the present correspondent can't handle the job he would do Bucknell

Alumni and students a favor by handing the reins over to some one who will endeavor to keep Bucknell on the Athletic Map.

Yours for the good of Bucknell.
1918.

NINE COLLEGES IN FAVOR OF ADOPTING NEW RULES.
Nine colleges, which are located in Pennsylvania, reported yesterday as being in favor of the rules governing athletics which were adopted at the December meeting of the College Presidents' Association of Pennsylvania.

Those rules which were adopted at the December meeting, are briefly: 1. That no student can be a member of a varsity team in his first year in the institution. 2. That only undergraduates are eligible for any collegiate branch of sports. 3. To avoid giving any financial aid to any one because of his being a prominent or promising athlete. 4. That no college student can take part in athletics for more than four years.

There are thirty-five members of this association and yesterday's report was anything but favorable. Only eighteen members attended the meeting which was held in the Houston Club, and of these, nine reported that no action has as yet been taken by the faculty which they represent.

The nine colleges which approved the rules were the University of Pittsburgh, Franklin and Marshall, Duquesne, Muhlenberg, Moravian, State College, Susquehanna, Waynesburg College and Ursinus. The other colleges which were represented were: Haverford, Dickinson, Allegheny, La Salle, Lafayette, Lehigh, Temple, Lincoln and Wilson.

FORUM PARTY.
On Friday evening, Feb. 16, the Forum Literary Fraternity entertained a number of Lewisburg and out-of-town girls at a Valentine Party, held in their rooms on Market Street. Mrs. Earle acted as chaperon.

MUSICAL TONIGHT.
Maestro Berlin, noted pianist of Philadelphia, and Madame De Sylva Schonen, Mezzo soprano-contralto, will appear in a musical artist recital in Bucknell Hall tonight at 8:15 p. m.

DR. HARRIS TO SPEAK.
"Community and Patriotic Day," will be observed at Jackson school building in Williamsburg on Thursday and the chief speakers are Dr. Harris and Judge A. W. Johnson of this place.

All out for the game on Saturday night.

ATTORNEY STEININGER ADDRESSES Y. M. C. A.
"THE MORAL SIDE OF THE MEXICAN QUESTION," HIS SUBJECT.

Attorney Cloyd N. Steininger, '64, of Lewisburg, gave a very interesting talk on "The Moral Side of the Mexican Question," in the Y. M. C. A. on last Thursday evening. Mr. Steininger told first of all concerning the country at the border. The boys were stationed at a point about 4250 above the sea level. During the warmer weather the mercury registered between 120 and 130 degrees, but a constant breeze made their stay endurable. Water was at a premium owing to the fact that they had but two streams during their seven months stay.

The Mexicans said Mr. Steininger was a very difficult person to describe; one of their unique characteristics of Jassa being their large 350 Stetson hat. The principle types of inhabitants are the Poms which constitute about 85 to 90 per cent. of the population—a tremendous, subtle bunch—only agreeable when they think you are a probable purchaser. The Aristocracy constitute a second class and might be termed the "Crooks." The third class—the Spanish—are quite a congenial lot of people who seem to really have national ideas and can be dealt with in a business-like manner. The American Business Men who have gone into Mexico have resorted to such "Hogwash" methods that great enmity has arisen as a result. The Mexican situation has and is still causing much anxiety. Just what method the U. S. will take remains to be seen but it will require great tact and sound judgment on the part of our government officials to bring about complete and general good will.

"CHALLENGE OF CHURCH TO THE EDUCATED"
SEQUEL TO DR. PHILLIPS TALK ON THE PREVIOUS SUNDAY.
"The Challenge of the Church to the Educated" followed the discussion of the previous Sunday as a kind of sequel. The relation of the student to the church was noted on February 11th.
In discussing the topic Dr. Phillips first of all defined his terms and said that "an educated man is one who regards what he knows as an instrument to be used for the progress of life." Knowledge is not for selfish possession but for circulation. The truly great man is not he who knows much, but who with his knowledge affects life for progress.
To such men there comes a great challenge from the Church. It is a challenge, too, and not an invitation, for many will want you in the Church as a soul, not as an educated person. This type of people regard the Church as having a possession not an instrument; as a medium which hands out salvation as a basis for good living. Education teaches us that salvation is not a possession but a process, that salvation is life not a basis for life. Paul held this view when he wrote of "working out your own salvation with fear and trembling."
For the strong man a challenge is needed to bring out his true self and to produce his best work. So the strong educated man finds himself confronted with a great opportunity in the form of a challenge from the Church; a challenge to use the Church in solving international, rural and social problems.
In the present world crisis the church is manifesting spirit of internationalism and for the solution of the international problem this institution at work must be used as being the only power big enough to unite all nations. China's friendly attitude toward the United States is the outcome of missionary forces in securing the restoration of the Boxer Idemity.
In the rural problem the Church can be used as a potent factor in the morality of the community to urge the young people to build up life in the rural communities.
The social problem, it has been demonstrated, can only be solved thru the Church and thru the different denominations are paying secretaries of labor to help solve this question of capital and labor.
If you want to do something in the world, here is your chance. Are you big enough to accept the challenge?

When You Go Out Into The World
and equip your first laboratory perhaps you will have doubts as to what is the best apparatus to install for your particular requirements. Our experience as specialists on laboratory apparatus for sixty years is at your disposal. We enjoy such co-operation—invariably it leads to firm business friendship. There must be a reason.
Catalogs and descriptive literature gladly sent to enquirers stating their affiliations.

Dr. Jewell Phillips of the faculty will speak before the Spring meeting of Union county teachers to be held in Lewisburg next Saturday. He will speak on "Practical Pedagogy." Harold Musser, '13, will also speak his subject being "Chemistry and Agriculture."

WRESTLERS LOSE IN SEASON'S FIRST MEET
CORNELL'S EXPERIENCED MEN GET 5 FALLS AND 2 DECISIONS.
Bucknell's wrestling team journeyed to Ithaca Saturday and met the strong Cornell aggregation of wrestlers in the first intercollegiate wrestling match in Bucknell's history. Cornell won all the bouts, getting five falls and two decisions on aggressiveness. Altho Bucknell failed to gain a decision the men showed promise of developing into clever wrestlers with more experience.

Cornell has had a wrestling team for several years and has two intercollegiate champions in her lineup. Donaldson and Hewitt were the ones to draw the champions. In the 125 and heavyweight divisions Bucknell men stayed the full nine minutes. Coach Young, of Cornell complimented the Bucknell men on their good showing for a green team and gave them some points on reaching weight before weighing in. Captain Donaldson also expressed himself as being satisfied with the showing of his men in their first match of the season. "Fine treatment all around," said "Bob" on his return to Lewisburg yesterday.

If present plans materialize several other meets will be scheduled before the close of the wrestling season. Arrangements are under way toward securing dates with Columbia, Pitt, Lafayette and Muhlenberg; the latter team to be played on the home floor if possible. Candidates for the team are urged to report this week in preparations for coming meets.

Saturday's line-up follows:—
115 lb. class—Kephart, Cornell; Sherk, Bucknell, Fall.

HILL GOSSIP

C. S. Kiefer, '18, was called to Shenandoah on business to-day. Leslie Campbell has returned to school again after a term's absence. "Jimmy" Tyson, '16, of Williamsport, visited at the S. A. E. house to-day.
Jones, '18, Stone, '18, and Davies, '19, spent a very pleasant week-end with friends in Tamaqua.

WOMEN'S COLLEGE

Edith Gardner, '20, entertained her sister for a few days.
Helen Groff, '16, and Margaret Wallace spent the week-end at the Women's College.
Miss Culbert of Elizabeth, Pa., is spending a week with her sister Miss Ethyle, Culbert, '20.
Jessie Potts, '18, had as her guest for a few days Ruth Kuhn, of Greensburg. She was also surprised on Sunday by a visit from her father.
St. Valentine was unusually honored at the Women's College on Wednesday. Valentines flew around all day, and there were table parties in profusion. Cupids darts and hearts entirely occupied the festive attention.
Miss Kramer was very much surprised on last Thursday night by a party given by the teachers. The host part, and perhaps the most surprising, for Miss Kramer at least, was the fact that it was a kitchen shower.

Y. W. C. A.
Dr. Shields a returned missionary addressed the Y. W. C. A. meeting on Tuesday last. He was in the native Chinese dress and represented during his talk different types of Chinese including an official, a student and a priest. He appealed for aid and put China's great need clearly before the girls.

Phi Beta Phi.
On Saturday Phi Beta Phi sorority invited the following girls to membership: Anne Bertolotti, Helen Bodine, Ruth Clark, Elitha Corson, Marion Goho, Lillian Killian, Jean Kerr, Edith Larson, Elizabeth Patterson, Mabel Ruckman, Helen Reed, Pauline Schenk and Katherine Slifer.
Delta, Delta, Delta.
The Delta, Delta, Delta sorority pledged the following: Ethyle Culbert, Beryl Childs, Elizabeth Downs, Helen Fowler, Helen Mathews, Francis McFarland, Katharine Puddicombe, and Helen Walton.
Kappa Delta.
The following girls accepted invitations to the Kappa Delta Sorority: Jessie Bogner, Elaine Bloom, Beatrice Elwell, Hazel Florin, Louise Herritt, Katharine Johnson and Grace Millward.

ESSAY PRIZES FOR COLLEGE GIRLS

The subjects for the Bucknell Essay Prizes for this year will be drawn from the following books:
Seniors, Shakuntala—Kalidasa.
Junior, Antigone—Sophocles.
Sophomores, Return of The Native—Hardy.
Freshmen, Mansfield Park—Jane Austen.
This essay contest, to which all the women of the four college classes are eligible, will be held during the latter part of the month of May. Those who expect to compete for these prizes and who desire detailed information concerning the texts to be used and the methods of the contest will consult Professor Fries.

CALENDAR

Monday—Glee Club 7 p. m., in the chapel.—Musical Artist Recital 8 p. m., in Bucknell Hall.—Sigma Alpha Epsilon vs. Phi Gamma Delta at 7:30 p. m., D. T. U. vs. Forum in the gymnasium.
Tuesday—Fraternity Meetings.—Y. W. C. A. at Women's College.
Wednesday—Orchestra Rehearsal at 7 p. m.—Student Volunteers 7 p. m.—Junior Prom committee at 9:30 p. m., in Y. M. C. A.
Thursday—Y. M. C. A.—Lambda Chi vs. Sigma Chi—Glee Club Concert 8 p. m., in Lutheran Church.
Friday—Lecture by Dr. C. C. Mitchell 8:15 in Methodist Church.
Saturday—Varsity vs. Franklin and Marshall 8 p. m.
Sunday—Prof. Rawlinson, of China at Bible Class 9:30 in the Baptist Church.

Seidel & Spangler's Specials

SILKS AND WOOL DRESS GOODS SALE CONTINUED ONE MORE WEEK

On account of the severe cold and the bad roads combined, we have decided to run our special prices on silk and dress goods until Saturday, February 24.
We know that many who would like a chance to buy these wonderful values have not been able to get here, so take this as a special invitation and get your Spring's supply of silks and dress goods at our special prices.
While hundreds of yards of silks and wool goods have been sold to so many satisfied customers, there are thousands of them left, and many new ones were added which are now on display for your inspection.

LOVELY NEW SPRING SILKS

In all the brilliant colors. The more fashionable—greens in all shades, yellows, purples, blues, gold, bronze, and many other tints that are the new color note.
As to scarcity, there is table after table loaded down with them, in the new weaves. And in addition, the showing of Spring and Summer dress goods and cloakings.
Best yet, every yard was bought at lower prices than prevailing today.

SPRING CAN BE SEEN IN EVERY DEPARTMENT

And remember, early prices are always lower with us. On display are beautiful new Spring hats of silk, satins and straw. Spring shades are beautiful.
Suits—In shades that after little will be scarce and hard to get.

Varsity Hangs Up Three More Wins

TEAM DOES WELL ON FOREIGN FLOORS.

F. AND M. OVERWHELMED IN 56-17 DEFEAT

Georgetown and Gettysburg Deal Out Defeats.—Varsity Conquers Mt. St. Marys and Albright.—Fine Treatment on Big Trip.

The Varsity celebrated its return to the home floor by completely crushing Franklin and Marshall on Saturday evening. The F. and M. team put up a rather weak opposition and the Varsity had little trouble in piling up 56 points, the net result of the victory's struggles was 17 points.

Two of the regulars were absent from the line-up. Garner's place was taken by Waddell and Boyle's place at guard was filled by Silberstein. The floorwork of the latter was a noticeable feature of the game and his foul shooting was far above the average, making ten in sixteen attempts. Toward the end of the game other second string men were substituted and they did good work.

F. and M. got the lead at the start but once the Varsity got started they swept their opponents completely off the floor and at the end of the first half the better end of a 26-8 score.

The visitors made only one field goal in the first period which came in the last two minutes of play.

Musser played his usual consistent game caging seven field goals including some prettys shots from difficult angles. Sibley came thru with a strong finish and contributed six field goals in the second half.

The one sided score detracted from interest of the game which lacked any particular excitement. The visitors lacked an efficient passing system and were helpless before the passing game that the Varsity put up. As a result the Orange and Blue team scored almost at will. This week the Varsity will meet Susquehanna here and a good game is expected.

As an outlier Mr. Mitchell stands in the first rank. His ability to intermingle humor and pathos enabled him to keep the interest of the audience at the highest pitch through the entire lecture. The next number on the Lyceum Course will be the Old Home Singers next month.

The line-up:
Backs: Position F. and M.
Murray forward Mount
Waddell forward F. Garvey
Sibley center Quinn
Silberstein guard Lohach
Hurdley guard Brubaker
Garner center
Field goals: Murray 5; Waddell 4; Musser 7; Sibley 6; Gammel 1; Lohach 1; Quinn 1; Mount 2; Foul goals: Silberstein 10 out of 16; Quinn 9 out of 13; Referee, Snyder.

Georgetown Game.
On Monday evening the Varsity played the first game of the trip in Washington, D. C., where they met the Georgetown quintet. The Varsity put up a good game but the Georgetown team was a fast combination and carried away a victory by a score of 45-31.

The Washington boys had a system of teamwork that was hard to break up and in addition to this each man on the team was an excellent shot. The guarding of O'Boyle was a feature of the game. He also contributed five field goals.

The Georgetown team took the lead at the very start of the game and maintained a safe lead throughout the entire contest. The Varsity was unable to decrease the margin to less than six points at any time. The home five took a big spurt in the beginning of the second half. The regulars were kept in only about one-half the period and in that time they piled up fourteen field goals. This was by far the fastest team that the Varsity met on the trip.

The line-up:
Georgetown Position Bucknell
Olone forward Garner
McNauly forward Murray
O'Boyle center Musser
Sibley guard Sibley
Casken guard Boyle
Substitutions, Georgetown: J. O'Boyle, Kellahere and Burke. Field goals: Garner 2; Murray 3; Musser 5; Sibley 3; Boyle 2; Olone 4; Feet 6; McNauly 6; O'Boyle 5. Foul goals: Boyle 1 out of 5; Feet 3 out of 5. Referee, Culliflow.

Albright Game.
The team made its second stop at Emmittsburg where it met the Mt. St. Mary's five on Tuesday evening. This team was outclassed in every way and handed a 34-19 defeat.

The Varsity got its scoring machine working in this game at the very start and when the first half was over were in the lead by the comfortable margin of 11 points. Murray was the chief offender against the Maryland boys, contributing 14 points in the first half. Boyle did not allow his forward to score.

The coach of the college complimented the team on its clean playing. A notable feature of the game was the few fouls that were called, there being only seven registered against both teams.

The line-up:
Mt. St. Mary's Position Bucknell
Chapman forward Garner
Hegarty forward Murray
Burke center Musser
Hennessy guard Boyle
Casken guard Sibley
Substitutions, Mt. St. Mary's: Royer for Burke; Post for Royer; Grilly for Casken. Field goals: Garner 4; Murray 4; Musser 4; Boyle 1; Chapman 2; Hegarty 5; Casken 2. Foul goals: Hennessy 1 out of 4; Boyle 2 out of 3. Referee, Derr.

(concluded on second page.)

C. C. MITCHELL GIVES FORCEFUL LECTURE

RECENT NUMBER OF LYCEUM COURSE WELL ATTENDED BY STUDENTS.

C. C. Mitchell, who has been designated "The Bombardier in a Nutshell," delivered his well known lecture "The Story of An Ash Heap," before a large gathering of students and townspeople in the Methodist Church, Friday evening.

The lecture has been given over 400 times in different sections of the country and is filled with the kind of material that makes one think.

As an outlier Mr. Mitchell stands in the first rank. His ability to intermingle humor and pathos enabled him to keep the interest of the audience at the highest pitch through the entire lecture. The next number on the Lyceum Course will be the Old Home Singers next month.

The line-up:
Backs: Position F. and M.
Murray forward Mount
Waddell forward F. Garvey
Sibley center Quinn
Silberstein guard Lohach
Hurdley guard Brubaker
Garner center
Field goals: Murray 5; Waddell 4; Musser 7; Sibley 6; Gammel 1; Lohach 1; Quinn 1; Mount 2; Foul goals: Silberstein 10 out of 16; Quinn 9 out of 13; Referee, Snyder.

On Friday night the reserve basketball five met defeated at the hands of Nanticoke High School. Few field goals were made, the game being decided on foul goals. Under the rules each player had to shoot his own fouls which handicapped the reserves considerably. The game was hard fought and undecided until the last few minutes of play. The final score was 32-20. The "scrubs" lined up as follows: Dorrin, center; Shilling and Holleran, forwards; Hurley and Gerhart, guards.

FRESHMEN COMMITTEE.
The vigilance committee is again on the job. Their weekly report shows a goodly number of Freshmen on its list. The following will report to Senior Council Wednesday night: Lenker, Fraker, Day, Dyer, Craig and F. W. Lewis.

BATTERY CANDIDATES.
Coach Cockill has issued a call for Varsity battery candidates for the season nine; the men to report this afternoon in the gymnasium. Work-outs will be held every afternoon from now on till the end of the term.

CALENDAR
Monday—Glee Club and Orchestra 6:45. Prof. Rawlinson's address on International Vacations 7:30 in Bucknell Hall.
Tuesday—Senior Class Play Committee 4:15 in Miss Schillinger's studio.—Fraternity meetings.
Wednesday—Senior Council 6:45. Dr. Hamer to speak before Chemical Engineers.
Thursday—Phi Psi vs. Sigma Chi in the Gymnasium at 8 p. m.
Friday—Susquehanna vs. Bucknell in Tustin Gymnasium.—Engineering Movies at 1 p. m. at Orpheum.
Sunday—Bible Class at 9:30 in the Baptist church.

Mt. St. Mary's Game.

LAMBDA CHI ALPHA PURCHASES HOUSE

WOLFE PROPERTY TO BECOME FRATERNITY HOME.

MEMBERS TO MOVE IN DURING EASTER RECESS

Seventh Fraternity House for Bucknell.—Buildings and Grounds Present Fine Appearance.—Ideal Spot for Fraternity House.

A new fraternity house was added to Bucknell's growing list last week when the Lambda Chi Alpha fraternity purchased the property owned by Mrs. Isabelle Wolfe on the corner of Front and St. Louis streets, making the seventh fraternity house among Bucknell's fraternities. A fine location, beautiful grounds and a large handsome dwelling house combine to make the property an ideal home for a fraternity. During the Easter vacation the members of the fraternity will take up their abode in the new home.

The Lambda Chi Alpha fraternity was founded at Boston University in 1909. During the year of 1913 a chapter of the fraternity was installed at Bucknell when the Alpha Sigma local fraternity became national. At present the active chapter has thirty members on its roll; the headquarters of the fraternity being on Market street, opposite the Hotel Duquesne.

The buildings and grounds of the new home are all that could be desired; the dimensions of the lot being 160x120 feet. The house itself is equipped with modern conveniences and well adapted to serve as a fraternity home. The interior of the house is finished in mahogany and oak. A wide porch at the front of the house gives a commanding view of the Susquehanna, will make an attractive spot during the warm days of the spring. The property as a whole is a credit to Bucknell and the Lambda Chi Alpha fraternity and is a welcome addition to Bucknell's fine group of fraternity houses.

IMPORTANT NOTICE.
Reserved seats for the coming Cap and Dagger play "A Doll's House" by Henrik Ibsen will be placed on sale at the Orpheum theatre, Tuesday, March 28. First three rows in the balcony and the box seats will be reserved at 35c. The same "fussing privileges" allowed "800" gifts on Y. M. C. A. lyceum course nights will prevail. Don't forget the date of the play, Thursday, March 8, at 8 o'clock in the Orpheum.

DR. HAMER WILL SPEAK TO CHEMICALS

NOTED SPEAKER TO GIVE AN ILLUSTRATED LECTURE ON WEDNESDAY.

Dr. Wm. A. Hamer will speak to the Chemical Engineering Society on Wednesday evening, Feb. 28, 1917. Dr. Hamer is the director of The Mellon's Institute of Industrial Research and will address the Chemical Engineering Society on the subject of "Opportunities of Industrial Research." His lecture will be illustrated with about forty up-to-date slides. The speaker is one of the best technologists in the country and he will give a talk which are sure will be of value to all Engineers.

The Chemical Society is an active organization holding meetings every two weeks. Dr. Hamer will be the first speaker to come here under the auspices of the society this year. The officers of the society feel gratified that they were able to obtain a speaker of such note, and it is earnestly requested by the society that all Engineers who possible can be present at the society's meetings. The great benefit is to be derived from the talk by Dr. Hamer.

It may be well at this time to state that Dr. Alex. Silverman, Professor of Industrial Chemistry of the University of Pittsburgh will be with us on April 1. Further details will be published later.

FRESHMEN FIVE LOSES.

Manager Sherk of the Freshmen basketball five took his team to Shamokin last week where they met the strong High School aggregation of that place. Shamokin came out on the long end of a 32-26 score, after a hard fight. The following men represented 1920: Mathieson, LaChair, forwards; Schneider, center; Bell and Lees, guards.

SPRING SUITE.
A flock of robins stopped off at the foot of the campus this morning on their return trip. Believe it or not, a member of the faculty vouches for the truth of the above statement.

SENIOR PLAY COMMITTEE.
There will be an important meeting of the Senior Class Play Committee Tuesday afternoon at 4:15 in Miss Schillinger's studio.

VOLUNTEER COMPANY MAKING PROGRESS

LIEUT. BECHTEL AND PROFESSOR EARLE PLEASED WITH WORK.

"Wonderful" is the way in which Lieut. Bechtel describes the improvement of the men in the military drill. To date, 170 men have enrolled for the drill, and an average of from 60 to 70 is maintained at each drill period. Advancement has been made from squad drills and the manual of arms to platoon and company drills.

When interviewed, Lieut. Bechtel said: "The results are encouraging in the extreme. This is somewhat of a new experience to me, as in the army, a few new recruits could, with a little preliminary drill, be placed in a squad of regulars and with so many men executing the commands perfectly, it is usually a simple matter for the recruit to learn. Here it is different. Nearly every man is a new man, and must be started at the beginning; but the speed and ease with which the men are progressing shows the difference of a college training. Prospects for the future look as bright."

Prof. Earle, in discussing the progress of the squads and the plans for the future said: "Drills still continue to improve; all men are showing much improvement. We are teaching new movements and each drill period and the attendance is satisfactory. For the present, the drill periods will remain unchanged: Monday and Tuesday at 4:30; Saturday, 9:30 and 1:30. Next term, drills will be on the Athletic Field, probably at 6:30 p. m. Parades will be arranged for. Officers will be elected at the beginning of next term from candidates selected by Lieut. Bechtel. Those desiring to try out for officers should be present at as many drills as possible. The War Department has been heard from and the report is encouraging. Guns and full equipment can be secured. Every step is being taken to secure them. It would be well for students to remember that the military drill is under the auspices of the B. U. Rifle Club. Any student is eligible to membership by the payment of 25 cents to Treasurer A. H. Chalfant. Rifle shooting on the range will be started as soon as the weather permits."

Rifle practice should be a material aid to military drill, as a soldier with no ability as a marksman is of very little use. The volunteers are indebted to the Rifle Club for the use of the guns in the manual of arms, and the Rifle Club has no serious objections to increasing the number of its members. Be sure to pay your quarter soon.

ENGINEERS TO STAGE MOVIES

The Civil and Electrical Engineering Societies will show motion pictures of the Barber Asphalt Company's method of producing and refining paving asphalt and of the shop of the General Electric Company. All engineers, in particular, and anyone else who desires, are requested to be present. Orpheum theatre, on Friday, March 2nd, at 1 p. m. No admission will be charged.

GLEE CLUB MAKES DECIDED HIT

HOME CONCERT LAST THURSDAY EVENING.

ORCHESRA'S WORK A MARKED FEATURE

Concert a Success in Every Respect.—"Best Glee Club in Years." Say Students.—Combined Concert With State College Soon.

Despite the royal reception accorded the Bucknell Musical Clubs when "abroad," our now famous musicians found an audience, no less appreciative, in the Lutheran Church on last Thursday evening. From the moment when Prof. Stolz first raised his baton until he finally lowered it, the college men and townspeople gave their closest attention to the music, the appreciation of which they showed by liberal applause and a demand for encores to nearly every number.

Altho' the program was composed largely of classical numbers, the alternation of light and swiftly moving music and the more solemn strains maintained a very pleasing variety.

The Orchestra, in particular, was given an ovation and they responded to the applause by an encore to each of their selections. Lloyd's performance on the bells and drums was the source of many remarks of wonder and admiration. Many eyes were turned on Eschelman both while he was on the platform and in the pit, and "Tommy" was obliged to make a triple appearance before the audience allowed the third number of the program to be concluded. As Adams was unable to appear, Bots substituted at the piano.

As usual, the Glee Club was enthusiastically satisfactory to everyone. Pederigo was the subject of much favorable criticism, because of the excellent manner in which he carried the solo parts. Puff of the quartet was abetted, and at the last moment, "Caruso" Lutz, the Freshman soloist, consented to take his place. The quartet music was perfect, but everyone received the most pleasant surprise of the evening when Lutz stepped forward and rendered an unaccompanied solo. He sang "A Perfect Day" as an encore to this number.

Despite his heavy cold, Cassler played an excellent cornet solo. Quite a bit of important information was imparted by Sherk in "Pickwick's Dilemma" and "Hitchcock's 'Curtain Speech.'"

The program consisted of:
PART I.
1. March, "Ambassador," Bagley—Orchestra.
2. (a) "Hunters Bold and Free," Hervey; (b) "Yo ho, Yo Ho, Yo Ho," Stevenson; (c) "The Sea Hark Its Pearls," Pinatti-Nevins—Glee Club.
3. Violin: (a) "Chauson Louis XIII," Couperin-Kreisler; (b) "Liebesrausch," Tauwisen-Kreisler—Mr. Thomas Eschelman.
4. Quartet, "When Day Fades," Parks—Pedigo, Lutz, Bots and Mowrer.
5. Reading, "Pickwick's Dilemma," Diercks—Mr. Sherk.
6. Vocal: (a) "A Spirit Flower," Tipton; (b) "Song of Waiting," Tishemacher—Mr. Pedigo.
7. Overture, "Faust," Gounod—Orchestra.

PART II.
1. (a) "Forest Harps," Schultz; (b) "Swing Along," Cook; (c) "Alexander," Brewer—Glee Club.
2. Cornet: "Cavalleri Rusticana," Leoncavallo—Mr. Cassler.
3. Vocal: "The Farmer's Daughter," Symbe—Mr. Lutz.
4. (a) "Humoresque," Dvorak; (b) "In the Candle Light," Tallor—Orchestra.
5. Quartet, "What the Chimney Sang," S. (Parks).
6. "Finale Chorus: (a) "Pilgrimage" (Tanhauser); Wagner; (b) "Friedrich Rohtart," Poldersky—Glee Club and Orchestra.

In every respect, the concert was a success. Praise for the Glee Club and Orchestra, as well as for the individual performers, was on everyone's lips. This concert might be considered as the prelude to the concert of the combined musical clubs of Bucknell and State College, which is expected to be rendered at a very early date. Bucknell is proud of her musical organizations, and to support these clubs should be a plank in the platform of every true Bucknellian.

MONDAY, FEBRUARY 26, 1917

WHY NOT?

Owing to the fact that the students do not receive the Alumni Monthly it might be well to inform the students of a movement among the Alumni for the erection of a gigantic "B" on Mount Montour. The idea was suggested by Mr. Theiss, '02, who had noticed the work of the western colleges in this respect. The letter, if erected, will be large enough to attract the attention of all who pass thru the Susquehanna Valley. A number of Alumni have already expressed a willingness to support this plan and just at present it looks as tho the project is well on its way to success.

Another alumnus has suggested that the Senior class give its Memorial fund for this purpose the balance to be made up by the Alumni and friends of the college. It might be well for the members of the Senior class to look into this proposition before deciding upon a class memorial.

A CLEAN BUNCH.

"That's the kind of team I like to root for," was the remark of a student in speaking of the Varsity basketball five after a recent game. "They are a clean bunch and I feel like backing fellows of that sort." Bucknell students know that the above statements express the sentiment of the student body in general. The fellows on the basketball team have shown nothing but clean sportsmanship all season and have won the respect of the students and visitors as well as the home games.

Reports from the recent trip show the fellows played the same brand of clean athletics that has been characteristic of the home contests. Their hard but clean playing is a credit to the college which they represent.

WOMEN'S COLLEGE

Madonna Harris, ex-'18, is visiting Florine Michael, '18, for a week or so.
Miss Edna Seaman, '07, was back at Bucknell for a short visit. Miss Seaman is the dean of Lebanon Valley College.

There were also two Lebanon Valley girls visiting at the Woman's College, Miss Louise Williams and Miss Helen Bubb.
Hilda Dinterman, '19, entertained her two sisters over the week-end.
Mary Bubb, '17, entertained a friend last week.

Helen Matthews, '20, had as her guest Miss Paul from Johnstown.
Mrs. Katharine Larson dined at the Woman's College Thursday evening.

ning.
Helen Bodine, '20, spent the week-end with her brother in Wisconsin. An unusual number of girls went either home or to visit, this week-end on account of the extra holiday.

Y. W. C. A. Notes.

The weekly meeting of the Y. W. C. A. was held last Tuesday. Officers for the coming year were elected as follows: Elizabeth Stephens, President; Agnes Gilmore, Vice President; Elizabeth Fowler, Secretary and Dorothy Villinger, Treasurer.

Names Omitted.

The following two names were omitted from the list of girls invited to Delta, Delta, Delta Sorority in last week's Bucknellian. Dorothy Villinger and Margaret Smith.

Mu Phi Epsilon.

Mu Phi Epsilon invited the following four girls to become members: Elthera Carson, Edith Larson, Pauline Schenk and Dorothy Villinger.

VARSITY HANGS UP THREE MORE WINS

Continued from 1st page.
Gettysburg Game.

The third game of the trip was played at Gettysburg. The strain of the trip was beginning to tell on the Varsity and as a consequence they were defeated by 15 points. On the other hand Gettysburg was in the best of condition for they were making the return game with Bucknell a matter of life or death, having received a defeat in the game played here. The game was attended by a record breaking crowd, as it was advertised as the biggest game of the season. The final score was 42-27.

The Gettysburg guards held the Bucknell forwards to five baskets. Murray getting four and Garner one. A notable feature of the game was the foul shooting of Campbell. He caged every one of the four goals, twelve in all. Boyles also did good work at foul shooting, caging 9 out of 15. The Varsity was held to three baskets in the first half, Murray making all three. At the end of the first period the score stood 21 to 11 in favor of Gettysburg.

The Battlefield boys took the lead at the start and held it through, scoring 21 points in each half. Campbell and Scheffer were the star performers for the local five.

The line-up:
Gettysburg Position Bucknell
Williams forward Murray
Scheffer forward Campbell
Campbell center Musser
Hatch guard Boyles
Baker guard Siple
Field goals: Garner 1; Murray 4; Musser 2; Boyles 1; Williams 5; Scheffer 3; Campbell 6; Baker 1. Foul Goals: Boyles, 9 out of 15; Campbell, 12 out of 12. Referee, Fisher.

Albright Game.

The Varsity made its last appearance on foreign floors at Myerstown on Thursday evening. Here in a fast game they triumphed over Albright by a score of 43-32.

The Albright boys stayed right with the Varsity in the first half but the foul shooting of Garner allowed the latter to lead at the end of the first period by four points, score 17-13.

The Orange and Blue quintet came back much stronger in the second half and piled up a comfortable lead. Murray did the best work in the scoring line, crediting himself with five field goals.

Boyles did not appear in this game on account of injury and his place was filled by Waddell. Albright people were pleased with the clean playing of the Varsity and the members of the team claim to have received mighty fine treatment there.

The line-up:

Albright Position Bucknell
Hoffman forward Garner
Wagner forward Murray
Henry center Musser
Walton guard Siple
Smith guard Waddell
Substitution, Albright: R. Hoffman for Wagner. Field goals: Garner 3; deli 3; Hoffman 6; Wagner 1; Waldner 4. Foul Goals: Garner, 11 out of 18; Hoffman, 10 out of 14. Referee, Smith.

Boyles, '19, is entertaining his brother of State College.
Paulhamus, ex-'18, was a visitor on the "Hill" a part of last week.

PROF. RAWLINSON, '99, IMPRESSES STUDENTS

DELIVERS THREE ADDRESSES ON CHINA AND HER PROBLEMS.

The College Bible Class was especially fortunate last Sunday morning in having as the speaker Prof. Rawlinson, '99, now a member of the faculty of Shanghai College, China. The three talks given by Mr. Rawlinson, based on fourteen years of rich and successful experience in China, were all greatly appreciated but space permits of reporting only one address, that given to the Bible Class. In discussing the question, "Are We Better than the Chinese," Prof. Rawlinson informed his audience that China made history long before we did; that the Chinese are the soberest people on the face of the earth; that their morality compared well with that of the West; that the power of the earth, why need we help China if all these statements are true? Because we have something that they need, and we ought to give it to them. What can we give them in the realm of thought? The power of abstract thinking belongs to the East, but the West has made greater material progress than the East; because we have a method of utilizing natural resources and of mastering the world that the East has not. The conveyance of this method of active material thought to the Chinese is part of our duty.

What have we to give them in the fields of ethical activity? There is a striking similarity between the West and the East, with the Chinese fundamentals of Temperance, Wisdom, Justice and Courage coming so close to our own ethical values. In spite of misunderstanding the Chinese "Silver Rule" is quite as great and effective to them as our Christian Golden Rule is to us. Merely voiced a great ethical principle worthy of acceptance by occidentals when he said, "I love life and I love righteousness. If I had to choose between life and righteousness, I would choose righteousness." But still the Chinese moral code has its weaknesses. Truthfulness is not considered valuable in itself by them; purity is based on the economic value of the head of the household and is not purity in heart; love in Chinese ethics lacks the positive moral quality of Christian love. To bring to them the positive moral force of ethical living and thinking of Christianity is a second phase of our duty to China.

What can we bring to them in the way of personality as the embodiment of ideals? The Chinese have had no great personalities to command their love. Lo Tse, Confucius, Mencius have failed to raise enthusiasm for themselves, in spite of their greatness. It is doubtful if anyone would die for Confucius, and in this lack of command, inspiring personality lies another great need to be filled by us in giving them the outstanding personality of history and life. Jesus of Nazareth, who by revealing himself gave us the greatest moral force of Christianity.

What have we in the social value of ethical ideas to give the Chinese? In a word we can transfer the desire to serve from dead ancestors to living people, we can help them to understand that these social ideas must include everybody. We cannot say that the Chinese owe their conception of social service wholly to Christianity, but they need the all-inclusive reach of Christian social ethics.

Why need we help China? Briefly we may state four reasons. 1. They are undergoing a terrible struggle in changing their civilization and we can help them. 2. The welfare of China is our welfare and the state of China affects us commercially and physically. 3. What we have means more to us when we share it. Our Christian civilizations is strengthened by our imparting it to others. 4. The spirit of helpfulness is the core of our religion. Not to help China in this crisis is to deny the essential principles of Christianity.

MUSICAL ARTISTS COURSE
NUMBER PLEASES
MAESTRO BERLINO AND MADAME DE SYLVA SCHOEN DE-LIGHT MUSIC LOVERS

Maestro Berlino, celebrated pianist of Philadelphia and Madame De Sylva Schoen, delightfully entertained the patrons of the Musical Artist's course last Monday evening in Buck-

nell Hall. A good number of music lovers were present and thoroughly appreciated the well-executed numbers of the two artists.

The next number of the course will be a song and lecture recital by Madame Alma Powell in the Baptist church, Monday, March 19.

The program:
Verdi Aria from Don Carlos
Madame De Sylva Schoen
Mach-Busoni, Organ Prelude.
(a) Wachet auf! Ruft uns die Stimme
(b) Nun freut Euch liebe Christen Schumann, Romanze
Chopin, Polonaise A flat major
Maestro Berlino
Turner-Salter, Cry of Rachel
Galloway, O Heart o' Mine.
Chadwick, Allah
H. Ware, Tis Spring.
Madame De Sylva Schoen
Chopin, Etude (opus 10, No. 6)
Scriabin, Nocturne (for left hand).
Liszt, Hungarian Rhapsody No. 12.
Maestro Berlino
Debussy, Bolero
Tschakowsky, Oh, Jennes Filles.
(from La Dame de Pique).
Donizetti, Brindisi (from Lucia di Borgia).
Madame De Sylva Schoen

STUDENTS NOTICE.
Prof. Rawlinson, '99, of Shanghai College, China will speak before a joint meeting of the Y. M. and Y. W. C. A. to-night at 7.30 in the Bucknell Hall. His subject will be "International Vocations." There will be special music by the Bucknell orchestra.

The Sophomore-Freshman basketball game will be played on Friday evening, March 16th.

When You Go Out Into The World

and equip your first laboratory perhaps you will have doubts as to what is the best apparatus to install for your particular requirements. Our experience as specialists on laboratory apparatus for sixty years is at your disposal. We enjoy such co-operation—invariably it leads to firm business friendship. There must be a reason.

Catalogs and descriptive literature gladly sent to enquirers stating their affiliations.

HILL GOSSIP

Baker, '17, returned from a visit to State College over the week-end.
Holler, '20, made a trip to Renova and Howard last week.

Cruse, '19, journeyed to his home in Picture Rocks last week.

Weber, '19, spent the week end in Lock Haven and State College.

Clark, '18, celebrated Washington's Birthday at his home in Canton.

"Billie" Murdock, of Milton, spent Friday with his S. A. E. brothers.

Klohs, '20, spent the latter part of the week at his home in Reading.

J. M. Wolfe, '89, former registrar of the college was in town yesterday.

Person, '19, spent the latter part of last week at his home in Williamsport.

Herline, '20, was a guest of Vandenberg, '20, at Williamsport over Sunday.

Holsing, '19, was entertained on Thursday by Painter, '17, at his home in Muncy.

Don Gray, '14, of Philadelphia, spent part of Thursday with his Phi Gamma Delta brothers.

Sweitzer, '20, entertained Cunningham, '20, at his home in Plymouth for a few days last week.

Homer Hedge, '10, who has been engaged in Y. M. C. A. work on the Mexican border is visiting his brother Hedge, '19, for a few days.

Kitowski, '17, Beckley, '17 and Kitowski, '20, entertained the members of the Reserve basketball five while they were in Naticoke Friday evening.

Painter, '17, entertained his father and nephews of Muncy at the game on Saturday night.

Paul Koenig, a sophomore at State, and Nevin Williams, both of Hazleton, were guests of Stickler, '20, and Snyder, '20, over Sunday.

Hopier, '17, made an extended trip last week to Shamokin, Sunbury, Williamsport and intermediate points.

Rosenberger, '18, left Wednesday for a short visit at his home in Schuylkill.

Leigh Breich, of Penn. Dental School and Amos Houston, of Princeton, were guests of Miller, '18, on Sunday.

INTER-FRATERNITY GAMES

Phi Gamma Delta—S. A. E. 23.
Phi Gamma Delta again took the lead in the national fraternity league by trouncing Sigma Alpha Epsilon in Monday night's contest 27-23. The S. A. E. five appeared stronger than any other time this season and threw more than one scare into the Phi Gamma camp before the game was over.

D. T. U. 36-Forum 5.
The fast D. T. U. five had little trouble in winning from the Forum last week; the guarding of the D. T. U. team keeping their opponent's score down to 5 points. At present the D. T. U.'s and Non-Frats are tied for first in the local fraternity league; each team having won two and lost none.

Nationals.	Won	Lost
Phi Gamma Delta	4	1
Sigma Chi	3	1
Lambda Chi Alpha	3	1
Sigma Alpha Epsilon	1	3
Kappa Sigma	1	3
Phi Kappa Psi	0	3
Locals.	Won	Lost
Delta Theta Upsilon	2	0
Non Frats	2	0
Demosthenians	1	2

WE SELL SILKS LIKE SOME STORES SELL CALICO AND GINGHAM

Saturday will start a week of unusually low prices with us. We are selling volumes of silks at little margins, just as we told you that we would do. We'd rather do this than to sell just a few at a great long profit.

Many early buyers have profited by our early display and our low prices. It is true, that some patterns are gone, but it is true that we still have a great assortment of fine Spring Silks.

LOVELY PLAIN AND FANCY SILKS

Every new Spring shade and color combination that anyone can think of, in all the new weaves—Crepe de Chines, tulle, Gros de Londres, Satin Romaine, silk and wool poplin, and Fleura de Sois, a silk like the Pussywillow tulle. These make the finest assortment when thrown in with our new striped and plaid effect for Spring.

All at one price. Values worth up to \$2.50 a yard, special per yard for one week.

BEST QUALITY SILKS AT \$2.50 A YARD

Formerly worth up to \$4.00 a yard. Exquisite, yes, more than that. There are no words to describe their beauty or quality. They are the cream picked from many of the best lines that this country produces. In this assortment you will find plain and fancy silks and the new Paisley effect. Only in dress and skirt lengths. All at the same price a yard of \$2.50.

Entered at the Lewisburg post-office as second class matter.
Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, MARCH 5, 1917.

A NOTICEABLE CHANGE.

The clean playing of both teams in the Bucknell-Susquehanna game last Friday night was the subject of much favorable comment by those who have seen former basketball games and other athletic contests between these institutions. The playing on both sides was fast and hard, but to the credit of the players it can be said that clean sportsmanship prevailed during the entire game.

Captain Garner and Middlesworth collided near the center of the floor in the latter stages of the game, but the collision seemed unavoidable from the viewpoint of the spectator. Referee Taggart evidently thought otherwise, for he called an undeserved foul on Middlesworth as a result of the mix-up.

Students of both institutions know that the Bucknell-Susquehanna football game of last fall evidenced anything but clean sportsmanship and are glad to see that the relations between the two colleges are undergoing a change for the better. The team that Susquehanna sent here last Friday won the admiration of the student body in general by their clever playing and gentlemanly attitude throughout the game.

THAT DEBATE.

Plan to attend the debate with State College on Friday night in Bucknell Hall. Give the fellows an encouraging start when they appear in the first intercollegiate debate of the year by your presence. Thru the money received from the budget, Bucknell expects to have a banner year in debating. If you want to see debating increase at Bucknell give the fellows a flying send off in their first contest. Look for definite announcement concerning the time.

TOO MUCH SMOKE!

Smoking in the halls of Main College seems to be on the increase in spite of the fact that different methods have been used to eliminate this practice. It ought not be necessary to keep "nagging" at the students in order to persuade them to stop. Look at it from anything but a personal standpoint and you'll quit out of respect for others who are continually passing thru the halls.

COMMUNICATION.

Mr. Editor:—
I am only a Freshman here and

don't want to appear as trying to hand out advice, but I've been wondering whether it has been the standing policy of the Glee Club to sing before a lecture, then walk out before the lecturer begins his speech as the members of the club did last Monday evening. For my part I'd rather hear the lecture by itself than have Bucknell students shown up in such a manner before a man like Professor Rawlinson.

COMMUNICATION.

It might be well to express the sentiments of most of the students in West Wing and West College concerning the shower baths in the basement of West College. Of the half dozen, three are minus handles to turn on the water, and of the remaining three, one refuses to emit any hot water in spite of the fact that it is new. Doesn't it seem rather an imposition to have only two showers for a couple hundred students? It's like a real dry spring, eh?

MANY STUDENTS ATTEND ENGINEER'S MOVIES

PICTURES FROM BARBER AS-
PHALT CO. AND GENERAL
ELECTRIC CO.

Bucknell's engineering students turned out in full force to see the movies secured by the Civil and Electrical Engineering Societies on Friday afternoon of last week in the Orpheum. Nearly 200 students took advantage of this opportunity to see the latest in electric locomotives and asphalt paving.

Pictures received from the General Electric Co. demonstrated the evolution of transportation in America. Beginning with the "hoof" method of Indian travel, the different stages up to the modern electric locomotive were taken up in order of their development. The object of the "King of the Rails" as the picture was termed, was to show that the electric locomotive is destined to replace the steam locomotive in all parts of the world.

The second half of the program demonstrated the method of producing and refining paving asphalt. These pictures were the compliments of the Barber Asphalt Paving Co. of Philadelphia. The work of digging asphalt, its refining and mixing, and the different uses were taken up in detail; the Trinidad and Burmader lakes of Venezuela being shown as the source of the asphalt.

The movies proved to be a success in every respect and will undoubtedly lead to further plans along the same line. In addition to the pictures "Red" Abrams entertained on the "ivories" previous to the opening of the show.

"SIG ALPHA MINSTRELS"

Fresh from an extended tour of Germany, Texas and Montandon the "Incomparable Sig Alpha Minstrels" delighted a large audience of local S. A. E.'s at their fraternity house on Saturday evening, presenting their side-splitting entertainment for the first time in this city. The program given by this peerless troupe of performing comedians ranged from heavy instrumental and vocal selections by Tommy Edelman, "King of the Liliputian Violinists," and "Caruso" Lutz, the famous Norwegian baritone to the more breezy colored comedian skits of Messrs. Hopper and Weber.

Other features were the noted comedienne Clark and "Sambo" who kept the audience in an uproar with their scintillating flashes of humor, not to mention the occasional sweet strains of the Hawaiian Symphony Orchestra, led by Duke Yaka Hula Bender. There were other numbers too numerous to mention, but many of the spectators thought that the best act came last, when the Six Royal Mexican Toreadors engaged in a lively contest. At the conclusion of the performance a toothsome cargo of sandwiches, ice cream and cake was taken on board by both audience and performers.

The management defers to disclose the plans of the company for the future, but rumor has it that they are about to leave for the city to fill a lengthy engagement, at a contract price which would make Charlie Chaplin turn green with envy.

STUDENTS WILL USE ARMOY FOR DRILL

CAPTAIN WOLFE GRANTS USE OF ARMOY AND 87 RIFLES.

To-day's drill was the last to be held in the Gym. Starting with the drill on Thursday, all drills will be held in the Troop M Armory. After the inspection of Troop M to-morrow, the Armory will be at the disposal of the Bucknell Volunteers, and the latter hope to make the best of the opportunity offered them. Captain Wolfe has very kindly granted the use of not only the Armory itself, but also of the 87 rifles which belong to the Troop.

The advantages of drilling under the new conditions are at once evident. With a larger floor space, company drill can be executed with much more comfort and benefit than in the crowded quarters of the Gym. It will also be possible to have more squads in line for this company drill, and more complicated movements can be undertaken. Moreover, hereafter the company can go through the manual of arms, which hitherto was impossible because only 14 rifles were at the recruits' disposal. This alone is an appreciable advantage.

Prof. Earle reports that the drills continue to be highly satisfactory and very successful. The drills on Thursday and Saturday, he said, showed a marked improvement. New company drills have been introduced at each meeting of the volunteers, and have met with surprising success. How much more so should they be with the more favorable quarters and the "natural" military environment! Great things are hoped for, and even expected from Bucknell's Soldier Boys.

From this time on, roll will be called at each drill and an accurate record will be kept of the interest shown. This record will be highly important when, at the beginning of the Spring term, officers will be elected for Company A, First Regiment, Bucknell Volunteers. Naturally those who have been present at the greatest number of drills will be the most experienced, and, as military organizations are reputed to be highly efficient, the best men will be selected as officers.

It is very gratifying to note that the Rifle Club membership is increasing. Announcements of the opportunity to join have been made at each drill during the past week, and the treasury has been enriched by several quarter dollars. Pay your 25 cents and avail yourself of the offer to shoot up the country this spring! The treasure chest of the Rifle Club contains a thousand rounds of ammunition and an excellent opportunity is afforded to all who are eager to learn to handle a rifle as it should be handled. The dues are but 25 cents for a full 365 days, which is at the rate of \$3.00 per day. Surely this is a fine investment. Hunt up Chalfont at once before the roster of the Rifle Club becomes too crowded! REMEMBER THE ARMOY THURSDAY!

TEACHER'S ASSOCIATION DOING GOOD WORK

BEARD, EARLE AND MISS KROMER READ PAPERS LAST WEEK.

Nearly thirty prospective teachers took part in the first regular meeting of the Teacher's Association held at Dr. Phillips' residence last Wednesday night. The interest shown in discussion of educational problems and the general spirit of the gathering forebode a bright future for the organization.

The purpose of the association is to acquaint prospective teachers with the best educational literature, and to enable them to keep up with the times in matters of education.
At last week's meeting Dr. Phillips reviewed several educational magazines with a view to getting the students acquainted with the best magazines for the teacher. Ralph Beard, Allyn Earle and Miss Kromer also read papers dealing with educational problems. After the reading of the papers the various problems were discussed by members of the group. The rural school problem came in for a large share of comment and proved to be such a live topic that some of the students have asked for a continuation of the discussion at the next meeting.

Henderson, '19, Murray, '17 and Pierce, '19, spent the week-end in Williamsport.
Miller, '18, spent the latter part of the week visiting at Eaterly.
Martin, '19, spent a few days last week with friends at Scranton.
Eyster, '17, is teaching science in Dickinson Seminary of Williamsport this term.
Rev. J. F. Seebach, of Hollidaysburg, was the guest of his son, Julius Seebach, '18, for a few days last week.
Dr. Mary Harris, '94, is spending some time with her parents, President and Mrs. Harris at their home on University Avenue.
Paul Collins, '18, spent Sunday at his home at Salem, N. J.
Elliott, '18, journeyed to his home in Fayette City for the latter part of the week.

WOMEN'S COLLEGE

Golda Clark, '19, entertained Mr. H. D. Crawford for a short time.
Emma Levgood, '18, also enjoyed a visit from Mr. Lefe Miller for a few days.
Helen and Ruth Cooper were surprised by a visit from their mother and aunt, Mrs. Singleton.
Muriel Carpenter has been called home on account of the illness of her mother.
Katherine Jenkins, of Milton, was the guest of Henrietta Heinsling '17, for dinner on Friday last.

Mu Phi Banquet.
Mu Phi Epsilon entertained its new prospective members by a banquet on Saturday night. The menu was most extensive and inviting.

Y. W. C. A.
Y. W. C. A. meeting was led last Tuesday by Miss Pearson, traveling secretary of the Y. W. C. A. Her topic was "Leadership." Katherine Hoff, '19, sang "Yaka Hula Hula" as a solo.
Y. W. C. A. entertained the girls with a tea on Wednesday night in honor of Miss Pearson, who told of her experiences in Paris just before the war. The meeting was exceedingly interesting.

Camp Fire.
On Saturday night the Camp Fire Girls gave their annual circus in the gymnasium of the Woman's College. There were among those present, "Tom," the wild-woman, Peg the elephant—the "Thin-Judy," the usual clown, etc. Pink lemonade, peanuts and ice cream cones furnished the true atmosphere. A Tom-Thumb wedding given by the smallest townpeople in the vicinity also delighted the attendants of the circus.

A NOVEL METHOD.

In a recent issue of the "American Magazine" there is an article about a young man who when he decided he wanted to go to college took two cows with him to pay the expenses. Here is an account of his experience as told by a friend:
"There are 'ways and ways' of making one's own expenses through college. It remained, however for a resourceful Texas boy to hit upon a method of expense-making entirely new in records of the Agricultural and Mechanical College of Texas, where he is enrolled as a student.
"We had an extra supply of cows and a shortage of currency at home," Goen explained to President Bizzell. "I want a college education and I am not going to let the lack of money defeat me. I have decided that I can sell enough milk to the residents of the campus to enable me to meet at least my incidental expenses. All I ask is the use of a barn and a small pasture."

WE SELL SILKS LIKE SOME STORES SELL CALICO AND GINGHAM

Saturday will start a week of unusually low prices with us. We are selling volumes of silks at little margins, just as we told you that we would do. We'd rather do this than to sell just a few at a great long profit.
Many early buyers have profited by our early display and our low prices. It is true, that some patterns are gone, but it is true that we still have a great assortment of fine Spring Silks.

LOVELY PLAIN AND FANCY SILKS

Every new Spring shade and color combination that anyone can think of, in all the new weaves—Crepe de Chines, taffetas, Gros de Londres, Satin Romaines, silk and wool poplins, and Fleura de Sois, a silk like the Pussywillow taffeta. These make the finest assortment when thrown in with our new striped and plaid effect for Spring.

All at one price. Values worth up to \$2.50 a yard, special per yard for one week.....\$1.50

BEST QUALITY SILKS AT \$2.50 A YARD

Formerly worth up to \$4.00 a yard. Exquisite, yes, more than that. There are no words to describe their beauty or quality. They are the cream picked from many of the best lines that this country produces. In this assortment you will find plain and fancy silks and the new Paisley effect. Only in dress and skirt lengths. All at the same price a yard of \$2.50.

NOTES OF THE GAME.
The Albright players were impressed by the good feeling that was shown by the crowd and by the players as compared to that of some other colleges that they have visited recently.

To-night the team meets Canisius College at Buffalo, N. Y. On Tuesday night they go up against Niagara University at Niagara Falls. On Thursday the Varsity goes to Selinsgrove and concludes the season with Susquehanna University. The Selinsgrove boys are placing big bets on the game.

Sipley registered several pretty baskets against Albright.

RESERVES WIN.
The reserve quintet carried off a victory in Milton on Friday evening where they met the fast F. G. F. five. By hard playing in the first half the "scrubs" had easy sailing in the last section of the contest and had little trouble in coming out on the big end of a 37-30 score. The reserve team was composed of Holleran and Mathison, forwards; Elliott, center; and Gerhart and Hurley, guards.

NUMBER 20

ALBRIGHT NO MATCH FOR VARSITY

ANOTHER VICTORY TO BUCKNELL'S CREDIT

VARITY MORE THAN DOUBLES SCORE 46-22

Visitors Play Hard Game But Cannot Locate Baskets.—Boyles Returns to Game and Plays Well—Team Away on Trip.

The basketball season on the home floor was closed up by a decisive victory over Albright on Friday evening. The Myerstown collegians were outclassed in every way but by fighting hard they managed to make the game an interesting one to see. The final score was 46-22.

Musser started the game off with a pretty field goal capped from a difficult angle. Another basket by Sipley and several foul goals put the Varsity in the lead and this lead was retained throughout the whole game.

In the second half Murray came back strong and credited himself with 5 field goals, including some hard and difficult shots. His speed on the floor kept the Albright guards guessing most of the time. In this period three of the regulars were taken out and their places filled by Boyles and two second-string men. The work of Boyles showed that he is fully recovered from the injury that has kept him out of the game for the past few weeks. His speedy floor work will be a big advantage to the team on its final tour this week.

The work of Silberstein was again of the finest quality. He kept up his consistent foul shooting, making eight out of thirteen chances.

Shortly after the game the team left for Rochester where it went up against the University of Rochester on Saturday. This is the first of a three-game trip; the two following games will be played in New York state on Monday and Tuesday. The team has already won a majority of its games and there is every indication that they will make a good record on the last trip of the season, although they will meet some good teams.

The line-up:
Bucknell.....Albright
Murray.....Forward.....Goldheimer
Garner.....Forward.....Hoffman
Musser.....Forward.....Wootling
Sipley.....Guard.....Walmer
Silberstein.....Guard.....Teter

Field goals: Murray 6, Musser 3, Sipley 4, Boyles 4, Gensel 1, Waddell 1, Goldheimer 4, Hoffman 3, Wootling 1. Foul goals: Silberstein, 8 out of 13; Hoffman, 7 out of 11; Boyles, 0 out of 1. Substitutions: Bucknell: Boyles for Sipley; Gensel for Musser; Waddell for Garner; Albright: Wagner for Goldheimer. Referee—Jackson.

NOTES OF THE GAME.
The Albright players were impressed by the good feeling that was shown by the crowd and by the players as compared to that of some other colleges that they have visited recently.

To-night the team meets Canisius College at Buffalo, N. Y. On Tuesday night they go up against Niagara University at Niagara Falls. On Thursday the Varsity goes to Selinsgrove and concludes the season with Susquehanna University. The Selinsgrove boys are placing big bets on the game.

Sipley registered several pretty baskets against Albright.

RESERVES WIN.
The reserve quintet carried off a victory in Milton on Friday evening where they met the fast F. G. F. five. By hard playing in the first half the "scrubs" had easy sailing in the last section of the contest and had little trouble in coming out on the big end of a 37-30 score. The reserve team was composed of Holleran and Mathison, forwards; Elliott, center; and Gerhart and Hurley, guards.

Tuesday, Mar. 20, at 1.15—Classes

Reciting at 2.15.

Wednesday, Mar. 21, at 8.15—Classes

Reciting at 9.15.

DEMOSTHENEAN PLAY.

The Demosthenean fraternity entertained about ninety guests from Woman's College, Lewisburg and vicinity at their annual play last Saturday evening. The play was a one-act comedy entitled "Weeping Willows" written by Mrs. Burton Harrison.

At the conclusion of the play a social hour accompanied by refreshments occupied the remainder of the evening. The following out-of-town guests were present: Jasper Frantz, '14, of Chester; Miss Edna Miller, '14, of Williamsport; Miss Haines, of Winfield; Miss Kunkle, of Williamsport; Mrs. Edward T. Wood and Miss Wood of Indiana.

PENN STATE COLLEGE WINS JOINT DEBATE

CONTEST HERE FRIDAY NIGHT DRAWS LARGE CROWD OF STUDENTS.

In Bucknell's first intercollegiate debate of the season last Friday Penn State succeeded in winning the decisions both here and at State College. The contest in Bucknell Hall was attended by a large number of students and townspeople and resulted in a 2-1 verdict in the visitors' favor after an hour or more of lively argument. Bucknell upheld the affirmative side of the proposition that: "Congress should enact legislation providing for the compulsory arbitration of disputes between organized labor and capital."

Bucknell was represented by Samuel D. Leno, Harold D. Gerner, Ralph B. Beard with F. E. Duffy as alternates. H. M. Burton, W. J. Kitchen and D. E. Elise with W. R. Diem as alternate upheld State's side of the question. The following men acted as judges: D. M. Larrabee, Esq., of Williamsport, Jr., M. S. Kemp, of Watsonstown and Professor H. G. Teel, of Bloomsburg.

Bucknell's representatives at State College upheld the negative side of the same proposition. A. A. Earle, Charles W. Pector and Walter Beaver were the students who represented Bucknell at State. The judges were: Supt. Rife of the Huntingdon Schools, Supt. Minicemeyer of Renovo and Supt. Hunt of the Lock Haven Schools.

DR. HAMBLIN RETURNS.
Dr. Hamblin's many friends will be glad to learn that he has returned from the Johns Hopkins University very much improved in health, as a result of an operation at the University hospital. Dr. Hamblin feels that it will be only a short time until he will be able to take up his active work again.

FRILL AND FROWN PLAY.
The Frill and Frown girls have sent out invitations for their biennial play, which is to be given Friday evening of this week in Bucknell Hall.

MUSICAL ARTIST RECITAL.
On Monday night, March 19, at 8.15 P. M., Madame Alma Powell, prima donna soprano, will appear in a lecture and musical at the Baptist church. Budget receipts and musical artist tickets will admit.

NOTICE.
There will be a meeting of the Freshman class in the Chemical Laboratory at 4.15 on Tuesday afternoon, March 13th.

OLD HOME SINGERS HERE THIS WEEK

NEXT LYCEUM NUMBER WEDNESDAY EVENING.

HEART SONGS FEATURE A VARIOUS PROGRAM

Concert at 8 o'clock in Methodist Church of Lewisburg.—Grand Opera, Heart Songs and Novelty Songs Rendered in Turn.

One of the best numbers on the Bucknell Y. M. C. A. Lyceum course for the winter will be given next Wednesday evening at eight o'clock in the Methodist church, when the Old Home Singers will be here.

The Old Home Singers, who are a big Lyceum season this year, make a specialty in their programs of carrying their audiences back to childhood scenes and recollections.

Of the five young artists who comprise this company each is a soloist of pleasing quality, capable of singing the heart songs. They form a mixed quartet, capable of superb ensemble work as is evidenced by their artistic rendering of the quartet from "Kismet."

That they meet the requirements of the program perfectly is shown in the many reports already received from the audience.

At the opening of the program the five young people have just returned from a musical where a song composed by one of the young men has proved to be the hit of the season.

Following the congratulations, a discussion starts regarding the music of today. By way of illustration they sing selections from grand opera, oratorio

OLD HOME SINGERS IN THE COSTUMES OF LONG AGO.

musical, sentimental ballads, rhapsodies, songs, novelty songs—the different types which are now sung.

These young artists then agree that the most beautiful and best loved of all are the heart songs, which are endeared to us through past associations. They plan an evening of the old songs.

The men appear in the costume of 1870 and in a very vivid and convincing fashion are trying to convince their selves to the clothes of their grandfathers. The girls have been rummaging in the attic and enter beautiful in the quaint dresses of that time, "with sixty yards or more on the run."

As grandmothers had said. The costuming and staging carry us in fancy, back to the days of long ago. The serious songs, the sentimental, the humorous, the songs we nearly have forgotten, the songs mother used to sing, all come back to give us a variety of program seldom heard today.

IN THE WAR ZONE IN PERU.
Williamsport, Pa., March 10.—Belated have grave fears for the safety of Daniel M. Wise, of this city, a scientist in the service of Carnegie Institute, of Washington, who is now in Peru. Efforts to get word from him in the rebellion-ridden country have failed. He is either at Lima or Arequipa, the centres of uprising.

Wise is engaged in determining a location for an observatory, to be erected by the institute, and has been in Peru some months.

(Note—Mr. Wise was graduated from Bucknell in 1912 in the Electrical Engineering Department.

EPISCOPALIANS NOTICE.
In the interests of Episcopalian students on the "Hill" and at the Women's College and people of the town, Mr. W. B. Vance, of Winfield, a lay minister of the Episcopal church, has been secured to speak in Bucknell Hall at three o'clock on Sunday afternoons. Mr. Vance is a speaker of note and will make these meetings worth while for those who attend.

Alumni Club Meeting.
The March meeting of the Lewisburg Alumni Club will be held Tuesday evening, March 13 at half past seven o'clock in the lecture room of the Bucknell Chemical Laboratory. Mrs. C. A. Gundy will give a talk on School and Home Gardening. The committee in charge of the meeting has arranged to have an exhibit of pictures of "Lawns and Gardens" thrown on the screen.

S. A. E. FOUNDERS' DAY.

The first anniversary of the founding of Sigma Alpha Epsilon was celebrated at the local chapter house Friday evening with the customary banquet. Over 50 guests were present at the occasion, including a number of alumni from the town and from distant points. John A. Schoch, of Selinsgrove, acted as toastmaster, various of the alumni and active men being called upon. D. M. Larrabee, Esq., of Williamsport, who was one of the judges at the recent debate, was a guest of honor at the banquet.

PHI GAMMA vs. SIGMA CHIS.
Owing to the fact that the interfraternity series resulted in a tie between Sigma Chi and Phi Gamma Delta, a game will be played next Thursday night to decide the championship and the winner of the cup. The contest promises to be hard fought from start to finish as both teams appear to be evenly matched, although Sigma Chi was returned the winner in the game between the two teams earlier in the season.

DEATH OF ALUMNUS.
Rev. John A. Jenkins, of Media, Pa., died at the Chester Hospital on Friday, March 9. He was graduated from Bucknell University in 1882 and from Crozer Theological Seminary, Chester, in 1885.

LAST ISSUE OF TERM.
This week's issue of the Bucknellian will be the last of the present term, owing to the fact that examinations begin next Saturday and make it impossible to get out an issue next Monday.

"A DOLL'S HOUSE" IMPRESSES STUDENTS

ORPHEUM PACKED FOR CAP DIGGER PLAY.

REMARKABLE TALENT SHOWN BY CAST

Best-Acted Play Ever Put on by Cap and Dagger is Consensus of Opinion.—Miss Good as Doll Wife, Stars.

The faculty, students, and many people of the town packed the Orpheum to the doors Thursday evening to see "A Doll's House," presented by the Cap and Dagger Dramatic Society, of the university. The presentation was a marked triumph even to the minutest detail and showed much labor on the part of the cast for the past four weeks of constant practice.

The play was a three-act drama and was quite difficult to put before the public by amateurs owing to the depth of parts. Henrik Ibsen, the author, has worked into the theme of the play the equal individuality of husband and wife and brings it out well in the "Doll's House" by representing the husband who regards his wife as incapable of equaling him mentally, and therefore, treats her as a doll. The closing of the drama brings vividly before the audience the narrowness.

The shades and nicety of expression needed to bring out the intense feeling and emotion in each of the six parts were never before so well executed in any production ever put on the stage by the Cap and Dagger Society. Each student fit into his or her character as natural as though in real life and Miss Edith Schilling, who supervised the drama, is to be complimented upon her choice of actors as well as the thoroughness of preparation. Actions as well as words showed a study and understanding of Ibsen's work and not a mere learning of parts and cues. Miss Grace Gould, who took the part of the doll wife held the entire house by the excellent manner in which she translated her part. At the close of the play the consensus of opinion on all sides was that she is the best amateur emotional actress ever seen at Bucknell.

Eugene Bertin, as her husband, played his part to the last notch of perfection and closely allied with him is Chester Leaver, who played the part of Dr. Rank, a friend of the Helmer family who is every day awaiting death owing to inherited sickness. This part is a strong one and was brought out in every detail by Mr. Leaver. Miss Annette Stahl as a friend of Mrs. Helmer (Miss Gould) and George T. Bender as a corrupt bank employee under Mr. Bertin (Mr. Helmer) rounded out the cast and added the last keynote to the completion of the fine production. Miss Ethel Farley is also to be complimented upon the grace with which she interpreted the simple part of the maid Ana.

The cast:
Torvald Helmer.....Eugene Bertin
Mrs. Helmer.....Miss Grace Gould
Dr. Rank.....Chester Leaver
Nils Krogstad.....George T. Bender, Jr.
Mrs. Linden.....Miss Annette Stahl
Ana.....Miss Ethel Farley

INTER FRATERNITY GAMES
Phi Psi 45—S. A. E. 26.

The final game of the regular interfraternity schedule resulted in a victory for Phi Kappa Psi over Sigma Alpha Epsilon on Monday evening of last week. The S. A. E. five was weakened by the absence of several regulars and as a result the Phi Psi combination had little trouble in carrying off the honors.

FINAL STANDING

	Won	Lost
Phi Gamma Delta.....	4	1
Sigma Chi.....	4	1
Lambda Chi Alpha.....	3	2
Kappa Sigma.....	2	3
Sigma Alpha Epsilon.....	4	4
Phi Kappa Psi.....	1	4

WORTH WATCHING

Some time ago a number of Sophomores at Princeton University pledged themselves against joining any of the underclassmen clubs at the university on the grounds that the spirit of the clubs was not in keeping with the spirit of American democracy. The fact that the son of former president Grover Cleveland was a leader of this movement tended to attract more attention than would have been the case otherwise and the newspapers of New York and Philadelphia commented upon the merits of the new movement to some length.

President Hibbens' approval of the Sophomores' action attracted additional attention and gave more stability to what some newspapers thought was mere talk and a desire for notoriety on the part of some of the students.

It is impossible to say what permanent effect this movement is going to have on the future student life at Princeton University or other American colleges, but it is surely worth the close attention of American students whether they be students of Princeton or not. If this movement develops into a permanent advance toward the realization of a more democratic student life, then the students of other colleges will do well to consider its application to their own particular college.

Keep your eyes open, and don't say a thing is impossible just because the present order of things is such as to hinder a rapid change in American student life!

COMMUNICATION.

Mr. Editor:

We have noticed with great interest the kind article in last week's Bucknellian concerning a certain action taken by the University Glee Club in a recent lecture. Advice, coming from the first year class, is quite a rare article in our history, and we deeply appreciate this interest in our behalf. But may we be permitted to insert a word or two in our own defense?

The University Glee Club is directed by a member of the Faculty and is under his personal supervision. At his suggestion we have made a ruling permitting nothing to interfere with our regular rehearsals. Also we have a lease on the Chapel one evening—Monday evening—each week for holding these rehearsals.

When the lecture in question was scheduled for Monday evening we decided to practice in the Musical Department studios so as to give the students the unrestricted use of the Chapel. A few hours before the lecture was scheduled to begin we were asked to give one or two numbers as an extra feature. We consented only on condition that we be permitted to give our numbers first and then be excused, so as to not interfere with our regular rehearsals. This was readily granted; we gave our number and left the building—with the result that somebody's conscience was hurt.

It is only fair and just to the student body that it be apprized of the true conditions surrounding this incident, and we therefore let the matter rest in its hands for approval or disapproval. As a final remark, let it be known that our quitting the lecture before it started had the full sanction, not only of the Faculty, but also of those persons under whose auspices the lecture was conducted.

The management of the Glee Club is always open for good common sense advice; but would deem it a very great favor if the future all destructive and unfair criticism, such as propagated by "1920" against the "standing policy" of the Glee Club would be referred privately to the members of the Club management before giving it an airing in the columns of the public press.

GLEE CLUB MANAGEMENT,
R. E. Sprengle, Manager.

BEAUCHAMP'S LECTURE COMES ON APRIL 12

LAST NUMBER OF LYCEUM COURSE NEXT TERM.

Manager Rogers of the Y. M. C. A. course announces that the lecture scheduled by Lou Beauchamp, which was postponed some weeks ago owing to the speaker's illness, will be given by Mr. Beauchamp Thursday evening, April 12. This number will complete the five numbers in the local Lyceum course.

It is also requested that all persons who have not yet paid for their Lyceum tickets will kindly be prepared for Assistant DeWald when he calls in a few days.

RECESS NEXT WEEK

The annual spring recess begins next Wednesday, March 21 and extends to the following Wednesday noon, March 28.

THAT'll BE ENOUGH O' THAT

Old Weller's in the lap of Spring: A shameful situation! It's time something was done, by jing! To stop this hold flirtation.

BASEBALL MARCH 31.

The first baseball game of the season is scheduled for March 31, the first Saturday after the Spring recess when Bloomsburg Normal is to appear here. From the appearance of the Athletic Field at present it is doubtful whether the field will be in condition for this early season contest. The battery men have been working out in the gym and will be ready to step into the harness at the beginning of next term.

WOMAN'S COLLEGE JOURNAL.

The third issue of the Woman's College Journal for the present school year will be out in a day or two according to present indications. The plan of the publication is for the most part similar to those of former issues with the same staff that had charge of the December number. The new issue is being printed by the Lewisburg Journal and will present a neat appearance when completed.

MILITARY DRILL.

Bucknell's volunteer company is now working under much improved conditions since Captain Wolfe of Troop M has given over the Army with 87 guns for the use of the students. Steady improvement is the watchword of the fellows and 'gig things are looked for when the next term opens.

TALBOT ARROW COLLARS

"WATCHFUL WAITING IN RELIGIOUS THOUGHT"

WAS DR. PHILLIPS' SUBJECT AT YESTERDAY'S BIBLE CLASS.

Dr. Phillips, in discussing the subject "Watchful Waiting in Religious Thought," drew his principle from President Wilson's policy in respect to the Mexican situation. The entire policy may be summed up in the statement, "We must not impose our good offices on them, but rather wait for the circumstances to develop, and then step in." The principle involved is the adoption of the way of advice and direction instead of compulsion; the principle of evolution or development rather than of revolution. Now let us see whether that principle cannot be applied to religious thinking as well.

When a student enters a university, he comes in contact with types of thought directly opposite to his own. As a Freshman, he is not usually concerned in this question very much, but is rather taken up in the conflict of conduct. In his Sophomore and Junior years, however, he experiences a difficulty in thinking and must find some way of dealing with this conflict.

According to the old way of thinking, there are three of these ways, first, that of indifference; second, the attitude of belligerence; and third, the revolutionary attitude. The indifferent man shows no concern or interest whatever and therefore cannot hope to make progress. The belligerent man is the narrow minded, conservative individual, who stubbornly fights every new idea. The revolutionary man is the direct opposite and completely overturns the old ideas, absorbing the new. This type of man is the only one that attains any progress at all and he often does more harm than good.

So it is obvious that some more efficient way must be found, and that is the new way—the way of development or evolution—the principle of watchful waiting in religious thinking. What you believe is not necessarily your religion, but only your method of stating that religion. Your religion is what you live plus your conception of God. The measure of the value of what you think should be determined by what it means in service. In case of a conflict, continue to do what is good and helpful to you, founded on past experience; and watch the conflict. Allow your nature and mind to work out. Keep on thinking and think hard but continue to do something worth while.

INTERCOLLEGIATE

At a special meeting of the executive committee of the board of trustees of Lafayette last week, the proposed measure of adding Military Training to the curriculum was formally adopted. The War Department was immediately notified of the action and was asked for an officer to establish and take charge of the work. The Government will appoint an Inspector as soon as possible to examine the men and conditions at that place. As soon as his report on the grounds, buildings and number of physically fit men has been made, an officer and the equipment specified under the General Orders 49, will be sent to Lafayette. Thus it is hoped that by the first of April the Lafayette Unit of the Reserve Officers Training Corps will be a reality.

WOMEN'S COLLEGE

K. D. Freshmen Entertain.
The Kappa Delta Freshmen entertained the Society with an informal party in the gymnasium. The program and menu were both excellent.

Elizabeth Downis, '20, returned to her home in Williamsport for a short visit of a day.

Frill and Frown.
Frill and Frown is working hard on the play which will be given on Friday evening. The cast is well chosen and the play promises to be a success in every respect.

Corrections!
Someone changed last week's Women's College copy. It seems. The following corrections will be noticed: Emma Levegood, '18, entertained her sister for the week-end. Golda Clark, '19, enjoyed a short visit from her sister also.

Y. W. C. A. Notes.
The regular weekly meeting of the Y. W. C. A. was held in the living room, Tuesday, March 6. At this meeting the newly elected officers and cabinet were installed. The officers are as follows: Elizabeth Stevens, President; Agnes Gilmore, Vice President; Elizabeth Bowler, Secretary; Dorothy Villinger, Treasurer. The committee chairmen are: Elthorn Corson, Social Service; Camilla Reed, Religious Meetings; Hazel Florin, Social; Helen Moyle, Bible and Missionary; Ora Smith, Conference; Alben Larson, Music. It was a very impressive service during the course of which the new president was presented with a bouquet of carnations from the association members. Louise Hahn sang a solo.

On Tuesday, Feb. 28, the solo song by Katherine Hoff at the Y. W. C. A. meeting was "Abide With Me."

HILL GOSSIP

Herbina, '20, spent the week-end at Berwick.

Day, '20, was a Williamsport visitor on Saturday.

Russell Conrad, '16, was a visitor on a "hill" to-day.

Greenland, ex-'19, visited friends on the "hill" Saturday.

Stone, '18, preached at Fisher's Ferry Sunday morning.

Norman R. Hill, ex-'17, visited his D. T. U. brothers for a few days last week.

Mink, '17, journeyed to Washington last week to witness the inauguration.

Prof. Frank Painter, '10, of Jersey Shore, visited his brother, Grant Painter, '17, last week.

Jasper Frantz, '14, a student at Crozer Theological Seminary, was in town several days last week.

E. R. Innes, '08, of Canton, spent the week-end with his S. A. E. brothers and attended the Founders' Day banquet.

Geary, '18, returned to his home in Lock Haven, where he submitted to a slight throat operation, returning to Lewisburg on Saturday.

JUNIOR PROM COMMITTEE.
There will be an important meeting of the Junior Prom committee on Wednesday evening, at 9:30 in the Y. M. C. A. room of West College. As this meeting will be the last meeting of the term it is very important that every member of this committee be present Wednesday night.

CALENDAR

Monday—Glee Club 7 o'clock in Bucknell Hall.—Varsity vs. Canisius College at Buffalo.—Orchestra Rehearsal at 8 o'clock.

Tuesday—Freshman Class meeting 4:15 in Chemical Laboratory. Fraternity meetings.—Y. W. C. A. at Woman's College.—Varsity vs. Niagara University at Niagara Falls.

Wednesday—Old Home Singers in M. E. church at 8 o'clock.—Meeting of Junior Prom Committee 9:30 in Y. M. C. A. Room.

Thursday—Phi Gamma vs. Sigma Chi in Gym.—Varsity vs. Susquehanna at Sellersgrove.—Chemical Engineering Society at 7 o'clock.

Friday—Frill and Frown Play in Bucknell Hall.—Sophomore—Freshman game and wrestling meet in Gym.

Sunday—College Bible Class 9:30 in Baptist Church.

VOLUME XX.

PLANS FOR DRILLS BEING FORMULATED

READ BUCKNELL'S MILITARY PLANS BELOW.

COMPULSORY TRAINING MAY COME LATER

Drills at 6:30 on Athletic Field.—Grand Inspection at End of the School Year.—Rifle Club to be Commended for Part in Work.

Now that the United States has formally entered the World War, and the Bucknell Volunteers have formed a regular organization, what does Bucknell propose doing with its military organization?

Her past activities speak for themselves. Two months ago today, the call was issued for Bucknell patriots to enlist for drill. In these two months these men have completed twenty drills with an average of sixty men present at each. The interest shown was worthy of remark, and Lieutenant Bechtel pronounced the improvement of the "recruits" to be wonderful.

Prof. Earle repeatedly told the men that they were exceeding the foot movements better than many infantry companies scattered over the country. The moonlight drill Wednesday night was very successful, nine full squads reporting.

When Prof. Earle and Rummer, '18, interviewed President Harris on behalf of Military Training at Bucknell, they reported to him that two hundred students had signed their willingness to enroll in a course in Military Tactics, should such a course be added to the curriculum. Of these 120 were underclassmen, who, it is logical to suppose, will be here for two full years. In addition to these would be the volunteers of next year's Freshman Class, who might again swell the number to almost 200.

As the government requires but 100 such men before establishing a course in any school, prospects of regularly established Military Training here are exceedingly bright. Especially is this true since President Harris' attitude is highly favorable. He promised to present the matter at the next meeting of the Board of Trustees, which will be in June. As a consequence, it is evident, that little can be done to secure the inauguration of such a course before the opening of school in fall, when it is hoped, government equipment and government officers will be present to aid us. Every possible action has been taken to secure these advantages from the government, and, to date, all indications point towards success in these efforts.

Since the volunteers have now organized themselves into a regular infantry company, drill will continue under the supervision of the student officers who were elected on Saturday. Non-commissioned officers are yet to be chosen. These will be appointed by Captain Wade Earle and Lieutenants Earle and Wilson, following a competitive examination of the capable candidates. This examination will be on the "School of the Soldier," according to the Infantry Drill Regulation Manual. Such manuals, Prof. Earle states, may be obtained by sending thirty-five cents to the Supt. of Documents, Government Printing Office, Washington, D. C.

As soon as the complete military organization of the company has been effected, drills will continue according to a definite program. This is also in compliance with the wishes of President Harris. Drills will be in all probability, be held at 6:30 p. m. on Athletic Field. Such drills will be held four evenings each week. An effort will be made to have the Bucknell Band, or a part of it, present at the drills so as to produce more "snap" in the marching. Saturdays will be reserved for rifle practice on the range and practice marches in the form of cross-country hikes. Later in the season, when the men have become more proficient, guard mount and other military ceremonies will be in-

Continued on second page.

JUNIOR SMOKER.

Chairman Crawford desires the attendance of every member of the Junior Smoker Committee at the meeting on Wednesday evening at 9:30 in the Y. M. C. A. room. This meeting is important.

TENNIS CANDIDATES.
All students who wish to compete for the tennis team will hand their names to Captain Sprout or Manager Siple before Saturday of this week. As soon as the courts are put in shape drawings will be made and the matches played off as soon as possible.

PLANS FOR JUNIOR PROM ARE COMPLETED

POPULAR EVENT SCHEDULED FOR APRIL 20 AT THE LEWISBURG CLUB.

Arrangements are complete for annual Junior Prom which will take place at the Lewisburg Club April 20. A strong effort has been put forth this year to make this big event of Junior Week the most successful in years. The Logue and Strait orchestra of Williamsport has been secured for the occasion.

Also this event is known as the Junior Prom there are no class distinctions made. Members of all the classes are invited to visit members of the committee and secure tickets at once.

MANY VETERANS IN BASEBALL SQUAD

TWO POSITIONS REMAIN TO BE FILLED BY NEW MEN.

The Bucknell baseball nine for 1917 promises to be a good one. The team this season will be under the leadership of Storor who has played the third base position for three years. Cockill, who has built up a winning combination in the past few years will be the coach.

Very few men have been lost from last year's team. George Miller, left fielder, was lost thru graduation and Baldu, catcher, is not in school this year. Outside of these two all the regulars of last year's team are now practicing.

The left field position will be well covered for. Houser seems to be a natural fielder and is a likely candidate. Siple and others are also out for a lively one.

Coach Cockill will find little trouble in filling up the backstop position with a good man. Miller is showing great form behind the bat and Houser will be a good substitute. On the other hand the coach may transfer Murray, who is a good catcher and has had considerable experience in that place in the last few seasons, from his place at first base to the backstopping job. In that case either Harer or Heckenborn would be chosen to fill the initial sack.

The contribution of the freshman class is rather small. So far only two freshmen have appeared on the field who look as the they may be of service to the team. These are Silberstein and Waddell and they will need some coaching before they can be determined what they can do in college baseball.

Activities on the Athletic Field have been in full swing during the past week and by the time the first game is played the team will be in good condition. The pitching staff will be the same as last season with Brenner, Peale, Cockill and Liebenberger.

Providing none of the players are called into service by the government and providing the "dope" is correct Bucknell will again be a figure in the baseball world.

FRILL AND FROWN PLAY.
The annual Frill and Frown Play was presented in Bucknell Hall near the close of last term and proved to be one of the most successful events of the college year. The name of the play was "The Jesters" and the work of the cast was of the usual high calibre of the plays under Miss Schilling's direction.

Drill tonight at 6:30 on Athletic Field.

EMERSON HASSRICK ELECTED EDITOR

CHOSEN BY ADVISORY COMMITTEE LAST WEEK.

WILL ASSUME CHARGE OF NEXT ISSUE

Wrote Up Athletics During the Past Year.—His Brother an Editor in '05 and '06.—Will Use Competitive System to Select Staff.

Emerson R. Hassrick, '18, of Muncy, is to be the next editor of the Bucknellian. He will take up his new duties with next week's issue when he will assume full charge of the publication.

Mr. Hassrick has been connected with the Bucknellian during the past year and by his efficient and consistent work received the unanimous approval of the advisory committee for the editorship. The new editor had charge of athletic write-ups for the most part but proved his ability to handle other activities when called upon. He was also an active member

of the Commencement News Staff last spring.

A brother, Romaine Hassrick, '06 Philadelphia, was editor of the Orange and Blue in '05, and '06 and is at present editor of the Alumni Monthly.

The new editor intends to follow journalism, and has taken a keen interest in this line of work since entering college. His ability and dependable character should insure him success in his new work.

As in previous years, Mr. Hassrick will use the competitive system in selecting members of the new staff. This method has resulted in the selection of men who are both competent and interested in literary work.

Members of the present staff who wish to be retained will notify the new editor and all new men desiring to compete will hand their names to Mr. Hassrick before a certain date. Notice will be placed on the Bulletin Board sometime during this week and a definite time limit will be set. Get your name in on time or you will not be considered in the competition.

Members of the Freshmen class are eligible to membership on the staff. If you care to talk with Mr. Hassrick call at the D. T. U. House.

CALENDAR

Monday—Glee Club at 8 p. m. in the Chapel. Orchestra 6:45. Drill at 6:30 on Athletic Field. Mechanical Engineers 7 p. m. Civil Engineers at 7 p. m.

Tuesday—Fraternity Meetings. Y. W. C. A. at Women's College. Meeting of Junior Prom Committee at 9:30 in Y. M. C. A.

Wednesday—Meeting of Junior Smoker Committee at 9:30 in Y. M. C. A.

Thursday—Drill at 6:30.

Friday—Debating Team vs. Lafayette at 8 p. m. in Bucknell Hall. Drill at 6:30.

Sunday—College Bible Class 9:30 in the Baptist Church.

COMBINED CONCERT APRIL 21.
The combined Glee Clubs of Bucknell and Penn State will give their annual concert here on April 21. Look for more definite announcements later.

JUNIOR PROM COMMITTEE.

There will be a meeting of the Junior Prom Committee on Tuesday evening at 9:30 in the Y. M. C. A. room of West College.

NOTICE FRESHMEN
FRESHMEN !!! Pay your dues. This means U. All members of the class of 1920 who have not purchased a Budget, owe \$1 in class dues to the class treasury. See me at your earliest convenience.

Wagoner, Treas.

PROF. EARLE ELECTED CAPTAIN OF COMPANY

OFFICERS ELECTED AT DRILL HELD ON SATURDAY AFTERNOON.

Members of Bucknell's volunteer company elected the following officers at the regular drill at 1:30 last Saturday: Captain Prof. G. Wade Earle, First Lieutenant, Duke Earle, '18, and Second Lieutenant Wilson, '20. All of these men have had considerable experience along military lines and are able to take care of their duties in an efficient manner.

Watch the bulletin board this week for notice of drills and further developments in the plans of Bucknell's volunteer company.

DEBATING TEAM WILL MEET LAFAYETTE

THE SECOND INTER-COLLEGIATE CONTEST HERE ON FRIDAY NIGHT.

Bucknell's second intercollegiate debate of the year will take place Friday night in Bucknell Hall at 8 p. m. when a team from Lafayette will be here. The question for debate is the same as against State College last term: "Resolved, that Congress should enact legislation compelling compulsory arbitration of disputes between capital and labor."

Bucknell men will uphold the negative side in Bucknell Hall and the affirmative at Lafayette. Potter, Earle, Beaver and Roemer alternate will argue on the home floor and Beard, Lenox, Gerner with Duffee alternate will journey to Easton.

Those who attended the State College debate will need no urging to attend this contest. Budget receipts will admit holder and lady.

FRESHMEN MEN GIVE PICTURE OF BEECHER

WORTHY ADDITION TO ORATORY ROOM IN THE MAIN COLLEGE.

Thru the efforts of the men of the Freshmen class who have taken Public Speaking during the past two terms a large photograph of Henry Ward Beecher has been added to the equipment of the University. The negative, in the possession of the Rockwood Studio, of New York City, has been copyrighted. From it an enlarged picture was made. It will hang in company with other noted American orators upon the walls of the oratory room.

As a result of a series of addresses by Freshmen the following seemed to be their attitude on some of the big questions of the day: Almost unanimously in favor of simplified spelling and of the short ballot, about evenly divided on the question of preparedness, strongly in favor of settling disputes between nations by peaceful means, inclined toward woman suffrage 67 per cent.

Two Bucknell professors have had articles in recent periodicals. Professor Riemer gave an exhaustive review of a work on the Soliloquy in the German drama, published in Modern Language Notes. Professor Smith's address before the New England Conference of teachers of Public Speaking at Harvard University appeared in the Quarterly Journal of Public Speaking.

DEATH OF ALUMNUS.
Malden S. Williams, '76, of Ridley Park, Pa., died at his home on Feb. 24th, after a lingering illness following an accident. Deceased was the beloved husband of Flora Dorey Williams, class of 1876.

Bucknell vs. Lafayette Friday evening in Bucknell Hall.

WARREN NOLL MEETS A SUDDEN DEATH

WELL KNOWN SENIOR DIES FROM HEART FAILURE.

CANOE ACCIDENT OVER VACATION IS FATAL

Cold Waters of River and Over Exertion Cause Sudden Collapse.—Noll an Assistant to Prof. Davis.—Many Friends on Hill and in the Town.

The Bucknellian herewith presents a picture of our late classmate, J. Warren Noll, whose death occurred during spring vacation, the result of over exertion and excitement caused by the upsetting of a canoe.

The accident occurred on the second day of vacation when Dr. Davis, his son, and Noll went down the river in a canoe in search of biological specimens and Indian relics. Near Winfield the canoe shipped water and soon was submerged so that all three had to swim to a nearby island. Chilled by the cold water, the three canoeists started running to keep warm, but Noll had evidently overtaxed his strength in the excitement and collapsed, passing away in a few moments.

Entered at the Lewisburg postoffice as second class matter.

Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, APRIL 9, 1917.

LAST WORD.

During the past year we have tried to keep the Bucknellian a representative organ of Bucknell student life. The students themselves have aided materially toward the attainment of this aim by sending in news items and by expressing their views in the form of communications. We wish to thank all students and members of the faculty for their hearty co-operation and interest.

With the next issue a new editor and subsequently a new staff will be in charge. Mr. Hassrick and the members of the staff will appreciate any aid from students and faculty and we believe it will be forthcoming as it always has been during the past few years. If you have literary talent hand your name into the editor and enter the competition for a place on the staff.

WARREN NOLL

It was with deep sorrow that Bucknell students learned of the death of their fellow student and classmate Warren Noll during the recent holidays. An excellent student, welcome companion and above all, a man, Noll had found a warm place in the hearts of the Bucknell students, faculty and people of the town.

Noll's conduct and attitude toward student life during his four years in college were of such a nature as to give promise of an enviable career upon graduation. His life was short, but rich in good deeds toward those with whom he came in contact.

ALUMNIUS ENGAGED

In active work, L. J. Vette, '10, who is taking graduate work at the University of Chicago is also pastor of the West Pullman Baptist church, the building of which he superintended. Dedication exercises of the new church were held April 1st.

Mr. Vette is highly pleased with the plan for erecting a huge B on Montour. At Laramie in Wyoming where Mr. Vette was pastor for three years, the State University has a large W about 20 feet high on a hill nearby. The freshmen each year are given the task of refilling in the letters with stones and then giving it a "fresh coat of white paint when necessary."

Mr. Vette announces the arrival of a son Louis James, Jr., born Feb. 14, 1917. Mrs. Vette was formerly Miss Charlotte Hulley, '09.

Military Training Plans

Concluded from first page.

strated. Parades will be held, and finally there will be exhibitions. These ceremonies will culminate in a grand inspection to which the College Women will be invited as special guests of honor. Captain Wolfe of Troop M. has granted the boys permission to use the Troop arms in the armory and has written to the Adjutant General of Penna. for permission to allow the use of the guns on the Athletic Field. This permission will doubtless be granted and the guns will be made good use of until Troop M is called to action.

All these plans will be executed under student management. Lieutenant Bechtel will continue as an adviser and states that he has a deep interest in the success of the boys. Much thanks is due him for his efforts for the betterment of Bucknell Soldier Boys.

The Bucknell Rifle Club must not be forgotten at this time. It is that Club which stood back of the military enterprise, financed it and brought it to its present successful state. Without a murmur, that Club has paid all expenses for the use of the guns of Troop M. Now, it again comes to the front with a generous offer of rifle practices. Such privileges may be secured upon the payment of twenty-five cents to Chalfant, '19, Treasurer, or Rummer, '18, President. An organization like this deserves the support of the entire student body.

Much argument has recently been heard as to compulsory military service. Such action on the part of the National authorities seems imminent, but in all probability, should a college man have the experience of a course similar to that which is contemplated for Bucknell, he would be exempt from the army service, or at most would serve a greatly reduced term. The advantages of such a course relative to officer'ship in time, has already been explained in these columns.

A thorough understanding of Bucknell's present military plan should now be had by everyone. With such an understanding, in view of the declaration of war on Friday, it is to be expected that a much larger turnout will be present at future drills on the Athletic Field. Every red-blooded American student in this College should be deeply interested and help raise Bucknell to the standard set by some of the other colleges of the land. It is not yet too late to have your name placed on the company's roll.

WILLIAMSPORT TO SEE "A DOLL'S HOUSE"

CAP AND DAGGER PLAY WILL BE STAGED BEFORE THE CIVIC CLUB.

A proof of the unusual success of the Cap and Dagger play last term, Ibsen's Doll's House, manifested itself during the past week when the same cast has agreed to appear before the members of the Williamsport Civic Club at a select entertainment to be given on the evening of April 18.

The social affair is to be private and the "Doll's House," will be the chief entertainment for members and invited guests of the club. This event is one of the most select in Williamsport and it is a high honor to the Bucknell Cap and Dagger Dramatic Club that it has been chosen for the occasion. It is understood that through the efficient manner in which the cast presented the drama and the wide reputation gained in effectively producing this emotional work of Ibsen's, that the up-river town selected "The Doll's House."

The fact that three of the principal characters, Eugene Bertin, Miss Grace Good, and Chester Leahr, are from that town, will give Williamsport an idea of the class of dramatic students representing that town at Bucknell.

Cornell University has adopted a new method of rewarding football and basketball players for winning games, which has been endorsed by the athletic council of the Ithaca institution. The privilege of wearing a miniature gold football on the watch chain or fob will be given to winners of the football C after a season in which the teams have won both the Michigan and Pennsylvania games.

STUDENTS AND ALUMNI PLEDGED LOYALTY
RESOLUTIONS SUBMITTED BY BIBLE CLASS MEET WITH APPROVAL.
The following resolutions were circulated about the Hill last week thru the efforts of the College Bible Class and met with the almost unanimous approval of students and faculty. The resolutions speak for themselves:
Whereas, the rights of the United States have been violated by the infliction of death upon many of its citizens;
Whereas, the world crisis has become a conflict between autocracy on the one side and democracy on the other;
Whereas, Congress and the President of the United States are about to decide the attitude of the United States toward this conflict;
Resolved, that we, the undersigned, pledge ourselves to support Congress and the President in whatever action they take to maintain the rights of the United States and the principles of democracy.
Submitted to the Faculty and Students of Bucknell by the College Bible class.
Alumni in Philadelphia have also sent word to Washington pledging their support to the president, according to the following dispatch which appeared in a recent issue of the Philadelphia Record:
President Wilson was congratulated on his firm stand against Germany in a telegram sent from the joint banquet of the Bucknell Alumni Club of Philadelphia and the Bucknell Alumnae Club of Philadelphia in the Rittenhouse Hotel last night. Dr. S. M. Phillips, principal of the West Chester Normal School, framed the telegram, which read:
"Philadelphia alumni of Bucknell congratulate you on your strong stand in favor of American rights and are unanimously behind you in this crisis."
Among the speakers were Ernest L. Tustin, president of the Board of Recreation; Commissioner John Price Jackson, of the State Department of Labor and Industry; Clinton Rogers Woodruff, Judge J. Warren Davis, of Trenton, and Dr. G. L. C. Reimer, professor of languages in Bucknell, who represented the faculty of the institution. Dr. S. Lewis Zeigler, former Director of Public Health and Charities, was toastmaster.

BASKETBALL REVIEW.
The 1917 basketball season for Bucknell was a success in every sense of the word. The Varsity played eighteen games and were twelve times victorious. The six defeats all came on foreign floors and at the hands of formidable teams. The season's record leaves Bucknell in the line light in the basketball world. The scores are as follows:
Jan. 5—Bloomington at Lewisburg, Bucknell, 55; Bloomington, 25.
Jan. 12—Carlisle Indians at Lewisburg, Bucknell, 70; Indians, 21.
Jan. 19—Gettysburg at Lewisburg, Bucknell, 31; Gettysburg, 30.
Jan. 26—Williamsport Big Five at Lewisburg, Bucknell, 32; Williamsport Big Five, 26.
Feb. 3—Hassett School at Harrisburg, Bucknell, 20; Hassett School, 21.
Feb. 9—Lebanon Valley at Lewisburg, Bucknell, 60; Lebanon Valley, 31.
Feb. 16—Nanticoke at Lewisburg, Bucknell, 43; Nanticoke, 37.
Feb. 19—Georgetown at Washington, D. C., Bucknell, 31; Georgetown, 45.
Feb. 20—Mount St. Mary's at Emmitsburg, Md., Bucknell 33; Mt. St. Mary's, 19.
Feb. 21—Gettysburg at Gettysburg, Bucknell, 27; Gettysburg, 42.
Feb. 22—Albright at Myerstown, Bucknell, 43; Albright, 32.
Feb. 24—Franklin and Marshall at Lewisburg, Bucknell, 56; Franklin and Marshall, 17.
Mar. 2—Susquehanna at Lewisburg, Bucknell, 30; Susquehanna, 30.
Mar. 9—Albright at Lewisburg, Bucknell, 40; Albright, 22.

HILL GOSSIP

Wainwright, ex-'19, returned for a short visit Saturday.

Ziegenfuss, '17, was at his home at La Velle over Easter.

Cline, '16, of Turbotville, was back for a short time recently.

Painter, '17, and Vredenburg, '20, celebrated Easter at Muncy, Pa.

McLaughlin, ex-'19, was entertained at the Psi Phi House over the week end.

Snyder, '20, and Sticker, '20, spent Easter with their parents at Hazleton.

Tyson, '11, and Johnson, '04, spent a large part of last week on the "Hill."

Vorse, '05, publicity manager of Penn State College was in Lewisburg last week.

Ed. Parke, '12, and wife, of Philadelphia, made a recent visit with relatives in town.

Winklebush, '15, visited old friends on the Hill during the latter part of last week.

Fairchild, '14, Pangburn, '15, and Lewis, '15, are visiting their D. T. U. brothers this week.

Lou Robinson, '12, who is teaching school at Westfield, N. J., was a guest of his S. A. E. brothers over Sunday.

On March 28, Delta Theta Upsilon held its annual active Chapter dinner dance at its home on Walker street.

Bauman, '18, and Waukel, '20, enjoyed an early season dip in the river on their initial canoe trip of the term.

"Doc" VanHorn, ex-'20, now a student at Penn, and Bob Brooke, '13, of Elizabethtown, visited their S. A. E. brothers on Saturday.

WOMEN'S COLLEGE

Yearlith Westly, '17, and Dagmar James, '18, traveled to Lynchburg, Virginia, this week-end to attend a sorority conference at Randolph-Macon College.

Katherine Redlin, '17, spent the week-end at her home in Freedland.

Marion Ellenbogen, '20, Bertha Cantor, '17, Dorothy Kantor, '18, Helene Dieffenderfer, '18, Irma Hess, '19, Helen VanHorn, '19, Beulah Wirt, '20, and Ethel Grant returned to their homes for Easter.

Sara Thompson, '17, visited Ruth Williams, '16, in Parsons, Pa.

Ruth Minnig, '19, spent several days at Gettysburg.

Ethel Mitchell, '20, entertained Elthra Corson, '20, at her home in Williamsport.

Hazel Florin, '20, spent Easter with some friends in Williamsport.

Mabel Buckman, '20, was in Turbotville this week-end.

Helen Fowler, '20, spent Easter in Middleburg.

Marguerite Targoni, '19, returned home for a few days last week.

Y. M. C. A. NOTES.

The last weekly meeting of the Y. M. C. A. was held Tuesday evening, April 3. The topic was, "How to be a Friend." Miss Avel Kromer, leader, gave a very interesting and helpful talk. Several of the girls took part.

Next week Elthra Corson will be the leader. Let every girl be present and make the meeting interesting.

INTERCOLLEGIATE

The recent purchase by Brown University, located at Providence, R. I., of 15 acres of land and the appointment of an alumni committee on ways and means, marks the first step toward the much desired new athletic field. Brown athletes have been sorely in need of new quarters for the last dozen years and never more so than last fall, when, on Thanksgiving Day, most of many persons were turned away as were able to secure tickets for the Brown-Colgate game.

Pennsylvania and Yale have two great freshmen runners, probably the most promising ones in the entire country. The one of whom the Red and Blue boasts is Earl Eby, conqueror of the famous Ted Meredith in the 600-yard National Amateur Athletic union's championship, and a lad who bids fair to become one of the best middle distance runners in college ranks. The one of whom Yale men are proud is Harvey Reed, a former Merceburg academy sensation who recently beat 4.25 in a mile race indoors. Reed is a big, strong runner and if he can show a 4.20 mark in his freshman year, he will be one of the most likely candidates for the world's record which Taber set for that distance.

Seidel & Spangler's Specials

NEW SPRING SKIRTS

Those who like skirts with the stamp of individuality and original designs know where to come. Straight line shirred and pleated effects in all new fabrics and colors—bright and new—\$3.00 to \$10.00.

CHARMING NEW DRESSES OF TAFFETA

In many of the models, George Crepe has been effectively combined with the silk and the clever use of embroidery beads, soft sashes and tassels, bring out many new fashion points. The colors are black, navy, plum, rose, tan, belgian blue, taupe and pearl. Prices \$11.00 to \$26.50.

Special sale on Ladies' Night Dresses in both low and high neck with neat edge of embroidery in good sizes special 59c.

VICTOR VICTROLAS, RECORDS AND CABINETS

Music and flowers make the most part of our Easter time observance, and without either we would hardly know that it is Easter. The Victrola and Records of Easter Music are more and more the means of many of us having good and appropriate music, and different from most, it is the greatest source of amusement throughout the whole year for all the family.

We have all styles of Victrolas in stock and all the new and pleasing Records of all kinds. Have you heard the new Records by the new operatic star Galli-Curci, the new "Sextette," Caruso's new "Samson and Delilah" or McCormack's "When Irish Eyes are Smiling"? All records of Easter Music.

BUCKNELL WINS OVER LAFAYETTE

AFFIRMATIVE TEAM LOSES AT LAFAYETTE.

BOTH TEAMS SHOW REMARKABLE ABILITY

Small Attendance at Home Division of Dual Debate.—Thomas Eschelman Renders Pleasing Solo While Rebutals Are Prepared.

A very small audience, consisting mostly of College Women, gathered to hear Bucknell defeat Lafayette College in the debate in Bucknell Hall on Friday night. The Honorable Mr. Harry M. Showalter of the Pennsylvania Legislature acted as Presiding Officer.

The Lafayette team, upholding the Affirmative side of the argument, was composed of Charles Smeltzer, Russell Parker and Grier M. Shotwell. The speakers on Bucknell's Negative team were Alfred A. Eastle, Walter C. Braver and Chas. W. Potter, with Francis F. Reamer as Alternate. The teams were remarkably well balanced and the contradictory nature of the evidence caused great wonder as to what the probable result would be. Not until the decision of the judges, unanimous in favor of the Bucknell team, was announced were the Bucknellians certain of their victory.

As in our debate with State College, the question argued was: "Congress should enact legislation providing for the compulsory arbitration of disputes between organized labor and capital." The main issue of the debate seemed to resolve itself into the exact interpretation of the word "compulsory."

Lafayette's team stated that the present labor legislation in this country was a failure, and that compulsory arbitration should be used as a supplementary measure when others fail. It is the duty of the United States to enact this law, and such enactment would be advantageous to the capitalists, the laborer and the public at large. It is thereby practicable from every standpoint. It would produce almost ideal labor conditions and place the country on a sound economic basis.

Contrary to these statements, were those advanced by the Bucknell speakers. The latter held that the contemplated legislation is unsound in theory. It has been a failure where tried. The results where such laws have been passed, were not beneficial, but pernicious in every respect. Such legislation would be a mere tool in the hands of unscrupulous Congressional politicians. This law would be, by no means, the best, but the Canadian Disputes Act, if amended, would furnish a highly desirable substitute, and the Canadian law provided for thorough investigation and not for compulsory arbitration.

Much spirit and "pep" was shown by the several speakers. Mr. Smeltzer was vigorous in denouncing the "Nothing to Arbitrate" feeling, so evident in many labor disputes. The chief evils which Mr. Parker objected to were special class legislation, discrimination on second page.

DATES ARE ARRANGED FOR SENIOR RECITALS

FIRST RECITAL WILL BE HELD IN BUCKNELL HALL THURSDAY EVENING.

The dates for the Senior Recitals have all been arranged with the exception of one, the Senior Organ Recital, which will be announced later. The first of these Recitals will be given on Thursday evening, April 19 in Bucknell Hall. The arrangement of the dates is as follows: April 19—Jessie Cooper, Louise Hahn and Thomas Eschelman. April 26—Eugene Duke and Gladys Willis. May 3—Velma Davis, Ethel Grant (voice) and Theo. Stuck. May 7—Mrs. C. G. Fries David Boswell and Stephen Puff. May 10—Hazel Lee and Carrie Grugan. May 17—Constantine Negro, Ethel Grant (piano) and Samuel Abrams.

CALENDAR

Monday—Glee Club Drill at 7 p. m., in Bucknell Hall. Practice at 6:30 on Athletic Field. Orchestra at 8 p. m., in the Chapel.

Tuesday—Fraternity meetings. Y. W. C. A. at Women's College.

Wednesday—Junior Smoker at 8 p. m., in the Gym. Drill at 6:30.

Thursday—Junior Girls' Reception in Gym. at 8 p. m. Drill at 6:30.

Friday—Junior Prom in Lewisburg Club, 9 p. m., till 3 a. m.

Saturday—Combined Glee Clubs—Penn State and Bucknell, in the Lutheran Church at 8 p. m. Rifle Club practice at range at 3:30 a. m.

Sunday—Dr. Phillips' address in Presbyterian Church at 11 a. m.

SIGMA CHI'S WON.

On Saturday afternoon the Lewisburg High School baseball team went down to defeat before the Sigma Chi fraternity team by a score of 9-7. The game was played on the Athletic Field.

THE BUCKNELLIAN

BUCKNELL UNIVERSITY.

LEWISBURG, PENNA., MONDAY, APRIL 16, 1917.

NUMBER 22

PLEASE LECTURE BY BEAUCHAMP

HUMOROUS LECTURE CONCLUDES LYCEUM COURSE.

NEXT YEAR'S PROGRAM IS ANNOUNCED

"Take the Funny Side" is the Subject of His Talk.—Five Excellent Numbers Have Been Scheduled for Next Year.

Los J. Beauchamp's lecture, the last number on the Y. M. C. A. Lyceum Course, given in the Methodist church Thursday evening was entirely up to the high standard given it and very much enjoyed. A very important feature of the evening was the announcement by Manager Rogers of next year's program. The schedule next season will be arranged during the three lectures of an entertaining nature as well as instructive, a quartet and a musical number, giving through a well-learned and evenly divided course, perhaps never before equalled at Bucknell.

The program in full consists of lectures by Dr. George H. Bradford, Dr. Frederick Poole and Ralph Bingham, "The Fairchild Ladies' Musical Quartet" and the Weber Male Quartet that was so much enjoyed this season.

The three lecturers are the best known Chautauque platform men, especially Dr. Poole, who spent 19 years in China and is noted for his Chinese readings, especially his "Yellow Jacket." Bingham is granted the honor of being the funniest man in America, far-famed for his talking machine records of a humorous nature. The order and dates of the lectures in giving out the program. First the excellence of examinations; second ability for leadership; and third, attendance at drill.

This will not fill up all the vacancies that there are for non-commissioned officers, consequently there will be another examination held this week. It will be of the same nature as the examination of last week and will be held in the Academy at 1:30 p. m., on Saturday. Captain Earle wants more men to take this examination and hopes for a large turnout this week.

During the past week the men have been coming out to drill regularly and have made fine progress. There is, however, room for many more and the appearance of any new recruit would be hailed with enthusiasm. As many as nine squads made their appearance on the field this week, and at no time were there less than seven. If all those who signed up for the training would come out there would be at least 30 squads. Now is the time to get a start if you are going to take the course next year.

On several occasions the company has marched thru Lewisburg and many compliments come from the people of town on the excellent showing that is being made.

Next week two new movements are going to be introduced. The "Extended Order" movement will be given, and the men will be taught how to drill by signal. It is very important that every man be on the Athletic Field promptly at 6:30 p. m. Drills will be held on Monday, Wednesday, Thursday and Friday evenings, and in case the weather should be unfit for drill on the field it will, in all probability, be held in the Armory.

JUNIOR WEEK PROGRAM.
Arrangements for the Junior Prom, which begins on Wednesday includes music by the Logue and Straits Orchestra and a request from the committee in charge that no flowers be sent. The program in full consists of four events:

Smoker—Wednesday evening at 8 o'clock, Tustin Gymnasium.
Junior Girls' Reception—Thursday evening, 8 o'clock, Tustin Gymnasium.
Junior Prom—Friday night at Lewisburg Club.

Combined Glee Club Concert—Saturday evening.

SENIORS!
The annual Junior Smoker will be held in the Tustin Gymnasium Wednesday evening, April 18. Every senior man is invited to be present. A good program has been arranged by the committee.

All those desiring to teach next year will please register in the Registrar's Office at once.

STUDENTS JOIN TROOP.

Five Bucknell students have enlisted in Troop M of the First Penna. Cavalry. They are Walter S. White, '19; John C. Hendren, '19; Thomas C. Cockill, '19; David A. Gearhart, '20; and John F. Schneider, '20.

D. T. U'S ENTERTAIN.

On Saturday evening the members of Psi Beta Phi were delightfully entertained by Delta Theta Upsilon. Five hundred was the main diversion of the evening. Miss Helen Brown was the winner of a small loving cup, the prize of a guessing contest.

DRILL.

Every man should be out to drill at 6:30 sharp in order that the signal drills may be practiced before it becomes dark.

SEVEN STUDENTS PASS EXAMS. FOR OFFICES

SIX BECOME CORPORALS AND ONE BECOMES A FIRST SERGEANT.

On Saturday afternoon an examination was held in the Academy for all those desiring to obtain an office in Bucknell's Volunteer company. Twelve took the examination and seven of these were successfully passed. The appointments are as follows: D. M. Campbell, First Sergeant; Donald Dunkle, H. G. Wilson, R. S. Downing, R. N. Cragg, Fred Williamson and G. L. Lowry, Corporals.

The men were examined on the first one hundred paragraphs of the Infantry Drill Regulations and the things that have been taught in the drills. Three points were taken into consideration in giving out the grades. First the excellence of examinations; second ability for leadership; and third, attendance at drill.

However, while waiting for answer to come in the management is securing a list of teams who have open dates so that should the advisory board definitely decide to continue baseball a new schedule can be arranged without delay. In arranging this schedule, effort will be made to secure a majority of the games for the home grounds.

The first game of the season will probably be with Juniata College on the home campus next Saturday. On the following Saturday it is likely that the Harrisburg State League team will come here for a game.

In working out a new schedule Bucknell may be able to obtain dates with the larger Universities, in place of the colleges who have suspended athletics. In this way the Varsity team will likely be able to meet larger and stronger teams than would otherwise have been possible. The management and advisory board hope to have a definite working basis by the latter part of the week.

BASEBALL GAMES ARE UNCERTAIN

MEETING OF BOARD HELD LAST WEEK.

NEW YORK STATE TRIP HAS BEEN CALLED OFF

Original Baseball Schedule Called For 25 Games But Many Have Been Cancelled.—Attempts Are Being Made to Bring Other Games Here.

Because many colleges and universities have suspended athletics on account of the war, the arranging of a definite baseball schedule has become very difficult. A schedule arranged earlier in the season called for twenty-five games but already a number of teams have cancelled their games.

Franklin and Marshall, scheduled to play here last Saturday, cancelled the game and announced that they had dropped all athletics, Washington and Lee, Cornell, and Georgetown have also sent in notice that they will not play their games as scheduled.

As a result of Cornell cancelling her game, it was decided at a meeting of the athletic advisory board held last week, not to send the Varsity to its annual Spring trip thru New York State. The other teams scheduled for this trip were Syracuse, Colgate and Hobart.

At the meeting of the board the schedule, as it stands up-to-date, was presented and discussed. However, owing to several open dates, and the same and announced that they had dropped all athletics, Washington and Lee, Cornell, and Georgetown have also sent in notice that they will not play their games as scheduled.

As soon as the replies are received the work of arranging a new schedule will be taken up. The number of favorable replies, will to a large extent, determine whether or not Bucknell will enter college baseball this year.

However, while waiting for answer to come in the management is securing a list of teams who have open dates so that should the advisory board definitely decide to continue baseball a new schedule can be arranged without delay. In arranging this schedule, effort will be made to secure a majority of the games for the home grounds.

The first game of the season will probably be with Juniata College on the home campus next Saturday. On the following Saturday it is likely that the Harrisburg State League team will come here for a game.

In working out a new schedule Bucknell may be able to obtain dates with the larger Universities, in place of the colleges who have suspended athletics. In this way the Varsity team will likely be able to meet larger and stronger teams than would otherwise have been possible. The management and advisory board hope to have a definite working basis by the latter part of the week.

BUCKNELL ALUMNUS JOINS RESERVE CORPS

SUCCESSFULLY PASSES THE EXAMINATION FOR A CAPTAIN.

H. E. Bilger, '08, road engineer of the state highway department, residing at 714 South State street, Springfield, Ill., has just received official notice from the Washington office of the war department of his having been successful in the competitive examination held at St. Louis on Jan. 10 for a commission of Captain in the engineer officers' reserve corps of the United States army.

The commission is granted for a period of five years and is renewable with the approval of the secretary of war after a physical examination, in accordance with the new law which became effective July 1.

Mr. Bilger was formerly in the civil service employ of the government in the capacity of senior highway engineer. In addition he has had railroad experience and since 1914 service with the Illinois highway commission.

Entered at the Lewisburg post office as second class matter.
Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, APRIL 16, 1917.

FOREWORD.

It will be but a short time until the Bucknellian will be in the hands of a new staff. Accordingly we want to set down now what we aim to do. It is our desire to make the Bucknellian a publication representative of Bucknell student life. We shall strive at all times to put out a paper designed to serve as a kind of mirror of events, not only for the students but also for the general readers, and one that will be a credit to the school.

We are well aware of the circumstances and responsibilities which confront us upon entering in upon our new undertaking. Therefore we ask the students, faculty alumni and friends to heartily co-operate with us, helping us to maintain the standards that have been set up in the past and to make the publication a typical college weekly.

To every student belongs the right to enlist his co-operation in this paper. Someone has said, however, that it is human nature to scorn and to consider worthless whatever is given to us free. But let a man drop a dime in the passing hat for some popular cause, and he immediately feels that he has a personal pride in the success of that movement, following the course of its progress with a keen interest, which is the return dividend he receives on his invested dime. It is perfectly possible for the students, or any other person interested in college life, to express their thoughts in connection with any subject in the university or out of it thru these columns. Any person desiring to take advantage of this opportunity can do so by sending his contribution accompanied by his name to the editor. Unless otherwise requested the name will not be published.

According to the custom of late years the staff will be selected on the basis of competition. This means it is chosen because it has proven to be the best means of selecting men who are capable and can do consistent work. The associates will be chosen only after thorough trials and in this way we hope to find men who will lend their best efforts to making this publication a successful one and one worthy of the name that it bears.

CLASS MEMORIAL COMMITTEE.
The Senior Class Memorial Committee requests all seniors having suggestions for a class memorial to hand them to the committee. The suggestions will be voted upon at a class meeting. The committee consists of Chairman Heberling, Swaps, Pedigo and Eileen Johnson.

SENIOR NOTICE:
Every member of the Senior class who has not purchased a T-shirt is requested to pay his dues as soon as possible. If you owe dues see Mink and settle up.

BUCKNELL DEBATE

Concluded from first page.

putes of "the god of Might versus the god of Reason" and political control of the wage scale. Mr. Shotwell sang the praises of such acts in foreign lands and said that voluntary arbitration was a failure. He delivered a strong closing speech.

The affirmative "practicality" statements were given a knock-out blow by Alfred Earle. He quoted statistics to show the prizes of such acts in foreign lands and said that voluntary arbitration was a failure. He delivered a strong closing speech.

The affirmative "practicality" statements were given a knock-out blow by Alfred Earle. He quoted statistics to show the prizes of such acts in foreign lands and said that voluntary arbitration was a failure. He delivered a strong closing speech.

Between the constructive speeches and the rebuttal, the audience deeply enjoyed a violin solo by Thomas Esh-awick (Wisniewski) produced a demand for an encore, in which he rendered Beethoven's celebrated "Minuet in G." He was accompanied by Miss Cooper.

In every respect, the debate was a close one. The Lafayette men are to be congratulated on their ability and the spirit in which they accepted defeat. Bucknell, too, has a team that deserves congratulations.

BUCKNELL DEBATERS
LOSE AT LAFAYETTE.
The affirmative debating team, consisting of Ralph Beard, '18, H. D. Emerson, '18, S. D. Lenox, '18 and F. E. Duffee acting as alternates, were defeated by Lafayette at Eastern on Friday evening by a 2 to 1 decision.

TEACHERS' ASSOCIATION MET.
A short meeting of the Bucknell Teachers' Association took place on Wednesday evening. Three papers pertaining to Vocational Education were read by Domer Ackerman, Miss Olive Moore and Miss Edith Horton.

BUCKNELL DEBATERS
LOSE AT LAFAYETTE.
The affirmative debating team, consisting of Ralph Beard, '18, H. D. Emerson, '18, S. D. Lenox, '18 and F. E. Duffee acting as alternates, were defeated by Lafayette at Eastern on Friday evening by a 2 to 1 decision.

TEACHERS' ASSOCIATION MET.
A short meeting of the Bucknell Teachers' Association took place on Wednesday evening. Three papers pertaining to Vocational Education were read by Domer Ackerman, Miss Olive Moore and Miss Edith Horton.

D. T. U'S LOSE.
On Friday afternoon the D. T. U. baseball team journeyed to Milton where they suffered a defeat at the hands of the Milton High School nine by a score of 4-3. The batteries for Milton were, Miller and Arndt; for the D. T. U's, Craighead and Bashore.

SENIOR NOTICE:
Every member of the Senior class who has not purchased a T-shirt is requested to pay his dues as soon as possible. If you owe dues see Mink and settle up.

TRACK TEAM WILL BE THE BEST IN YEARS

TRY-OUTS FOR PENN RELAYS WILL PROBABLY BE HELD SATURDAY.

The coming Penn relay carnival and important changes in the schedule constitute the latest developments in the local track situation. Track teams from most of the important colleges of the East will be entered in the U. of P. classic, which will be staged at Philadelphia and Saturday, April 17 and 18. A team from Bucknell will be entered in Class 3 against such opponents as Gettysburg, Dickinson, and W. and J. Owing to their lack of experience the Bucknell men of last year did not make as high a showing as was expected, but with the present squad of seasoned and experienced runners it is confidently expected that the local boys will finish well up in the list.

Elimination contests will be held during the present week up until Thursday for the purpose of selecting the team. Captain Lawrence states that both the old men and the promising squad of newcomers have been practicing consistently and are in top form. The appearance of non-candidates, however, would be baffled with pay for the race is nothing like the keen competition to put "son" into the contests.

Two changes in the schedule of meets must be noted. According to the revised schedule there will be but one inter-collegiate event at home, which will take place on June 2 with Gettysburg. The annual triangular meet has been called off on account of E. and M. having called all athletic events. The negotiations with Delaware College have also come to naught. The two remaining meets, with Carlisle on May 5, and with Lafayette on May 9, will be held away from home.

ENGINEERING NOTES

The regular monthly meeting of the Civil Engineering Society was held on Monday evening of last week. W. W. C. A. was held Tuesday evening, April 10. Elthera Corson was leader. Several of the girls spoke telling of their experience with "Eight Week Clubs." Further arrangements for Miss Rainey's training class will be posted.

Next week Florence Dersheimer will be leader. She will speak on the history of the Y. W. C. A.

BIBLE CLASS ADDRESS TO BE GIVEN AGAIN.
Dr. Phillips has been requested to give his address, which he delivered Sunday morning to the Bible Class over again. He spoke on the subject: "The Moral Issues of President Wilson's War Message." Dr. Phillips will deliver the address again on Sunday morning in the Presbyterian church at 11 o'clock. Special invitation is extended to the Red Cross Society, the members of the troop and like organizations.

MECHANICALS.
The Mechanical Engineering Society held its regular monthly meeting on Monday evening of last week. Pres. Maurer, '17, gave a splendid address on "Power Plants," among other things describing in detail the Shokin Power Plant. The organization of an Engineering War Corps among the Mechanics at Bucknell was discussed, but no definite action was taken.

CHEMICALS.
A special meeting of the Chemical Engineering Society was called on Thursday afternoon at which Dr. Brown spoke in behalf of the American Society of Chemical Engineers, suggesting that the Bucknell chemists pledge their loyalty to the government during the present war. Resolutions to that effect were read and unanimously adopted. Also the attendance at the meeting was not so very good, all the members were seen individually and given an opportunity to sign.

Y. W. C. A. NOTES.
The regular weekly meeting of the Y. W. C. A. was held Tuesday evening, April 10. Elthera Corson was leader. Several of the girls spoke telling of their experience with "Eight Week Clubs." Further arrangements for Miss Rainey's training class will be posted.

Next week Florence Dersheimer will be leader. She will speak on the history of the Y. W. C. A.

Special invitation is extended to the Red Cross Society, the members of the troop and like organizations.

CLASSES ORGANIZED FOR RED CROSS WORK

STUDENTS AND PEOPLE OF LEWISBURG HOLD JOINT MEETINGS.

The second meeting of the Red Cross class in first aid was held in the High School building last Thursday evening. The first meeting at which the class was organized was held on April 5. The object of the first aid methods, using as a text book the General Edition published by the American Red Cross Society. Dr. Gundy will give the lectures and demonstrations. Professor Stewart, who had much to do with the formation of the class, has been elected Secretary.

At the close of the course an examination is given to those who have attended ten lectures and, if satisfactorily passed, a certificate covering the work is obtained from the Red Cross Society.

Since the first meeting the class has been divided into two parts. The one part, is composed of girls from the Women's College, holds its meetings in the Seminary on Wednesday evenings. The other part is made up of people of the town, students, and several members of the faculty. Altogether about 170 have enrolled. The course promises to be very interesting and of practical advantage for those who take it.

The non-fraternity men are making a tennis court back of the Academy.

HILL GOSSIP

Jaco, '19, has purchased a Buick roadster.
Poust, '17, visited in Williamsport last week.

Horb, '18, spent the week-end at his home at Saylertown.

Dimlich, '20, spent the week-end at his home in Scranton.

Post, '17, is teaching in Lock Haven Normal this term.

Lutz, '20, made a pleasure trip to Shamokin on Saturday.

Hopler, '17, and Vredenburg, '20, spent Sunday at Muncy.

Kline, '15, visited at the Lambda Chi Alpha house last week.

Adams, '19, was at his home in Hendon over the week-end.

Houser, '18, visited his home at Milroy on Saturday and Sunday.

Kitlowsky, '17, and Kitlowsky, '20, visited their home in Hughesville.

Cruse, '19, went to his home in Picture Rocks over the week-end.

Bill Henszey, ex-'13, stopped with his Phi Psi brothers last week.

Vanderhilt, '20, was a visitor at Williamsport over the week-end.

Hayes, '17, and Crawford, '18, visited "Rube's" parents in Hartleton.

Weigand, '20, spent the week-end with his room-mate, O'Neill, in Scranton.

"Catty" Catterall, '14, of Johns Hopkins, visited his Phi Psi brothers last week.

Prantz, '14, stopped for a short time with his Demosthenian brothers last week.

Deck, '18, who was called home by the death of his mother, has returned to Bucknell.

Smith, '20, accompanied by Mason, '20, spent Saturday and Sunday at the home of the former in Hughesville.

Igler, '12, who will be graduated from Rochester Theological Seminary this year, visited in Lewisburg the early part of last week.

Prof. H. C. Henry, of Reading High School, who was one of the judges at the debate Friday evening, visited the several Reading boys Saturday.

Lenox, '15, went to his home in New Jersey following the debate at Lafayette Friday evening. Beard, '18, a second member of the Bucknell team went to Philadelphia.

WOMEN'S COLLEGE

Dorothy Bunnell, '16, visited Aileen Johnston for a few days last week.

Emma Lidenberger, of Williamsport, spent the week-end with Mary Reese, '17.

Mrs. Stephens Wells took dinner at the Woman's College as a guest of Marietta Hensling, '17.

Ethel Mitchell, '20, and Katherine Johnson, '20, returned to their homes in Williamsport for several days.

Nell Bartol, '14, during her vacation at home, visited her friends at the Woman's College and was the guest of Amanda Whitaker, '17, for dinner on Friday.

GLEE CLUB SCORES SUCCESS IN SHAMOKIN

ORCHESTRA PLAYS IMPORTANT PART IN THE PRO- GRAM.

The conquerors of Lewisburg and the West again resumed the offensive last Thursday evening when they made a rally upon Shamokin. Although a large representation of Shamokinites appeared and entrenched themselves in the High School auditorium, they were unable to withstand the volley of notes which the Bucknell Orchestra and Glee Club showered upon them.

Here is elsewhere the work of the Orchestra was a marked feature of the program. The audience never seemed to tire of Lloyd's bang-up style on the marches and called for repeated encores. The Glee Club and soloists rendered their part of the program in a most satisfactory manner and called forth much favorable comment.

A distinguishing feature of this concert is the fact that the Shamokin end of the business was managed entirely by one man, Earle E. Willard. Willard is a senior in High School and is working hard in order to realize his hope of a college education. Willard had the grit and pluck to assume the entire financial obligation and the business ability to carry the matter out successfully.

The program was the same as that used in the concert given here last term.

Seidel & Spangler's Specials

WOMEN'S COATS HAVE A CHEERY WAY OF THEIR OWN

Spring's bright colorings are such a delight after the dark things of winter you simply can't help feeling spring-like if you are wearing a coat of apple green, bright rose or blue, or of a sunny gold.

There are high-waisted effects, with belts running all the way around, and some belted part way. There are frilled effects and box plaited effects. Then, too, there are some plain tailored styles for the woman who loves something neat and pretty.

They are in velours, coverts, gabardines, poplins and burralls, all in assortments of beautiful colors, and priced within the reach of all—from \$5.98 up to \$35.00.

SOME FINE SILKS REDUCED

Among them are some that have risen so much in value that we couldn't buy them for the price we are selling these today.

Also, they are comparatively new silks, all Spring merchandise, and they can be used for many purposes right now. This is a very special offer, and you should take advantage of it at once.

More than a hundred plain and fancy patterns to choose from in this lot, values worth up to \$2.50, choice \$1.50 per yard. All 36-inch silks.

VARSITY WINS OPENING GAME

LONG WALLEYS MAKE VICTORY EASY.

JUNIATA BEATEN IN OPENING CONTEST

The Performance of Brenner on the Mound was a Feature, Allowing Only Three Hits.—Seeman Hits a Homer, and Crawford and Brenner Get Triples.

The baseball team opened its season by defeating Juniata on the Athletic Field by a score of five to one. Brenner was on the mound for Bucknell and was master of the situation at all times. The opposing team was unable to solve his offerings, and as a result secured but three hits. Only twice did Juniata drive the ball out of the infield. The fielder behind Brenner in a sterling manner. Eliot played his usual star game, scooping up grounders with ease. The heavy men at bat were Crawford, with a double and a triple; Stover, with a single and a double; Seaman, with a home run; and Brenner, with a triple. Three new men appeared in the lineup: Mason behind the bat, and Houser and Silberstein in the left field.

Neither team was able to do much in the line of scoring in the first four innings. In the fifth inning, Breininger, Juniata's third sacker, caught one of Brenner's fast ones on the nose, sending it sailing over the rail road tracks in right field. He completed the circuit of bases for what appeared to be a home run, but the umpire called him out for not touching second base. The opposing team protested violently, but it was evident that the umpire was right. In the last half of the fifth the Varsity came through with the first tally of the game, scoring two runs. Mason, the first man up, got his base on being hit by the pitcher. Seeman smashed a fierce line drive through the center fielder for a home run, scoring Mason ahead of him. Again in the sixth Bucknell scored on Crawford's three-base hit to right center, and McDermott's sacrifice hit. Juniata scored its only run in the seventh. Klein beat out a scratch hit to third, and stole second a moment later. Fowler, the second baseman, drove a liner to center field. McDermott felled the ball cleanly and made a perfect peg to catch Klein going home, but Mason dropped the ball, and the runner was safe. In the seventh Bucknell ended its scoring by pushing two more runs over the pan. Mason got a base on balls. Brenner brought him in with a triple to center field, scoring himself on the throw to home, which was wild. In their half of the eighth, Juniata was easily retired. The game was then called to allow Juniata to catch the train.

ATHLETICS MAINTAINED.

The vote that was taken on Tuesday, to decide whether or not the students wished to have athletics continued at Bucknell, resulted in 121 votes for and 32 votes against.

ANNOUNCEMENT.

Lambda Chi Alpha extends a cordial invitation to all students, faculty and friends to visit them in their new home on St. Louis street at any time on Saturday afternoon or evening.

CAP AND DAGGER PLAY TO MORROW NIGHT

"COUNT OF NO ACCOUNT" WILL BE STAGED IN COMMENCEMENT HALL.

Tuesday evening at 8:15 o'clock in Commencement Hall, the Cap and Dagger Dramatic Society will present the farce-comedy, "A Count of No Account." The play is written by Anthony E. Wells and bears the label, "You'll laugh till you hurt" which is true in every sense judging from the cast of thirteen character and the fun they have had in practicing.

The comedy has three acts and the leading parts are taken by Cap and Dagger men whom Miss Edith Schilling, the supervisor, has judged excellent in the roles. There are a number of old dramatic men as well as new Cap and Dagger men in this spring play and all are of good calibre. Judging from the large number of tickets sold and budget receipts will be honored, the hall will be packed Tuesday evening.

NEXT SENIOR RECITAL

THURSDAY EVENING.

The next Senior Recital will take place in the Chapel on Thursday evening, April 26. The program will be carried out by Eugene Duke and Gladys Wills. Judging from the quality of the program rendered last week the Recital will be well worth hearing.

TENNIS TOURNAMENT PLANS.

All tennis candidates for the coming tournament are requested to see Manager Siple at once and learn entrance conditions. The drawings for the schedule of play have been made and will be posted on the bulletin board.

DR. PHILLIPS GIVES FORCEFUL ADDRESS

SPEAKS ON MORAL ISSUES OF PRESIDENT WILSON'S WAR MESSAGE.

Yesterday morning at 11 o'clock Dr. Phillips gave an address before a congregation in the Presbyterian Church. Dr. Phillips had delivered the address the Sunday previous to the Bible Class and gave it again yesterday by special request. Although the address of the address can be printed in the Bucknellian, it will appear in full in the Alumni Monthly and the Lewisburg Journal.

D. T. U. WINS.

Last Friday afternoon the D. T. U. fraternity team defeated the local High School nine on the latter's grounds, by a score of 10-2.

CALENDAR

Monday—Drill at 6:30. Meeting of Non-Fraternity Tennis Committee in the M. E. Room in East Wing at 9 p. m.

Tuesday—Fraternity Meetings. Cap and Dagger Play in Commencement Hall at 8:15 p. m. Election of Y. M. C. A. Officers at 4:15 p. m. in Y. M. C. A. Office.

Wednesday—Drill at 6:30. Senior Council meeting at 6:45 p. m.

Thursday—Senior Recital in the chapel at 8 p. m. Drill at 6:30.

Friday—Drill at 6:30.

Sunday—Bible Class at 9:30 a. m.

All those desiring to teach are to register at the office this week as this is the last week.

THE BUCKNELLIAN

BUCKNELL UNIVERSITY.

LEWISBURG, PENNA., MONDAY, APRIL 23, 1917.

NUMBER 23

ANNOUNCEMENT OF SPEAKERS IS MADE

NUMBER CHOSEN IS ONE LESS THAN LAST YEAR.

SEVEN MEMBERS OF CLASS ARE HONORED

Two Students From the Engineering Course Are Named in the List.—Total Membership of Class Reached Almost One Hundred.

One of the most important notices to occur during this term was made on Saturday when the Commencement speakers were announced. The number is lessened by one this year as has been the tendency for several years. The list of seven speakers consists of Miss Olive Moore, Miss Laura Earle, Felix Mikolajczak, Maurice B. Cryder and George Barnhart.

Last year four of the eight speakers were from Lewisburg but this year only one student, A. A. Earle, the latter two named men are engineers. The present graduating class consists of almost 100 members.

The college office will be glad to receive the names of any prospective students and to send them catalogs.

Summer school bulletins for the summer course at Bucknell have been issued and are now being distributed.

JUNIORS REVEL IN WEEK OF FESTIVITIES

COMMITTEE DESERVES CREDIT FOR MAKING WEEK A BIG SUCCESS.

On Wednesday evening the Junior girls were delightfully entertained in the Gym by the men of the 1918 Class. About one hundred members of the Class were present and shared in the good time. A greater part of the evening was taken up by amusements of a light and trifling nature. Refreshments were served and the company departed for home.

Mr. Walter Evans, of Sunbury, was named by the committee and his clever rendering of popular songs made quite a hit with the Juniors.

One of the most pleasing features of the evening was the program of music rendered by the Bucknell Mandolin Club. Although they have not yet organized under this name, such a move would be welcomed by the students. Judging from the interest that these men have shown in the past few months and from the progress that they have made it seems pretty certain that they are destined to become a permanent institution at Bucknell. If they can make such progress without organization, surely with a little organization they ought to be able to make a half and was as good as a short time, to form a club that would match up with that of any other college Bucknell's size.

SMOKER.

The annual smoker of the Junior class was held last Thursday evening in the Tustin Gymnasium. The smoker came as one of the "big doings" that marked the week given over to the Junior class.

In accordance with the long established custom, "smokes" were provided for those who attended the affair. Perhaps there were a few who can truthfully say that they never indulged in such a fine, exquisite "brand" as they did that night.

As the clock was striking the hour of seven, the gates of the royal palace were opened by King "Penchey," who called his courtiers train, bade them to make the festivities gay and joyful. As the guests were assembled and eagerly awaiting for what came next, "Lunk" Lees, the royal custodian of the necessary instruments, headed the grand procession, of the world famed "mosquito band" with enough instruments to be heard from the East to the West and to shake the Brooklyn bridge from its Continued on 2nd page.

NOTICE.

All those desiring to teach are to register at the office this week as this is the last week for such registrations.

SENIOR COUNCIL.

There will be a meeting of the senior council at 6:45 Wednesday night. All members are requested to attend.

ANNUAL DECLAMATIONS.

The annual declamation contest of college Freshmen will be held this Friday evening. Interspersed with some of the good old standard selections will appear some new ones. As usual, the contest will be a success and will add pleasing variety to the program.

COACH IS HOLDING TRY-OUTS FOR RELAYS

TWO RUNNERS HAVE ALREADY BEEN CHOSEN FOR PENN. CARNIVAL.

With the approach of the Penn relays to be held in Philadelphia, April 26 and 27, the try-outs for places on the team which will represent Bucknell, have started. Pierce, '19, came in first and Lewis, '19, second, in the quarter mile run. These places are assured and it is for the rest of the men to work now for the other two places. These runs were held this afternoon at 4 o'clock.

A noticeable feature of the try-outs made by the runners, which was about fifty-four seconds. This was considered very good because of the condition of the track. Our men having thus made such a fine showing here, the prospects for them to make a still finer record on a first-class track are very bright. Bucknell did very good work last year, and with the experience that the men gained at that meet, combined with their practice this year, are sure to come out well up in the list.

Guenzle, '19, who broke the discus record last year is going to enter the pentathlon contest, which consists of five events. He has shown good form this year and it is expected that he will bring credit to Bucknell.

LARGE CROWD ENJOYS FIRST SENIOR RECITAL

THREE STUDENTS IN SCHOOL OF MUSIC SHOW REMARKABLE TALENT.

An appreciative audience of students and townspeople which filled the real novelty of the evening. They appeared on the program, but twice, but were applauded until they gave two encores. Their work was well liked by everyone.

The combined clubs in the closing number was the big event of the evening. The Bucknellians gave a rousing "Bucknell-ell-ell" for the State boys, after which the well known "Penn-syl-van-ia State" was given with a Bucknell on the end.

The program was as follows:

PART I.

1. "On The Road to Mandalay." Bagley—Bucknell Orchestra.

2. "Hark The Trumpet Call." Dudley Buck—Penn State Glee Club.

3. "Ma Ole Banjo." Lums—Penn State Glee Club.

4. "The Woodland Rose." Fair—Mair; (b) "Winter Song." Bul-lard—Bucknell Glee Club.

5. "La Paloma." Yradiere—Penn State Mandolin Club.

PART II.

1. "On The Road to Mandalay." Oley Speaks—Bucknell Glee Club. Obligate by J. F. Seebach, '18.

2. "Poplar Song." G. J. Sauerhoff, Penn State, '17.

3. "Overture." Faust, Gounod—Bucknell Orchestra.

4. "Mother O'Mine." Tours—Penn State Glee Club.

5. Vocal, "A Dream." J. C. Bartlett—Mr. E. S. Pedigo.

6. "Maid of the Air." Arranged by Johns, '17, Penn State—Penn State Mandolin Club.

7. Combined Number, "The Long Day Closes." Arthur Sullivan—Penn State and Bucknell Glee Clubs.

"Count of No Account," in Commencement Hall Tuesday night at 8:15 p. m.

MONDAY, APRIL 23, 1917.

The military training company that has been formed among the students and faculty of Bucknell has been progressing finely during the past few weeks. It is an organization separate from the college but inspired and executed by college students. The company is not an enlisted organization, nor is it thought of as such. Its chief purpose is to get a large number of men into good physical condition and to teach them the rudiments of infantry drill, so that if called into service they will have begun to make themselves fit. Furthermore, the organization shows on the part of the students of Bucknell a spirit of patriotism and willingness to serve should that become necessary. In view of these facts it is difficult to understand why more men are not reporting at the regular drill periods. Two hundred students sanctioned the movement of establishing the training as a minor course and agreed to take it if such a course should be instituted. Why is it, then, when the time of the drill periods is arranged to suit the conveniences of all, that less than an average of six squads are reporting? Those who feel that they cannot conscientiously support any military activity are not expected to report for drill, but those who expect to take up the course next year should be installed, should be there by all means.

COMMUNICATION

About two months ago a communication appeared in the Bucknellian concerning our correspondent to the Philadelphia newspapers. He evidently did not see the article, so that another one seems to be in order. The writer of the last article "howled" because we were not represented for two straight weeks, and since then Bucknell has had one insignificant half-inch paragraph.

A school of Bucknell's size should have a live wire correspondent and not a dead head. If the man now in charge is too busy to take care of the job he should make the fact known and turn it over to some competent person. If, on the other hand, he is naturally lazy it is time for him to wake up and do something for the institution. If he is incapable of handling the job, which I think he has conclusively proven himself to be, then the student body, or whoever has the power to elect or appoint a new one, should do so at once and in so doing render Bucknell a great service.

It is very evident that Gettysburg has a live wire. One seldom looks over the sporting page but what there

is something there concerning the Gettysburg institution. If our "diligent" correspondent has an alibi of no games to write up, it would be a good idea to say something of our schedule or of the progress that the coach is making in building up the team. There is plenty of news, but what is lacking is a little ambition on the part of the man who is sending, or rather should be sending material to the Philadelphia newspapers.

1918

JUNIORS REVEL IN WEEK OF FESTIVITIES.

Concluded from 1st page. foundations, they "struck up" the popular airs of the day. As a surprise to all, but a short time had passed when, new life and pep was added to the night, for "Doc" Evans, renowned as the popular tenor from the "coal regions" rendered the song hits of the season. "Doc" was there with the goods and kept things moving thru-out the entire evening.

The interest of the evening was centered around "Babe Beavers," who failed to keep Satan behind him. To see him blow "rings" was a pleasure afforded only by exhibitions afforded by Rev. Germer and Bennett, in the "smoke swallowing" performance. It is said that "Babe" is still searching for the smoke that he swallowed. Last but not least, the "cats" made their appearance; not a crumb was left unturned while even all the warts on the pickles were "nipped in the bud." In order that the thirst of all present might be quenched, the "Yon Twain" provided a bath for those who desired the same. Exhibitions along the lines of high diving—the punch bowl—were given by "Christy Masterton, who, claims to be able to "stay under" without taking a drink. After singing "the" class song, "Blessed be the tide," all departed with the firm conviction that all had had "one fine time." The committee in charge is to be congratulated upon their fine work, and making the smoker a grand success.

PROM.

On Friday evening the class of 1918 completed a most enjoyable Junior week with the Junior Prom, which was held in the Lewisburg Club. Fifty couples were ably filled the hall, and all entered heartily into the gaiety of the occasion. As the guests arrived, they were welcomed by the patronesses and presented with programs inclosed in beautiful leather card cases, bearing the Bucknell seal. The grand march began shortly after nine o'clock. Dancing commenced immediately afterward and continued until an early hour. During the intermission refreshments were served. The Logue and Strait Orchestra of Williamsport, furnished the music. The committee, which is to be congratulated upon the splendid program was composed of R. F. Elmer, B. L. Newcomb, L. G. Clark, D. W. Korsh, C. C. Deck, L. A. Eaton, H. S. Northrup, R. S. Downing, D. C. Shilling and H. E. W. Hollinger.

The patronesses were Mr. and Mrs. T. Butler, Mr. and Mrs. H. Gerhart, Dr. and Mrs. William Leiser, Prof. and Mrs. W. L. Wilcox, Dr. and Mrs. C. L. Riemer, Prof. and Mrs. F. M. Simpson, Prof. and Mrs. N. H. Stewart, and Mr. and Mrs. A. W. Johnson.

BRIDE FOR JUDGE BALDRIDGE
Thomas J. Baldrige, ex-'95, President Judge of the Blair County Courts, and Miss Anna P. Dean, a daughter of the late Supreme Court Justice John Dean, were married at noon at Altoona on April 17, at the home of the bride at Hollidaysburg, by Rev. Rutledge T. Witnack, '07, a Baptist minister, of Chicago. Only the immediate families witnessed the ceremony, which was without formality. After two weeks on a honeymoon trip the Judge and his bride will reside in Hollidaysburg. Miss Dean received her finishing education at the Baldwin School of Philadelphia.

STUDENTS TAKE PART IN MILITARY PARADE

PERCENTAGE OF FRESHMEN CLASS AT DRILL IS VERY POOR.

The biggest turnout which the Bucknell Volunteers have thus far shown was recorded on Friday night, when almost one hundred and twenty-five men marched in Lewisburg's Preparedness Parade. This patriotic demonstration excited much favorable comment on the part of the citizens and the unusually large turnout of students was remarked upon by those attempting to participate.

Captain Earle was rather discouraged in the early part of the week because of the poor attendance at the drills. On Wednesday night, it was impossible to put four squads in action without having several blank files in them. With less than a minimum of six squads, executions of new and interesting drill movements is exceedingly difficult. There is no conceivable reason why not less than a hundred men should report for drill whenever it is called. Should such ideal conditions exist, rapid improvement could be made in the new maneuvers. Then, should we have a parade before the eyes of the critical public, the men in line might at least be able to keep in step. It should not be necessary to admit that the high school boys made a better appearance than did we on the public square last Friday night.

If the fellows are interested enough in the military drill to appear when there is to be a big parade and some glory to be gained, surely they should also be interested enough to report for a little of the real work and acquire a more perfect knowledge of what the orders demand for intelligent execution. After drilling regularly for a short time, the full company would be able to present a far more creditable appearance than if the parade on the streets of Lewisburg in the fashion of a poorly organized "chain-gang."

The spirit of maneuvering with the company only at times of parade should be discouraged. That is not the true Bucknell spirit, nor is it strictly honorable. Deserve the privilege of parade by reporting for drill. The company is at this time making an appeal for more men to report and those to report regularly. Seniors, Juniors, Sophomores and Freshmen, all are urged to turn out. Especially are those directed to the Freshman Class, for, of all the classes, their percentage is by far the worst. A bare half dozen Freshmen report at each drill, but, with the exception of these few, the class seems to take no interest in the military movement. It is rumored that if the Class of 1920 does not drill of its own free will, it may do so at the will of some others. Get a little pep, boys! Is Bucknell to be the only college in the country that will not do its part in this national crisis?

There will be drill to-night at 6.30.

Y. M. C. A. NOTES.
The election of officers for the Y. M. C. A., for next year will be held tomorrow afternoon. A new system will be used and a ballot substituted for election by acclamation. The following nominees have been chosen: Pres., Neal, '18, and Gerner, '18; Secretary, Stone, '18, and Duffee, '19; Treasurer, Lawrence, '18, and Boswell, '18. Come to the Y. M. C. A. office between 4.15 and 5.15 and cast your ballot. All active members of the Association are entitled to vote.

BIBLE CLASS.
Riggs, a Bucknell graduate now at work in Porto Rico, will address the College Bible Class next Sunday morning. Announcement of his subject, if procurable, will be made later in the week.

STUDENTS TAKE FIELD TRIP.
Prof. John Rice and a number of students spent all day on a field trip to Dale's Cave Saturday where they studied rock formation and also explored the cavern.

The North Baptist Church, of Milton, N. J., has extended a call to J. C. Frantz, 1914, to become its pastor.

BIBLE CLASS HEARS HELPFUL ADDRESS

DR. PHILLIPS GIVES A SHORT TALK ON "WHY SHOULD WE PRAY?"

In view of the fact that in times of great crisis men turn to prayer, Dr. Phillips took as a timely topic at Sunday morning's Bible Class the question, "Why Should We Pray?" The session was a short one and Dr. Phillips spoke only positively, not taking time to meet any possible objections or difficulties.

The basis of prayer is the belief that God is our Father. This belief implies that we interpret the world in terms of love, that we see in the bright and cloudy day alike the evidence of God's fatherly love. Love is essentially a social relation; and the saying is true that "we do not love ourselves until we love another." In the knowledge of others is the realization of one's own fullness. As a social relation love implies communication, unrestrained and frank. Thus we need prayer as the means of communication with God. The gist of Christianity, as shown in Christ's agony in the Garden of Gethsemane, is to know and to do the underlying purpose of the world. The knowledge of this underlying purpose comes through prayer.

All other questions concerning prayer rest upon the general attitude of the questioner. Prayer is in the nature of things just as much as it is in the nature of things for a babe to kiss its mother.

Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, APRIL 30, 1917.

After three weeks of competition the new staff of the Bucknellian has been chosen. A large number of very capable men were out for positions but there were only a limited number of places to be filled, consequently several men with no mean ability had to be left off. Ability, of course, is the paramount consideration, but in cases where little or no distinction can be made in this respect, it is necessary to take into account promptness, interest in the work, etc.

It has been the custom of late years to allow Freshmen to compete, and men have been found in this class who have had considerable experience and who are capable writers. A large percentage of the contestants this year were first year men, and when they prove themselves worthy we can see no reason why they should not be given a place.

A communication that appeared in the Bucknellian last week brought forth considerable comment from the Alumni and other persons interested in the welfare of Bucknell. It pointed out that Bucknell was poorly represented in the Philadelphia newspapers, and many agree entirely with what was said in the article. The Philadelphia Evening Ledger sent word that it would publish pictures of Bucknell's company at drill. Consequently Captain Earle posted notices for as many men as possible to drill on the Athletic Field on Saturday morning for the picture to be taken. Here was a chance for Bucknell to make an impression; all that was needed was a good turn-out. Thanks to the Upperclassmen the picture was made possible, for it was of them that almost the entire company was composed. The Sophomores were very scarce and Bucknell's green-tinted contingent was represented by only eleven of its illustrious members. If this is the attitude that the new men hold toward matters of such vital importance to the institution it is time that a little inspiring be done by those who have the power to administer.

COMMUNICATION

Mr. Editor:
"A Communication" in the editorial column of "The Bucknellian" for April 23rd, 1917, is so much to the point that I should like to commend the good judgment of the writer in calling attention to the fact that the publicity agent or newspaper correspondent of the Philadelphia newspapers as prominently as should be done. It is absolutely necessary in this day and generation to report the "day's doings," not only of the sporting news but any other events that will tend to keep the news of the school prominently before the public.

I am not sufficiently familiar with local conditions to offer any criticism of the fact that two small journalistic sheets are published by the student body, but one cannot help wondering why some consolidation is not possible in order to strengthen both the literary and news output.

In the olden days many literary masterpieces were published in what was known as the "Bucknell Mirror." A monthly publication of that kind would be a more fitting representative of the institution today, would receive better support from the students and would have such a permanent character as to appeal to the Alumni. It might, therefore, elicit not only their subscriptions but also their contributions to an Alumni fund which would prove of great service to the upbuilding of the University itself.

Very truly yours,
DR. S. L. Z.,
Philadelphia, Pa.

BUCKNELL FINISHES THIRD IN PENN RELAYS

GAENZLE DOES GOOD WORK IN PENTATHLON AND OTHER EVENTS.

Reports indicate that Bucknell made a creditable showing in the recent Penn relay contests at Franklin Field. In the Pentathlon event on Friday Gaenzle finished sixth with a score of 20 points. Howard Beny, of Penn was victor for the third successive year, with a score of 7 points, winning over recent but the discus throw, Jones and Danahy, of State, Hoot, of Swarthmore and Crichton, of Penn, followed in the order named. McCarthy, of Lehigh, occupied the tail end of the procession.

Gaenzle made his best showing in the running broad jump, taking third place with a jump of 19 feet and 3-4 inches. He finished fourth place in the 1500 meter race, fifth in the discus throw, and last in the 200 meter run, and was disqualified in the javelin throw. While he did not make a large figure at the contests, nevertheless Bucknell's representative was loyal enough to enter the lists and deserving credit for upholding the reputation of the university.

In the college relay races on Saturday afternoon the Bucknell team ran in event 3, finishing third. Indiana Normal won the event. Carthage as runner up and W. and J., at fourth place. Shilling, Lewis, Gaenzle and Pierce composed the Bucknell team. The Bucknell delegation had not returned from Philadelphia, so that further particulars could not be learned.

The Bucknell men did not win any first prizes or break records but on the other hand they did not finish at the end of the list. Gaenzle's work in the Pentathlon, which was virtually a state event, is especially commendable. The mere fact that Bucknell was one of the five colleges of the whole country to be represented was a distinction in itself.

The results of the races should be an incentive for Bucknell track candidates to get on the job in the weeks to come and get in tip-top condition for the coming meets.

PHI GAMMA DELTA DANCE.
In accordance with the "Spring Feeling" the Phi Gamma held an informal house dance last Saturday evening. The overture commenced at 8 p. m., and dancing continued until midnight. As a special feature, "Doc" Evans added life and pep with his rendition of the popular airs.

PHI GAMMA GIVE SMOKER.
On Wednesday evening the Kappa Sigma fraternity was entertained by the Phi Gamma at an informal smoker. Smokes were provided and refreshments served. The occasion was greatly added to with music furnished by the Orchestra.

Y. W. C. A. OFFICERS ELECTED.
At the annual election of the Y. M. C. A. held last Tuesday evening the following men were elected as officers for the coming year:
President, Robert M. Noel, '18.
Vice President, Harold Germer, '18.
Recording Sec., Everett Stone, '18.
Treasurer, David N. Boswell, '18.

SOPHOMORE ORATORY CONTEST FRIDAY NIGHT

ALL THE ORATIONS DELIVERED WILL BE OF A PATRIOTIC NATURE.

The Sophomore contest in Oratory on Friday May 4th, will be devoted entirely this year to patriotic themes. Among the orations which have arisen during the present war will be the Woes of Belgium, by Newell Dwight Hillis, pastor of the Plymouth church, of Brooklyn, and a noted lyric and chautauque lecturer, delivered October 18th, 1914. The address of Hiram Johnson, ex-Governor of California, now U. S. Senator, was delivered in Independence Square, Philadelphia on March 31st, 1917. An abridgment of President Wilson's message to Congress, calling the nation to arms will be rendered. At the time of the debate on the declaration of war about 100 speeches were delivered in Congress. Two of these will be given, one by Congressman Linthicum, of Maryland, on the Cause of Freedom, and another by Congressman Barkley, of Kentucky, on Our Nation in Its Hour of Trial. Shortly after the entrance of the United States into the war, Lloyd George, the Premier of England, spoke at a banquet, tendered to Ambassador Page, the sentiments of England as she welcomed the determination of America to defend the principles of democracy. Other orations of a patriotic character will also be delivered. Pleasing variety will be furnished by the School of Music.

EDUCATIONAL ASSOCIATION MEETING THIS EVENING
There will be a meeting of the Educational Association at the home of Dr. Phillips this evening at 7:30 p. m. The subject of the discussion will be: Military Training in High School.

SOPHOMORES HOLD IMPORTANT MEETING

COMMITTEE FOR SOPHOMORE CITIZENSHIP WAS THE CHIEF BUSINESS.

The members of the Sophomore class held an important meeting in the chapel Friday afternoon and the chief item of business transacted was the appointing of the Sophomore Citizen committee. Although it was left to the committee to decide the date of the annual social function, it is understood that it will occur some time between May 18. Margaret was appointed chairman with the following members: Epler, Rorabach, Ashman, Tyce, Thomas, Pangburn, Kreitner, Emerick, Gall and Abrams. Editor-in-chief, Thomas, and Manager, Tyce, of the 1919 L'Agenzia, also reported that plans are already under way for next year's publication and the book will be entirely different from the usual routine volume in the past years and will be changed throughout. In a few weeks President Dent will call a special meeting of the entire class to assist in the plans for the coming volume next year. The staff appointments for the 1919 L'Agenzia will be found in another column.

FRESHMEN SHOW SKILL IN DECLAMATION CONTEST.

The annual Freshmen declamation contest was held Friday evening in Bucknell Hall before a large audience. The selections were up to the standard of former years and showed careful preparation. The try-outs were held during last term and those selected to compete for the prize all showed by their work on Friday evening that it will be hard to pick the winner. The result of the contest will be announced at commencement time. All of the young men showed considerable ability along the line of public-speaking and are to be congratulated on their excellent showing of Friday evening. Credit is also to be given to Professor Smith under whose directions the selections were prepared. The speakers were assisted by Miss Jessie Cooper, pianist, who rendered the "Prelude" by Chaminade, and by Mr. Gustine Negro, violinist, who gave two numbers, "Canzonetta" by Tchaikowsky, and "Romance" by Kreisler. The program was as follows:—
E. N. Waddell—"Affairs in Cuba,"
Thurston,
H. S. DeLong—"The Man and the Cannon,"
Hugo,
J. E. McIlwain—"Julius of Kerieth,"
Anon.

"Prelude"—Miss Jessie Cooper.
R. K. Bell—"From Ghent to Aix,"
Browning.
G. W. Lees, Jr.—"The Tell Tale Heart,"
Poe.
A. G. Gibbs—"Barnardo de Capio,"
Hemans.
"Canzonetta," Tchaikowsky; "Romance," Kreisler—Mr. Negro.
E. W. Ingram—"Michael Strogoff,"
Verne.
E. W. Weisner—"On the Other Train: a Clock Story."

INTER-COLLEGIATE

Compulsory military training has been made a part of the regular collegiate course of Betany College at Bethany, West Virginia. An intensive course in military training is soon going to be instituted in Harvard. Ambassador Jusserand, who had been asked by President Lowell to obtain for Harvard the services of officers disabled for active service, has sent word that he has been informed by the French Government that six French officers had left France under orders to report for duty at Harvard. The six officers are composed of two Majors, a First Lieutenant and a Second Lieutenant, of the infantry and two Captains of the artillery. The French Government will pay their expenses and salaries. On account of military training the following colleges have decided to cancel all athletic contests: Cornell, Muhlenberg, Whitman, Syracuse, Franklin and Marshall, John Hopkins, Wisconsin and the University of Washington.

Dalton Bell, ex-'16, was a Sunday visitor at the S. A. E. house.
"Jimmie" Tyson, '11, was a recent visitor at the S. A. E. house.

Leighton, '18, went to his home in Williamsport for the week-end.
Herman, '19, went to his home in Ettersville over the week-end.

Harry Willson, '17, visited his home at Williamsport Saturday and Sunday.
Neale, '18, left Friday for the Y. M. C. A. conference at Lebanon Valley College.

Snyder, '20, received a short visit from his parents, of Hazleton, Sunday afternoon.
Moore, '20, Lowry, '19, and McMillan, '20, conducted services at the "Marsh" Sunday.

Emerick, '19, visited his parents at Hagersburg and attended the High School commencement recently.
Sprout, '17, was visited by his parents and sister Tuesday. They stayed for the Cap and Dagger play in the evening.

Geary, '18, became seriously affected with throat trouble early last week and was obliged to return to his home in Lock Haven. He is now undergoing treatment at Philadelphia.

Dr. and Mrs. Hamblin and Prof. and Mrs. Price dined at the Women's College on Friday night.

Helen Nutt and Helen Wumer spent the week-end in Williamsport.
Miss Hardesty gave a recital to the P. Beta Theta Chapter on Saturday, Founder's Day.

The Delta Delta Delta Freshman entertained the active chapter at a party in the Gym on Saturday night.

Y. W. C. A. NOTES.
The regular weekly meeting of the Y. W. C. A. was held Tuesday evening, April 21st. Several of the girls took part in a very effective musical play entitled "The Voices of the Women." Each girl dressed in the native costume representing a foreign country. Helen Moyle, the leader, coached the play. It was an interesting and impressive meeting. Most every member was present and it is hoped that each girl will respond readily to this urgent call.

SECOND OF SENIOR RECITALS IS GIVEN
NEXT RECITAL WILL BE GIVEN ON THURSDAY EVENING, MAY 3.

The second of the series of Senior recitals was given last Thursday evening in Bucknell Hall before an audience not overly large but very appreciative. The talent and technique displayed by the students were quite in keeping with the standard set at the first of this series and speaks very well for the teachers under whom they have received their training.

The vocalist of the evening was Miss Gladys Edna Wills, a pupil of Madame de Sylva Schoen, while Miss Eugenia Duke, a pupil of Miss Sear, performed at the piano. The program rendered was as follows:

Sonata, Op. 31, No. 1, Beethoven—Miss Duke.
Ballads from "Un Ballo in Maschera, Verdi; 'Tis Spring, Ware—Miss Wills.

Grand Valse in A Flat, Chopin; Will of the Wisp, Mac Dowell; March Wind, Mac Dowell—Miss Duke.
Flower Song from "Faust," Gounod; When Phyllis Takes Her Vocal Lesson, Garnett—Miss Wills.

Miss Duke was assisted at the second piano by Miss Marguerite Stuck, a post-graduate of music.

The third of the series of Senior Recitals will be given in Bucknell Hall next Thursday evening, May 3, at 8 p. m.

Seidel & Spangler's Specials

FINE TURKISH AND ALL-LINEN TOWELS

We are fortunate in having either Turkish or all-linen towels to sell you at this time, but only that we bought so far ahead, we would be like many others, we would have none. Many good wholesale houses haven't a towel to offer their trade.

As long as they last, we can supply you with towels at these prices, which are very low indeed:
Towels worth as much as 50c each, now 25c each.
Towels worth as much as 75c each, now 40c each.
Towels worth as much as \$1 each now 50c and so on.

HOSIERY AT ANNIVERSARY SALE PRICES

This will surely be a treat for everyone needing a pair or two of hose, regardless of style, size, color or kind—they're all included.
20c children's stockings, special 15c a pair.
Women's silk hose, 35c a pair.
Women's fiber silk hose, in black and colors, 50c kinds now 40c a pair, or 2 pairs for 75c.
50c fiber silk hose, special 35c or 2 pairs for \$1.
Fine all-silk hose for women, \$1.25 quality, sale price \$1.15 pair or 2 pairs for \$2.25.

EVERYTHING NEW IN CORSETS

We carry four of the best known makes in America namely: Nemo, Redfern, Gossard and Warner.
With a full stock of these four best makes, we can fit any woman comfortably. And after all, it's comfort that you are after. Comfort first, wear second and price third, but that is always right at this store.

VARSAITY DROPS ONE TO ALBRIGHT NINE

MYERSTOWN COLLEGIANS WIN CLOSE GAME.

MISPLAYS IN SEVENTH LOSE GAME 3-2

Crawford Is Big Man at the Bat with Two Hits.—Team Gives Beattie Flawless Support Until the Seventh.

The Varsity met its first defeat of the season last Thursday when it played the nine from Albright College at Myerstown. The game was keenly contested and was only decided by one run, the final score being 3-2.

Both teams played sterling ball and fielded behind their pitchers in big league style until the last half of the seventh when the extreme right of Bucknell's infield blew up with the result that two runs were scored by Albright. Beattie, who did the twirling for Bucknell, allowed only five hits, but unfortunately, they were all timely. Silberstein, in his second appearance with the varsity was a little strange at the first base position, but showed up well as a sacrifice hitter.

Houser, who was back at his regular place in left field after a week's absence on account of injury, fielded his position in faultless style, and at the last half down two bunts, beating out the throw to first base both times. Crawford was Bucknell's big man with the stick getting two singles; the first coming in the second and the other in the seventh inning. Miller performed well behind the bat, and his perfect throw to Elliott in the first inning got Zinn trying to steal second.

Neither team was able to do any scoring in the first inning but in the half of the second Bucknell began to open up and pushed the first run of the game across the plate. Crawford started the scoring by hitting over second base. Silberstein, the next man up, laid down a sacrifice hit. Crawford was trying to get to third on the play when Smith's throw from first went wild and he crossed the plate for the first score of the game. This ended the scoring for the inning. After this the pitchers tightened up and the game was a pitcher's battle until the seventh when Bucknell got to the offense. Crawford for another run, the next man up hit safely sending Crawford home for the second tally. In the last half of the seventh Albright secured two runs, tying the score. Goldner singled third, Kline, the next man up hit over Seeman's head, Crawford fiddled the ball cleanly and threw to third to catch Goldner but the attempt failed and both men were safe. Kline reaching second on the play. The infield came in to get the man at the plate on the next play, but Greene hit a torrid liner over Seeman's head and both men scored on the hit.

In the eighth inning Albright worked Beattie for a walk and a hit; the combination resulting in a run. Zinn, the first man up drew a free pass to first and stole second. Smith was retired and then Goldner got his second hit of the game sending Zinn across the pan with the winning run. This ended the scoring.

On Friday the team was scheduled to play at Lebanon Valley, but the game was called off because of the wet grounds. Saturday the team went to Carlisle to play Dickinson but this game was also called off on account of wet grounds.

The line-up follows:
Albright: Silverman, ss. 0 1 0 0 0
Zinn, cf. 0 1 0 0 0
Smith, 2b. 0 0 5 1 0
Goldner, 2b. 1 2 4 2 0
Kline, lf. 1 2 2 1 1
Green, 1b. 0 1 1 0 1
Hoch, rf. 0 0 1 0 1
Hoffman, c. 0 7 1 0 0

THE BUCKNELLIAN

BUCKNELL UNIVERSITY.

LEWISBURG, PENNA., MONDAY, MAY 7, 1917.

NUMBER 25

PLANS FOR SENIOR PLAY ARE COMPLETE

PLAY WILL BE A LIGHT COMEDY IN THREE ACTS.

"ALL-OF-A-SUDDEN PEGGY" TO BE STAGED

Characters of the Play Have Been Chosen by the Committee.—Miss Schilling Will Act as Coach.—Practices Have Already Begun.

Plans for the annual Senior Class Play which will take place on the first Monday of Commencement Week, June 18th, are now complete. Felton, chairman of the committee, announces that the cast has been chosen and parts have been assigned. The persons chosen to make up the cast are as follows: Kathryn E. Reddin, Clinton I. Sprout, Lora E. McQuay, Eugene P. Bertin, George T. Bender, Aileen A. Johns, Arlial Kromer, Arnold L. Benton and Sara A. Park. The ability of these persons has many times been demonstrated and the success of the play is assured.

"All-of-a-Sudden Peggy" is the name of the play that will be staged. It is a light comedy in three acts written by Ernest Denny. As the name of the play implies, it is a play of the laughter-producing kind. Miss Schilling will act as coach.

One practice has already been held in which the parts were carried through and the play generally outlined. Another practice will be held this evening.

FEW EVENTS SCHEDULED.

Few events are scheduled for this week. This evening there will be a meeting of the Mechanical Engineers at 7 o'clock and hand practice at the same hour. Drill will occur late in the week.

1918 YEAR BOOK ARRIVED LAST WEEK

BOOK IS AN EXCELLENT PRODUCTION.—THE STAFF DESERVES MUCH CREDIT.

As announced in the Bucknellian last week, the 1918 L'Agenda arrived a few days ago and several hundred copies have already been distributed among the students. Manager Hindman has been very busy and prompt in delivering the books and in addition to his canvassing he has placed copies in the University Book Store and the College Inn where they can be obtained. The prices are \$2.50 and \$2. The book, containing 346 pages, is finished in both green leather and in green cloth. The paper is of excellent quality, setting off the half tones and zinc etchings to a great advantage. From cover to cover each page is an illustration of thought and a taste for art on the part of the staff. Grit Publishing Company, of Williamsport, published the volume. The best judgment of the book is heard in the numerous favorable comments on the Hill.

STUDENTS WARNED NOT TO TAMPER WITH LIGHT SYSTEM.

The University has been given considerable trouble lately by students tampering with the fuse blocks. As a result of this many lights have been burned out and students are kept from their work at nights. The authorities are conducting a rigid investigation and if the guilty ones are found they will be treated accordingly.

BUCKNELL BAND WILL GIVE A CONCERT

SEASON WILL BE GIVEN ON CAMPUS THURSDAY EVE.

The Bucknell Band will give its first season concert Thursday evening at 8 o'clock on the campus at the foot of the hill. Director Cassler, '18, is completing a program of varied numbers and expect to give a pleasing entertainment if the weather permits.

It is the usual custom of the band to give several evening concerts each year before Commencement. The musical affairs are always well attended and appreciated by the people of the town as well as the students. Several other twilight concerts will be given before Commencement time.

Red Cross Day Carried Through Despite The Rain.

On account of the rain, the sale which was to be held on the Women's College Campus, was held in the Living Room and Parlors. Since the candy was so excellent it went at the original price faster than anyone expected. All the peanuts also were finally sold. The crowning of the May Queen, Henrietta Heinsling, '17, was a grand success.

The minuet and varied drills were very pretty. Altho the rain did interfere somewhat with the original plans still Red Cross Day was a success after all.

NEXT SENIOR RECITAL

ON THURSDAY
On Thursday, May 10, at 8 p. m., in the Organ room at the Women's College Misses Jessie Cooper and Velma Davis and Messrs. David Boswell and Stephen Poff will give organ and voice recital.

RALPH GRIFFITH PLEASES

LARGE CROWD WITH RECITAL.

A very successful song and elocution recital was given in the First Presbyterian Church on Tuesday evening, by Mr. Ralph Griffith, a student of the University. Mr. Griffith showed by his manner and his work that he was no stranger on the platform, and although a young man, gave an entertainment that was pleasing in every particular.

His versatility is marked, his renderings of different dialects showing a wide range of talent in characteristic delineation. His voice showed pleasing musical ability, and, above all, his selections were in good keeping with the place, and no church need fear that Griffith will trespass upon the propriety of the place.

SOPHOMORE ORATORS HOLD ANNUAL CONTEST

THEMES ARE OF A PATRIOTIC NATURE.—MEN SHOW EXCEPTIONAL ABILITY.

Impassioned eloquence and a wealth of dramatic tone and gesture marked the efforts of the eight contestants in the annual Sophomore Oratory Contest held Friday evening in Bucknell Hall.

The audience made up in appreciation what it lacked in numbers and heartily applauded the efforts of the contesting orators, who showed great ability in the presentation of their subjects, as well as careful preparation and instruction by Prof. Housley Smith, whose credit is due for their creditable appearance.

The choice of subjects was varied but the majority were on patriotic themes which were particularly appropriate in view of the present international situation. As is the custom, the selection of the winners will not be announced until commencement time. The rendition of A. J. Adams of two spirited piano selections was a pleasant feature of the program which follows:

Chant du Bivouac, Ketterer—Mr. Adams.
Raymond W. Wichey, Osceola Mills.
Builders of Empire—A Commencement Oration by C. Michaels, of Amherst.

Allen Eugene Davis, Dickinson City.
The Cause of Progress, Congressman Linthicum, of Maryland, April 6.
Benjamin Markowitz, Pottsville.
Nominations Address—Ingwersen, '17.
Chester Robert Leaver, Williamsport—On the King's Death—Bolsheviks in French Assembly, Dec. 3, 1792.

A. D. 1620, Voyage of the Pilgrims—MacDowell—Mr. Adams.
The Yellow setting sun.
Melts the lazy sea to gold.
And gilds the swaying galleon.
That towards a land of promise lunges hugely on.

Charles Malcom Emerick, Nittany.
The Woes of Belgium—N. D. Hill, Oct. 18, 1914, in Plymouth Church.
The Duty and Value of Patriotism—Archbishop Ireland before Loyal Legion, 1894.

James Russell Herman, Edinburgville—The Spirit of America—Hiram Johnson, Independence Square, March 31.
David Christian Gall, Jr., Philadelphia—Our Nation on Trial—Congressman Barkley, of Kentucky, April 5.

The conflict is not mere fighting but a utilization of all resources; moral, mental and physical. We must assemble our moral resources to combat the disorganization of life, the abnormal excitement that will come from the concentration of the new army in training camps, the inevitable suffering and loss of life. The mental resources of the nation must be used because we have assumed the leadership in democracy. Evidence of this phase of activity is seen to the Russian commission sent to help the American democracy in the establishment of its government. The need for railroad engineers is another form of the war's call to intelligence. With the physical we are most familiar; but we must remember that crops may decide the war. The war is a struggle of food resources.

We must ask ourselves, "What is my Responsibility?" In answering this question we must live in the consciousness of the present world need. There is scarcely anything more pathetic than a man who belongs to an organization and yet is inactive in it. It is like living in the face of a great possibility and saying "I don't care, let me sleep!" When the particular question arises one cannot give advice. In considering enlistment we must first ascertain what it all means and then, out of the goodness, purity and youth of our hearts, act. Don't forget that enlistment in the (continued on third page.)

DR. PHILLIPS SPOKE

TO BIBLE CLASS

TELLS HOW WE MUST ASSEMBLE OUR RESOURCES.

TOPIC—"WHAT IS MY RESPONSIBILITY?"

Emphasizes Importance of Being Careful in the Problem of Enlistment.—Must Utilize Our Moral, Mental and Physical Resources.

On the Sunday preceding the declaration of war by the United States on Germany, Dr. Phillips spoke on the question of our duty in case of war. Yesterday the College Bible Class, in view of the immediate preparation of active war, he discussed the question, "What is my Responsibility?" Just as in his former address he urged the students to take one step at a time, so also in his talk yesterday he emphasized the importance of careful procedure in the problem of enlistment.

Our first responsibility is to recognize the moral implications and the elements of this everyday thing we call citizenship. We cannot, in the face of all the privileges of protection and security, say "I don't care whether I am a citizen or not!" For to do so is to fail to recognize a gift which is a new era in American history, and in the light of new conditions must interpret our citizenship anew. The America of today is very different from the America of the days of the Revolution. Washington, in his farewell address, adjures the republic to avoid entangling alliances; while Viviane at Washington's tomb last week explained that America comes into the war not only to preserve her own democracy, but to spread democracy through the nations of the world. The barrier of the Atlantic Ocean, mentioned by Burke in his address on Conciliation is a barrier no longer.

We have been living for our country, now we must live for a principle of ours which shall go forth to the world. Therein alone will lie our hope for future greatness. The greatness of Christianity was impeded as long as it was confined to Judea but attained its present proportions only through its spread through the world. A nation after internal development comes to the point where it can no longer keep what it has from the world without losing it. Today we stand shoulder to shoulder with the Allies and are out as missionaries fighting for cause in the struggle of Anglo-Saxon civilization against Prussianism.

The conflict is not mere fighting but a utilization of all resources; moral, mental and physical. We must assemble our moral resources to combat the disorganization of life, the abnormal excitement that will come from the concentration of the new army in training camps, the inevitable suffering and loss of life. The mental resources of the nation must be used because we have assumed the leadership in democracy. Evidence of this phase of activity is seen to the Russian commission sent to help the American democracy in the establishment of its government. The need for railroad engineers is another form of the war's call to intelligence. With the physical we are most familiar; but we must remember that crops may decide the war. The war is a struggle of food resources.

We must ask ourselves, "What is my Responsibility?" In answering this question we must live in the consciousness of the present world need. There is scarcely anything more pathetic than a man who belongs to an organization and yet is inactive in it. It is like living in the face of a great possibility and saying "I don't care, let me sleep!" When the particular question arises one cannot give advice. In considering enlistment we must first ascertain what it all means and then, out of the goodness, purity and youth of our hearts, act. Don't forget that enlistment in the (continued on third page.)

Address all articles to the editor.

MONDAY MAY 7, 1917.

MOTHER'S DAY.

Next Sunday, May 13, is Mother's
Day. On this day people in all parts
of the country will do reverence to
their mothers by wearing a white car-
nation. For the college student the
observance of Mother's Day carries
with it a world of meaning. The act
of wearing a white flower in itself is
of no great importance, but the
thought that prompts the act is a re-
cognition of what our mothers have
done for us. There are agents of
floral companies on the Hill and in
many of the fraternity houses. Place
your order with one of the men and
be one of those who will pay tribute
to their mothers next Sunday.

COMMUNICATION

Mr. Editor:
I am glad to note in a recent issue
that by vote of the students athletes
are to be maintained at Bucknell, as
they are here at the University of Chi-
cago. Even if the intercollegiate con-
tests are suspended on account of mil-
itary drill football should be main-
tained as a valuable means of prepa-
ring for trench warfare what disci-
plining is better than a football field?
I played the game for seven years
and believe that it developed el-
ements of efficiency both for citizen
and soldier.

I have been asked to give the Al-
umni Oration at the coming commene-
ment and shall discuss "Football and
Preparedness." During the past twen-
ty-five years no game has been so
popular, and no other game has been
so severely criticised, condemned and
even prohibited in a number of col-
leges. I cannot write to all our foot-
ball men, but I shall be glad to re-
ceive from each of them personal tes-
timony as to whether they were ben-
efited by the game, or were handicap-
ped by resulting injuries or weakness-
es in after life. Criticism or com-
mendation of the game from any graduate
will be welcomed by
A. R. E. WYANT, M. D., '92
7106 Princeton Ave.,
Chicago, Ill.

A REPLY.

Several communications have ap-
peared in the Bucknellian at various
times complaining of the poor repre-
sentation Bucknell receives in the
Philadelphia papers, and especially the
North American which is so widely
read among the students. To out-
ward appearances these complaints
are justified in the few articles in
proportion to those of previous years
have appeared. But this condition of
affairs has been keenly felt by college
officials long ago and time after time
attempts have been made to get the
papers to appoint college correspond-
ents, without success. The previous

writers of communications need an
explanation to set them right.

Here are a few facts. Previous to
the present year an abundance of
Bucknell write-ups appeared. They
were all due to the energetic work of
the late Robert M. Darlington, closely
assisted by Sam. B. Wolfe, formerly
connected with the Saturday
News. Darlington controlled the
North American correspondence and
was interested heart and soul in
Bucknell's athletics. With the aid of
Mr. Wolfe every available item con-
cerning the Orange and Blue was
mailed or telegraphed for the earliest
edition of two Philadelphia papers.
The correspondents for the other
of the town whose positions prevented
them from getting out to the cam-
pus and consequently their chief
source of news came from information
from Darlington or Wolfe.

At present Mr. Wolfe is busy as
Captain of Troop M and besides is no
longer associated with the Saturday
News. The other correspondents con-
tinue to be men who are so employed
that they are unable to get in close
touch with campus activities; conse-
quently their papers lack Bucknell
news. There remains the explanation
of the North American correspond-
ency. This is in the hands of a
young high school boy whom it is
said obtained the job through his father's
acquaintance with a member of
the North American staff. Whether
or not the boy is competent can be
judged by the number of write-ups,
some of which have been sent from
another source. It might also be ad-
ded that the local telegraph operator
leaves his office soon after 4 p. m. and
is in from about 7.30 to 8 o'clock each
evening, usually with a "poor wire"
that prevents telegraphed news from
reaching Philadelphia much before
the first editions go to press. To the
newsman this means last-minute
news which soon becomes a nuisance.
To remedy these conditions college
officials have attempted on numerous
occasions during the past year to
have college correspondents appoint-
ed. The papers evidently desire to
keep the news and college news
under one control for they have re-
fused or ignored all attempts, except a
recent action on the part of the Public
Ledger which opens the way for
better service. In spite of these re-
buffs on the part of the Philadelphia
papers such news as could be mailed
without being stale when it reached
Philadelphia has been sent. Daily
newsclips and similar news CANNOT
BE MAILED, for it is stale when it
reaches the papers. It must be tele-
graphed. Since only that news sent
by a regularly-appointed correspond-
ent is accepted, there is no advantage
if others telegraph it in even though
they are willing to pay the toll. When
the papers will authorize a college
correspondent to send news, then
Bucknell will again be properly repre-
sented in the news columns.
From One Interested.

BUCKNELL ROMANCE ENDS IN MARRIAGE

MISS CHARLOTTE WELIVER
AND MR. O. H. MCFARLAND
ARE MARRIED.

The marriage of Miss Charlotte
Welliver, daughter of Mr. and Mrs.
Charles E. Welliver, to Oliver Hayes
McFarland, of Lebanon, son of Mr.
and Mrs. John Z. McFarland, of Wat-
ertown was solemnized at half after
six o'clock Wednesday evening at
the home of the bride's parents, 2551
West Main street, Bloomsburg. The
guests were members of the imme-
diate families and a few intimate
friends.

The marriage followed a romance
which had its beginning at Bucknell
where both were students. The bride
is also a graduate of the music de-
partment of the Bloomsburg State
Normal School and the groom be-
sides being a Bucknell man, is also a
graduate of the Staunton Military
Academy and soon expects to be called
to the colors.

PROF. WILCOX ATTENDS REGISTRAR'S MEETING

EIGHTH ANNUAL MEETING IS
HELD AT THE UNIVERSITY
OF KENTUCKY.

Registrar Wilcox attended the an-
nual meeting of the Registrars' As-
sociation held at Lexington, Ky.,
at which many topics of vital inter-
est to college students were discus-
ed. What took place at the meeting
follows:

That the Colleges and Universities
of the country are giving liberal con-
sideration to students who resign to
enter national service was shown in
reports from members of the Amer-
ican Association of Collegiate Regis-
trars, which held its eight annual
meeting at the University of Ken-
tucky, April 25 to 27.

The Association endorsed as "patri-
otic and expedient" the principle of
allowing scholastic credit to students
who cease their college work for ser-
vice in military or allied activities
and favored acceptance into college
next fall or later, of new students
whose entrance credits may be some-
what short because of similar cur-
riculum of their secondary school
course this spring.

The Association endorsed an oer
of the executive committee of the
War Department to endeavor to ob-
tain the co-operation of governing
boards of their institutions in using
registrars' offices as recruiting sta-
tions, if the need arises.

In addition to considering the war
situation and the problem of next
year's enrollment, the registrars dis-
cussed grading, matters relating to
admission, attendance and absence,
fees, registration, reports on stand-
ing and other subjects. The speak-
ers were Henry S. Barker, of the Uni-
versity of Kentucky, C. M. McCom-
University of Illinois, F. B. Pierce,
University of Minnesota, Raymond
Walters, Lehigh University, Ross Je-
well, Syracuse University, Miles E.
Melville, Clark College, Charles E.
Marsh, Boreas College, and Arthur W.
Tarbell, Carnegie Institute of Techno-
logy. At the topical conferences the
chairmen were: J. A. Gannett, Uni-
versity of Maine, William A. Alex-
ander, Swarthmore College, Charles
S. Marsh, Northwestern University,
Miss Isabel F. Wolcott, Oberlin Col-
lege and H. H. Caldwell, Georgia In-
stitute of Technology. Papers were
prepared by Prof. F. W. Nicholson,
Wesleyan University and G. E. Snavely,
of Allegheny College.

Officers for 1917-18 were elected as
follows: President, A. W. Tarbell,
Carnegie Institute of Technology; 1st
Vice President, W. D. Hiestand, Uni-
versity of Wisconsin; 2nd Vice
President, J. A. Gannett, University
of Maine; Secretary and Treasurer, E. L.
Gillis, University of Kentucky.

More than sixty colleges and uni-
versities were represented at the
registrars' meeting, ranging from
Maine to Georgia and North Dakota to
Arizona and Texas.

**DR. PHILLIPS SPOKE

(concluded from first page.)
food army for Secretary Baker said
yesterday that within a year we may
possibly be on rations. Then there is
the question of luxuries. Let us re-
member at the Commencement Ses-
sion with all its unnecessary expendi-
tures that one dollar saved at a ban-
quet will save a Belgian baby for
one month, that millions in Europe
are starving, and be prepared to con-
sider the abolishment of luxuries.

**THIRD OF SENIOR
RECITALS IS GIVEN**

**MISSES STUCK, GRANT AND
DAVIS GRADUATE IN THE
SCHOOL OF MUSIC.**

The third of the series of Senior
recitals was held in Bucknell Hall on
Thursday evening before a very ap-
preciative audience. All three of the
soloists upheld the fine record that
has heretofore been made by the grad-
uates of the Bucknell School of Music.
Two vocalists and a pianist gave
their recitals: Miss Theo Emma Stuck
and Miss Ethel Marie Grant, both
pupils of Miss Brown, and Miss Velma
Miller Davis, pupil of Miss Stearns.
Miss Ruth Violet Haines, post-grad-
uate, was at the second piano.

Freshmen Girls' Declaration Con-
test May 18th, in Bucknell Hall at 8
o'clock.

STUDENTS READY TO DO THEIR "BIT"

WILLING TO GIVE THEIR SERV-
ICES TO THE FARMERS OF
THIS VICINITY.

Bucknell students stand ready to
do their "bit" to aid Union county
farmers in their effort to make ev-
ery available inch of ground produce
something for food.

Since the present war has readi-
ed itself into a food fight as much as
a military or naval struggle, it is
absolutely essential that all possible
agricultural resources should be as-
sembled. The necessity places upon
the people of Union county and the
neighboring farming community a
great responsibility. Realizing this,
many of the Bucknell students stand
ready to help farmers of the vicinity
with the preparations for the largest
crops possible. Many of the students
are sons of farmers or have had
farming experience. Those who have
not are ready to do their "bit."

On this account, the farmers in
the vicinity of Lewisburg are in-
vited to avail themselves of the stu-
dent's service which may be secured
for a half day, day or possibly by
the week. By desiring to use students
the farmers are urged to correspond
with, or telephone to Edwin E. Au-
brey, the Y. M. C. A. secretary at
Bucknell University, who can be called
on the telephone from 11.45 to 12-
15 or 1.15 to 2.15 any day but Sat-
urday and Sunday. He will be glad to
talk over the hours, work and wages
and to secure men where satisfactory
arrangements are made.

WILLIAM R. FOLLMER,
Attorney-at-Law,
Lewisburg, Pa.

STRAW HAT DAY

May 5th,

ROCHESTER THEOLOGICAL SEMINARY

ROCHESTER, N. Y.

FACULTY—Of fifteen Professors and instructors (including five in the German Department).

SIX DEPARTMENTS—Old Testament, New Testament, English Bible and Biblical History, Church History, Systematic Theology, Christian Ethics (including Sociology) and Pastoral Theology, Homiletics, History of Philosophy of Religion and Missions (including Religious Education), Education, Christian Union.

EQUIPMENT—New and completely furnished dormitory with gymnasium, music room, and parlor for social gatherings; library enlarged and improved; attractive reading room; commodious chapel and class rooms.

ROCHESTER—A growing and prosperous city of 250,000. Many varieties of religious and philanthropic work. Strong churches with able preachers. Noted for its Sunday Schools. Manual opportunities for observation and practical experience. Privileges of the University of Rochester.

Address all requests for catalogues, correspondence regarding admission, etc., to W. A. STEWART, DEAN.

WOMEN'S COLLEGE NOTES

Ethel Grant made a short visit to Ansville.

Alice Haslam, '17, enjoyed a visit from her mother.

Golda Clark, '19, spent the week-end in Jersey Shore.

Emily Mackey returned to her home in Oxford last week.

Ruth Lennel's mother was also here for a short time.

Margaret Smith, '20, was in Lansford for the week-end.

Katherine Hoff, '19, spent the week-end at her home in Reading.

Miss Rainey entertained her friend, Miss McClellan, of Scranton.

Katherine Sallade, of Williamsport, visited Katherine Johnson, '20.

Isabel Yerrick, of Danville, spent the week-end with Dorothy Willinger, '20.

Marguerite Quigley had a week-end guest, Annie Hayes, of Watsonstown.

Heien Mathews, '20, was surprised by a visit from her mother on Friday.

Heien Bodine, '20, entertained her father, mother and sister on Red Cross Day.

Elizabeth Kates, '19, also entertained her father, mother and sister, who motored here from Philadelphia.

Miss Mann, sister of Henrietta Heinsinger, '17, was at the Woman's College for a few days last week.

Emma Lovegood, '18, received a visit from her sister last week and later returned home with her for the rest of the week.

Marybelle Lees, '16, and Florence Rollins, '16, returned to Bucknell for a very short visit. They had been attending a conference at State College.

Marguerite Mary, '18, Irene Fritz, '19, Margaret Finney, '19, and Helen and Ruth Cooper, '19, went to Ithaca to attend the installation of a new chapter of the Kappa Delta Sorority at Cornell.

Y. W. C. A. NOTES.

On Tuesday last Y. W. C. A. held a song service. All favorite hymns were sung and Miss Brown sang a solo. At the next meeting May 18th, the topic will be "Gossip." The meeting will be led by Dorothy McClintock, '18. Don't forget May 13 is Mother's Day. We especially should mark the day in this way.

HILL GOSSIP

Herhine, '20, spent the week-end in Berwick.

Bertin, '17, spent the week-end at his home in Williamsport.

Heim, '20, went to his home in Williamsport over the week-end.

Hopler, '17, and Weber, '17, visited Sunday at Williamsport.

Reiland Jones, '14, visited his Phi Gamma Delta brothers last week.

Gibbs, '20, entertained Edward Maes, of Nanticoke, over the week-end.

"Bull" Hill, ex-'16, visited his D. T. U. brothers during the fore part of the week.

G. Walter Lees, '20, went to Philadelphia recently to take the examination to enter the Officers' Reserve Corps.

Beers, '17, and Squibb, '17, journeyed to Lock Haven Saturday to visit it. Post, '17, who is teaching at Lock Haven Normal School.

Davis, '19, Hertzler, '19, Sprout, '17, and Seebach, '18, autored to Allenwood Sunday afternoon where they sang at a special church service.

Among the Bucknell men who attended the May dance Friday evening were: Painter, '17, Weber, '17, Hopler, '17, Clark, '18, Umlauf, '18, Lewisson, '18, Fredell, '18, Vanderbilt, '20, and Vredenberg, '20.

"BY" DICKSON TO BE NEXT COACH AT SCOTT HIGH.

Tom Merrill has resigned his position as football coach at Scott and Byron Dickson, of Pennsylvania University, has been appointed to succeed him.

Dickson has quite a record both as a player and a coach. He was All-American end for two years and has served for a number of years as assistant and head coach at Penn. He was also head coach of the Varsity squad for four years, and occupied a similar position at Lehigh.

Some may think that this is somewhat of a "come down" for "By," but reports coming from Toledo, Ohio, where Scott is located, say that "nothing is too good for the Scott High School squad." With all his experience Dickson should give Scott a record-breaking team.

Seidel & Spangler's Specials

FIRST SHOWING OF WHITE HATS, AND BLACK AND WHITE AND ALL-BLACK HATS INCLUDED

Away with that old hat now, and try one of our all-white hats which will be on display Saturday at Special Anniversary Prices. Every new shape in small, medium and large hats will be shown, in all the new straws.

This will be our first and a special showing that every woman and miss should make a special effort to attend.

At the same time all colored hats will be put on special sale—none will be excepted. It's our time to clean up, and go they must. Cost is forgotten now. They are all marked regardless.

WHITE GLOVES FOR SUMMER WEAR

Every woman and miss will want a pair. Some may desire cotton gloves, some silk lisle, some all silk, and others may want washable doekins or fine kids. But no matter what you want in all white or black and white gloves you can be suited at Seidel & Spangler's glove department.

FINE WHITE DRESSES

With graduation time about one month away, it is not a minute too early to choose your dress for that occasion. Our line of white dresses is complete. A full line of sizes are in stock and they are beautiful. There are nets and laces, lawns, batistes and voiles, all made so nicely and trimmed so neatly that they are becoming to most any one.

MANY STUDENTS RECEIVE CALL

OTHERS HAVE TAKEN EXAM. AND MAY LEAVE SOON.

FORTY-EIGHT HAVE ALREADY LEFT SCHOOL

Fourteen Others May Receive Call at Any Time.—29 Go to Fort Niagara, 10 Enter Military Reserves and 2 Join Aviation Corps.

The past week with its war developments has taken a number of fellow students from our midst. Just as many of our present alumni in the Civil and Spanish American Wars, deemed it their duty to lay down the pen and take up the sword in defence of their country, so the Bucknell student body, in the present crisis has responded to the national call in a manner that speaks well for the college. It might be interesting to note, that only twenty-five would be demanded in the first draft from a college of our size. Several times that number have volunteered up to this time. Those who left for Ft. Niagara, N. Y., to take up the Officers' training are: Daniel E. Mullinger, '17, Harvey C. Detweiler, '19, Clifford E. Pinder, '20, James S. Mathers, '18, Earl L. Grace, '17, Harold S. Hopler, '17, Harvey T. Marshall, '18, Wm. J. Gosting, '18, Stuart A. Eppler, '19, Sidney J. Peale, '18, Prof. Waile Earle, '15, Robert C. Umlauf, '18, M. M. Earle, '18, Harold N. Gillett, '19, Denzil M. Campbell, '20, Hazard C. Chase, '18, Donald Dunkle, '17, Alvin J. Runmer, '18, Richard A. Mason, '19, Reynolds F. Elliott, '18, Donald W. Korth, '17, Henry A. Gittleman, '18, Jas. E. Robbins, '18, Miller Johnson, '18, Clifford E. Gillette, '17, Howard C. Fisher, '17, Walter L. Lees, '19, W. W. Bryson, '20, and Raymond Cooper, '18.

The following have left school to join the medical corps, in most cases at Fort Slocum, N. Y.: R. D. Hager, '20, Wm. F. Stock, '20, John A. Heberling, '17, Roy N. Hill, '20, C. W. Kennedy, '20, Jas. C. Pierce, '20, Wm. W. Bryson, '20, and Nelson Rounsley, '19, A. D. McKinnley, '19, and Lorin D. Cunningham, '20.

The scholars who have left school for military service will be graduated with their class. Others, however, will receive credit only for work done up to date, although Freshmen, whose work has been up to the standard may be admitted to fraternities.

Among those who have enlisted in the Officers Training Corps but have not yet received the call to service are: Boyd L. Newcomb, '18, Bruce L. Banks, '18, Alexander Storer, '18, M. L. Abbott, '17, Francis P. McDermott, '19, Donald S. Lahrer, '19, Harry Thomas, '19, Royden S. Matlack, '17, Chas. M. Emerick, '19, M. F. Peair, '18, St. Clair Murray, '17, Eugene Duffee, '19, Stanley N. Harris, '18, and James R. Waldron, '18.

Some of these men have declared their intention of enlisting for service at Fort Slocum but it is quite probable that they would not be accepted as there will be another call for officers in August.

Geo. C. Jacob, '19, and Lloyd L. Garner, '18, have enlisted in the Aviation Corps, also H. E. Thomas, '17, has volunteered his services in the engineering Corps.

Roy D. Snyder, '20, John C. Hendrick, '19, Thos. C. Cockill, '19 and D. A. Gearhart, '20, all members of Troop M, have left for their homes to await the call of the National Guards. Shilling, '18, has also joined Troop M.

Edwin E. Swager, '19, and C. F. Schroyer, '19, have shown their patriotism by leaving to help out in the security of farm labor at home.

Many students are leaving today for Philadelphia and other places where they will take examinations for various branches of the service.

DEME FRESHIES ENTERTAIN

The Freshmen members of the Demosthenian fraternity gave a snicker and entertainment to the active men Saturday evening in the rooms on Market street. The program consisted of readings and vocal and instrumental selections.

ESSAY CONTEST FOR GIRLS

The essay contest for the prizes announced on page 102 of the Bucknell Catalog for 1916-1917, will be held in the recitation room of the Academy, Saturday, May 19, at 9:30 A. M. Candidates will come provided with Blue Books, pen and ink. The books from which the subjects will be taken are the following: Seniors—SAKUNTALA, Lalitasa; Juniors—ANTI-GONE, Sophocles; Sophomores—RE-TURN OF THE NATIVE, Hardy; Freshmen, MANSFIELD PARK, Jane Austen.

THREE GIRLS WIN "B"s IN GYMNASIUM CONTEST

The following girls won their gymnasium "B"s in the contest which was held on Monday, May 7: Misses Childs, Kellog and Martin. The following girls were awarded numerals: Misses Sipley, Werts, Wetzel, Downes, Glover, Smith and Kennedy. The numerals were awarded to those whose grades were 92 or over.

PHI KAPPA PSI HOLDS A HOUSE PARTY

PLEASANT AFFAIR WHICH BEGAN LAST THURSDAY BEARS UP TODAY...

The Phi Kappa Psi House Party which started last Thursday broke up today. Mrs. Leiser and Mrs. Marsh, of Lewisburg, and Mrs. Robinson, of Bloomsburg, acted as chaperones. Those present were: Sarah M. Robinson, Kilkes-Barre; Leah E. Lind, Lewisburg; Madeline Watrous, Philadelphia; Sarah A. Hester, Milton; Chiquita Reynolds, Leicester, N. Y.; Elizabeth Weston, Philadelphia; Edeline Shaver, Edinboro; Louise Bass and Alice Pender, of Johnstown; Kathryn Lindauer, of Williamsport; Ellen Focht, of Lewisburg; Elsie Nulter, of Chester, Helen R. Hoffa, of Lewisburg; Clara Holston, of Rochester; Golda Clark, of Jersey Shore; Emily Mackey, of Oxford; Joy Pross, of Lewisburg; Theora Smith, Milton; Anne Dreisbach, of Lewisburg; Ruth Annon, Nanticoke; Joe Henderson and Steve Jordan, of Philadelphia; Main and Bradbury, of State College.

FOURTH OF SENIOR RECITALS IS GIVEN

LAST OF THE SERIES WILL TAKE PLACE NEXT THURSDAY IN CHAPEL

The Fourth Senior Recital was given last Thursday evening, May 10, in the Organ room at the Women's College. A large crowd was there to enjoy it and an excellent program was rendered. Miss Jessie Louise Cooper and Miss Velma Miller Davis, pupils of Mr. Adams, graduated in pipe organ; Mr. David Nathaniel Boswell, and Mr. Stephen Fraley Puff, pupils of Prof. Stolz, graduated in voice. The last recital will be given next Thursday May 17, in Bucknell Hall.

The program follows:

(a) Moreau de Concert Goss-Custard

(b) Cantabile from the Fifth Symphony, Ch. M. Widor.

Velma Miller Davis

(a) Recitative and Aria (from Elijah) Mendelssohn.

(b) Aria (from Tobias), Gounod.

David Nathaniel Boswell

Allegro Moderato, Lefebure-Wely

Velma Miller Davis

Recitative and Aria (from Josephine on Egypte) Mehul.

David Nathaniel Boswell

Toccata from Fifth Symphony, Ch. M. Widor.

Jessie Louise Cooper

(a) Where'er You Walk, Handel

(b) Recitative and Aria (from the Creation, Haydn.

Stephen Fraley Puff

(a) Gavotte from Mignon, Thomas.

(b) March of the Priests (from Semiramide), Rossini.

Jessie Louise Cooper

Prologue from Pagliacci, Loenavallo.

Stephen Fraley Puff

Finale, Guilman.

Jessie Louise Cooper

STUDENTS MUST NOT TAMPER WITH LIGHTS

EXTRA ATTACHMENTS HAVE CAUSED MOST TROUBLE

FUSES SHOULD NOT BE MEDDLED WITH

Effort Being Made to Place Lighting System on a Better Working Basis. To Change Fuses is Dangerous.

The University has had considerable trouble during the past year in keeping the lighting system in good working order. Numerous complaints have been handed in to the authorities because certain circuits throughout the different buildings keep burning out. Investigations were made and the causes of the trouble were discovered.

In many cases it has been found that students have made attachments to the wires and placed on extra lights. The circuits are so arranged that each one will carry a certain number of lights. When attachments are made and extra lights put on the resistance becomes too great for the fuse and consequently the entire circuit is burned out, leaving a number of students in the dark until the old fuse is replaced with a new one. Electric flat-irons and chafing dishes have the same effect and should not be used. One plan that may be adopted to remedy this is that each room be put on a separate circuit suited to carry only one light, thus making it impossible for any extra attachments to be made.

It has also been discovered that in some instances the fuses were changed; fuses that will stand a stronger resistance and enable the circuit to carry a greater number of lights being substituted for the regular fuses. This is dangerous, for the wire at the ends of the fuse becomes heated and might very easily cause the building to catch on fire. Should the authorities discover who it is that is making such substitutions they will be severely dealt with.

At present an effort is being made to put the lighting system on a better working basis and this cannot be done unless the students are willing to cease making experiments with the wires and using them for other purposes than those for which they were intended. Other plans concerning the light proposition appears in another column.

TRACK MEET

On Saturday the track team will go to Carlisle where they will engage in a dual meet with the Carlisle Indians.

CAP AND DAGGER ELECTS NEXT YEAR'S OFFICERS

NEXT YEAR MEMBERS OF THE SOCIETY WILL BE CHOSEN BY COMPETITION.

At a meeting of the Cap and Dagger Dramatic Society held last Friday evening the following officers were elected for next year: Louis W. Sipley, President; Edwin E. Aubrey, V. President; Chester Leaber, Treasurer; and Andrew Mathieson, Secretary.

The Society has been very active during the past year, giving three very satisfactory entertainments. The plays that were presented were: "The Spanish Gypsy," "A Doll's House," and "A Count of No Account."

Next year the members of the society will be chosen on the basis of competition. Surely by this means better talent will be found and a highly successful year is predicted for Cap and Dagger.

FRESHMEN GIRLS' CONTEST

Friday evening at 8 o'clock the Freshmen girls will hold their annual contest in Bucknell Hall.

D. T. U. WINS

The D. T. U. baseball nine defeated the local High School team on the Athletic Field Saturday afternoon by a score of 22-5.

SECOND BAND CONCERT

Thursday at Six O'clock.—In Chapel If Weather is Unfavorable.

Owing to the cool evening last Thursday it was necessary to have the first evening concert in Bucknell Hall. In spite of this handicap there was a fair crowd and the entertainment was appreciated. Leader Cassler has arranged a second concert for Thursday evening of this week. It will begin promptly at six o'clock on the campus unless the weather is inclement in which case it will take place again in Bucknell Hall, beginning at 7 o'clock.

The program follows:

PART 1

1. Fidelity March

2. "The Elver," overture.

3. Tremolo solo, selected.

Mr. Sprinkle.

PART 2

1. Stars and Stripes

2. "The Elver," overture.

3. "Bohemian Girl," selections.

BUCKNELL OUTCLASSED IN DUAL TRACK MEET

LAFAYETTE WINS OUT BY BIG SCORE TEAM WILL MEET CARLISLE SATURDAY.

Bucknell was greatly outclassed in the dual track meet with Lafayette at Easton last Saturday, returning with the small end of a 91-21 score. The local trackmen met worthy opponents in the Eastonian athletes and were forced to acknowledge supremacy to them in all of the running events, although in the field contests the two sides were more evenly matched. One first place, one tie for first and four second places are credited to the local team.

The nine men, who accompanied by Coach Johnston, left for Easton Tuesday afternoon, were as follows: Mathieson, '20, dashes; Pierce, '19, quarter-mile; Buchanan, '18, mile; Gandy, '19, two mile; Wilson, '20, high jump; Lawrence, '18, hurdles; Gaenzle, '19, broad jump and discus; Leighton, '17, hammer throw and discus and shot put.

The Lafayette field was poor and in bad condition on account of the wet weather which has prevailed for the last few weeks, causing the contestants oftentimes to slip and slide in the soft turf. Intermittent rain also reduced the crowd of spectators to very small proportions, very little interest apparently being taken in the event.

Each team was allowed two entries in each event, although, owing to the scarcity of men the visitors were obliged to enter only one in some of the contests and in some cases men from other events. The Bucknell men did not score in any of the running events, the 220 yard hurdles, the running high jump and the shot put. Captain Lawrence was runner-up in the 126 yard high hurdles, won by Paulsen, Lafayette. J. Evans, of Lafayette, won over Gaenzle in the broad jump, his distance being 21 feet 8 3/8 inches. The pole vault was a tie between Williams, of Bucknell and Leighton of Lafayette at 3 feet, 6 inches. Williams winning in the use up. Leighton obtained second place in the hammer throw. Lehmman, of Lafayette, winning with 104 feet, 4 inches. In the discus hurl Leighton was first with a throw of 109 feet, 9 inches, with Gaenzle, second. Leighton scored 8 points for Bucknell, Gaenzle, Williams and Lawrence followed in order with 6, 4, and 3.

The disappointing results of the Lafayette meet may be attributed largely to lack of training caused by the almost incessant rainy weather which has kept the track in unusable condition most of the time. The records made so far are considerably lower than those made by the same men last year, and all the members of the team are confident of making a more creditable showing this Saturday in their contest with the Indians at Carlisle.

CAP AND DAGGER MEETING

There will be a meeting of the members of Cap and Dagger in the Eupeira room at 7:15 on Wednesday. This meeting is important as it is the last meeting of the year.

1919 COTILLION SCORES SUCCESS

COMMITTEE PRESENTS PLEASING AFFAIR.

ANNUAL DANCE HELD FRIDAY AT MILTON

Riverside Park Scene of Gay Event.—NeCal Orchestra, of Sunbury, Furnishes Music.—Dance Lasts From 8.30 to 1.30 O'clock.

The Annual Sophomore Cotillion, held at Riverside Park, Milton, on Friday evening, May 11th, proved to be one of the big social events of the college year. A large number of students and friends were on hand to enjoy the informal dance as arranged by the members of the Cotillion committee.

Music started at 8.30 o'clock when the orchestra played the first car left Lewisburg, crowded with a jolly bunch of students who comprised the first arrivals. The others were not long in following, however, for soon the cars from Milton, Watsonstown and another from Lewisburg brought large crowds of "merry tip-toes" who made ready for the festivities about to commence.

Music started at 8.30 o'clock when the orchestra played the first car left Lewisburg, crowded with a jolly bunch of students who comprised the first arrivals. The others were not long in following, however, for soon the cars from Milton, Watsonstown and another from Lewisburg brought large crowds of "merry tip-toes" who made ready for the festivities about to commence.

As usual, a little excitement and commotion accompanied the movement toward seats, when everybody made a desperate grab for his or her chair. Refreshments were served, but even the most keen search failed to expose any ham in the ham sandwiches. Dancing continued until about two o'clock when all dispersed to their diverse abodes.

Music was by the NeCal orchestra from Sunbury and they acquitted themselves in a most excellent fashion. The committee in charge, of which "Tommy" Mangan was the chairman, deserves a great deal of credit for making the 1919 Cotillion one of the best that Bucknell has ever had. The committee was composed of the following members: Mangan, Eppler, Rorabaugh, Ashman, Tyce, Thomas, Pangburn, Kreiner, Emerick, Gall and Abrams. It is estimated that sixty couples attended the dance.

BUCKNELL MAJESTIC MERRYMAKERS VISIT DANVILLE

The Bucknell Majestic Merry-makers journeyed to Danville last Friday night and made a fine hit with a large crowd in the Y. M. C. A. auditorium. The entertainers were: The mandolin trio composed of Sprout, Clark, Heim, Latz, vocal soloists; Eschelman, violinist; Fred Bauman and Tommy Heim, readers; and Botts, pianist.

After the entertainment the merry-makers were given a reception and the evening concluded with a jolly good time.

Calendar

Monday.—Drill at 6.30

Tuesday.—Fraternity meetings. . .

Wednesday.—Meeting of Cap and Dagger at 7.30 P. M., in Eupeira. Recruiting office in Lewisburg Journal building at 7 P. M.

Thursday.—Final Senior recital in Bucknell Hall at 8.00 P. M. Band concert on campus at 6 P. M.

Friday.—Drill at 6.30. Freshmen girls contest, Bucknell Hall, 8 P. M.

Saturday.—Essay contest for girls in Academy at 9.30 A. M. Bucknell-Carlisle track meet at Carlisle.

Sunday.—College Bible Class at 9.30 A. M. in Baptist church.

—According to the present outlook there will be no baseball games played this week.

MONDAY, MAY 14, 1917.

WILL YOU HELP?

One of the vital problems that is confronting the University at the present time is the question in regard to lights. The reason that this question has come to be of such great importance is the fact that the cost of producing the light has been steadily increasing, and because the price of coal has been making rapid advances, it has come to the point where some means must be found for keeping the expenses for light within reasonable bounds. There seems to be but one remedy and this depends directly upon the students and requires their universal cooperation.

It has been the prevailing custom at Bucknell for students to leave their lights burning regardless of the fact of whether any use is being made of them or not. The attitude that most of the students seem to assume is that, as long as the University has its own power plant and in as much as they pay in a certain fee each year, they are free to waste as much electricity as they choose. It is a well known fact that the lights in the rooms of the dormitories are burning almost all of the time whether the rooms are occupied or not. It is the school that has to make good for this useless expense, it falls in the end upon the students themselves. At present the students are receiving light at the lowest possible cost, but unless something can be done a raise in the fee will be necessary. One plan now under consideration is that next year the students will be made to buy their own globes. The life of a globe is limited and this, therefore, will be an incentive for students to turn off their lights when they are not needed.

There are two important reasons why students should turn off their lights when they are not needed. The first is, as has been shown above, because neglecting to do so entails a tremendous expense which in the end the students themselves have to bear. And the second is because neglecting to do so builds up a bad habit which will be found hard to break off afterward. Men who are rooming on the Hill this year but expect to live in a fraternity house next year will find it a difficult proposition to get into the way of snapping off a light each time that a room is left unoccupied. It is such little things as this that build up a character, and surely extravagance and waste are bad characteristics.

Such a scheme could succeed only with the universal co-operation of the students. Every man must be willing to do his share. It requires no great effort to snap off a light each time that a room is left unoccupied and if every student would be willing to do this a big problem would be solved for the University.

REGARDING COMMUNICATIONS.

Some time ago it was announced in the Bucknellian that students or any persons interested in the affairs of the college are free at all times to express their views thru these columns in the form of communications. Such articles are always welcome and when suitable they will be printed. Criticisms also of this publication will be gladly received, for it is not our expectation to put out a paper that will contain no flaws.

There is, however, one restriction placed upon communications. In order for them to be of any value they must be accompanied by the name of the writer. The name of the writer need not be published unless the writer so desires, but when they are not accompanied by the writer's name they will be given absolutely no consideration.

BUCKNELL BAND GAVE PLEASING CONCERT

FIRST OF SPRING ENTERTAINMENTS HELD LAST THURSDAY IN CHAPEL.

Most excellent music was enjoyed at the Band Concert on Thursday evening. Owing to the campus being very damp because of the recent rain, the concert was held in Bucknell Hall instead of upon the campus, as the original announcement stated. It was an excellent announcement, as the concert did not start until half an hour later.

The Hall was not yet filled when Leader Cassler rose and led the twenty musicians in the opening march. Slowly the Hall filled and by the time that the first notes of "Hearts and Flowers," were sounded, a large and appreciative audience was giving its closest attention to the music. The appearance was generous and deserved, but there was only one encore rendered.

Also the Band has made numerous appearances this year at the various athletic functions and in parades, this was their first concert of the season. Many more such concerts will be welcomed by the students if they are all of the high standard set by the first. A well-balanced harmony was noticed in all selections. Variety was shown in the choosing of the numbers; slow moving, classical music alternated with marches and patriotic airs. A murmur of approval ran thru the audience as the concert closed with "The Star Spangled Banner." The program follows:

Hausstrasse March, Hearts and Flowers, Fashion Trombone, First Heart Throbs, Lutespiel, Stand by the Flag.

DR. PHILLIPS SPOKE ON NEW CITIZENSHIP

NEXT SUNDAY MORNING'S TOPIC WILL BE OF INTEREST TO UNDERCLASSEN.

Dr. Phillips announced at Sunday morning Bible Class that the next three Sundays will be devoted to a series of meetings with the prime purpose of interest to the different classes of students at Bucknell. Next Sunday morning's topic will be of chief interest to the Freshmen and Sophomores, the following meeting will be devoted to the Juniors and the last of the term to the Seniors.

The subject of Dr. Phillips' talk yesterday was "The New Citizenship," and was based on that part of President Woodrow Wilson's war message which reads as follows: "We are at the beginning of an age in which it will be insisted that the same standards of conduct and responsibility for wrong doing shall be observed among nations and their governments that are observed among the individual citizens of civilized states."

This new era implies a new standard of conduct for each individual and consequently a new standard of conduct for the nation at large which can be brought about only by a transformation of the standard. Citizenship by the transformation of the new standard will advance from a national right to an international basis. The parallel of the good Samaritan answers the transformation question of "Who is my neighbor?" by giving to it the import "To whom am I a neighbor?"

In this New Citizenship we must consider what change is involved. Heretofore we have been benevolent, giving help to the "down and out" nations, but not observing the cause of the "down and out" situation. Now there is an insistence on the maintenance of new standards within the nations.

As a democratic nation we cannot negotiate peace with autocracies of Europe for our rights and our group have a different system of standards brought out in the German reply that "We will not have the United States interfere with our internal affairs." The time has now come to apply our new principles outside of our country and our needs. The consequence of this transformation will be a new citizenship. Heretofore citizenship has been of internal affairs as in the tariff, representing United States against the world, but now we are at odds with equals and each with different standards.

This new standard will make us participants in the governments of the world and our party platforms will be concerned in international questions. Already there is hinted the independence of Ireland, the cessation of atrocities such as received by the Armenians and absolute freedom of territory in China. The new citizenship will make international affairs of other countries of personal interest to the individual citizens of United States and will become citizens of the world.

INVITATIONS OUT FOR DREIS-BACH-HENDERSON WEDDING.
Invitations are out announcing the wedding of Miss Anne Kaler Dreisbach to Mr. Joseph Wells Henderson. Mr. Henderson is a graduate of Bucknell and is now in business in Philadelphia. He was also a member of the Phi Kappa Psi fraternity. The wedding will take place in the Baptist church at 2:30 o'clock Saturday afternoon, May 26.

RECRUITING OFFICER WILL BE HERE

CORP. PERRY OF WILLIAMS-PORT, WILL BE IN THE JOURNAL BUILDING.

Corp. E. A. Perry, who is in charge of the U. S. Army Recruiting Station, P. O. Building, Williamsport, was in Lewisburg Thursday afternoon and interviewed a number of applicants who intend to enlist in the Army, and who intend to enlist in the Army, and who intend to enlist in the Army.

Arrangements have been made to examine all applicants next Wednesday, May 16th, starting at 7 p. m., and all applicants accepted will leave Thursday the following day, for Williamsport where there will no doubt be a private car to take the men to New York and from New York the men will be transferred to Fort Slocum, N. Y., where they will remain three or four days, and then transferred to different parts of the U. S., to await further orders. The branches now open in the U. S. Army are the following: Hospital Corps, Engineer Corps, part of the Quartermaster Corps, Infantry, Field Artillery and Cavalry.

Those who desire to enlist and select a branch of the service in which they desire to serve their country will have this opportunity next Wednesday evening. The examination and recruiting will be done on the second floor of the Lewisburg Journal building, and Corp. Perry will be on hand next Wednesday evening.

Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to the editor.

MONDAY, MAY 21, 1917.

Now that a big percentage of the officers of the Bucknell Volunteer Company have been called into service it will be necessary for the company to be reorganized. Besides the officers many other members of the company were called away, which makes the enlistment of a number of new recruits necessary if the organization is going to be large enough to be worth while.
There are many reasons why the students should take an active interest in the new organization. First of all it is proper that Bucknell should keep up with the progress that the other colleges are making along this line. And then, in case that any student should be drafted, his previous experience will be considered in determining his position in the army. What is more, since Bucknell has cancelled all branches of athletics, this is about the only means left to the students by which they may keep themselves in good physical condition.
The success of the new company depends upon the support that the students are willing to give it. In view of the fact that this country is now very actively engaged in the world conflict there seems to be no reason why every student with the least mite of patriotism should not lend himself eagerly to military training, serving at the same time his country and his college.

SENIOR RECITAL GIVEN LAST THURSDAY

ENJOYABLE PROGRAM RENDERED AS FIVE PUPILS GRADUATE IN MUSIC.

The last of the series of Senior recitals was given last Thursday evening in Bucknell Hall before a very large and appreciative audience. Each of the recitals has been received favorably, to say the least, by the audiences and speaks very well for the School of Music. Miss Hazel Irene Tule, a pupil of Miss Hardesty, Miss Ethel Irene Grant and Mr. Samuel Abrams, pupils of Miss Kramer, graduated in piano; Miss Carrie Mary Jane Gragan, a pupil of Madame DesSylva-Schoen, in voice; and Mr. Gustine Fortunato Negro, a pupil of Miss Armstrong, in violin. Miss Hazel Hagerman, a junior in piano, was the accompanist of the evening.

The program rendered was as follows:

PART I

Duo, March Triumphant.....Goria
Ethel Grant and Samuel Abrams
Concerto in A minor.....Acacay
Gustine F. Negro

PART II

(a) From a German Forest McDowell
(b) Nocturne Op. 32.....Chopin
(c) Drifting.....Friml
Hazel Tule

(a) "Elsa's Song" from Lohengrin.....Wagner

(b) The Asra.....Rubenstein
(c) Oh That Summer Smiles for Ever.....Davis

Carrie Gragan

(a) From a Wandering Iceberg.....MacDowell

(b) Consolation.....Liszt

Ethel Grant

(a) Air Varié.....Beriot

(b) Tambourin.....Rameau-Kreisler

(c) Rondino.....Beethoven-Kreisler

Gustine F. Negro

PART 2

(a) Setch Poem.....MacDowell

(b) Prelude B Minor.....Chopin

Prelude A Major (question and answer).....Chopin

(c) Le Papillon.....Lavalée

Samuel Abrams

(a) "They Call Me Mimi" (from La Bohème).....Puccini

(b) Spring is Awakening.....Senders

Carrie Gragan

(a) Brooklets Tale.....Yungmann

(b) Prelude in C Minor.....Chopin

(c) Ueber die Strophe hin.....Schytte

Ethel Grant

(a) Canonette (from Violin concerto).....Tschakowsky

(b) Souvenirs de Posen.....Wienawsky

Gustine F. Negro.

JOINT ENTERTAINMENT BY Y. W. AND Y. M. C. A.

BUCKNELL HALL LAST SATURDAY EVENING.

On Saturday evening the Y. W. C. A. and the Y. M. C. A. combined and played the part of host and hostess to the student body of the University. The festivities took place in Bucknell Hall and about 150 students from the Women's College and the Hill were present.

The affair was one of the most enjoyable functions of the school year. The forms of entertainment were varied and showed a pleasing originality.

The grand march led by Mr. Aubrey and the Y. M. C. A. started the evening of joy. After the grand march the program for the evening was started. The first number was a humorous recitation by Miss Kos-tenholder. Miss Louise Hahn then rendered a delightful vocal solo. Miss Hagerman accompanied Miss Hahn on the piano. Mr. Aubrey was next on the program with two recitations which were greatly enjoyed. Mr. Adams followed with a piano solo. A humorous recitation on "Way" by Mr. Griffith was the closing number of the first part of the program. After Mr. Griffith's selections refreshments were served and games were enjoyed during the rest of the evening. A novel cracker eating contest was won by Miss Lawrence and Mr. Miles. The evening was a brilliant success in every respect and the members of the societies who planned the entertainment may justly feel proud of their efforts.

DON'TS FOR DRILL

1. Don't keep in step. It annoys those near you and is awfully monotonous.

2. Don't let the personal safety of any individual interfere with the skillful maneuvering of your gun.

3. Don't trouble to obey your officer's command. Take it easy. There is no harm in them.

4. Don't fail to gratify your curiosity by looking around at the many unusual things that always happen during drill period.

5. Don't ever, if you are a corporal, report until after roll-call. To do so is one of the most serious breaches of drill etiquette.

SOUTHERN COLLEGES WILL CONTINUE ATHLETICS.

Eight colleges, comprising the Southern Athletic conference, will maintain their athletic schedule at least until the war department makes a specific demand for services on the colleges. The schools are Georgia Technical, University of Georgia, Alabama, Auburn, Sewanee, Mercer, South Carolina and Mississippi.

RELIEVED.

"I feel relieved," "You don't look it," "No, I just came from the treasurer's office."—Widow.

PLACES OPEN IN QUARTERMASTER'S RES. CORPS

EXEMPT MEN FROM CONSCRIPTION—NO MILITARY TRAINING NECESSARY.

The Philadelphia Section, Eastern Division, with headquarters at the Automobile Club of Philadelphia, 23 South 23rd St., has been authorized to enlist 20 Wagon Companies, 10 Motor Truck Companies, and 2 Bakery Companies.

A Wagon Company consists of 1 Wagon Master, with the rank of Sergeant; 3 Assistant Wagon Masters with the rank of Sergeants; 1 Horse Shoer, 1 Blacksmith, 1 Saddler, all with the rank of Corporals; 1 Cook, with the pay of a Sergeant; and 28 Teamsters, with the rank of Privates first class.

A Motor Truck Company consists of 10 Sergeants and 1 Cook.

A Bakery Company consists of 1 Sergeant, first class, 24 Sergeants; 20 Corporals; 2 Cooks and 14 Privates, first class.

In addition, there are needed various numbers of Butchers, Clerks, Painters, Forge Masters, Farriers, Overseers of Labor, Storekeepers, Watchmen and Skilled Laborers. The qualifications for these positions vary and can be obtained upon application to the headquarters above mentioned. Many of these positions carry the rank of Sergeant, first class; Sergeant and Corporal.

No difficulty is anticipated in more than filling up the full quota of Truck Drivers, but it will probably be difficult to secure the necessary Wagon Masters (80) and Teamsters (560); the Bakery Companies, totaling 122 men and the various special positions above mentioned.

The pay of Sergeants, first class is \$45 per month; Sergeants \$30; Cooks \$30; Corporals \$24; Privates, first class \$18; Privates \$15. In addition to their regular pay all enlisted men receive rations, quarters, clothing, fuel, bedding, medicines and medical attendance when required. An increase in all of these is being considered and on foreign service they are automatically increased.

Enlistment in the Quartermasters Enlisted Reserve Corps now exempts a man from conscription. No military training is required and there is no drilling with rifles, guard duty or other purely military duties which fall to the lot of soldiers in other branches of the service, except in case of emergency. In stating these facts it is not done with any idea of suggesting in any way the shirking of military responsibility. This department is one of the most responsible connected with the Army, in fact it is vital to the success of the Army. The transportation of supplies has increased to an almost unbelievable extent, and it is absolutely necessary that this branch be recruited to full strength before our Army goes into its various training camps.

Anyone between the ages of 18 and 45 is qualified. Married men are not barred, but are not wanted if their families will be dependent for support after they are called out.

Anyone desiring particular information can obtain it from the recruiting committee whose office is at the Automobile Club of Phila., 23 South 23rd Street, Philadelphia.

LARGE CROWD ENJOYS CONCERT BY THE BAND

FAVORABLE WEATHER CONDITIONS MAKE SECOND CONCERT A SUCCESS.

"Spring is coming; Spring is here." As an evidence of this, the Band played the second concert of the season on the campus on Thursday evening, with the orchestra pit at the west end of the Athletic Field. The weather was exceedingly fine; an ideal night for fusers, and many were the ones who took advantage of the opportunity. Even straw hats were in evidence. The audience consisted of small groups of boys and girls strolling along the paths or gathered beneath the trees near the band.

A program full of variety was rendered. It consisted of nine selections, each of which drew forth prolonged applause from the hearers. The second number, "The Haunted House," was descriptive in nature and caused much laughter by the weird music and unexpected pauses. A vocal accompaniment to Sprenkle's solo "Memories" was heard from all parts of the campus.

Many thanks are due Cassler, the

leader, for preparing a program such as:

Part I.

1. Fidelity March.....Blankenburg

2. The Haunted House—descriptive—Lafferty.

3. How's Every Little Thing in Dixie—Gumble.

4. Memories—Trombone solo—Van Alstyne.

5. Lawdy Massy—Trombone solo—Jewell.

Part II.

1. Housatonic's March.....Chambers

2. The Elvies—Overture.....Kiefer

3. Pabson "Trombone".....Fillmore

4. Stand by the Flag.....Stults

S. A. E.'s on a Hike

An aggregation of S. A. E. fellows and Seminary girls to the number of 45 engaged in an all-day hiking expedition to Shriver's Island Saturday.

A day of sport was enjoyed, interrupted at noon by the arrival on the scene of a battle of a bountiful picnic lunch which, needless to say, was made short work of by the outers. Miss Way and Miss Clayton were the harpers.

The University of Pittsburgh, which recently organized a base hospital unit from the medical faculty and undergraduates of the University, have been asked to recruit a unit of 36 students for ambulance work. These men will become members of the Medical Reserve Corps. In all probability the 3600 men called for this service in the entire country will be the first American group to reach France.

Elizabeth Champion, '18, returned to her home in Montoursville for a few days.
Martha Wuttlafer, '18, Agnes Carswell, Helen Walton and Elizabeth Downes, '20, were in Williamsport for several days.

FRESHMEN GIRLS HOLD DECLAMATION CONTEST
LARGE CROWD HEARS INTERESTING PROGRAM RENDERED BY 1920 GIRLS.
In keeping with the fine weather, a good crowd enjoyed the Freshman Girls' Annual Declamation Contest, which was held in Bucknell Hall last Friday evening. It was noticed that there were quite a few people from the town present and this was probably due to the fact that three of Lewisburg's young ladies took part. The program was in keeping with the other fine programs of this year and showed careful preparations on the part of all. The humorous was mixed with the more solemn and all in all it was a very well balanced evening's entertainment.
The music was furnished by Miss Keylor.
The program was as follows:
March, Miss Keylor.
Gardner's Both, Marion Hill.
Elizabeth N. Patterson, Kirkwood.
Heart of Brier Rose, Lillian Bell.
Margaret Irene Brown, Lewisburg.
N.Y. Yawls the Place, Kelly.
Elitha G. Corson, Bridgeton, N. J.
Fourteen to One—a true story, Phelps.
Florence M. Gable, Lewisburg.
The Glad Game, E. H. Porter.
Lillian I. Killian, Susquehanna.
Scene from The Lion and the Mouse, Chas. Klein.
Helen Louise Moyle, Plymouth.
Editha's Burglar, F. H. Burnett.
Evelyn G. Powell, Edwinstown.
A Christmas Experience, Elia, Price.
Kathryn Luetta Wagner, Lewisburg.

Seidel & Spangler's Specials

AEROLUX WINDOW AWNINGS MAKE PERFECT VENTILATION

They let all the cool air in, keep all the hot sun out, and give you perfect ventilation.
These awnings are convenient, as they can be placed in any position, and left there through any kind of a storm.
They are durable and decorative. Give an added touch of beauty and elegance to any home.
Come in and see our wonderful line of Aerolux No-Whip shades and awnings.

TAILORED SPRING SUITS MUST GO

The few that we have left will be picked up quickly at these prices, because they are in many cases the very best suits that we carried this season. They are perfectly tailored, best styles, and as late as you could buy in New York for twice the prices.
\$22.50 to \$30.00 Suits all to go at \$16.50 choice. There are all colors in the lot.
One special lot of Suits at \$5.00 and \$5.98. They are all-wool, some plain colors, and all-wool mixtures. All lined with guaranteed linings.

A NEW SPRING SUIT

Is a pleasant thing to own. Especially so, if it is as charming as many of these coats are—in fact, they are all lovely. All specially priced for quick selling.

VOLUME XX.

STUDENTS FORM AMBULANCE CO.

SECOND COMPANY IS ALMOST COMPLETE.

FORTY-FOUR MEN HAVE SIGNED PAPERS

Company is Part of U. S. A. Hospital Corps, Ambulance Service.—Will Sail for France Sometime in June.—Many Colleges Represented.

LAST WEEK A MOVEMENT WAS STARTED TO FORM A COMPANY OF THIRTY-SIX BUCKNELL MEN FOR THE UNITED STATES ARMY HOSPITAL CORPS, AMBULANCE SERVICE.

Chalfant, '19, and Downing, '17, were in Philadelphia last week and were authorized to act as clerks at Bucknell. On returning they found forty-four men ready to form such a company. Many others are considering the proposition and it is probable that Bucknell will be able to form two companies of thirty-six men each. Still a few more men are needed to complete the second company.

THOSE WHO HAVE ALREADY SIGNED UP ARE: ALEX. H. CHALFANT, '19, ROBERT DOWNING, '17, DANIEL R. STEELE, '17, JOHN L. GUENZLE, '19, WILLIAM R. HECKERMAN, '18, ARNOLD R. KERTH, '20, CYRUS B. FOLLMER, '16, HARRY J. WAGNER, '20, LEROY G. CLARK, '18, ALBERT F. HERBINE, '20, JOHN E. CATHERMAN, '20, ROBERT W. CATHERMAN, THOMAS W. AGNEW, '20, CLARENCE A. DAVIS, '19, ALLEN E. LEES, '20, JOHN B. VANDERBILT, '20, LESTER E. LIGHTON, '18, JULIUS F. SEEBACH, '18, JOHN E. KAUFMAN, REGINALD S. NEWBERRY, '17, FRANCIS P. McDEMOTT, '19, WILLIAM J. RINEHOLD, '20, GROVER R. SHORT, '20, FRANK H. RITTER, '18, HARRY E. POTE, '19, B. L. BANKS, '18, EMERSON R. MILLER, '20, LEROY P. CALKINS, '17, GEORGE H. BEATTIE, '19, CHARLES B. SIPLEY, '17, WALTER H. SHOFFSTALL, '18, RALPH P. GRIFFITH, FREDERICK K. DUFFIE, '19, RICHARD E. THOMAS, '17, HARRY V. THOMAS, '19, HAROLD A. STEWART, '19, JOHN P. WILLIAMS, '21, ROBERT L. HULSZER, '20, JAMES F. MOORE, '20, WARREN S. REED, ALBERT L. GANDY, '19, ROLAND N. CRAIG, '21, G. J. MURDITH, '15, and W. G. WINSOR, '15. In the above list it will be noticed that there are several graduate students, several members of the sub-freshmen department and several young men who are not in school.

OTHERS WHO HAVE SIGNED THEIR INTENTION OF JOINING THE COMPANY SOON ARE: C. M. BASHORE, '19, A. LINCOLN SHORR, '20, FRANKLIN L. BAILEY, '21, CARL SHUG, PHIL SHUG, JOSEPH DENT, '19, DONER ACKERMAN, '17, NORMAN K. HURLEY, '18, GURNEY C. SECHER, '19, G. HOBART MILLS, '18, and LLOYD L. GARNER, '18.

AN ENLISTING OFFICER ARRIVED TODAY TO PUT THE MEN THROUGH THE PHYSICAL EXAMINATION.

After he has completed his work the enlisted men will be given leave of absence for one week, after which time they will report at Lewisburg and receive transportation to Allentown. At Allentown the Fair Grounds, which are well fitted for the purpose, have been leased for the men to train on. There are about two thousand ambulances stationed there which will be used in training the men. Companies will gather there from all the principal colleges of the United States.

ALTHOUGH MEN HAVE ALREADY SIGNED UP TO COMPOSE ONE COMPANY AND A PART OF A SECOND, IT IS NOT ALTOGETHER CERTAIN WHETHER A SUFFICIENT NUMBER CAN BE FOUND TO FILL OUT THE SECOND COMPANY.

In case it should be found necessary to give up the project of forming two companies, those who are most fit physically will be chosen to form one company.

AT ALLTOWN THE MEN WILL RECEIVE SEVERAL WEEKS TRAINING WHILE TRANSPORTATION IS BEING OBTAINED.

After this has been procured they will be sent somewhere in France or England in sections of 15 or 20 companies at a time. After all the companies have been assembled the entire unit will go into actual training outside of Paris before being sent to the front.

THE ORGANIZATION WILL BE UNOFFICIALLY RECOGNIZED AS THE BUCKNELL UNIVERSITY COMPANY AND WILL BE PERMITTED

TO CARRY THEIR COLLEGE COLORS. IN ALL PROBABILITY A FLAG IN THE UNIVERSITY COLORS WILL BE GIVEN TO THE COMPANY BEFORE THEY LEAVE.

MAJOR PERSONS IN THE UNITED STATES ARMY OFFICER IN CHARGE OF THE FORMING OF THE UNIT OF 3600 COLLEGE MEN. HE IS ASSISTED BY CAPTAIN FRANK U. S. A.

BAND CONCERT FRIDAY EVENING.

The weekly concert by the Bucknell band will take place on the campus Friday evening at 6:30 o'clock. Arrangements are being made for one or two special features with a possible vocal solo.

DR. A. R. E. WYANT WILL BE ALUMNI ORATOR

WILL DELIVER COMMENCEMENT ORATION ON "FOOTBALL AND PREPAREDNESS."

Dr. A. R. E. Wyant, of Chicago, will deliver the Commencement Alumni Oration this year, taking as his subject "Football and Preparedness." Dr. Wyant was football captain in 1893 under Coach Stange. He has already stated in a communication to the Bucknellian that he would be glad to receive, from any graduate, criticism or commendation of the game. Personal testimony from football men as to whether they have been benefitted by the game, or were handicapped by resulting injuries or weakness in after life would be especially welcome. On May 20th, at his fifteenth birthday anniversary dinner he and Mrs. A. A. Stagg and family, of the University of Chicago.

MERELY A DETAIL.

A girl student in taking leave of her college dean, said, "Goodby, I promise I shall not forget you! I am indebted to you for all I know." "Oh, I beg of you," replied the professor, "don't mention such a trifle!"—St. Louis Star.

JUNIOR "EX" TO BE HELD THIS WEEK

ANNUAL CONTEST SLATED FOR FRIDAY NIGHT—THERE WILL BE MUSIC.

The annual contest of the Junior Class with original intentions will be held this week on Friday evening, June 1st. Big problems of the day will be discussed. With music by the pupils of the School of Music a pleasant and profitable evening is assured. The contest will take place in Bucknell Hall.

MADAME DE SYLVA SCHOEN TO SING.

Madame De Sylva Schoen and the Mu Phi Epsilon Sorority will give a benefit recital in the Evangelical church Monday evening, May 28th, at 8 o'clock. A silver offering will be taken at the door for the benefit of S. B. Wolfe's Sunday school class.

UPPERCLASS FRAT. INITIATES.

Phi Delta Sigma, upper-classmen fraternity, held its annual initiation Saturday morning, followed by a banquet at the New Cameron House on Sunday noon. The new members are: Frank Rorabach, T. F. Holsing, Joseph Dent, Thomas Mangan, Raymond Tice, Charles Aman.

D. T. U. BASEBALL TEAM TAKES TRIP

MEETS BURNHAM, MILROY AND REEDSVILLE ON THREE-DAY TOUR.

The D. T. U. baseball team left Thursday noon for Burnham where they encountered the Burnham nine. The latter won the tilt by a score of 5 to 3. The next game was played in Milroy on Friday. The Milroy team was defeated by a score of 10-8. The last game took place in Reedsville on Saturday afternoon. Here the visitors were defeated by a score of 5 to 3. All three games were spirited contests between teams that were pretty evenly matched.

ANNUAL RECEPTION TO SENIOR CLASS

HELD AT DR. HARRIS' HOME ON THURSDAY NIGHT.

MEMBERS OF 1917 ENJOY SOCIAL EVENING

Yearly Affairs Affords Much Pleasure to Students—Excellent Musical Program by Orchestra is the Feature of the Evening.

The annual reception to the Senior Class of the University was given last Thursday evening. Due to the weather conditions it became necessary, at the last minute, to hold the concert in the Chapel.

THE ORDER OF EVENTS FOLLOWED THE TIME-HONORED CUSTOM.

With the latter in the lead the members of the class of 1917 repaired to the President's residence, where they were welcomed by the strains of an orchestra and by Dr. and Mrs. Harris.

THE DELIGHTFUL EVENING WAS PUNCTUATED AT FREQUENT INTERVALS BY PLEASANT SELECTIONS BY AN ORCHESTRA CONSISTING OF ECKHOLMAN, ADAMS, CASSLER, AND LLOYD.

The needs of the inner man were also provided for in the way of delicious refreshments which were served at a suitable hour. About 11:30 the Seniors reluctantly took their leave, the fellows escorting their classmates to the doors of the Woman's College.

THE SENIOR MEN, HOWEVER, AFTER BIDDING THEIR FRIENDS GOOD-NIGHT, WERE NOT FREE TO SEEK THEIR PEACEFUL ALIBES, FOR IN THE DUSTY OLD TOMB OF B. U. TRADITION IT IS WRITTEN THAT ON THIS NIGHT THE VENIANT FIRST-YEAR MEN MUST PASS THE HOURS WITH THEIR PEDAL EXTREMITIES FULLY CLAD.

The Seniors made the rounds and saw to it that the time-honored custom was carried out to the letter.

CALENDAR

Monday—Glee Club and Orchestra meeting, at 6:45 o'clock.

Tuesday—Fraternity meetings, Y. W. C. A. meeting, Woman's College.

Thursday—Y. M. C. A. Cabinet meeting at 7:00 P. M.

Friday—Concert by the Bucknell Band at 6:30 P. M., College campus. Junior "Ex", Bucknell Hall.

Sunday—Bible Class 9:30 A. M., devoted to Seniors.

NOTICE GLEE CLUB AND ORCHESTRA.

A very important business meeting of the Bucknell Glee Club and Orchestra is scheduled to take place in the Chapel this evening at 6:45 o'clock. All members should be present.

MINISTERIALS ENTERTAINED.

On Friday evening the Young Ladies' Aid Society of the Christian church entertained the Ministerials of Bucknell, and Rev. J. W. Barrett addressed them.

ALUMNUS RECEIVES IMPORTANT POSITION

BECOMES CHIEF ACCOUNTANT OF EASTERN GROUP OF BELL TELEPHONE CO.

H. A. Trax, '02, now has charge of the accounting force of the Eastern Group of Bell Telephone Companies. This responsible position merits for him the title of Chief Accountant of Companies.

S. A. E. ENTERTAINS FACULTY.

Sigma Alpha Epsilon entertained the faculty at a smoker at their fraternity house Saturday evening. A social evening and refreshments made up the program. Those present were President Harris, and Professors Riemer, Owens, Davis, Ballew, Simpson, Everett, Griffith, Taylor, Baldwin, Brown and Steinger.

Y. M. C. A. CABINET MEETING.

There will be an important meeting of the Y. M. C. A. cabinet Thursday evening at 7:00 o'clock. All members are requested to be present as this session is very important.

BIG CROWD ENJOYS THE BAND CONCERT

COLLEGE CAMPUS IS SCENE OF ANOTHER PLEASING ENTERTAINMENT.

Another of the weekly concert given by the Bucknell band was held last Thursday evening. Due to the weather conditions it became necessary, at the last minute, to hold the concert in the Chapel.

IN RESPONSE TO THE AID GIVEN AT TIMES DURING THE SCHOOL YEAR BY THE STUDENT BODY, THE BAND HAS DECIDED TO CONTINUE THESE CONCERTS.

The students have endeavored to contribute their share in the making of "pep" around the college campus.

THE PROGRAM WAS AS FOLLOWS:

1. March—Haustrauser.

2. Selections from Bohemian Girl.

3. National Emblem—Encore.

4. Overture: Orpheus.

5. How's Every Little Thing in Dixie—Encore.

6. Selection—Memories, Trombone Solo—Mr. Sporkie.

7. Selection—Pahson Trombone.

8. Melody of Popular Airs—Sky High.

9. Honolulu American Loves You—Encore.

10. March—Stand by the Flag.

The concert for this week will be held on Friday evening instead of Thursday, at 6:30 P. M.

DREISBACH—HENDERSON WEDDING.

On Saturday afternoon at 3:30 o'clock in the First Baptist church, Miss Anne K. Dreisbach, daughter of Mrs. H. G. Dreisbach, became the wife of Joseph Welles Henderson, of Philadelphia, a graduate of Bucknell and Harvard.

The wedding was performed by the Rev. John T. Judd, was an elaborate affair and took place in the presence of several hundred friends and relatives.

FORUM HIKERS.

The members of the Forum fraternity hiked to Montour on the other side of the river last Saturday. The couples were chaperoned by the Rev. and Mrs. J. W. Barrett, of the local Christian church. All reported a fine time.

Y. M. C. A. CONFERENCE TO BE HELD AT NORTHFIELD

ANNUAL CONFERENCE HELD AT EAGLES MERIE WILL NOT TAKE PLACE.

Owing to the difficulty experienced in obtaining speakers and the doubtful attendance of the students at the Y. M. C. A. conference, the International Committee has decided to combine the Eagles Merie Conference with that at Northfield, the combination conference to be held at Northfield from June 16th to the 29th. Owing to the combination, however, the committee has been able to secure the leading speakers of the Christian Association movement who are: J. R. Mott, R. E. Speer, R. P. Wilder, Charles R. Brown, H. S. Coffin, C. W. Gilkey. The continental speaker this year will be the Rev. Robert Adam of London, England.

WHILE IT WILL BE IMPOSSIBLE FOR BUCKNELL TO HAVE A LARGE DELEGATION AT THE CONFERENCE ON ACCOUNT OF THE EXPENSE, IT IS HOPED THAT THERE WILL BE AT LEAST A SMALL REPRESENTATION AT NORTHFIELD, MASS.

NOTICE TO ALUMNI.

All alumni who desire to have the Commencement News sent to them will please send their name and address together with 20 cents to Manager Rosenberger before June 16th.

BIBLE CLASS ADDRESS DEVOTED TO JUNIORS

1918 CLASS HEARS INSTRUCTIVE TALK BY DR. PHILLIPS.

NEXT ADDRESS WILL BE FOR SENIORS

Last of Series of Addresses Will be Directed to Seniors and Will be of Such a Nature as to Interest Other Students.

Dr. Phillips' address yesterday morning was directed to the Juniors, a number of whom were present. Reviewing his talk of the previous Sunday, Dr. Phillips emphasized the importance of accumulating, during the first two years of college life, permanent universal enthusiasm. The underclassman years afford an opportunity for the beginning of such enthusiasm but not for its completion.

Out of this naturally arises the question: What is there in this year to create permanent and universal enthusiasm? The Junior year affords four means for the creation of permanent and universal enthusiasm. The first of these is the larger range of elective subjects offered in the curriculum: in exercising choice of our subjects we can select those studies which are most interesting to us, and thus have enthusiasm for our work. Secondly, we are at this time introduced for the first time to the philosophical studies. The engineers commence in the Junior year their specialization in engineering subjects. And then the self-government of the student body lies in the hands of the upperclassman. In all of these conditions there is ample opportunity for the development of enthusiasm to which the speaker referred in his former address.

In these characteristics there are certain implications. Of these the first is the fact that studies and life are inseparable. The result of the investigation by a professor at Lafayette shows this fact. In his statement that the poor student has little chance in the world unless he is in the business world where the chief asset to a man is his congeniality. Such a fact should be borne in mind when we choose our subjects; and our choice should be based not on artificial but on real interest. Among the artificial interests may be named the so-called "emits," the artificial influence created by the teacher in trying to get the students to take the subjects in which he himself is interested. Such an influence should not affect the student who must consider that his choice of subjects is a thing sacred to him. There are then two items of popular opinion and the convenience of the course.

Such artificial interests must be subordinated to the real interests. We should choose our subjects with great care for we and those subjects are practically identified and when we pursue them they will, if the right choices, call out the best that is within us. Man is more than a working machine or a working animal. To be efficient is not the highest quality in life. Efficiency specialists eliminate the human element in men. It is a philosophical question whether a man can see more in work than bread and butter. The elimination of the human element in men, the striving after efficiency has caused the present situation in which we find ourselves. It has caused the evils contingent upon competition in business. It has caused college students to go out into the world and promote the idea of competition in business. And all this is the result of failure to create permanent and universal enthusiasm during our college life.

Next Sunday Dr. Phillips will speak especially to the Seniors. His subject, however, will be of such a nature as to be of interest to all.

Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to the editor.

MONDAY, MAY, 27 1917.

ATHLETICS.

Because Bucknell has decided to discontinue all athletic events for the present year is no reason why all forms of sports about the college should be allowed to die out. Many of the men are manifesting good spirit and a commendable showing was made last week on the Athletic Field. Since it has become necessary to abandon military drill this is about the only means left for the men to keep themselves in good physical condition. An inter-fraternity baseball league would be an excellent plan for keeping a large number of men physically fit, and at the same time it would allow the baseball men to keep in trim for next season.

It must be remembered that it is of paramount importance that all the young men of the country keep themselves in prime condition. President Wilson advocates the continuation of athletic sports in the American colleges and schools, rather than substitution of military training.

"I should be sincerely sorry," he said, "to see men and boys give up their athletic sports."

The President believes that college sports contribute to the national defense.

"Our young men must be made physically fit," he said, "in order that they might take the place of those of military age and exhibit the vigor and alertness which we are proud to believe to be characteristic of our young men."

NAVAL SCENES TUESDAY TO BE ORPHEUM DISPLAY

1000 FOOT FILM TO BE SHOWN
OF VESSELS AND SUBS, ALL
OF INTEREST.

Through the courtesy of Manager Koser a 1000 foot reel of scenes of the U. S. Navy will be shown at the Orpheum next Tuesday evening. Along with the film that will picture the massive vessels composing our fleet for coast defense, there will be depicted submarines, and other incidents that make the life of the U. S. Navy so interesting. The pictures were taken by the U. S. Naval Department, and are shown to give the landsman an insight of this form of our country's defense. Along with the film there will also be 14 lantern slides. It is likely that Officer Lampton of the U. S. Naval Recruiting Station, will be present and explain the various pictures as they are shown upon the screen.

COLLEGE N. G. FOR WRITERS

That a college education kills creative genius and that the best modern writers are lucky to have escaped university training is the belief of William W. Ellsworth, late president of the Century Company. He says that this is true especially of women writers. From a list of 50 leading American authors Mr. Ellsworth found that 31 are in the non-college class. Walt Whitman, Mark Twain, Jack Whitcomb, Riley, Bret Hartley, Raymond, Taylor, Joel Chandler Harris, William Dean Howells and Frank Stockton.

INTER-COLLEGIATE

The University of Pennsylvania will continue intercollegiate athletic competition until advised to cancel sports events by Maj. William Kelly, Jr., the military instructor at the university, or by Maj. Gen. Leonard Wood, commander of the Army of the South-east. Pennsylvania stands alone among the so-called "Big Six" universities of the East, being the first institution of like size to announce a continuation of athletics after war was declared by Congress. The five other universities, Yale, Harvard, Princeton, Columbia and Cornell, all have decided to call off sports and have cancelled their athletic schedules.

Reorganization of the company was planned for last Wednesday night, and a election of officers took place. Because of the few members of the company remaining in school, it was decided that sergeants would be selected by the members of the company.

First Lieutenant and Second Lieutenant. A. F. Wilson, until now Second Lieutenant of the Company, was unanimously chosen as the new Captain. There was no doubt that he was the most capable of answering the requirements of the position. As First Lieutenant, G. L. Lowry, another Freshman, was elected over H. G. Wilson who is now ranking as Second Lieutenant of the Company.

AGED ALUMNUS WRITES PATRIOTIC POEM

HAS ACTED AS POET ON THREE
OCCASIONS DURING THE
PAST YEAR.

The poem which follows was written by J. M. Lyons, of Germantown, a Bucknell graduate, shortly after President Wilson's message to Congress. In regard to it President Wilson said that such sentiment heartened him for his work. In a short time Mr. Lyons will be ninety years old. He has been in the past a very regular attendee of Commencement, but regrets that he will not be here this year. During the past year he has acted as poet on three occasions. The poem which follows is entitled, "To President Wilson."

Interpret of outraged laws,
An army of a million waits
To vindicate a righteous cause,
Humanity cries out for shame,
At stains on our nation's hand,
For murdered wives, with homes
And children dead with none to
care.

God's great highway the sea, the sea
Ordained for nations far and wide,
A grant claims that none but he
Shall navigate its boundless tide,
Our citizens on business bound,
The women and the children too,
At length have a deliverer found
And murder, yet, must meet its due.

God shield these statesman true and great,
We're glad to greet you at the helm;
You're guiding well the Ship of State
Which angry waves shall never
overwhelm.

For he who uttered, "Peace be still,"
Is mighty yet to quiet the storm,
And o'er dark clouds portending ill
Can spring the rainbow's speaking form.

God bless our President who stands
To magnify the broken laws,
To check the despot's lawless demands,
Establishing a righteous cause,
Long may the Red, the White and
Blue,
Adorned with beaming stars of
light.

In beauty wave with lessons true
Of trust and faith in God and
Right!

MILITARY DRILL
IS DISCONTINUED

VOLUNTEER COMPANY DIS-
BANDED AFTER MAJORITY OF
MEMBERS ENLIST.

For the remainder of the term, there will be no military drill by the Bucknell Company. This was officially decided on Friday night. Numerous reasons have led to this decision. The majority of the original drillers have already left school, some for Fort Niagara, others for Fort Slocum and many other points of mobilization. Now many of the remaining volunteers have signified their intention of joining the Ambulance Driver's Corps. The effect of the various excitements has been shown more and more during the past few weeks by the constantly decreasing number reporting for drill. Nothing but the simplest foot movements could be executed with a more handful of men, and these movements, which the men learned at the very beginning of the drill, have not been sufficient to hold the interest of the men. As the same men were reporting each night, but hampered by the lack of numbers from making any advancement, no progress has been made and a further continuance of such work, which was becoming monotonous, has been deemed useless. Furthermore, as there are but two weeks of real school work remaining to this term, the loss by suspending drill at this time would not be very great. On these accounts, drill has been discontinued until the opening of school in the fall, when it is hoped real work and real results will be forthcoming.

MU PHI EPSILON GIVES A RECITAL

EXCELLENT PROGRAM RENDERED IN BUCKNELL HALL LAST MONDAY.

Last Monday evening at eight o'clock Mu Phi Epsilon held a recital in Bucknell Hall for invited guests. The program was high class and received many favorable comments from those who heard it. After the recital Madame De Silva-Schoen, who is an honorary member of Mu Phi Epsilon, delightfully entertained the members, alumnae and some of the teachers in her studio. The program of the recital follows:

Piano, Coronation March from "Le Prophete"—Meyerbeer. Miss Slear. Voice, Aria from "Madame Butterfly"—Puccini. Miss Larson.

Vocal Duet from "Norma"—Bellini. Violin, Walter's Prize-Song from "Misses Gragan and Hagerman." "Die Meistersinger"—Wagner-Wilhelm.

Miss Armstrong. Vocal Octette, Spinning Song from "The Flying Dutchman"—Wagner. Voice, With Venture, Clad from "The Creation"—Haydn. Miss Hopper.

Voice, My Heart at Thy Sweet Voice from "Sampson and Delilah"—Saint-Saens. Miss Brown. Vocal Octette, Inflammatus from "Stabat Mater"—Rossini.

Voice, (a) Arioso from "Le Prophete"—Meyerbeer. (b) Brindisi from "Lucia di Borgia"—Donizetti. Madame De Silva-Schoen. Vocal Duet from "The Merry Wives of Windsor"—Nichols.

Miss Brown and Madame De Silva-Schoen. The vocal octette which appeared on the program on two occasions was composed of the following members: Soprano—Misses Gragan, Larson, Volkmar, Hagerman. Contraltos—Misses Schenck, Maher, Amiller, Corson. Accompanists—Misses Slear, Cooper, Hagerman.

Program in charge of Madame De Silva-Schoen. "My college certainly takes an interest in its graduates," said Jones to Smith. "How's that?" asked Smith. "Why, here I get a note from the dean saying he will be glad to hear of the death of any of the alumni."

Seidel & Spangler's Specials

4th LOT OF SILKS \$1.00, VALUES UP TO \$2.50 When you buy a silk dress, you buy a dress that can be worn all the year round. Think of the service you can get out of a dress of this kind, and in these times of high prices this seems to be what the people want.

FIFTH LOT AT \$1.50, VALUES WORTH \$3.50 Now this covers our entire stock, including the very best we have shown this season. All the very newest things are included—none have been reserved. We want to sell every yard of silk we have, and these special prices should do the work.

FINE TABLE DAMASK WITH NAPKINS Do you know how scarce they are? Do you know they are advancing? And do you know that before fall there will be none to be had at any price? Do you want to use all mercerized table covers? If not, buy your linens now—don't wait. What we have we are selling away below what they are worth today.

We have a fine line of patterns and qualities as good as they were.

EXTRA GOOD TURKISH TOWELS Plain white, fancy, fancy colors and all kinds, on sale at special prices. Soon the time will be here when Turkish towels will be more in demand than anything else in the towel line.

The towels that we are selling today at 15, 25, 50, etc., are worth almost twice these prices.

If you are wise in buying your needs, you'll lay in a good supply of these towels.

AMBULANCE CO.

LEAVES TOMORROW

50 MEN SUCCESSFULLY PASSED EXAMINATION

BUCKNELL CREDITED WITH TWO COMPANIES

Three B. U. Alumni Join Company; Others May Be Transferred—Opportunity for Enlistment Open for One Week After Company Leaves.

The two ambulance companies which were formed from among the students of Bucknell will probably leave for Allentown sometime tomorrow. A special car will be furnished for them by the government.

Fifty men have now signed up in the Bucknell company and although it takes thirty-six men for a full company Bucknell will be credited with two companies. The companies will be expended to full strength when they arrive at Allentown by men from other colleges. Both companies will remain together while in France.

The examining officer, Lieutenant Whitehouse, was here last Monday and Tuesday and gave the men their examination. All but two of the men who had made application were passed. On Tuesday evening the company was mustered in.

Several other Bucknellians are making arrangements to go to Allentown along with the company where they will be examined and, if passed, will become members of it. There are also some Bucknell alumni in other branches of the service who are going to be transferred to this company. Any other men who desire to be enlisted in this company can do so by going to Allentown any time within a week after the company leaves here. This will be the last opportunity for anyone to join this particular branch of the service.

Captain Persons expects that the entire unit of 3000 men will be in England by the first part of July. Here they will train for a period of the wounded who are brought to England from France. About September 1 they will go to the base hospitals which are located just outside of Paris.

One company is composed of twenty ambulance drivers, one clerk, three touring car drivers and twelve repairmen. The Bucknell company will be led by Lieut. Clapp.

It is highly important that Bucknell give these men a big send-off. They are going to represent Bucknell and are going to carry the Orange and Blue on the battlefield in France. Watch for the time of the special train and see to it that you are there to give the boys a good cheer before they leave!

The names of the fifty members of the companies follow:

SENIORS Robert Downing, Reginald S. Newbury, Leroy P. Calkins, Charles R. Spiley and Don. B. Shippman.

JUNIORS William R. Heckendorn, Daniel R. Steele, Lester E. Lighton, Julius F. Seebach, Frank H. Ritter, Bruce L. Banks, Walter B. Shoffstall, Everett E. Stone, Clayton Yon and Leroy G. Clark.

SOPHOMORES Alex. H. Chaffant, John T. Gaenzle, Clarence A. Davis, Francis Pat McDermott, George H. Beattie, Frederick E. Duffee, Harry V. Thomas, Harold A. Stewart, Albert L. Gandy, Charles M. Bashore, Thomas J. Mangum, Emerson V. Peck and Gurney C. Seebach.

FRESHMEN Arnold R. Kerth, John E. Catherman, Thomas W. Agnew, Allen E. Leese, John R. Kaufman, William J. Rinebold, Grover R. Short, James F. Moore, Emerson R. Miller, Allen F. Wilton and John B. Vanderbilt.

PREPS Roland N. Craig, John P. Williams and Donald B. Cloward.

GRADUATES Cyrus B. Follmer, G. L. Meredith, Jr., and W. T. Winsor.

Registration for rooms for next fall will take place tomorrow.

THE BUCKNELLIAN

BUCKNELL UNIVERSITY. LEWISBURG, PENNA., MONDAY, JUNE 4, 1917. NUMBER 29

BUCKNELL TO BE IN OPERATION IN FALL

RESOLUTIONS OF WASH. CONFERENCE APPROVED

EDUCATION ESSENTIAL TO PREPAREDNESS

Dr. Harris Urges Students to Bring in Young Men and Women for Next Year—Those Under 21 Render Best Service to Country by Attending College.

President Harris was interviewed last week concerning the war situation and what Bucknell will do next fall. In answer he said that the college will be in operation next fall and it is urged that every student now in college do all in his power to bring in young men and women, especially those under 21, who can best aid their country by securing a college education.

The Washington conference of college representatives which took place May 5, passed resolutions which Bucknell heads approve of. Dr. Harris was unable to attend this month-long college representative gathering but all its actions have been accepted. Representatives were present from all parts of the country. From California to Maine and Washington to Louisiana, who were called together by Dr. Godfrey, appointed by the President as a member of the Advisory Committee of Defense. Among the statements of principles, this large body unanimously agreed upon the following resolutions:

"We believe, first, that all young men below the age of liability to the selective draft and those in the statements of principles, this large body unanimously agreed upon the following resolutions:

BUCKNELL TO BE IN OPERATION IN FALL

RESOLUTIONS OF WASH. CONFERENCE APPROVED

EDUCATION ESSENTIAL TO PREPAREDNESS

Dr. Harris Urges Students to Bring in Young Men and Women for Next Year—Those Under 21 Render Best Service to Country by Attending College.

President Harris was interviewed last week concerning the war situation and what Bucknell will do next fall. In answer he said that the college will be in operation next fall and it is urged that every student now in college do all in his power to bring in young men and women, especially those under 21, who can best aid their country by securing a college education.

The Washington conference of college representatives which took place May 5, passed resolutions which Bucknell heads approve of. Dr. Harris was unable to attend this month-long college representative gathering but all its actions have been accepted. Representatives were present from all parts of the country. From California to Maine and Washington to Louisiana, who were called together by Dr. Godfrey, appointed by the President as a member of the Advisory Committee of Defense. Among the statements of principles, this large body unanimously agreed upon the following resolutions:

"We believe, first, that all young men below the age of liability to the selective draft and those in the statements of principles, this large body unanimously agreed upon the following resolutions:

SUMMER SESSION TO BEGIN ON JULY 2

TERM WILL EXTEND OVER PERIOD OF SIX WEEKS

COURSES OFFERED ARE MANY AND VARIED

Outlook Bright for Large Attendance—Natural Facilities for Amusement Make College Ideal Spot to Spend the Summer.

Despite the many rumors to the contrary, Bucknell's Summer Session will begin on July 2. This will be a six weeks' term for public school teachers seeking advanced instruction and research work and for students desiring additional residence courses in University work. All such courses will be given hour for hour credit toward the satisfying of the requirements of a degree and will be of college grade. No entrance examinations are required for entrance in the Summer Session unless the studies are pursued toward the awarding of a degree, in which case the credits required for entrance to the University must be satisfied.

Board and a furnished room will be supplied by the college at the rate of \$5.00 per week. Classes will be so arranged that the students living in nearby towns can attend and live at home. Registration for the summer courses is desired prior to June 23, if possible.

A Faculty of nineteen men, chosen from the Faculty of the other three terms will teach a large number of courses, among which will be: Education, by Prof. Davis; Sociology, by Prof. Martin; History, Prof. Griffith; Latin, by Prof. Ballentine; English, by Prof. Fries; Public Speaking and Vocal Interpretation, by Prof. Smith; German, by Prof. Riemer; French, by Prof. Griffith; Spanish, by Prof. Rockwell; Mathematics, by Prof. Exatt; Physics, by Prof. Simpson; Chemistry, by Prof. Owen and Yale to Bucknell. There are, I think, 37 Bucknell men here.

One of my new students is a professor whose last will and testament I signed, as a witness, a few minutes ago. Another chum, younger, is a teacher whose hobby is the writing of plays for the movies. He expects to be "on Broadway" in a few years.

Yours, A Bucknell Student.

STUDENTS ENJOY ANOTHER CONCERT BY THE BAND. Last Friday evening one of the weekly concerts was given by the Bucknell Band. Owing to the fact that the Junior "Ex" was to be held on the same night, the concert was called for 6:30. The following was the program:

1. March—18th Regiment; (a) How's Every Little Thing in Dixie. 2. Overture—Bohemian Girl; (a) National Emblem. 3. Lullaby Mass; Trombone Novelty. 4. Hearts and Flowers; (a) Stand by the Flag; Fidelity.

If possible another concert will be held Friday night at 7 o'clock.

MEETING OF MECH. ENGINEERS There will be a meeting of the Mechanical Engineers society this evening at 7 o'clock. The important feature of the meeting will be the election of officers.

GLEE CLUB REHEARSAL There will be an important rehearsal of the Glee Club at the chapel on Thursday evening at seven o'clock. All members should attend.

ORPHEUM WILL HOLD BENEFIT DAY FOR BAND. In accordance with the spirit of the student body, the Orpheum, thru the kindness of Mr. Koser, will give a benefit for the Bucknell Band this week. The day is not as yet fixed, but announcement will be made.

Published weekly during the college year by the Bucknellian Board, representing the student body of Bucknell University. Subscription \$1.25 per year. \$1.00 if paid before January 1. Make all checks payable to Manager. Entered at the Lewisburg postoffice as second class matter. Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to the editor.

MONDAY, JUNE 4, 1917.

Because of the fact that examinations will begin next Monday and because there are very few events slated for the coming week, this will be the last issue of the Bucknellian for the present school year. Accordingly we wish to thank all those who have aided in the publication of this paper by their interest and support. It is our desire at the same time to send our best wishes for success with the Seniors as they are about to leave Bucknell and begin life in another sphere. We wish them success in their new undertakings, and that the gaps caused by their leaving will be filled by the men who will take their places.

A spirit of unrest has been manifesting itself among the students of Bucknell during the past few weeks. It is due, without a doubt, to the unsettled condition of the country. Many have felt it to be their duty to enter some branch of the service, and already the number of Bucknellians who have left school and offered their services to the government, has passed the century mark. Prompted by a spirit of patriotism these men have taken this action, and if, in their opinion, they can best serve their country in this capacity, then their action is right. But there remains those who have decided to stay in college, for the present year at least. With these the general tendency has been to allow themselves to be carried away by the excitement of so many leaving, with the result that studies are neglected.

The value of the service of a college man is not measured by a rush to arms. He must determine for himself how he can best serve his country. Regardless of what his inclinations might be he must consider how to conduct himself in order to render the greatest and most practical benefit to his country. He must act along the lines for which he is by training and education best fitted. President Wilson made the statement that "the nation needs all men, but it needs each man not in the field that will most please him, but in the endeavor that will best serve the common good."

The nation demands the best that each man can give. Then, if we consider a college education worth while in time of war, it is our duty to get the best education possible. The college is a necessary factor in a nation at war, and the student should make the purpose of the college his purpose, not merely from motives of college loyalty, but because by doing so he is at the same time serving his country. The chief purpose of the college is discipline of the mind. This means simply, then, that we should study hard for these last two weeks.

KEEP THE CAMPUS CLEAN.

As Commencement time draws near

it is once more necessary to raise the old cry, "Keep the Campus Clean." Bucknell has the reputation of having one of the prettiest campuses in the state, and the careless acts of a few students who are accustomed to using their windows for waste paper baskets can greatly mar the natural beauty of the campus.

There are times when the window is the nearest exit for a pile of rubbish, but students should remember, that in a few weeks hundreds of visitors and alumni will be back for Commencement. The fewer papers and junk under the windows of the buildings, the better opinion of Bucknell will these visitors carry away with them.

A little thought on the part of the students would aid greatly toward keeping the campus in its natural condition.

ALUMNI PLEASE NOTE.

The College will be glad to welcome back to the campus and halls all of its graduates who can possibly arrange to come. Everything at present seems to point to the fact that this year's commencement is going to be one of the largest in the history of the institution. Last year the representation of graduate students at commencement time was very small, due to unfavorable weather conditions. It is reasonable to believe, therefore, that a large number of Alumni will break away from their professional duties and return to Bucknell for Commencement Week, which begins on Friday, June 15, and ends with the graduation exercises on Wednesday, June 20. Attention is called to the program for the week which has just none of the attractiveness of former years and contains many interesting events. Bucknell students will make it a point to see that all the visitors at this time are well cared for as far as accommodations at the college will permit. It would seem well for others to engage their rooms in advance, straining the period of time that the visit will embrace.

JUNIORS DELIVER ANNUAL ORATIONS

SIX MEMBERS OF THE JUNIOR CLASS CONTEST

SPEAKERS ADVOCATE VARIOUS CAUSES

National Problems Furnish Material For Effective Orations.—Musical Numbers Add Pleasing Feature to the Program.

The annual "Junior Exhibition of Original Orations," popularly known as the Junior "Ex" was held Friday evening in the Bucknell Hall. A moderate sized crowd was present. The following program was carried out:

March, Miss Davis
Ebel R. HewittMillsburg
The Attitude of Women Toward War.
Walter C. BeaverOley
The Doom of Autocracy
Dorothy E. KantorWilkes-Barre
Industrial Efficiency and the Republic
Vocal Solo, Miss Hummel
Francis J. BeckleyNanticoke
Compulsory Latin: Why?
Evelyn McGinnLewisburg
Government Control of Food Supplies
Allen S. Reddig
Science and Democracy
The efforts of the contestants were successful both in delivery and content. The fact that each one of the orators was obliged to deliver original orations necessitated not only oratorical qualifications, but ability with the pen as well. Each speaker fulfilled the qualifications admirably, speaking in clear, ringing tones, which, with the interesting and forceful presentation of his or her subject held the closest attention of the audience.

The subjects were varied, but centered mostly about the present war. Musical numbers by members of the School of Music gave an added interest to the program.

NOTICE.

The College Office requests that all students register for their rooms for next year tomorrow. First choice will be given to those who first apply.

—Any students who leave school should make the fact known at the College Office before leaving.

DR. PHILLIPS DELIVERS ADDRESS TO SENIORS

LARGE CROWD HEARS BIBLE CLASS ADDRESS DEVOT-ED TO 1917.

Dr. Phillips in his address to the Seniors last Sunday morning at the College Bible class quoted again from Rabbi Ben Ezra for his opening thought upon which to base his remarks.

"Then welcome each rebuff
That turns earth's smoothness rough.
Each sting that bids not sit nor stand but go!

Be our joys three parts pain!
Strive and hold cheap the strain,
Learn, nor account the pang; dare never grudge the throne."

This quotation, said Dr. Phillips, expressed to those about to leave college for the real world, where it is the college graduates privilege and duty to change the roughness into the smooth and the pain into joy.

In review he mentioned the message to the undergraduates on the cultivation of permanent and universal enthusiasm, adding one word so that his slogan to the Seniors now read "Cultivate and maintain permanent and universal enthusiasm." On account of new surroundings and conditions the enthusiasm cultivated at college often fails in the world and leaves its one-time owner a pessimist. Such failure is due to the nature of the enthusiasm which if permanent and universal would not fail. Such enthusiasm, he had said, was conditional upon physical energy, open-mindedness and a sense of the unity of life.

These three should constitute our philosophy of life and though the application may vary the principle is permanent. They give contagion to our lives. Especially should a young man or woman learn some method of recreation to tone up himself or herself, for in the real world where "cuts" mean dismissal it is important that at times of recreation we should have at our command some method of keeping up for the work ahead.

In the other two elements of enthusiasm lies the two principles that constitute a sane philosophy of life. By open-mindedness is meant acceptance of the universe as it is. There will be catastrophes of life that will shake your whole being; take them as they are and without fatalism or absolute providentialism make the best of the circumstances. There is a great difference between accepting the facts of life as they are, and lying down contentedly before them. Our attitude should be the attitude of the investigator. We should first enquire in to the meaning and purpose of things and then devote ourselves to the realization of that purpose.

And coordinate with open-mindedness is the sense of the unity of life. This principle applied to society means a belief in the universal democracy—not only in democracy in government but also in life and in social contacts, that man is worth more than any institution he creates. The task before us today is that of harmonizing leadership and democracy; of keeping scholarship and wealth in constant touch with the great masses of men and women. It is our purpose to create a few leaders, that is, to have a few who, being where they are, can hold their hands on the great masses to bring them up. If true democracy is to exist, no chasm dare be maintained between leaders in wealth and learning and the masses. It is the duty also to bear in mind the real meaning of democracy.

Let us, then, go out with this philosophy of life and settle our question in social life. Let us have a part in the new era in which "the world shall be free for democracy. Let us judge a man not by where he came from but by what he is.

ADDED ATTRACTION TO COMMENCEMENT WEEK
On Saturday, June 16, an event will take place in Lewisburg which will add much to the interest of the Commencement Week Program. The big County Convention of the P. O. S. of A. of Union county will be held on this day. A monster parade is being planned for the afternoon and several bands have been engaged for the occasion. The bands will give concerts in the evening.
WILLIAM R. FOLLMER,
Attorney-at-Law,
Lewisburg, Pa.

REGISTRATION ON MONDAY
The general registration for next year will take place next Monday morning in the lecture courses. Any who do not have a lecture course or expect to leave before that date can register at the Registrar's office any time this week.

SPROUT GAINING RECOGNITION IN FIELD OF ART
WAS NOTED L'AGENDA ARTIST WHEN HE ATTENDED COLLEGE IN 1912.

Donald A. Sprout, ex-'14, is gaining recognition in the field of art. After leaving college in 1912 Sprout entered the Pennsylvania Academy of Fine Arts, Philadelphia, and spent four years there specializing in illustrating. It will be remembered that while in college and after leaving here he contributed many fine drawings and sketches to the L'Agendas, adding greatly to the attractiveness of the books.

Last fall he opened a studio at 1509 Arch street, Philadelphia, and since then has been doing considerable work in the line of advertising illustration. During leisure moments he makes sketches of parts of the city and scenes of interest. While taking a minor part in the play Henry VIII, in the Garrick Theatre, Philadelphia, Feb. 5 to 17, he made sketches of marked excellence of the stars of the cast, including Sir Herbert Beerhohn Tree, Edith Wynn Mathison, Lynn Harding and Elsie McKay. He also sketched interesting behind the screen scenes. His sketch of Edith Wynn Mathison was published in the Evening Ledger of Feb. 6, 1917, with complimentary reference.

When You Go Out Into The World

and equip your first laboratory perhaps you will have doubts as to what is the best apparatus to install for your particular requirements. WOMEN'S COLLEGE NOTES

Mary Bubb, '17, is enjoying a visit from her mother.
Helen Bodine, '20, has as her guest Miss Eve Upton from Syracuse.
Rebecca Scouton, '20, spent the week-end at her home in Wilkes-Barre.
Jeanette Cook, '17, is entertaining her sister, Elizabeth Cook, during the Senior week.
Marguerite Quigley, '18, received a visit from her mother and a friend from Williamsport.
Ruth Barthold, '17, who has been teaching in Bethlehem, Pa., this year, made a short visit here last week.
The Domestic Science freshmen have had a novel lesson this week; they entertained the Sophomores in Domestic Science by a picnic luncheon on the campus.

What Has Become of
The Rifle Club

At present the Rifle Club is entirely without officers, all of the recently elected men having left school to go into some form of government service. The President and Secretary are at Ft. Niagara, the Captain at West Point, and the Treasurer leaves tomorrow with the Ambulance Company. New men must be elected to fill their places, or the organization cannot exist. For this purpose a meeting will be held this evening (Monday at 7 P. M., in the Y. M. C. A. Hall. Every student who is interested in rifle practice or military training is requested to be present at this meeting. There is no reason why this organization should not continue, as it affords plenty of opportunity for recreation and valuable experience for anyone who cares to participate in its activities.

Seidel & Spangler's Specials
COLORED AND COLORED EMBROIDERED
VOILES

This will be a voile season, and can you suggest any materia more suitable for the hot summery days than sheer fine voiles? Then, too, no other material gives the service that voiles do.
Our line of colored voiles is second to none. In the line you will find every new stripe, figure and flowered effect—probably a hundred or more patterns to choose from, ranging in price from 25c up to \$1.50, in colored embroidered styles.

WHITE BED SPREADS

One at \$1.95 each, that is worth \$2.50.
One at \$2.25 each, that is worth \$3.00.
Values worth up to \$6.25, choice \$3.95.
Values worth up to \$8.50, choice \$4.95.
These are quilts that we bought far ahead, and our retail prices are lower than wholesale prices are to-day.
If you need a quilt, don't put it off, for they are advancing and will go higher.

FINE WHITE AND COLORED SKIRTINGS

Separate skirts seem to be winning their way to the front, and no doubt, will be worn more than any other garment this summer. We would be glad to show you through our line, even though you did not want to buy. It's always a pleasure to show pretty materials.
Skirtings in all the new colors, stripes, dots, figures, etc., at 25c up to 75c per yard.
